

Just Mercy A Story Of Justice And Redemption

Translation of *Dei delitti e delle pene*, published 1764.

PLEASE NOTE: This is a summary, analysis and review of the book and not the original book. Bryan Stevenson's controversial and eye-opening book: *Just Mercy: A Story of Justice and Redemption* is a stunning, personal, and in-depth look at the racial injustices plaguing the American justice system. This FastReads Summary & Analysis offers supplementary material to *Just Mercy* to help you distill the key takeaways, review the book's content, and further understand the writing style and overall themes from an editorial perspective. Whether you'd like to deepen your understanding, refresh your memory, or simply decide whether or not this book is for you, FastReads Summary & Analysis is here to help. Absorb everything you need to know in under 20 minutes! What Does This FastReads Summary Include? Executive Summary of the original book Brief chapter-by-chapter summaries Key takeaways from each chapter Editorial Review Original Book Summary Overview The mission of *Just Mercy* is to peel back the curtain on corporal punishment and the culture of mass incarceration in America. An emphasis is placed on the rate at which America imprisons its' citizens, especially the poor and African American populations, and the unforeseen consequences and costs of this mass incarceration. Stevenson shines an unapologetic light on the unfair, irresponsible, and biased prosecution of an impoverished population and the ripple effects this has on families, communities, and the American people. BEFORE YOU BUY: The purpose of this FastReads Summary is to help you decide if it's worth the time, money and effort reading the original book (if you haven't already). FastReads has pulled out the essence-but only to help you ascertain the value of the book for yourself. This analysis is meant as a supplement to, and not a replacement for, *Just Mercy*.

Learn the Invaluable Lessons from *Just Mercy: A Story of Justice and Redemption* by Bryan Stevenson and Apply it into Your Life Without Missing Out! What's it worth to you to have just ONE good idea applied to your life? In many cases, it may mean expanded paychecks, better vitality, and magical relationships. Here's an Introduction of What You're About to Discover in this Premium Summary of *Just Mercy: A Story of Justice and Redemption* by Bryan Stevenson: *Just Mercy* tells the true story of the writer Bryan Stevenson, who was once a young lawyer defending inmates sentenced harshly through false and unjust allegations. The main storyline focuses on the organization he founded called the Equal Justice Initiative or EJI, and Walter McMillan, a black man sentenced to death in the late 1980s due to a false charge of murder. The book displays Stevenson's perspective towards racial and economic inequality as he bravely opposed the criminal justice and prison systems in America. He firmly believes in empathy over condemnation, that it is the change society needs in order to make a difference. The book achieved astounding remarks and multiple awards, leading to its place as a #1 New York Times bestseller. *Just Mercy* was named one of the most powerful and influential books ever written and it was also turned into a major motion picture starring the well-known artists Michael B. Jordan and Jamie Foxx who also came away with notable awards. #1 NEW YORK TIMES BESTSELLER • NOW A MAJOR MOTION PICTURE STARRING MICHAEL B. JORDAN AND JAMIE FOXX • A powerful true story about the potential for mercy to redeem us, and a clarion call to fix our broken system of justice—from one of the most brilliant and influential lawyers of our time. “ [Bryan Stevenson ’ s] dedication to fighting for justice and equality has inspired me and many others and made a lasting impact on our country. ” —John Legend NAMED ONE OF THE MOST INFLUENTIAL BOOKS OF THE DECADE BY CNN • Named One of the Best Books of the Year by The New York Times • The Washington Post • The Boston Globe • The Seattle Times • Esquire • Time Bryan Stevenson was a young lawyer when he founded the Equal Justice Initiative, a legal practice dedicated to defending those most desperate and in need: the poor, the wrongly condemned, and women and children trapped in the farthest reaches of our criminal justice system. One of his first cases was that of Walter McMillian, a young man who was sentenced to die for a notorious murder he insisted he didn ’ t commit. The case drew Bryan into a tangle of conspiracy, political machination, and legal brinkmanship—and transformed his understanding of mercy and justice forever. Just Mercy is at once an unforgettable account of an idealistic, gifted young lawyer ’ s coming of age, a moving window into the lives of those he has defended, and an inspiring argument for compassion in the pursuit of true justice. Winner of the Carnegie Medal for Excellence in Nonfiction • Winner of the NAACP Image Award for Nonfiction • Winner of a Books for a Better Life Award • Finalist for the Los Angeles Times Book Prize • Finalist for the Kirkus Reviews Prize • An American Library Association Notable Book “ Every bit as moving as To Kill a Mockingbird, and in some ways more so . . . a searing indictment of American criminal justice and a stirring testament to the salvation that fighting for the vulnerable sometimes yields. ” —David Cole, The New York Review of Books “ Searing, moving . . . Bryan Stevenson may, indeed, be America ’ s Mandela. ” —Nicholas Kristof, The New York Times “ You don ’ t have to read too long to start cheering for this man. . . . The message of this book . . . is that evil can be overcome, a difference can be made. Just Mercy will make you upset and it will make you hopeful. ” —Ted Conover, The New York Times Book Review “ Inspiring . . . a work of style, substance and clarity . . . Stevenson is not only a great lawyer, he ’ s also a gifted writer and storyteller. ” —The Washington Post “ As deeply moving, poignant and powerful a book as has been, and maybe ever can be, written about the death penalty. ” —The Financial Times “ Brilliant. ” —The Philadelphia Inquirer

