A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat-horned god. A micro-preemie fights for survival in this extraordinary and gorgeously told memoir by her parents, both award-winning journalists. Juniper French was born four months early, at 23 weeks' gestation. She weighed 1 pound, 4 ounces, and her twiggy body was the length of a

Babies like Juniper, born at the edge of viability, trigger the question: Which is the greater act of love -- to save her, or to let her go? Kelley and Thomas French chose to fight for Juniper's life, and this is their incredible tale. In one exquisite memoir, the authors explore the border between what is possible and what is right.
