When Cameron MacAlpin learns the identity of the golden beauty tossed before him as a debt payment, he can't believe his fortune! For cat-eyed Avery Murray is the perfect weapon to use against Payton Murray—Avery's brother—who dishonored Cameron's own sister. Still, a knight of the Highlands owes his allegiance to his clan before all else—even his heart. Avery is outraged at her captor's accusations against her brother. Though he makes no secret he intends to use her to avenge his sister's lost honor, he adds to her fury by vowing to take her by seduction not force. Escape is impossible—unless Lu becomes the ruthless soldier she hoped never to be again. Vex failed to save Lu and Ben—and that torments him as much as his Shaking Sickness. With the disease worsening, Vex throws himself into the rebellion against Argrid. The remaining free armies are allied with the stream raider syndicates—and getting them to cooperate will take a strength Vex thought burned on a pyre six years ago. Imprisoned, betrayed, and heartbroken, Ben is determined to end his father's rampage. Watching Elazar sway the minds of Grace Loray as he did those of Argrid, Ben knows he has to play his father's game of devotion to win this war. But how can a heretic prince defeat the Pious God?
