

## Ghosts

***To heal addiction, you have to go back to the start... Featured on Russell Brand's podcast Under the Skin Dr Gabor Maté is one of the world's most revered thinkers on the psychology of addiction. His radical findings - based on decades of work with patients challenged by catastrophic drug addiction and mental illness - are reframing how we view all human development. In this award-winning modern classic, Gabor Maté takes a holistic and compassionate approach to addiction, whether to alcohol, drugs, sex, money or anything self-destructive. He presents it not as a discrete phenomenon confined to a weak-willed few, but as a continuum that runs through (and even underpins) our society; not as a medical 'condition', but rather the result of a complex interplay of personal history, emotional development and brain chemistry. Distilling cutting-edge research from around the world, In the Realm of Hungry Ghosts avoids glib self-help remedies, instead promoting self-understanding as the first key to healing and wellness. Blending personal stories and science with positive solutions, and written in spellbinding prose, it is a must-read that will change how you see yourself, others and the world. 10th anniversary edition, updated with new chapter on the Opioid crisis***

***Writers have a reputation of being tortured souls languishing among the living. Does the unrest continue in the afterlife? Sam Baltrusis, author of Wicked Salem: Exploring Lingerin Lore and Legends, revisits the haunts associated with America's most beloved writers of ghost stories, including Edgar Allan Poe's enduring legacy in New York City to Nathaniel Hawthorne's indelible imprint at the House of the Seven Gables in Salem, Massachusetts. Armed with the ghost lore and legends associated with these unforgettable literary icons, Baltrusis breathes new life into the long departed.***

***This book contains two volumes of African American folk tales collected by J. Mason Brewer. The stories included in Dog Ghosts are as varied as the Texas landscape, as full of contrasts as Texas weather. Among them are tales that have their roots deeply imbedded in African, Irish, and Welsh mythology; others have parallels in pre-Columbian Mexican tradition, and a few have versions that can be traced back to Chaucer's England. All make delightful reading. The title Dog Ghosts is drawn from the unique stories of dog spirits which Dr. Brewer collected in the Red River bottoms and elsewhere in Texas. The Word on the Brazos is a delightful collection of "preacher tales" from the Brazos River bottom in Texas. J. Mason Brewer worked side by side with field hands in the Brazos bottoms; he lived in their homes, worshipped in their churches, and shared the moments of relaxation in which laughter held full sway. Many of the tales these people told were related to religion--both "good religion" and "bad religion." Some of them concerned preachers and their families, while others were stories told in pulpits. Mr. Brewer has set all of these stories down in authentic yet easily readable dialect. They will delight all who are interested in the***

***historic culture of rural African-American Texans, as well as those who simply enjoy fine humorous stories skillfully told.***

***Over the centuries, there have been reports of ghosts, haunted houses, and other eerie phenomenon. Is it possible that at least some of these sightings are true? Using the scientific method and other information, this book aims to find out!***

Catrina and her family are moving to the coast of Northern California because her little sister, Maya, is sick. Cat isn't happy about leaving her friends for Bah í a de la Luna, but Maya has cystic fibrosis and will benefit from the cool, salty air that blows in from the sea. As the girls explore their new home, a neighbor lets them in on a secret: there are ghosts in Bah í a de la Luna. Maya is determined to meet one, but Cat wants nothing to do with them. As the time of year when ghosts reunite with their loved ones approaches, Cat must figure out how to put aside her fears for her sister's sake -- and her own.

Largely unstudied until now, the religious festivals that attracted Chinese people from all walks of life provide the most instructive examples of the interaction between Chinese forms of social life and the Indian tradition of Buddhism. Stephen Teiser examines one of the most important of such annual celebrations. He provides a comprehensive interpretation of the festivities of the seventh lunar month, in which laypeople presented offerings to Buddhist monks to gain salvation for their ancestors. Teiser uncovers a wide range of sources, many translated or analyzed for the first time in any language, to demonstrate how the symbolism, rituals, and mythology of the ghost festival pervaded the social landscape of medieval China.

