They discriminate against her and make her feel unwanted yet she yearns and continuously strives for her parents' love. Her stepmother is vindictive and cruel and her father dismissive. Jung-ling grows up to be an academic child, with a natural ability for writing. Only her aunt and grandfather offer her any love and kindness. The story is of survival in the light of the mental and physical cruelty of her stepmother and the disloyalty of her siblings. Jung-ling blossoms in spite of everything and the story ends as her father agrees to let her study in England. The book ends with a set of poems about the deaths of friends from AIDS. With their unflinching directness, compassion and grace, they are among the most moving statements yet to have been provoked by the disease.

David Constantine's second book shows a remarkable development in the range and power of his poetry. After establishing his reputation with the quiet but resonant poems of *A Brightness to Cast Shadows* (1980), Constantine has gone on to achieve a classical mastery of form and to further develop a highly individual voice, which now has an almost visionary edge. In the poems and related Greek translations of *Watching for Dolphins* David Constantine recreates a complete imaginative world. Mythical and biblical figures – Christ, Lazarus, Aphrodite and Persephone – appear as opposing forces of Christian compassion and classical excellence. Contrasts and contradictions are at the heart of Constantine's poetic world. The possibility of personal happiness is insisted upon: any wider optimism would be out of place.

As a five-year-old, George Alagiah emigrated with his family to Ghana – the first African country to attain independence from the British Empire. *A PASSAGE TO AFRICA* is Alagiah's shattering catalogue of atrocities crafted into a portrait of Africa that is infused with hope, insight and outrage. In vivid and evocative prose and with a fine eye for detail Alagiah's viewpoint is spiked with the freshness of the young George on his arrival in Ghana, the wonder with which he recounts his first impressions of Africa and the affection with which he dresses his stories of his early family life. A sense of possibility lingers, even though the book is full of uncomfortable truths. It is a book neatly balanced on his integrity and sense of obligation in his role as a writer and reporter. The shock of recognition is always there, but it is the personal element that gives *A PASSAGE TO AFRICA* its originality. Africa becomes not only a group of nations or a vast continent, but an epic of individual pride and suffering.
