

## Hidden House Of Night

When friends stop trusting each other, Darkness is there to fan the flames.... Things have turned black at the House of Night. Zoey Redbird's soul has shattered. With everything she's ever stood for falling apart, and a broken heart making her want to stay in the Otherworld forever, Zoey's fading fast. It's seeming more and more doubtful that she will be able pull herself back together in time to rejoin her friends and set the world to rights. As the only living person who can reach her, Stark must find a way to get to her. But how? He will have to die to do so, the Vampyre High Council stipulates. And then Zoey will give up for sure. There are only 7 days left... Enter BFF Stevie Rae. She wants to help Z but she has massive problems of her own. The rogue Red Fledglings are acting up, and this time not even Stevie Rae can protect them from the consequences. Her kinda boyfriend, Dallas, is sweet but too nosy for his own good. The truth is, Stevie Rae's hiding a secret that might be the key to getting Zoey home but also threatens to explode her whole world. In the middle of the whole mess is Aphrodite: ex-Fledgling, trust-fund baby, total hag from Hell (and proud of it). She's always been blessed (if you could call it that) with visions that can reveal the future, but now it seems Nyx has decided to speak through her with the goddess's own voice, whether she wants it or not. Aphrodite's loyalty can swing a lot of different ways, but right now Zoey's fate hangs in the balance. Three girls... playing with fire... if they don't watch out, everyone will get Burned.

In a future where the Population Police enforce the law limiting a family to only two children, Luke, an illegal third child, has lived all his twelve years in isolation and fear on his family's farm in this start to the Shadow Children series from Margaret Peterson Haddix. Luke has never been to school. He's never had a birthday party, or gone to a friend's house for an overnight. In fact, Luke has never had a friend. Luke is one of the shadow children, a third child forbidden by the Population Police. He's lived his entire life in hiding, and now, with a new housing development replacing the woods next to his family's farm, he is no longer even allowed to go outside. Then, one day Luke sees a girl's face in the window of a house where he knows two other children already live. Finally, he's met a shadow child like himself. Jen is willing to risk everything to come out of the shadows—does Luke dare to become involved in her dangerous plan? Can he afford not to?

Zoey is finally home where she belongs, safe with her Guardian Warrior, Stark, by her side, and preparing to face off against Neferet – which would be a whole lot easier if the High Counsel saw the ex-High Priestess for what she really is. Kalona has released his hold on Rephaim, and, through Nyx's gift of a human form, Rephaim and Stevie Rae are finally able to be together – if he can truly walk the path of the Goddess and stay free of his father's shadow... But there are new forces at work at the House of Night. An influx of humans, including Lenobia's handsome horse whisperer, threatens their precarious stability. And then there's the mysterious Aurox, a jaw-droppingly gorgeous teen boy who is actually more – or possibly less – than human. Only Neferet knows he was created to be her greatest weapon. But Zoey can sense the part of his soul that remains human, the compassion that wars with his Dark calling. And there's something strangely familiar about him... Will Neferet's true nature be revealed before she succeeds in silencing them all? And will Zoey be able to touch Aurox's humanity in time to protect him – and everyone – from his own fate? Find out what's destined in the next thrilling chapter of the House of Night series.

Not all of those who are chosen do. It's tough to begin a new life, away from her parents and friends, and on top of that, Zoey finds she is no average fledgling. Betrayed Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her, and is getting a handle on being the new Leader of the Dark Daughters. Then the unthinkable happens: Human teenagers are being killed, and all the evidence points to the House of Night. Chosen Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. The first in an enthralling new mini-series of novellas from the #1 bestselling authors of the House of Night, Dragon's Oath tells the story behind the House of Night's formidable fencing instructor – the love that will transform him, and the promise that will haunt him In early 19th century England, long before he's a professor at the Tulsa House of Night, Bryan Lankford is a troublesome yet talented human teen who thinks he can get away with anything... until his father, a wealthy nobleman, has finally had enough, and banishes him to America. When Bryan is Marked on the docks and given the choice between the London House of Night and the dragon-prowed ship to America, he chooses the Dragon – and a brand new fate. Becoming a Fledgling may be exciting, but it opens a door to a dangerous world.... In 1830's St. Louis, the Gateway to the West, Dragon Lankford becomes a Sword Master, and soon realizes there are both frightening challenges and beautiful perks. Like Anastasia, the captivating young Professor of Spells and Rituals at the Tower Grove House of Night, who really should have nothing to do with a fledgling... But when a dark power threatens, Dragon is caught in its focus. Though his uncanny fighting skills make him a powerful fledgling, is he strong enough to ward off evil, while protecting Anastasia as well? Will his choices save her—or destroy them all?

