Included in Publishers Weekly's Big Indie Books of Fall 2017 feature “Morse and Yi (the team behind What Is Punk?) highlight hip-hop’s cultural hegemony via an impressively encyclopedic parade of rhyming biographies. Yi’s meticulously styled clay figures are as magical as in the previous book, combining profound expressiveness with the playfulness of action figures. Her compositions are equally evocative, ranging from video snippets (the Beastie Boys strike a pose from 'Intergalactic') to formal portraits (Kanye West, Missy Elliott, Kendrick Lamar) and metaphorical ones (Jay Z stands amid New York City skyscrapers).” –Publishers Weekly “In rhythmic, rhyming verse, Morse offers a genealogy of hip-hop royalty that begins with the Boogie Down Bronx’s DJ Kool Herc and Grandmaster Flash and walks readers into today with Nicki Minaj, Drake, and Kendrick Lamar. In between the origins and now, readers find a rare gender-inclusive narrative of hip-hop history that uplifts B-girls like Queen Latifah and Missy Elliott along with legendary male groups such as NWA and Wu-Tang...The magnificent 3-D clay illustrations...include an intricately produced remake of Tribe Called Quest’s legendary ‘Midnight Marauders’ cover. Tying these images back to their original sources makes for quite the history lesson. Make sure to keep a device nearby. A must-read reference for any hip-hop family.” –Kirkus Reviews “Verdict: these books are pretty damn cute.” –The Current (Minnesota Public Radio). What is Punk? and What is Hip-Hop? are Rock and Roll Book Club selections. “An ideal picture book for children ages 3 to 7. What is Hip-Hop? is as entertaining as it is informative and will prove to be an enduringly popular addition to family, daycare center, preschool, elementary school, and community library collections.” –Midwest Book Review “Eric Morse is back with a follow-up that shines a similar PG spotlight on the hip-hop arena and its players. From Run-DMC and Queen Latifah to Salt-N-Pepa and Tupac. Artist Anny Yi returns, too, with delightful clay figures to accompany Morse’s beat-astic rhyming verse.” –Tory Burch Daily Blog Praise for What is Punk? “A punk primer for the youngest set. Yi’s incredibly detailed clay figures are a kinetic and inspired art choice. As [Morse] points out, the best way to learn about punk is just to listen. If invested adults love the topic, a shared reading experience can’t be beat.” –Kirkus Reviews “What Is Punk? is a fun, sophisticated, and beautifully illustrated introduction to the music genre for kids–or adults.” –New York Daily News “In the beginning, there was a beat...” So begins What Is Hip-Hop?—a playful guided tour of one of the most revolutionary pop culture movements of the twentieth century. DJ Kool Herc and the Creation of Hip Hop

The Merciless Book of Metal Lists

From Boom Bap to Trap

A Complete Set of Hip-Hop Education Inspired by Greats Who Changed the Game

The ABCs of Metallica

Before there was hip hop, there was DJ Kool Herc. On a hot day at the end of summer in 1973 Cindy Campbell threw a back-to-school party at a park in the South Bronx. Her brother, Clive Campbell, spun the records. He had a new way of playing the music to make the breaks—the musical interludes between verses—longer for dancing. He called himself DJ Kool Herc and this is how the Beat Was Born. From his childhood in Jamaica to his youth in the Bronx, Laban Carrick Hill’s book tells how Kool Herc came to be a DJ, how kids in gangs stopped fighting in order to breakdance, and how the music he invented went on to define a culture and transform the world.

There has never been a hip-hop book like this. Written and illustrated by noted hip-hop journalist Riley Wallace, From Boom Bap to Trap: Hip-Hop’s Greatest Producers is a groundbreaking compendium that not only digs deep into the stories and catalogs of icons like Pete Rock, RZA, Dr. Dre, and DJ Premier, but also features highly influential beatmakers who have been slept on—sometimes criminally (Easy Mo Bee, Daz, Paul C, and Johnny “J,” for example). Until now hip-hop heads have been forced to navigate a sea of wiki entries, incomplete bios, and confusing credits (or none at all), which has caused some mind-melting tracks to be underappreciated or completely undiscovered. No more. This book contains superb bios, brilliant lists of critical beats, punchy liner notes, and stunning artwork that finally do justice to the artists who have given hip-hop its backbone from the early ‘90s to the present day. Ultimately, From Boom Bap to Trap is a nostalgia bomb, a conversation piece, a must-own work of art for real heads made by a real head. Lovingly curated, it’s an essential resource that will satisfy the hunger of both new fans and hard-core hip-hop junkies for years to come.

From Biggie to Pac, Lil’ Kim to Lauryn Hill, Hip-Hop Legends Alphabet features an A-Z of the OG MCs, DJs and lyrical masterminds behind the freshest flows and dopest beats in music history. Written and illustrated to introduce hip-hop greats to a new generation of fans.

This whimsical, funky book from Raj Haldar (aka rapper Lushlife) turns the traditional idea of an alphabet book on its head, poking fun at the most mischievous words in the English language and demonstrating how to pronounce them. Come and join an emotional story about social redemption as seen through the eyes of Donald ‘Hip Hop’ Berry, a teenage high school bully. After experiencing head trauma from an automobile accident Hip Hop lies comatose on a hospital gurney when a devilish nightmare transports him back to the year 1855 and thrust him in the role of a plantation slave so he can get a taste of the disrespect he slam dunked on his fellow students. Hence, our story follows his torment when he is beaten with a bull whip; branded with a red-hot poker; forced to pick cotton; and forced to eat rotting food from a pig’s trough. Finally, we will follow him and his adopted family’s desperate attempt to flee the plantation with a pack of hungry dogs hot on their trail. We shall see how Hip Hop is forced to learn some valuable lessons about tolerating people different from himself, lessons that are remedial to the violent breaking news we see on TV every day. So for the sake of our families let’s learn Hip Hop’s lesson together; after all, can’t one great lesson be enough for all of us?
