Like the Rockefellers and the Kennedys, the Kochs are one of the most influential dynasties of the modern age, but they have never been the subject of a major biography -- until now. Not long after the death of his father, Charles Koch, then in his early 30s, discovered a letter the family patriarch had written to his sons. "You will receive what now seems to be a large sum of money," Fred Koch cautioned. "It may either be a blessing or a curse." Fred's legacy would become a blessing and a curse to his four sons-Frederick, Charles, and fraternal twins David and Bill-who

in the ensuing decades fought bitterly over their birthright, the oil and cattle-ranching empire their father left behind in 1967. Against a backdrop of scorched-earth legal skirmishes, Charles and David built Koch Industries into one of the largest private corporations in the world—bigger than Boeing and Disney—and they rose to become two of the wealthiest men on the planet. Influenced by the sentiments of their father, who was present at the birth of the John Birch Society, Charles and David have spent decades trying to remake the American political landscape and mainline their libertarian views into the national bloodstream. They now control a machine that is a center of gravity within the Republican Party. To their supporters, they are liberating America

from the scourge of Big Government. To their detractors, they are political "contract killers," as David Axelrod, President Barack Obama's chief strategist, put it during the 2012 campaign. Bill, meanwhile, built a multi-billion dollar energy empire all his own, and earned notoriety as an America's Cup-winning yachtsman, a flamboyant playboy, and as a litigious collector of fine wine and Western memorabilia. Frederick lived an intensely private life as an arts patron, refurbishing a series of historic homes and estates. Sons of Witchita traces the complicated lives and legacies of these four tycoons, as well as their business, social, and political ambitions. No matter where you fall on the ideological spectrum, the Kochs are one of the most influential dynasties of our era, but so little is publicly known about this

A whirlwind December behind them, Kelsey and Tyler return to their final few months at Darrow Law School. As the couple works to break down the final barriers between them, Kelsey discovers that a surprise storm is brewing, which threatens to destroy everything they've fought for.

In the last, frantic days leading up to the wedding, Kelsey is attempting to mend relationships, so she and Tyler can start their future on a happy note. However, there's one relationship that Kelsey still isn't sure of, and that's her

relationship with Lisa Olsen, her mother-in-law-to-be. Many happy surprises have been planned for the wedding couple, but moments before the ceremony, Kelsey discovers that Lisa has planned a final surprise of her own.

As their final year of law school begins, Kelsey and Tyler go away for a vacation that leads to much more than they expected. When they return to their regular lives, they decide to make some important decisions for their future together. Kelsey learns more than she ever knew about Tyler after they accept a surprise invitation. But an impromptu dinner right before Thanksgiving leads to a confession by Tyler, and a shocking outcome. Will Kelsey be able to make things right?

A Billionaire Boys Club Autumn
The Perkins babies arrive and Tyler and Kelsey find themselves swept up into family life. But unlike Jess, who is settling into life as a new mother, Kelsey struggles in her new role as Tyler's wife. And one summer afternoon, everything falls apart for the newlywed couple. Is their marriage over before it's even begun? Finally engaged to Tyler, Kelsey discovers that there is a lot of work in being the fiancée of a billionaire. Between supporting Tyler with his project to change Tactec's board, and planning a wedding, Kelsey is busier

than ever. However, if Kelsey wants to marry Tyler, she'll need to make time for one more person. Her mother-in-law to be, Lisa Olsen. But dealing with Lisa may be more than Kelsey can handle. Tyler and Kelsey cut their Italian honeymoon short to race back to New York City to be with Tyler's father, who has been injured in an accident. When they arrive, they quickly discover that their new responsibilities are overwhelming, and the couple tries to make the most of the time they have together. But as family secrets are uncovered and feelings are expressed, Kelsey finds herself allied
