

## How To Develop Your Occult Powers

A new edition of an occult classic, which includes a new introduction by Mary K. Greer, author of *Women of the Golden Dawn*, and a new afterword with excerpts from rarely seen documents by Fortune herself describing how the book came about. After finding herself the subject of a powerful psychic attack in the 1930s, famed British occultist Dion Fortune wrote this detailed instruction manual on protecting oneself from paranormal attack. This classic psychic self-defense guide explains how to understand the signs of a psychic attack, vampirism, hauntings, and methods of defense. Everything you need to know about the methods, motives, and physical aspects of a psychic attack and how to overcome it is here, along with a look at the role psychic elements play in mental illness and how to recognize them. This is one of the best guides to detection and defense against psychic attack from one of the leading occult writers of the twentieth century.

In this fascinating book William G. Gray, the renowned English Kabbalist and Ceremonial Magician, delineated some of the lessons he learned from the letters which passed between himself and the Martinist, Emil Napoleon Hauenstein, his Austrian mentor and friend, whom he affectionately referred to as "E.N.H.," and who classified himself a "mystic." Hauenstein was an "Initiate" of the well-known French Occultist Papus (Gerard Encausse). He addressed important psycho-spiritual occult principles and doctrines in his letters, and since "Occultism is the study and practice of subjects and laws which are beyond the bounds and limitations of ordinary physical or even mental experience," he directed his young protégé in unfolding a well-regulated "Self," who is in full control of all his personal faculties. This is of particular importance in understanding, as William Gray noted, that "Occultism is not a pastime, it is a Power, a Purpose, a Progress, and a Path"-a Way of Life!

We've all seen ads late at night on television or in the back of newspapers promising expert advice from psychic readers. However, everyone has innate qualities within their own minds that they can utilize for a psychic experience to gain more insight regarding a personal question or situation. While it is sometimes beneficial to receive guidance or insight from an uninvolved third party, you can start the process of expanding your intuition and broadening your perspective at home, without spending \$2.99 per minute. Quality psychic readers are out there, but if you have an interest in such a thing, it is worth your time to learn how to tap into your own well of psychic energy. It doesn't necessarily require any tools besides an open mind and a drive toward self-examination. Everyone has a different level of psychic ability, as each person's individual personality is a key element in unlocking those abilities. Each person does, however, have the potential to maximize their potential and sharpen their skills. In this book you will learn what defines being a psychic as well as how to tap into your energies and identify and practice your psychic strengths. So, take advantage of this great opportunity and quickly and easily learn how to develop your psychic abilities!

In preparing this series of lessons for students of Western lands, I have been compelled to proceed along lines exactly opposite to those which I would have chosen had these lessons been for students in India. This because of the diametrically opposite mental attitudes of the students of these two several lands. The student in India expects the teacher to state positively the principles involved, and the methods whereby these principles may be manifested, together with frequent illustrations (generally in the nature of fables or parables), serving to link the new knowledge to some already known thing. The Hindu student never expects or demands anything in the nature of "proof" of the teachers statements of principle or method; in fact, he would regard it as an insult to the teacher to ask for the same. Consequently, he does not look for, or ask, specific instances or illustrations in the nature of scientific evidence or proof of the principles taught. He may ask for more information, but solely for the purpose of bringing out some point which he has not grasped; but he avoids as a pestilence any question seeming to indicate argument, doubt of what is being taught him, or of the nature of a demand for proof or evidence. The Western student, on the other hand, is accustomed to maintaining the skeptical attitude of mind-the scientific attitude of doubt and demand for proof-and the teacher so understands it. Both are accustomed to illustrations bringing out the principles involved, but these illustrations must not be fanciful or figurative-they must be actual cases, well authenticated and vouched for as evidence. In short, the Western teacher is expected to actually "prove" to his students his principles and methods, before he may expect them to be accepted. This, of course, not from any real doubt or suspicion of the veracity or ability of the teacher, but merely because the Western mind expects to question, and be questioned, in this way in the process of teaching and learning. Consequently, in this series of lessons, I have sought to follow the Western method rather than the Hindu. So far as is possible, I have avoided the flat positive statement of principles and methods, and have sought to prove each step of the teaching. Of course, I have been compelled to assume the existence of certain fundamental principles, in order to avoid long and technical metaphysical and philosophical discussions. I have also had to content myself with the positive flat asse

A Science for the Soul

How to create your own practical magic workings that get results

Embracing Your Psychic Ability Full Scale

A Message to All the Governments and People of Earth

Develop the Muscle to Manifest Anything

This comprehensive, indexed volume includes short, one-page listings of pertinent facts about a particular movement, its founder, how it claims to work, scientific evaluations done, and its potential dangers. Some topics covered are angels, visualization, shamanism, hypnosis, new age medicine and martial arts.

