Moving away from the explicitly political content of his previous novels, Victor Hugo turns to social commentary in The Man Who Laughs, an 1869 work that was made into a popular film in the 1920s. The plot deals with a band of miscreants deliberately deform children to make them more effective beggars, as well as the long-lasting emotional and social damage that this abhorrent practice inflicts upon its victims.

The battle rages as the entire DC Universe stands against the Darkest Knight! Villains fight alongside heroes working as one to banish this demon from the deepest corners of the Dark Multiverse. Meanwhile, the Robin King lurks nearby, his army of Groblins in wait. The dogs of war are loose and no one is safe.
