The Various Contrivances by which Orchids are Fertilised by Insects

A reward of one grain of rice doubles day by day into millions of grains of rice when a selfish raja is outwitted by a clever village girl.

In this title, examine the life of imaginative space traveler and medical innovator Mae Jemison. Readers will enjoy digging into Jemison's personal story, beginning with her childhood in Chicago where she watched Star Trek and conducted dozens of her own science experiments. Students can trace Jemison's success, from her education at Stanford University and Cornell University to her years volunteering with the Peace Corps, before her acceptance into the NASA space program and flight into space on the Endeavour. Engaging text and photos offer insight on topics such as astronomy, gravity, and biomedical engineering. While a timeline, glossary, and index supplement the text, an entertaining science activity allows readers their own hands-on experience based on the science that inspired this woman's groundbreaking career. Checkerboard Library is an imprint of ABDO Publishing Company.

Contains materials designed to aid students in understanding the stories and lessons in grade 3 of the Trophies : Harcourt reading/language art program.

Minnesota Marvels

A "dirty materialist" ride through the media cultures of pirate radio, photography, the Internet, media art, cultural evolution, and surveillance.

An eclectic collection of essays on creative use, manipulation, and "invention" of traditions by groups of many sizes and types: ethnic, regional, religious, organizational, and national.

The perfect biography to "bite into" at the start of a new school year! Children are sure to be fascinated by the eccentric and legendary Johnny Appleseed, a man who is best known for bringing apple trees to the midwest. Over John Chapman's lifetime, he saw the country grow and start to spread westward. Traveling alone—in bare feet and sporting a pot on his head!—Johnny left his own special mark planting orchards that helped nourish new communities. His journeys and adventures are illustrated in a hundred black-and-white illustrations.

The Art of Public Speaking

Social Studies and the Young Learner

One Grain of Rice

The Art of Public Speaking is a fantastic introduction to public speaking by the master of the art—Dale Carnegie. Featured within this classic manual are hundreds of tips and tricks on how to become an efficient and effective public speaker. One of the core ideas in his books is that it is possible to change other people's behavior by changing one's reaction to them. This is a fascinating work and is thoroughly recommended for everyone.

Trophies is a research-based, developmental reading/language arts program. Explicit phonics instruction; direct reading instruction; guided reading strategies; phonemic awareness instruction; systematic, intervention strategies; integrated language arts components; and state-of-the-art assessment tools ensure every student successfully learns to read. Pupil editions contain collections of classic and contemporary works, including realistic fiction, folktales, nonfiction, plays, and poems. Also included are lessons to develop vocabulary and comprehension skills and opportunities to respond to literature. Teacher's editions offer comprehensive guides for teachers to implement the program. These guides include instruction in phonics, high-frequency words, and comprehension, as well as activities for listening, speaking, writing, language, and spelling. Additional teacher-friendly features help teachers with classroom management and flexible grouping.