Manifesting abilities are a "muscle". An occult muscle that must be worked daily if you desire magical success. If you do not, YOU WILL FAIL! It is just that simple. Magic is not about techniques, sigils, spirits, words of power, ancient methods or anything else solely. These are only 5% of the occult sciences. IT IS ALL ABOUT THE OCCULT MUSCLE!! You need to "Pump Occult Iron". You need to build the strongest occult manifesting muscle possible. This "muscle" makes everything else work! There are simple and very fun ways of doing this. You need to make this part of everyday life. Occult muscle is part of your occult energy centers that interconnect with the Inner Magical Being. If this Center is not activated daily, you lose "muscle tone" or manifestation abilities. If you had any to start with. You first need to Center your consciousness and then build Occult Muscle. This system has been developed by the Guild after 20 years of research. We have been developing "gym" workout tools, to bring up your manifesting abilities in a simple easy and FUN way. The fascinating thing about Occult Muscle Building tools is their instant feedback. See psychic power in action coming directly from you! No waiting or thinking has it worked? You see REAL occult power manifest directly in front of your eyes instantly! Just the act of doing this supercharges your manifesting abilities! Secrets Reveal Are.. Activate the Consciousness Center all Extreme Abilities manifest from. How to use everyday items to make Occult Muscle building tools from. Common items you can buy from \$8.00 to \$50.00 that can be used as OM building tools. Even better these are super interesting and fun to use. Learn about specially made OM building tools the Guild offers that bring you up to the next level of extreme abilities. Everyone can build the Occult Muscle and manifest 90% of their desires! It is Fun and Easy! Go from zero power to 90% in days! Even babies and children can work with these Tools. Tools that create INSTANT visualization skills and are fun to use. Tools that create INSTANT concentration skills and are exciting to use. When you learn these secrets and see how easy and powerful they are. You will be amazed why this was not revealed

earlier. Why? Because it is easy and requires little. A few personally made Tools, bought online inexpensively or advanced Tools from the Guild are all you need. This is all about activating your occult power centers and keeping them activated to use what GOD gave you. Not junk from man, mind breaking chemicals or implants. These are all limited toxic Tools GET UNLIMITED EMPOWERMENT FROM YOU OCCULT POWER CENTERS. ALL YOU DO IS ACTIVATE THESE CENTERS!! BEST OF ALL IT IS EASY!! FUN AND EASY? THAT IS A FACT!!

Though often overlooked in the history of western esotericism, women made a strong showing during the nineteenth century occult revival. Notable women such as Madame Blavatsky and Annie Besant certainly stand out, even to this day, as vanguards. This collection is intended not only to showcase some of their writing but demonstrate that women's involvement in occult publishing isn't something new. A collection of 18 essays by women writers on the Subjects of Spirituality, Mysticism, Magic, Witchcraft, the Kabbalah, Rosicrucian and Hermetic Philosophy, Alchemy, Theosophy, Ancient Wisdom, Esoteric History and Related Lore. Curious about past-time clairvoyance and clairvoyance of distant scenes? Interested in developing your astral senses and gaining personal psychic influence over others? Then join Swami Panchadasi for twenty lessons in developing the outstanding powers of mentalism! Prepare for your own adventure into worlds beyond our everyday perceptions with Swami Panchadasi's Clairvoyance and Occult Powers. First published in 1916, this metaphysical classic by occultism pioneer William Walker Atkinson's guru Swami Panchadasi (who, it turns out, was actually Atkinson writing under a pseudonym) offers training for anyone to master a range of telepathic talents. From crystal gazing to clairvoyant reverie, psychic healing to astral travel, transference, and psychometry, the lessons are sure to delight student and adept alike. The introduction by Clint Marsh, author of The Mentalist's Handbook, takes us into the strange and multi-faceted life of William Walker Atkinson, a turn-of-the-century writer, occultist, and a real Guru's guru! A powerful book of knowledge, Clairvoyance and Occult Powers will manage to confound and enchant readers today as it did nearly 100 years ago.

The Occult in Russian and Soviet Culture

The Astral Senses, Telepathy vs. Clairvoyance, Telepathy Explained, Scientific Telepathy, Mind-Reading and Beyond, Clairvoyant Psychometry, Clairvoyant Crystal-Gazing, Clairvoyant Reverie, Simple Clairvoyance, Clairvoyance of Distant Scenes, Clairvoyance.

