Even in silhouette, the fun and fanciful art of Dr. Seuss is instantly recognizable in this Bright and Early Book classic: "a bug, a balloon, a bed, a bike. No shapes are ever quite alike." Looking at ordinary shapes is great when seen through the eyes of the remarkable Dr. Seuss, but of course it's the extraordinary shapes that really make an impression. Would you want to be shaped like a BLOGG? Combining brief and funny stories, easy words, catchy rhythm, and lively illustrations, Bright and Early Books are an ideal way to introduce the joys of reading to children.

Cure your kids of the entitlement epidemic so they develop happier, more productive attitudes that will carry them into a successful adulthood. Whenever Amy McCreedy mentions the "entitlement epidemic" to a group of parents, she is inevitably met with eye rolls, nodding heads, and loaded comments about affected children. It seems everywhere one looks, there are preschoolers who only behave in the grocery store for a treat, narcissistic teenagers posting selfies across all forms of social media, and adult children living off their parents. Parenting expert McCreedy reveals in this book that the solution is to help kids develop healthy attitudes in life. By setting up limits with consequences and training them in responsible behavior and decision making, parents can rid their homes of the entitlement epidemic and raise confident, resilient, and successful children. Whether parents are starting from scratch with a young toddler or navigating the teen years, they will find in this book proven strategies to effectively quell entitled attitudes in their children.