Ghost. The very word tempts the mind with lurid images of lost souls trapped in an alternate dimension. Many of us will never encounter a ghost or perhaps be aware of its presence. But that doesn ' t mean they don ' t exist – in fact, they do exist- in the battered walls of the Mayflower Hall, Pennhurst. With its morbid history, Pennhurst State School and Hospital left behind a tragic legacy of neglect and abuse. Opening in 1908, Pennhurst was created to isolate the mental and physically handicapped from “ normal ” society and institutionalize them. The most vulnerable lived at Pennhurst—children. Conditions quickly became strained by limited staff, overcrowding and lack of funding. Finally in the 1980 ' s, Pennhurst began closing its doors. Today the remnants of Pennhurst are hard to ignore with its towering fortress of crumbling buildings and rustic grounds. But during the Halloween season, Pennhurst Haunt offers several attractions for the curious or thrill seekers. Ghost Hunt is located in the Mayflower Hall. For several years, I have spent time in this dark, eerie building and have witnessed the paranormal first hand. This sequel to the original Ghosts of Mayflower offers a reader a chance to spend some time in

***A smart, sexy, laugh-out-loud romantic comedy about ex-boyfriends, imperfect parents, friends with kids, and a man who disappears the moment he says "I love you." Nina Dean is not especially bothered that she's single. She owns her own apartment, she's about to publish her second book, she has a great relationship with her ex-boyfriend, and enough friends to keep her social calendar full and her hangovers plentiful. And when she downloads a dating app, she does the seemingly impossible: she meets a great guy on her first date. Max is handsome and built like a lumberjack, he has floppy blond hair and a stable job. But more surprising than anything else, Nina and Max have chemistry. Their conversations are witty and ironic, they both hate sports, they dance together like fools, they happily dig deep into the nuances of crappy music, and they create an entire universe of private jokes and chemical bliss. But when Max ghosts her, Nina is forced to deal with everything she's been trying so hard to ignore: her father's Alzheimers is getting worse, and so is her mother's denial of it; her editor hates her new book idea; and her best friend from childhood is icing her out. Funny, tender, and eminently, movingly relatable, Ghosts is a whip-smart tale of relationships and modern life.***

***Call it Lake Erie, according to this book "filled with ghostly encounters of the friendly kind with a bit of local history mixed in" (Toledo Blade). The residents of Lake Erie's North coast have trouble leaving—even after they die. The area is flooded with the spirits of locals, some friendly, some not. See the sorrowful eyes of the Hauntingly Beautiful High School Student, who floats the corridors looking for her lost boyfriend, and head to an***

Echoes of prospectors, forlorn widows and politicians linger in the streets and historic remnants of Nevada's former boomtowns. In the throes of early financial disaster, the Silver State had little to entice newcomers or discourage residents from leaving. Jim Butler's silver discovery at Tonopah changed everything. With a subsequent gold discovery near Goldfield, the rush was on, and from these burgeoning mines, Nevada's early leaders amassed their wealth and power.

Paranormal historian Janice Oberding shares firsthand accounts of ghostly encounters in the Goldfield and Mizpah Hotels and uncovers the history behind the mysterious cowboy ghost, the haggard hitchhiker and other eerie local tales.

Robyn Schneider, author of *Extraordinary Means* and *The Beginning of Everything*, delivers a sharply funny, romantic girl-meets-boy novel with a twist: boy-also-meets-girl's-ghost-brother. When one girl's best friend is her dead brother's ghost, romance can be tricky. Perfect for fans of John Green and Nicola Yoon. Rose Asher believes in ghosts. She should, since she has one for a best friend: Logan, her annoying, Netflix-addicted brother, who is forever stuck at fifteen. But Rose is growing

up, and when an old friend moves back to Laguna Canyon and appears in her drama class, things get complicated. Jamie Aldridge is charming, confident, and a painful reminder of the life Rose has been missing out on since her brother's death. She watches as Jamie easily rejoins their former friends—a group of magnificently silly theater nerds—while avoiding her so intensely that it must be deliberate. Yet when the two of them unexpectedly cross paths, Rose learns that Jamie has a secret of his own, one that changes everything. Rose finds herself drawn back into her old life—and to Jamie. But she quickly starts to suspect that he isn't telling her the whole truth. All Rose knows is that it's becoming harder to choose between the boy who makes her feel alive and the brother she isn't ready to lose.

A collection of ghost stories and folklore from southern Appalachia. In this brilliantly haunting new novel, John Banville forges an unforgettable amalgam of enchantment and menace that suggests both *The Tempest* and his own acclaimed *The Book of Evidence*. "A surreal and exquisitely lyrical new novel by one of the great stylists writing in English today."--*Boston Globe*.