Dark forces are at work at the House of Night and fledgling vampyre Zoey Redbird's adventures at the school take a mysterious turn. Those who appear to be friends are turning out to be enemies. And oddly enough, sworn enemies are also turning into friends. So begins the gripping third installment of this "highly addictive series" (Romantic Times), in which Zoey's mettle will be tested like never before. Her best friend, Stevie Rae, is undead and struggling to maintain a grip on her humanity. Zoey doesn't have a clue how to help her, but she does know that anything she and Stevie Rae discover must be kept secret from everyone else at the House of Night, where trust has become a rare commodity. Speaking of rare: Zoey finds herself in the very unexpected and rare position of having three boyfriends. Mix a little bloodlust into the equation and the situation has the potential to spell social disaster. Just when it seems things couldn't get any tougher, vampyres start turning up dead. Really dead. It looks like the People of Faith, and Zoey's horrid step-father in particular, are tired of living side-by-side with vampyres. But, as Zoey and her friends so often find out, how things appear rarely reflects the truth... Chosen is the third in the House of Night series by P. C. Cast and Kristin Cast.

Enter the dark, magical world of the House of Night series by bestselling authors P.C. Cast and Kristin Cast, a world very much like our own, except here vampyres have always existed. One minute, sixteen-year-old Zoey Redbird is a normal teenager dealing with everyday high school stress: her cute boyfriend Heath, the school's star quarterback who suddenly seems more interested in partying than playing ball; her nosy frenemy Kayla, who's way too concerned with how things are going with Heath; her uber-tough geometry test tomorrow. The next, she's *Marked* as a fledgling vampyre, forcing her to leave her ordinary life behind and join the House of Night, a boarding school where she will train to become an adult vampyre. That is, if she makes it through the Change—and not all of those who are *Marked* do. It sucks to begin a new life, especially away from her friends, and on top of that, Zoey is no average fledgling. She has been chosen as special by the vampyre Goddess, Nyx. Zoey discovers she has amazing powers, but along with her powers come bloodlust and an unfortunate ability to Imprint with Heath, who just doesn't know how to take "no" for an answer. To add to her stress, she is not the only fledgling at the House of Night with special powers: when she discovers that the leader of the Dark Daughters, the school's most elite group, is misusing her Goddess-given gifts, Zoey must look deep within herself for the courage to embrace her destiny—with a little help from her new vampyre friends.

**A Wall Street Journal and South Florida Sun-Sentinel Best Book of the Year “A masterpiece”—LAPD detective Renée Ballard must join forces with Harry Bosch to find justice in a city scarred by fear and social unrest after a methodical killer strikes on New Year’s Eve (Publishers Weekly). There’s chaos in Hollywood at the end of the New Year’s Eve countdown. Working her graveyard shift, LAPD detective Renée Ballard waits out the traditional rain of lead as hundreds of revelers shoot their guns into the air. Only minutes after midnight, Ballard is called to a scene where a hardworking auto shop owner has been fatally hit by a bullet in the middle of a crowded street party. Ballard quickly concludes that the deadly bullet could not have fallen from the sky and that it is linked to another unsolved murder—a case at one time worked by Detective Harry Bosch. At the same time, Ballard hunts a fiendish pair of serial rapists, the Midnight Men, who have been terrorizing women and leaving no trace. Determined to solve both cases, Ballard feels like she is constantly running uphill in a police department indelibly changed by the pandemic and recent social unrest. It is a department so hampered by inertia and low morale that Ballard must go outside to the one detective she can count on: Harry Bosch. But as the two inexorable detectives work together to find out where old and new cases intersect, they must constantly look over their shoulders. The brutal predators they are tracking are ready to kill to keep their secrets hidden. Unfolding with unstoppable drive and nail-biting intrigue, *The Dark Hours* shows that “relentless on their own, Ballard’s and Bosch’s combined skills...could be combustible” (Los Angeles Times).**

As the world threatens to fall under Neferet's control, the only hope is that Zoey might find the strength to bring her soul together again. The House of Night Series: Books 1-12

Sixteen-year-old Zoey Redbird is Marked as a fledgling vampyre and joins the House of Night, where she will train to become an adult vampyre and where she faces many challenges throughout her training.

Before becoming Zoey's favourite professor and the House of Night's powerful horse mistress, Lenobia was just a normal 16-year-old girl - but with enough problems to last a lifetime. In 1788, Lenobia's father places her on a ship bound for New Orleans. An evil bishop, skilled in Dark magic, makes the same journey. His appetite for beautiful young women forces Lenobia to remain hidden, but she secretly visits the ship's stables, where a handsome young man and his horses capture her attention. Can they make it to the New World before the bishop discovers her true identity and a powerful evil breaks loose? And will Lenobia follow her heart, even if it puts lives at risk?

