Es una historia llena de contradicciones, donde al amor se le olvidó cómo amar, donde la búsqueda de la libertad nos convierte en prisioneros y donde el carácter termina traslapando esencias. Inspirada en hechos reales y narrada con increíble ritmo y destreza, "Deshojando a Margarita" es una novela que sale de la tripa del autor y toca el alma y el corazón de los lectores, mostrando los dilemas afectivos que nos golpean cada día, pero que pocos somos capaces de decir en voz alta.

***This book is a study of the Basque variety spoken in Lekeitio (Vizcaya). As such we have intended to make a direct contribution to Basque dialectology, aiming at setting certain standards for research in this area. In addition, we believe that some of the materials assembled in this work will be of interest to a larger audience beyond Basque specialists. It is for this reason that we decided to write the present book in English. In our opinion, certain linguistic aspects are treated in more detail here than in any previous work on any other Basque variety. A case in point would be accentuation, both at the lexical level and in its relation to the syntactic process of focalization.***
