This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Harold L. Poor's biography of the iconic German Jewish author, journalist, satirist, playwright, and poet is the most important and thorough work on Kurt Tucholsky in the English-speaking world; a labor of love by the Rutgers history professor that is still unmatched. For this book, Poor has not only spent years of research in American Universities, he also visited Tucholsky's widow Mary Gerold in her home in

Germany, his family in tow, and unearthed material, letters, and pictures previously unknown. This book is an entertaining and well-written gem that has finally been rediscovered. "Harold L. Poor's study is one of the best of a large and growing crop." Gordon Craig, The New York Times "The book does offer an introduction to a very important period and a witty, cosmopolitan, quite tragic man." Kirkus Reviews "This biography, the first substantial treatment of its subject in English, does an excellent job of analyzing Tucholsky's Hassliebe for Germany." Robert E. Neil, The American Historical Review "Poor has placed the brilliant satirist in the context of the history of his country. ... a meticulously researched, copiously annotated study." Harry Zohn, The Germanic Review "An (...) academic exercise of the sort Tucholsky himself prophetically anticipated in his Plea Against Immortality." Ernst Pawel, Commentary Magazine "Poor has provided a new focus of the Weimar Republic and its fate." Carl E. Schorske, The New York Review of Books This one was well worth doing and it is well worth reading." Richard Hanser, The German-American Review "A readable orientation to the history of the Weimar era." Wayne Wonderley, Richmond News Leader "An interesting picture of the Germany of the 1920s as it headed inexorably toward Hitlerism and the devastation of World War II." Jerry Few, the Arizona Daily Star

Kalender für 2020 Dieser Kalender hat insgesamt 120 Seiten und hilft Ihnen organisierte Tagesabläufe zu gestalten. Buchkalender mit Wochenübersicht, Monatsübersicht und Jahresübersicht. Besonders praktische Hilfe, um im Alltag den Überblick zu behalten. Alle gesetzlichen Feiertagen in Deutschland

Quarry's Deal

A Dark So Deadly

An Act of Redemption

My Running Diary, Runners Training Log, Running Logs, Track Distance, Time, Speed, Weather, Calories

Christmas Books Gift

Lyonel Feininger

Nuclear Waste

A gritty urban crime thriller from one of the award-winning writers of THE WIRE. Like most of the trouble in Nick Stefanos' life, it started with a drink. Lying in the darkness, drunk and immobile, Nick hears two men murder a terrified teenager. When he wakes in the morning, his memory is blurred. But the dead boy is still there, submerged in the river. The police presume it's a gang-killing - no shortage of them in DC. But Nick isn't sure; gangs don't use silencers. Hit men do. Despite not having worked a PI case for a year and a half, Nick starts investigating, driven by an obsessive need for the truth. And with each clue he unearths, he's driven further into the darkest corners of the human soul. The third novel in the Nick Stefanos series.

Photographs aspects of New York life in the forties from the old Metropolitan Opera House to the Lower East Side shops and the boardwalk on Coney Island

Ready to take your running to the next level? Then grab one of our running log books today! Journaling your runs is not only an excellent way to stay motivated, as a great training tool, it can also enhance your personal performance. Tracking your runs might require some extra effort in the beginning, but in a few weeks you'll start reaping the benefits of sticking with it. Here's a lot more reasons for you to get our Running Log Book:

VERSATILE - For many runners, what starts as a simple log grows into a personal and lasting running diary. Keeping a running logbook can be a great training tool, too! Along the way, the reviewing of training details will help keep you on target for success. So whether they're training for a marathon or just trying to stay in shape, this journal is the ideal gift for them.

USEFUL & CONVENIENT - Keeping a diary helps you keep track of your running progress. What better way to write a journal than doing it the old fashion way?

There's nothing more personal than journaling with a pen and paper. Simple and easy to use, the undated, two-pager per week layout is waiting to be filled with: 52 Weeks with sections for - Route - Distance - Time - Speed - Burned Calories - Run Type - Heart Rate - Cumulative Distance - Cumulative Hours - Weekly Summary A

NOTEBOOK BUILT TO LAST- We want your journal to last a long time so you can always look back on your previous entries without the worry that it will fall apart. The sturdy cover is made of tough paperback with strong, secure professional trade binding so the pages won't fall out after a few months of use. WELL-CRAFTED INTERIOR- With a page to input personal details and 104 pages (2 pages/week) to record your daily entries, we only used thick, white paper to avoid ink bleed-through. The columns are clearly marked to make it easy to fill out and to cross reference. We stand for quality and aim to provide the best writing experience with our notebooks. Get a Running Log Book for you or a special someone. As running becomes a more regular form of exercise, looking back at how many miles you've covered can be a source of both fun and motivation. However, as the festive season draws to a close, these comforting conifers can often be found lining the streets, cast off and disused with wilted branches dotted across dustbins. How to Eat Your Christmas Tree is a cookbook which explores the unsung edible heroes of our forests - the humble Christmas trees and their evergreen friends. Featuring recipes for ferments and preserves, feasts, sweet treats and drinks, you will learn how to extend the life of your beloved Christmas tree and turn them into delectable delights to enjoy throughout the year. From simple ideas such as infusing pine needles to make a delicious and warming Pine Tea to more lavish spreads such as a decadent Fur-Cured Salmon, How to Eat Your Christmas Tree is a refreshing and innovative cookbook that encourages you to think about food waste and to be more resourceful in an age of deforestation and climate crisis.