Little Book of Ghosts

***In this book, you'll find plenty of evidence that the supernatural is alive in the Golden Isles. Crumbling slave cabins, plantation homes and grand mansions, ancient forts, even a hospital that once cared for the five hundred slaves of Retreat Plantation -- all have their own aura, created by those long since dead. A silent Indian couple wanders, looking with pleading eyes to anyone who can help find something precious lost long ago. The ghost of a lonely woman still haunts the theater where she killed herself. Two men grapple with swords in a graveyard, replaying a scene from their lives again and again. -- A woman visiting an old inn experiences deja vu when she is transported to an elegant party that took place there a century before. The ghost of a young polo player killed in a bizarre horseback riding accident strides silently through the place that was his last destination on earth. These stories of restless souls, heartbroken lovers, skin-walkers, and protective spirits will give you a case of the creeps. Keep the lights on! The lives of the Barretts, a suburban New England family, are torn apart when fourteen-year-old Marjorie begins to display***

**signs of acute schizophrenia. To her parents' despair, the doctors are unable to halt Marjorie's descent into madness. As their stable home devolves into a house of horrors, they reluctantly turn to a local Catholic priest for help, and soon find themselves the unwitting stars of *The Possession*, a hit reality television show.**

**This is a collection of ghost stories in the 'antiquarian' tradition established by M. R. James, who excelled at the atmospheric portrayal of legitimate scholarly interest descending into unwise curiosity, with almost invariably tragic results. James' influence on the genre has been immense, both on the popular perception of what makes a successful ghost story work, and on other authors in the genre. This collection offers some of the best stories from authors who influenced James, such as Sheridan Le Fanu and Augustus Jessopp, stories from his contemporaries, such as T. G. Jackson and 'D. N. J.', and tales from more recent practitioners, including Fritz Leiber and Terry Lamsley. Selected and introduced by an acknowledged master of the art, the collection also includes a checklist of writers in the Jamesian tradition.**

***talent as told through the prism of three generations of her Chinese American family. Kat Chow has always been unusually fixated on death. She worried constantly about her parents dying---especially her mother. A vivacious and mischievous woman, Kat's mother made a morbid joke that would haunt her for years to come: when she died, she'd like to be stuffed and displayed in Kat's future apartment in order to always watch over her. After her mother dies unexpectedly from cancer, Kat, her sisters, and their father are plunged into a debilitating, lonely grief. With a distinct voice that is wry and heartfelt, Kat weaves together a story of the fallout of grief that follows her extended family as they emigrate from China and Hong Kong to Cuba and America. Seeing Ghosts asks what it means to reclaim and tell your family's story: Is writing an exorcism or is it its own form of preservation? The result is an extraordinary new contribution to the literature of the American family, and a provocative and transformative meditation on who we become facing loss.***

*Take a spirited tour through the supernatural history of America, from its haunted sites to its famous ghosts to its ghost-obsessed pop culture. Ghosts are everywhere—whether you believe in them or not. Every town has its local legends, and countless books, movies, and TV shows are haunted by their presence. But our obsession with ghosts runs deeper than we know—and is embedded in the very fabric of American history. Writer and historian Marc Hartzman dons the mantle of tour guide, taking readers on a fascinating journey through supernatural history, including:*

- The Fox Sisters and the rise of Spiritualism*
- The supernatural obsessions of famous figures like Sir Arthur Conan Doyle*
- Famous haunted sites like the Eastern State Penitentiary in Philadelphia and the LaLaurie House in New Orleans*
- Famous ghosts like the Bell Witch of Tennessee and the Greenbrier Ghost of West Virginia*

*Paranormal investigators like Ed and Lorraine Warren Deeply researched and highly entertaining, with archival images and black and white illustrations, Chasing Ghosts will satisfy believers and skeptics alike.*

***THE DEPARTED HAVE ARRIVED.*** *The world is not the way it was. The dead have risen, and the living are under attack. The powerful Church of Real Truth, in*

charge since the government fell, has sworn to reimburse citizens being harassed by the deceased. Enter Chess Putnam, a fully tattooed witch and freewheeling ghost hunter. She's got a real talent for banishing the wicked dead. But Chess is keeping a dark secret: She owes a lot of money to a murderous drug lord named Bump, who wants immediate payback in the form of a dangerous job that involves black magic, human sacrifice, a nefarious demonic creature, and enough wicked energy to wipe out a city of souls. Toss in lust for a rival gang leader and a dangerous attraction to Bump's ruthless enforcer, and Chess begins to wonder if the rush is really worth it. Hell, yeah.