A comprehensive account of the influence of occult beliefs and doctrines on intellectual and cultural life in twentieth-century Russia.

Putting his many years of research into a single volume, Hereward Carrington presents readers with a self-help guide for increasing their psychic abilities. Everyone who has experienced psychic phenomena, he says, wants to know how they can develop such powers on their own. And in this book, first published in 1920, he gives them their answers. As the path of development differs for each kind of medium, he has provided instruction on a variety of abilities, including automatic writing and clairvoyance. Serious students of the paranormal as well as those interested purely for entertainment value will find this book a helpful reference. British investigator of psychic phenomenon HERWARD CARRINGTON (1880-1958) was a member of the Society for Psychical Research and wrote many books on the paranormal. Despite many of his most convincing cases being shown to be frauds, he continued to study claims of psychic power and established a research society in the United States in 1921. Some of his most famous works include Eusapia Paladino and Her Phenomena (1909) and Psychical Phenomena and the War (1918).

Thank you for choosing this fantastic guide, "Psychic Development - Enhance Your Life Experience." The unique thing about this guide is that it's not a black-and-white thing that you either have or you don't. Most people have some psychic power within them, whether they realize it or not. They need to learn the basics of psychic development for beginners. To understand how psychic work works, it is helpful to understand the concept of psychic ability like musical talent: Most people have some degree of ability, but some are born with great musical ability, while others are tone-deaf. But while their innate ability is a factor, their bigger determination is how hard you work for it. Let's get started!

*Previously published as At the Gates of Spiritual Science, these lectures offer a fine introduction to the whole of Rudolf Steiner's teaching, as well as including valuable material which is not to be found elsewhere. With great clarity and precision, Steiner speaks of the fundamental nature of the human being in relation to the cosmos, the evolution of the Earth, the journey of the soul after death, reincarnation and karma, good and evil, the modern path of meditative training, as well as giving answers to individual questions. Throughout, Steiner's emphasis is on a scientific exposition of spiritual phenomena. As he says in the final lecture: "the highest knowledge of mundane things is thoroughly compatible with the highest knowledge of spiritual truths."*

**How to Train Your Natural Occult Powers**

This powerful book offers concrete steps for developing your own psychic and occult powers. The information is easy to digest, but covers everything you need to know to train your body to do what, in truth, all of us can do (with a little effort and understanding, of course).

Every human is psychic to a degree. When you take your time to think about it, you will discover that there are times when you know about something before it happens. Maybe you knew that someone was calling you before your phone rang. Or you felt someone was dead and then you heard the bad news about the person. Sometimes it may be that you felt like an accident would occur when you were driving even before anything happened.

"Improve Your Intuition" – the latest new age, spiritual awakening book by John Culbertson. If you want to learn simple practical exercises to improve your intuitive skills and achieve a better understanding of your inner energy and the energy that surrounds you, then "Improve Your Intuition" shows you how. If you are skeptical about how spiritual energy works, then you are the kind of reader that John Culbertson perhaps has in mind when he says, "You are not being asked to blindly accept these beliefs; you are merely being called and challenged to explore them. This doesn't mean you have to give up your current set of beliefs, but it does require an open mind." In this practical and sensible how-to manual that reveals simple techniques to energize and enrich your life, John Culbertson draws upon his abundant experience of interacting with different kinds of spiritual energy and simplifies esoteric subjects in an easily comprehensible manner. "Success with your intuition or the psychic sciences is like singing. Most everyone has a voice, and most everyone can use it to sing, but some people are just naturally better at it than others; however, everyone can learn to improve what is already there through study and practice." This is the kind of refreshingly simple and candid manner in which John unravels complex concepts. The tone of voice is so evocative that it infuses confidence and enthusiasm even in a novice who is coming across these concepts for the first time. Generously embellished with mythological anecdotes, rational explanations and metaphorical descriptions, "Improve your Intuition" takes the reader on an incredibly fascinating journey that leaves refreshingly vivid impressions on the mind. Written with a depth of understanding that belies the simple, commonsensical manner in which he explains esoteric concepts like Energy Chakras, Auras and Scrying, John has achieved a great breakthrough in illuminating and clearing the cobwebs from some hitherto obscure and obtuse practices and rituals. He hit the proverbial nail on the head when he says at the outset of the book, "You can't expect to master the material in this book by simply reading, however. A wide gulf exists between understanding concepts and practicing what you've learned." The information contained in each chapter is intelligently fused with practical advice and a simple set of how-to instructions, which John calls exercises, to follow in order to apply the lessons in the book. The power of positive thinking, meditation and relaxation techniques, energy rituals to maximize their benefits, practical advice on how to eliminate your fears and realize your full potential – these are just some of the highly beneficial lessons that "Improve Your Intuition" offers. A remarkable aspect of the book is the straightforward

