Game Of Thrones A Pop Up Guide To Westeros

The everything-you-missed, wanted-to-know-more-about, a can't-get-enough guide to the Game of Thrones television series—from the first episode to the epic finale. Valar morghulis! Spanning every episode across all eight seasons INSIDER's entertainment correspondent Kim Renfro goes deep into how the show was made, why it became such a phenomenon and explores every detail you want to know. It's the perfect book to look back at all you may have missed or jump-start you on a second viewing of the whole series. As an entertainment correspondent, Renfro has covered the show's premieres, broken down key details in scenes, explored characters' histories, and interviewed the cast, directors, and crew. In this book, she sheds new light on the themes, storylines, character development, the meaning of the finale and what you can expect next. Some of the questions answered here include: What was the Night King's ultimate purpose? How did the show affect George R.R. Martin's ability to finish the book series? Why were the final seasons shorter? Why were the direwolves get shortchanged? How were the fates of Jon Snow and Daenerys Targaryen foretold from the start? Was it that really a bittersweet ending? Winter may have come and gone, but there is still plenty to discover and obsess over in this behind-the-scenes fan guide to the Game of Thrones TV series.

Choose your faction, pick your weapon, and prepare for an astonishing vision of the world of Azeroth like you've never seen before! Built by best-selling paper engineer Matthew

Read Online Game Of Thrones A Pop Up Guide To Westeros

books that inspired it George R.R. Martin's New York Times bestselling epic fantasy book series, A Song of Ice and Fire, and the HBO television show adapted from it, have earned critical acclaim and inspired fanatic devotion. This book delves into the many philosophical questions that arise in this complex, character-driven series, including: Is it right for a "good" king to usurp the throne of a "bad" one and murder his family? How far should you go to protect your family and its secrets? In a fantasy universe with medieval mores and ethics, can female characters reflect modern feminist ideals? Timed for the premiere of the second season of the HBO Game of Thrones series Gives new perspectives on the characters, storylines, and themes of Game of Thrones Draws on great philosophers from ancient Greece to modern America to explore intriguing topics such as the strange creatures of Westeros, the incestuous relationship of Jaime and Cersei Lannister, and what the kings of Westeros can show us about virtue and honor (or the lack thereof) as they play their game of thrones Essential reading for fans, Game of Thrones and Philosophy will enrich your experience of your favorite medieval fantasy series. heart. This quirky book takes six heart-themed expressions and gives them new meaning through engaging pop-ups. From Brave Hearted (a heart that looks like a tiger) to Light Hearted (a heart with lightbulbs surrounding it), My Foolish Heart features Bantock's signature art style in a small and giftable package. With its inimitable word play on turns of phrase, this playful book is a delightful surprise for Valentine's Day or whenever a token of unexpected affection is in order.

Super Pop! offers a maximum-pleasure, minimum-effort way to become smarter, happier, and more likely to survive your next family function (or a shark attack). This hilarious and wide-ranging guide sorts nearly 500 different bestsellers, blockbusters, and underappreciated gems into quirky top ten lists, like "Outwit Death: Essential Lessons in Survival," and "Achieve Mindfulness: Movies That Will Show You the Way (With Wise Elders Now Included)." So whether you're looking for some motivational workout music, need help planning a July 4th double feature, or just want to pick up some knowledge without straining your brain, this book has you covered. With new insights on old classics and fresh ideas for jaded eyes, Super Pop! makes sense of pop culture — and then puts pop culture back to work! From comedian Quinta Brunson comes a deeply personal and funny collection of essays featuring anecdotes about trying to make it when you're broke,

Read Online Game Of Thrones A Pop Up Guide To Westeros

overcoming self-doubt and depression, and how she's used humor to navigate her career in unusual directions. Quinta Brunson is a master of viral Internet content: without any traditional background in media, her humorous videos were the first to break through on Instagram's platform, receiving millions of views. From there, Brunson's wryly observant POV attracted the attention of BuzzFeed's motion picture development department, leading her to produce viral videos there about topics like interracial dating, millennial malaise, and seeing your ex in public. Now, Brunson is bringing her comedic chops to the page in *She Memes Well*, an earnest, laugh-out-loud collection about her weird road to Internet notoriety. In her debut essay collection, Quinta applies her trademark humor and heart to discuss what it was like to go from student loan debt-broke to "halfway recognizable--'don't I know you somewhere?'" level-of-fame. With anecdotes that range from the funny and zany--like her experience trying to find her signature hairstyle--to more grounded material about living with depression, Brunson's voice is entirely authentic and eminently readable. Perfect for fans of Phoebe Robinson's *You Can't Touch My Hair*, Samantha Irby's *We Are Never Meeting in Real Life*, and Issa Rae's *The Misadventures of Awkward Black Girl*, *She Memes Well* will charm and entertain a growing, engaged audience.

castle of Winterfell, the lavish capital city King's Landing, and the Wall's stark majesty, this book takes readers into the world of the series like never before. Game of Thrones: A Pop-Up Guide to Westeros features five stunning spreads that fold out to create a remarkable pop-up map of Westeros, as well as numerous mini-pops that bring to life iconic elements of the show, such as direwolves, White Walkers, giants, and dragons. All the pops are accompanied by insightful text that relays the rich history of the Seven Kingdoms and beyond, forming a dynamic reference guide to the world of Game of Thrones. Visually spectacular and enthrallingly interactive, Game of Thrones: A Pop-Up Guide to Westeros sets a new standard for pop-up books and perfectly captures the epic scope and imagination of the series.

