CURIOUS FACT

Get Free Horses And Ponies Facts Information And Beautiful

FOR KIDS: When a horse is born until 6 months of age it's called a foal. But this does not mean a Pony is only a Pony until they are 6 months old! Why? Well, other horses grow up and get different names like: Yearling,

Get Free Horses And Ponies Facts Information And Beautiful

Colt, Stallion,
Filly, Gelding and
Mare. But not a
Pony. No matter
how old a Pony
gets, it will still be
a Pony! Ponies
are smart and
friendly and some
of them can be a
little hard to
handle. But not
all of them are

like that! Only some. Most Ponies are great for small children to ride, if they are trained in the right way. Ponies are sometimes called "miniature." Do you know the meaning of this word? Some

dictionaries say:
"Very small in

are smaller than
other horses. You

horses, so where
do Ponies come

exactly where
Ponies come