manner in which it is constructed. The information contained in each chapter is intelligently fused with practical advice and a simple set of exercises to follow. Some of the exercises are complemented by variations which enables the practitioner to try out different options according to their suitability and convenience. A fascinating read the first time you go through, the appeal of "Improve Your Intuition," continues to increase as you return to refer to the techniques mentioned in the book. The depth and abundance of wisdom that resides within the book reveals new meanings every time you read it and contributes to your enlightenment. Unlike other books which preach about doctrines and dogmas, "Improve Your Intuition" has a refreshingly different approach which bestows on you the freedom to choose what you want to accept and what you don't. John Culbertson expresses his respect for the reader's ability to discern what is suitable to their own individual requirements when he says, "Life is ultimately about your own journey. No one besides you should dictate where this journey

In preparing this series of lessons for students of Western lands, I have been compelled to proceed along lines exactly opposite to those which I would have chosen had these lessons been for students in India. This because of the diametrically opposite mental attitudes of the students of these two several lands. The student in India expects the teacher to state positively the principles involved, and the methods whereby these principles may be manifested, together with frequent illustrations (generally in the nature of fables or parables), serving to link the new knowledge to some already known thing. The Hindu student never expects or demands anything in the nature of "proof" of the teachers statements of principle or method; in fact, he would regard it as an insult to the teacher to ask for the same. Consequently, he does not look for, or ask, specific instances or illustrations in the nature of scientific evidence or proof of the principles taught. He may ask for more information, but solely for the purpose of bringing out some point which he has not grasped; but he avoids as a pestilence any question seeming to indicate argument, doubt of what is being taught him, or of the nature of a demand for proof or evidence. The Western student, on the other hand, is accustomed to maintaining the skeptical attitude of mind the scientific attitude of doubt and demand for proof and the teacher so understands it. Both are accustomed to illustrations bringing out the principles involved, but these illustrations must not be fanciful or figurative they must be actual cases, well authenticated and vouched for as evidence. In short, the Western teacher is expected to actually "prove" to his students his principles and methods, before he may expect them to be accepted. This, of course, not from any real doubt or suspicion of the veracity or ability of the teacher, but merely because the Western mind expects to question, and be questioned, in this way in the process of teaching and learning. Consequently, in this series of lessons, I have sought to follow the Western method rather than the Hindu. So far as is possible, I have avoided the flat positive statement of principles and methods, and have sought to prove each step of the teaching. Of course, I have been compelled to assume the existence of certain fundamental principles, in order to avoid long and technical metaphysical and philosophical discussions. I have also had to content myself with the positive flat assertion of the existence of the Astral Plane, Akashic Records, Prana, etc., which are fundamental postulates of Hindu philosophy and occult science for these are established solely by the experience of those who are able to function on the higher planes themselves. But, beyond this I have sought to prove by direct and positive evidence (adapted to the Western mind) every step of my teaching and methods.