An alternate history first contact adventure set in the early 2000's, pitched as *Arrival* meets *The Three-Body Problem*, by video essayist Lindsay Ellis. By the fall of 2007, one well-timed leak revealing that the U.S. government might have engaged in first contact has sent the country into turmoil, and it is all Cora Sabino can do to avoid the whole mess. The force driving this controversy is Cora's whistleblower father, and even though she hasn't spoken to him in years, his celebrity has caught the attention of the press, the Internet, the paparazzi, and the government - and redirected it to her. She neither knows nor cares whether her father's leaks are a hoax, and wants nothing to do with him - until she learns just how deeply entrenched her family is in the cover-up, and that an extraterrestrial presence has been on Earth for decades. To save her own life, she offers her services as an interpreter to a monster, and the monster accepts. Learning the extent to which both she and the public have been lied to, she sets out to gather as much information as she can, and finds that the best way for her to find the truth is not as a whistleblower, but as an intermediary. The alien presence has been completely uncommunicative until she convinces one of them that she can act as their interpreter, becoming the first and only human vessel of communication. But in becoming an interpreter, she begins to realize that she has become the voice for a being she cannot ever truly know or understand, and starts to question who she's speaking for - and what future she's setting up for all of humanity.

Fledgling vampyre Zoey Redbird has managed to settle in at the House of Night. She's come to terms with the vast powers the vampyre goddess, Nyx, has given her. But then human teenagers start dying, and all the evidence points to the House of Night.

Among the Hidden

Revealed is the spellbinding eleventh and penultimate installment in the #1 New York Times bestselling vampyre series by PC and Kristin Cast. Drastically altered after her fall at the end of Hidden, Neferet is now more dangerous than ever—and her quest for vengeance will wreak havoc on humans, as well as Zoey and her friends. Chaos is loosed in Tulsa and the House of Night is blamed. Can Zoey stop Neferet in time to keep her anger from escalating to full-on war? Or will someone else have to step in to take the fall? The House of Night series is an international phenomenon, reaching #1 on U.S., German, and UK bestseller lists, and remaining a fixture on The New York Times Children's Series bestseller list for nearly 150 weeks and counting. With more than 12 million copies in print, rights sold in thirty-eight countries to date, and relatable, addictive characters, this series is unstoppable. Now, in the eleventh and penultimate installment of the series, the action is more intense and the stakes even higher as Zoey and her friends battle to protect their school and home from devastating evil—all while balancing romances, precarious friendships and the daily drama of the House of Night's halls.

Celebrate the 10th anniversary return to the House of Night with this new edition of the first graphic novel from best-selling mother/daughter duo P.C. and Kristin Cast's vampyric House of Night novel series! Includes an all-new introduction by Kristin Cast! Zoey Redbird was an average teenager worrying about grades, boys, and breakouts. But priorities change when you're marked as a vampyre. Zoey leaves her religious family to enroll in the vampyre academy House of Night, which mixes the all too familiar high school problems with elemental magic, as well as the physicals changes that accompany a craving for human blood! Following the events of the first novel Marked, vampyre Zoey Redbird and her group of devoted friends turn to The Fledgling Handbook, a historical vampyre tome, to better understand their place this big, new supernatural world.

I'd known it before we saw the fire trucks and the smoke. I'd known all hell had broken loose at the House of Night the moment it had been proven beyond all doubt that Neferet was on the side of Darkness. Only now I had a terrible feeling that outing Neferet would serve more to free her than to force her to pay the consequences for her lies and betrayals. At last, Zoey has what she wanted: the truth is out. Neferet's evil has been exposed, and the High Council is no longer on her side - but she's far from done wreaking havoc in the vampyre world. With the seeds of distrust sown and Darkness breeding chaos at the House of Night, everyone must band together - but that's proving to be more difficult than ever before. The twins are barely speaking and the House of Night's former enemy, Kalona, has now become their warrior, pushing their trust to the limits. To top it all off, Zoey is pretty darn sure she might be losing her mind - she saw something when she looked at Neferet's minion, Aurox, through the Seer Stone that she can hardly explain to herself, let alone her friends. Zoey knows that following her instincts might be just what they need to defeat evil... but if she's wrong, it could cause the destruction of those closest to her. With the tension at a breaking point and friendships on the line, can the nerd herd come together to stop the spread of Darkness before it's too late?

The extraordinary story of Stefania Podgórska, a Polish teenager who chose bravery and humanity by hiding thirteen Jews in her attic during WWII, from #1 New York Times bestselling author Sharon Cameron - now a Reese's Book Club YA Pick! One knock at the door, and Stefania has a choice to make... It is 1943, and for four years, sixteen-year-old Stefania has been working for the Diamant family in their grocery store in Przemysl, Poland, singing her way into their lives and hearts. She has even made a promise to one of their sons, Izio -- a betrothal they must keep secret since she is Catholic and the Diamants are Jewish. But everything changes when the German army invades Przemysl. The Diamants are forced into the ghetto, and Stefania is alone in an occupied city, the only one left to care for Helena, her six-year-old sister. And then comes the knock at the door. Izio's brother Max has jumped from the train headed to a death camp. Stefania and Helena make the extraordinary decision to hide Max, and eventually twelve more Jews. Then they must wait, every day, for the next knock at the door, the one that will mean death. When the knock finally comes, it is two Nazi officers, requisitioning Stefania's house for the German army. With two Nazis below, thirteen hidden Jews above, and a little sister by her side, Stefania has one more excruciating choice to make. This remarkable tale of courage and humanity, based on a true story, is now a Reese's Book Club YA Pick!