Examines the many reasons and motivations for the destruction of books throughout history, citing specific acts from the smashing of ancient Sumerian tablets to the looting of libraries in post-war Iraq.

Fitness Journal, Workout Tracker. 6x9 ruled and lined pages. Log all your workouts.

Simple layout so easily adaptable to your workout needs.

After his last book Escapes, Stefan Bogner returns to the Alps again with this illustrated book. This time not only did he photograph particular routes, but he looked for the ideal tour through the Alps: 3 countries, 14 passes - the perfect little escape for 4 days. Different from Bogner's photographs in Escapes or Curves, where Bogner just presents dreamlike empty streets, Porsche Drive focuses on the journey in Porsche models such as Porsche 906, Porsche 911, Porsche 918 and more. Stefan Bogner drives his own Porsche 911 1970 ST. Apart from Bogner's photographs, Porsche Drive offers information on each route and height profile. Thus you can follow Bogner's itinerary on a long weekend. Text in English and German.

Simon Tofield's animations have taken YouTube by storm. This book based on the popular animated series. SIMON'S CAT depicts and exaggerates the hilarious relationship between a man and his cat. The daily escapades of this adorable pet, which always involve demanding more food, and his exasperated but doting owner come to life through Tofield's charming and hilarious illustrations.

Regarding philosophical importance, Edmund Husserl is arguably "the" German export of the early twentieth century. In the wake of the linguistic turn(s) of the humanities, however, his claim to return to the "Sachen selbst" became metonymic for the neglect of language in Western philosophy. This view has been particularly influential in post-structural literary theory, which has never ceased to attack the supposed "logophobie" of phenomenology. "Phenomenology to the Letter. Husserl and Literature" challenges this verdict regarding the poetological and logical implications of Husserl's work through a thorough re-examination of his writing in the context of literary theory, classical rhetoric, and modern art. At issue is an approach to phenomenology and literature that does not merely coordinate the two discourses but explores their mutual implication. Contributions to the volume attend to the interplay between phenomenology and literature (both fiction and poetry), experience

and language, as well as images and embodiment. The volume is the first of its kind to chart a phenomenological approach to literature and literary approach to phenomenology. As such it stands poised to make a novel contribution to literary studies and philosophy.

A detective no one believes in. A killer with nothing to lose... A gripping standalone thriller from the Sunday Times No.1 bestselling author of the Logan McRae series.

Down by the River Where the Dead Men Go

This extravagant book presents 330 of Tomi Ungerer's illustrations, paintings and collages, many of them previously unpublished. When Ungerer moved from the Alsace to New York in the mid-1950s and began working as a graphic designer and illustrator, a crazy new world opened itself up to him, which the gifted artist transformed into what are perhaps the most remarkable and powerful works of his career_expressive and universal pictures that present the land of opportunity in an inimitable manner. Tomi Ungerer's work is record-breaking. Frankfurter Allgemeine Sonntagszeitung Co-published with Diogenes, Zurich. Exhibitions: Olaf Gulbransson Museum, Tegernsee, to 27 January 2019 Tomi Ungerer Museum, Strasbourg, 6 November 2018 to 17 March 2

In the 22nd and 23rd centuries, the politics and cultures everywhere on the planet underwent Earth-shaking changes, and the once-powerful United States of America was no exception. With a new Constitution and a new government, the former U.S.A. became the American Peoples Republic. This novel follows the lives of some A.P.R. residents as the nation continues to painfully evolve from it's predominantly 'white' European roots.

Mystery of 2020 "I loved Blacktop Wasteland...[A] fast-paced,
bareknuckle thriller." -Stephen King "A roaring, full-throttle
thriller, crackling with tension and charm." -The New York
Times Book Review "One of the year's strongest novels."
-Sun Sentinel A husband, a father, a son, a business
owner...And the best getaway driver east of the Mississippi.
Beauregard "Bug" Montage is an honest mechanic, a loving
husband, and a hard-working dad. Bug knows there's no
future in the man he used to be: known from the hills of North
Carolina to the beaches of Florida as the best wheelman on
the East Coast. He thought he'd left all that behind him, but
as his carefully built new life begins to crumble, he finds
himself drawn inexorably back into a world of blood and
bullets. When a smooth-talking former associate comes
calling with a can't-miss jewelry store heist, Bug feels he has

no choice but to get back in the driver's seat. And Bug is at his best where the scent of gasoline mixes with the smell of fear. Haunted by the ghost of who he used to be and the father who disappeared when he needed him most, Bug must find a way to navigate this blacktop wasteland...or die trying. Like Ocean's Eleven meets Drive, with a Southern noir twist, S. A. Cosby's Blacktop Wasteland is a searing, operatic story of a man pushed to his limits by poverty, race, and his own former life of crime.

Nuclear Waste: Uncertainties About the Yucca Mountain Repository Project

BEHIND THE DOORS OF AN ILLEGAL CASINO, WILL QUARRY FIND LADY LUCK...OR A LADY KILLER? Putting his plan in motion to target other hitmen, Quarry follows one from steamy Florida to the sober Midwest. But this killer isn't a man at all—she's a sloe-eyed beauty, as dangerous in bed as she is deadly on the job. Has Quarry finally met his match?