This spectacular pop-up book from paper engineers David Hawcock and Becca Zerkin forms the perfect guide to the world of AMC's The Walking Dead. Filled with eye-catchingly gory pops, the book takes the reader through some of the most iconic moments from the hugely popular series. The book features five spreads, each with its own central pop that depicts a key element from the show, such as the prison where the survivors found refuge before being attacked by the Governor or the Walker known as "Bicycle Girl" reaching out at the reader. Each spread also includes several smaller pops depicting other memorable elements from The Walking Dead, such as the Governor's "man cave" (including his unique aquarium complete with severed heads), the Well Walker, and much, much more.

Game of Thrones, one of the hottest series on television, leaves hundreds of critics divided on how

“feminist” the show really is. Certainly the female characters, strong and weak, embody a variety of archetypes—widow queens, warrior women, damsels in distress, career women, priestesses, crones, mothers and maidens. However, the problem is that most of them play a single role without nuance—even the “strong women” have little to do besides strut about as one-note characters. This book analyzes the women and their portrayals one by one, along with their historical inspirations. Accompanying issues in television studies also appear, from the male gaze to depiction of race. How these characters are treated in the series and how they treat themselves becomes central, as many strip for the pleasure of men or are sacrificed as pawns. Some nude scenes or moments of male violence are fetishized and filmed to tantalize, while others show the women’s trauma and attempt to identify with the scene’s female perspective. The key is whether the characters break out of their traditional roles and become multidimensional.

A 3D masterpiece celebrating Harry Potter's Hogwarts School of Witchcraft and Wizardry from New York Times best-selling pop-up engineer Matthew Reinhart. Harry Potter: A Pop-Up Guide to Hogwarts is an exhilarating, interactive guide to the iconic school of witchcraft and wizardry. This book features spectacular pop-up re-creations of key locations inside and outside Hogwarts castle, and it opens flat to form a pop-up map of the castle and its grounds - including the Quidditch pitch, the Forbidden Forest, and beyond. In addition to large pops on each spread, numerous mini-pops will bring to life beloved elements from the Harry Potter films, such as the Marauder's Map and the Flying Ford

HBO's Game of Thrones Coloring Book

Get ready for charades like you've never played it before. You can play Pop Freak! with as many people as you can find.

Divide yourselves into teams then randomly pull out about 40 cards (more for a longer game, fewer for a quick one) - but no peeking! Set the cards in a pile in the middle. This is the playing deck. Each game has three rounds. Teams take 60 second turns to collect as many cards as they can by correctly guessing exactly what's written on each of them. One person in the team does the talking (or not talking) to the rest of the team, who do the guessing. For every correct guess, your team gets to keep the card. A round is over when there are no cards left in the playing deck. Tally the scores and shuffle all the cards back together for the next round. The winning team is the one who has accumulated the most cards

Read Online Game Of Thrones A Pop Up Guide To Westeros

over the three rounds. Round 1 You can say anything you want besides the words or phrases on the card. If you say any of these, the card is returned randomly to the playing deck, and you lose five seconds from that turn. There's no skipping of cards that you get stuck on. Sorry. And no spelling out words or rhyming! Round 2 The same as round one, but you can only say one word. Use it wisely. Round 3 No words or sounds.

Journey into the Wizarding World once more with this stunning new masterpiece from New York Times best-selling paper engineer Matthew Reinhart. This exhilarating pop-up book invites you to relive the movie adventures of Hermione Granger, Ron Weasley, and the Boy Who Lived—Harry Potter—as you explore London's magical Diagon Alley like never before. Inside, gorgeously intricate pop-up spreads render fan-favorite Diagon Alley establishments such as Ollivanders, Weasleys' Wizard Wheezes, and the Leaky Cauldron, plus other locales like the Ministry of Magic and platform nine and three-quarters. Pull tabs allow fans to command the action—rescue a Ukrainian Ironbelly dragon from the depths of Gringotts, or help Harry navigate out of Knockturn Alley after a Floo powder mishap. Alongside each

For eight seasons the hit HBO series Game of Thrones painted a picture of a fantasy world filled with images such as white walkers (the undead), a three-eyed raven, and dragons. All these elements set the series visually apart, far distant from our realities. And yet, after each episode and season, viewers were left pondering about the wars, political games, diplomacy, and human rights violations that somehow resonated with the world today. Laura D. Young and Nusta Carranza Ko's groundbreaking book provides the answers to these questions that international relations scholars, historians, and fans have been wanting to know. How does Game of Thrones mirror international politics and how may the series provide a useful tool for better understanding the theories, concepts, and thematic issues in international relations? Game of Thrones and the Theories of International Relations connects the prominent international relations theories—realism, liberalism, constructivism, and critical identity theories—to the series, providing examples from various characters whose actions reflect applied scenarios of decision-making and strategizing.

Read Online Game Of Thrones A Pop Up Guide To Westeros

Thrones tale that has yet to be told: the thirteen-year behind-the-scenes struggle to make the show. Fire Cannot Kill a Dragon shares the incredible, thrilling, uncensored story of Game of Thrones, from the creator's first meetings with George R. R. Martin and HBO through the series finale, including all the on-camera battles, off-camera efforts, and the many controversies in between. The book also features more than fifty candid new interviews, rare and stunning photos, and unprecedented access to the producers, cast, and crew who took an impossible idea and made it into the biggest show in the world.

This book looks at the link between voters and political party systems in Asian democracies, focusing on India, Indonesia, Korea and the Philippines. It discusses this link in terms of three distinct elements: the formation of voters preferences, the translation of preferences into votes, and the translation of votes into seats. The book goes on to discuss how far the general rules of political party systems and their underlying causal mechanisms such as strategic voting are apparent in these Asian democracies. In particular, it explores the extent to which electoral rules and social structural variables affect the process of transforming preferences into a political party system within the context of Asian politics. The extensive areas covered by the book overcome the traditional sub-regional division of Asia, namely, East, Southeast and South Asia.