**BONUS:** This edition contains an excerpt from Stacia Kane's *Unholy Magic*. The book is aimed at all readers not just those who are interested in the esoteric. It introduces accessibly and surprisingly clearly the causes of the toxic relationships that arise between people and ghosts. It contains a large dose of psychology of the soul, testimony to the author's spiritual maturity. Ghosts are the souls of people who, after the death of their physical body, have not resolved to pass through to the other side of death's curtain. The reason for that is that, for various reasons, they overlooked their own deaths, didn't have the courage to go through to the other side or were detained or even pulled away from their road by those mourning the souls of their near ones. When they remain in the world of the living they possess people which can be the cause of very unpleasant and sometimes even tragic experiences. Starting with the mildest -- the presence of ghosts in a person causes severe mood swings ranging from powerful explosions of negative energy to deep depressions. They bring out severe states of anxiety, they tempt those possessed to commit suicide, they have a powerful influence on the psyche and are the cause of psychiatric illnesses. In addition, the diseases of the dead person very often transfer through the ghost to the person possessed. Wanda Pratnicka is an exorcist and psychotherapist of world renown. Over the past thirty years she has helped many thousands of patients throughout the world.

From #1 NYT bestselling author Victoria Schwab comes a sweeping, spooky, evocative adventure, perfect for fans of "Stranger Things" and *Miss Peregrine's Home for Peculiar Children*. A New York Times bestseller! Ever since Cass almost drowned (okay, she did drown, but she doesn't like to think about it), she can pull back the Veil that separates the living from the dead . . . and enter the world of spirits. Her best friend is even a ghost. So things are already pretty strange. But they're about to get much stranger. When Cass's parents start hosting a TV show about the world's most haunted places, the family heads off to Edinburgh, Scotland. Here, graveyards, castles, and secret passageways teem with restless phantoms. And when Cass meets a girl who shares her "gift," she realizes how much she still has to learn about the Veil -- and herself. And she'll have to learn fast. The city of ghosts is more dangerous than she ever imagined.

*Walking With Ghosts*

Walking with Ghosts is the stunningly evocative memoir by Irish actor and Hollywood star, Gabriel Byrne. 'Dreamy, lyrical and utterly unvarnished' – Colm Tóibín As a young boy growing up in the outskirts of Dublin, Gabriel Byrne sought refuge in a world of imagination among the fields and hills near his home, at the edge of a rapidly encroaching city. Born to working-class parents and the eldest of six children, he harboured a childhood desire to become a priest. When he was eleven years old, Byrne found himself crossing the Irish Sea to join a seminary in England. Four years later, Byrne had been expelled and he quickly returned to his native city. There he took odd jobs as a messenger boy and a factory labourer to get by. In his spare time he visited the cinema, where he could be alone and yet part of a crowd. It was here that he could begin to imagine a life beyond the grey world of '60s Ireland. He revelled in the theatre and poetry of Dublin's streets, populated by characters as eccentric and remarkable as any in fiction, those who spin a yarn with acuity and wit. It was a friend who suggested Byrne join an amateur drama group, a decision that would change his life forever and launch him on an extraordinary forty-year career in film and theatre. Moving between sensual recollection of childhood in a now almost vanished Ireland and reflections on stardom in Hollywood and on Broadway, Byrne also courageously recounts his battle with addiction and the ambivalence of fame. Walking with Ghosts is by turns hilarious and heartbreaking as well as a lyrical homage to the people and landscapes that ultimately shape our destinies. 'Make no mistake about it: this is a masterpiece . . . poetic, moving and very funny' – Colum McCann, author of *Let the Great World Spin*

This is a collection of Eskimo folk tales.

This little gem of a book is a repository of intriguing, fascinating, obscure, strange and entertaining facts and trivia about ghosts and all things that go bump in the

night. Within this volume are such chapters as haunted houses, roads, woods and byways, phantom animals, royal ghosts, poltergeists and haunted objects, while not forgotten are spooky séances and time-slip ghosts, as well as some of the famous ghost-hunters themselves, including Harry Price, Elliot O'Donnell and R. Thurston Hopkins. Anyone curious enough to pick up this book will be terrified and enthralled and never short of some frivolous fact to enhance a conversation or quiz! The Little Book of Ghosts is the perfect introduction to the mysterious realm of ghosts and haunted places. Step inside, if you dare... The award-winning author of Tales of Terror stirs up old ghosts in this spine-tingling, multi-narrative horror. Jake and the other finalists in a writing competition have been invited to a stately house for a tour like no other. As their guide leads them through grand rooms, hidden nooks and magnificent grounds, they hear the stories of seven ghosts who haunt the halls. Strange shapes and shadows follow Jake as he journeys through the house and with each tale that Jake hears, he begins to feel more uneasy. All is not as it seems and soon Jake will discover that something is very, very wrong.