**10 BOOKS ROLLED INTO ONE! - OVER 500 SPELLS! OVER 200 OVER-SIZED PAGES! REVEALS THE MOST ARCANE SECRETS OF THE AGES** *This book has been written to help you obtain the power to create a better world for yourself and your loved ones with the help of common Spiritual Tools that are obtainable everywhere. The author, Maria D' Andrea, a talented psychic practitioner proclaims: "The art of metaphysics is a very ancient one. Much of the ancient knowledge has been lost to us since it was passed down largely by word of mouth in total secrecy. Even in some privately owned Book of Shadows or Occult Grimoire, a portion of the formula has been left out or written in code so that it cannot be deciphered. This is understandable when you realize how much power and control can be wielded when the power of the occult is in the wrong hands. You must always remember that the elements of nature are neutral - neither positive or negative and that we are meant to walk in balance in both the spiritual and physical worlds." 10 BOOKS IN ONE! Put those dusty old occult books on the back shelf, as they have been updated and rolled into one huge volume. Here are over 500 proven spiritual principles and practices - simple spells - that can improve your life by utilizing the positive flow of energy which is made abundantly available to each of us through Universal Divine Power (not a religion!). THE OCCULT FORMULARY AND MAGICAL GRIMOIRE is literally 10 metaphysical "Self Help" books rolled into one easy-to-use volume. With the help of these "books." you will learn: 1. - TO MANIFEST YOUR OWN FUTURE DESTINY. 2. - TO PREVENT PSYCHIC ATTACK. 3. - TO USE HERBAL MAGNETS. 4. - TO DO TREASURE MAPPING. 5. - TO APPLY CANDLE MAGIC TO RECEIVE INDIVIDUAL BLESSINGS. 6. - TO UNLOCK SECRETS OF LOVE POTIONS 7. - TO MIX THE BEST MYSTICAL INCENSE. 8. - TO DRAW ON THE POWERS OF CRYSTALS AND STONES. 9. - HOW PRAYER REALLY WORKS 10. - THE ONLY TRUE APPLICATION FOR RITUALISTIC OILS. Furthermore, you do not have to go out of your way to benefit from this workbook and study guide. There are no hard-to-obtain ingredients to obtain, everything you need can be purchased within blocks of your home. In A Science for the Soul, historian Corinna Treitel explores the appeal and significance of German occultism in all its varieties between the 1870s and the 1940s, locating its dynamism in the nation's struggle with modernization and the public's dissatisfaction with scientific materialism. Occultism, Treitel notes, served as a bridge between traditional religious beliefs and the values of an increasingly scientific, secular, and liberal society. Drawing on a wealth of archival materials, Treitel describes the individuals and groups who participated in the occult movement, reconstructs their organizational history, and examines the economic and social factors responsible for their success. Building on this foundation, Treitel turns to the question of how Germans used the occult in three realms of practice: Theosophy, where occult studies were used to achieve spiritual enlightenment the arts, where occult states of consciousness fueled the creative process of avant-garde painters, writers, and dancers and the applied sciences, where professionals in psychology, law enforcement, engineering, and medicine employed occult techniques to solve characteristic problems of modernity. In*

*conclusion, Treitel considers the conflicting meanings occultism held for contemporaries by focusing on the anti-spiritualist campaigns mounted by the national press, the Protestant and Catholic Churches, local and national governments, and the Nazi regime, which after years of alternating between affinity and antipathy for occultism, finally crushed the movement by 1945.*

*The life and work of a ritual magician in his own words.*

*This edition brings together an ordered sequence of statements by Steiner on the development of higher, suprasensory knowing -- imagination, inspiration, and intuition. Ten chapters take the reader from the idea of inner development, through the cultural and evolutionary need for higher knowing, to examples of the practices and inner gestures this work requires. Steiner unfolds the necessary steps and stages, always insisting on the free, individual, and cognitive character of anthroposophic spiritual research.*

Psychic And Magnetic Healing

Do you want magical workings that get consistent results? In Magic by Design, I teach you how to create your own magical workings, instead relying on magick spell books that aren't providing you the results you want. I'll show you how simplify or enhance an existing magical spell to get better results. I'll walk you through how to apply the principles of magical design to create your own unique workings that get consistent results. I'll share multiple case studies where I show you how the principles of magical design were applied to create original magical workings that got results and explain why they got results. And as a bonus you'll also learn how to create long term magical workings and how to design your own magical systems. This is a practical magic book that shows you how to create your own magical workings and get better results with your magical workings.

Curious about past time clairvoyance and clairvoyance of distant scenes? Interested in developing your astral senses and gaining personal psychic influence over others? Then you are at right place. Prepare for your own adventure into worlds beyond our everyday perceptions with author's Clairvoyance and Occult Powers. This great book offers training for anyone to master a range of telepathic talents. From crystal gazing to clairvoyant reverie, psychic healing to astral travel, transference, and psychometry, the lessons are sure to delight student and adept alike. The author skillfully provides techniques on how to develop your innate psychic powers, secure the best conditions, and what to do once you have obtained them.

*As we walk through this life we find that sometimes things seem to fall into place and sometimes they seem to fall apart.*

***It is the way of the universe and it is the way of the chakra. These points of energy that make up parts of our spirit and connect us to everything that is and everything that will be are our chakras. There are choices in life and one of the most important choices that we make may be whether to pay attention to these vital parts of who we are. Chakra is from the Sanskrit word for "wheel" or "turn" and is where we are connected to the energy that flows around us. While there are several chakras and all are very important, the third eye may be the one that can help us the most if we learn what it is and how to use it. The real thing that will surprise many people is that they already use this chakra every day. Every once in a while when we are about to make a choice and we suddenly start to lean one way for no reason at all, there is a very good possibility our third eye is not right. I invite you to learn more about the third eye chakra, which will result in a healthier and more fulfilling life!***
