

## Jak Byc Paryzanka W Polsce

The author of Parisian Charm School and Bonjour, Happiness! shares the secrets French women have long known about love and romance. French women know that the gift for attracting men has nothing to do with beauty, dating, or following the rules. They don't listen to Dr. Phil's advice. They don't worry about the care and feeding of their boyfriend. And they certainly don't think men are from Mars. On the contrary,

French women's love lives are romantic, sensual, playful, and intense. They conduct their relationships with the same originality and artfulness that they bring to their sense of style. And American women could learn a thing or two from their example. For the first time ever, Jamie Cat Callan gives readers a personalized, guided tour through the corridors of French love. In these pages, you will discover: Why French women always feel sexy The French art of flirtation Why French women walk everywhere and love to be seen Where French women meet men What French women do when their man misbehaves And a delicious recipe for the perfect, amorous meal! "Adorable!"—Erica Jong, New York Times bestselling author of Fear of Flying and Fear of Fifty

Emancypantki (Emancipated Women)

Caryca polskiej mody, ?wi?ci i grzesznicy

From four stunning and accomplished French women—at last—a fresh and spirited take on what it really means to be a Parisienne: how they dress, entertain, have fun and attempt to behave themselves. In short, frisky sections, these Parisian women give you their very original views on style, beauty, culture, attitude and men. The authors—Anne Berest, Audrey Diwan, Caroline de Maigret, and Sophie Mas—unmarried but attached, with children—have been friends for years. Talented bohemian iconoclasts with careers in the worlds of music, film, fashion and publishing, they are untypically frank and outspoken as they debunk the myths about what it means to be a French woman today. Letting you in on their secrets and flaws, they also make fun of their complicated, often contradictory feelings and behavior. They admit to being snobs, a bit self-centered, unpredictable but not unreliable. Bossy and opinionated, they are also tender and romantic. You will be taken on a first date, to a party, to some favorite haunts in Paris, to the countryside, and to one of their dinners at home with recipes even you could do -- but to be out with them is to be in for some mischief and surprises. They will tell you how to be mysterious and sensual, look natural, make your boyfriend jealous, and how they feel about children, weddings and going to the gym. And they will share their address book in Paris for where to go: At the End of the Night, for a Birthday, for a Smart Date, A Hangover, for Vintage Finds and much more. How

to Be Parisian Wherever You Are will make you laugh as you slip into their shoes to become bold and free and tap into your inner cool.

***Emancypantki (Emancipated Women)*, by the acclaimed Polish author Boleslaw Prus, was first published as a serial in the Daily Courier (Kurier Codzienny), 1890-1893, and as a book in 1894. Leading his readers, in a manner reminiscent of Dickens, from an elegant girls' school in Warsaw to a provincial town—from a magnate's palace to a boarding house for working women and a secret lying-in hospital for unmarried mothers—Prus explored the choices available to women in his time, and the forces that influenced those choices. An intriguing love story with an ambiguous ending adds spice.**