..... DISCLAIMER:..... All of our books are intended as companions' to, not replacement for, the original titles. ContentPush is wholly responsible for all of the content and is not associated with the original authors' or their work..... ABOUT BOOK:..... Just Mercy (2014)

It's a walk through the American criminal justice system of the 1980s. These books explain how a system that is supposed to safeguard the rights of the nation's citizens became an unjust tool to mistreat and abuse the most vulnerable members of society through mass incarceration and exorbitant sentencing. ABOUT THE AUTHOR: Bryan Stevenson is a death row attorney who founded and serves as executive director of the Equal Justice Initiative, a nonprofit organization that represents and advocates for subjugated people. In addition to his work at EJI, Stevenson is a professor of law at the New York University Law School. INTRODUCTION: Learn about the history and development of the American criminal justice system. What do you know about the American criminal justice system? Have you ever visited one of its prisons? How about some hands-on experience and knowledge from a lawyer who has worked inside the American prison-industrial complex and played his part on the scenes unfolding in many of the country's proudest institutions? In Just Mercy, the author explains how the system worked back in the 1980s, how it has developed up until today, and how different groups, including women, children and mentally disabled people, have been subjected to an unrelenting form of "substandard treatment." In this summary, you'll discover how high the prison population has soared since the 1980s; how the system's treatment of mentally ill criminals has developed over the years; and why being an underage

puts a human face on the story of the black American struggle for equality in Alabama during the 1960s by examining the commitment and hard work of the thousands of everyday people who took a stand, supported the great leaders such as Martin Luther King, Jr., and changed their times forever. Braithwaite argues that shame can be used as a constructive way to help criminals. How do you start a journey when the roads are blocked? Who can you trust in a country where the Nazi regime has only just fallen? 'This is the story of the liberation of four Dutch political prisoners at the end of World War II, and about their trek home to Holland ...' So, modestly, begins this firsthand account of the adventures of three women and one man in the hellish aftermath of the war in Europe. Awakened from the nightmare of prison camp, freed from the fear of the firing squad that had haunted each of them since capture, the four compatriots find that they must still navigate horror itself without food, without papers, without funds. Virtues are all that remain in their possession, and it is these -- nobility, friendship, honour, strength, pride in their bloody but unbowed humanity -- that guide them home. This is a tale of bravery that will make you care deeply about its protagonists, and weep tears of wonder at their heroism. A Game to the Death and Hockey Like You Have Never Seen Before When Bad Things Happen to Good People Based on the Book by Bryan Stevenson The Hot House Alabama and the Movement That Changed America Summary: Bryan Stevenson's Just Mercy: A Story of Justice and Redemption (Discussion Prompts)

The Student Workbooks are designed to get students thinking critically about the text they read and provide a guided study format to facilitate improved learning and retention. Teachers and Homeschool Instructors may use the activities included to improve student learning and organization. Students will construct and identify the following areas of knowledge. Character Identification Events Location Vocabulary Main Idea Conflict And more as appropriate to the text. Fully updated and revised, Donald Rumbelow's classic work is the ultimate examination of the facts, theories, fictions

and fascinations surrounding the greatest whodunit in history. **The Complete Jack the Ripper** lays out all the evidence in the most comprehensive summary ever written about the Ripper. Rumbelow, a former London Metropolitan policeman, and an authority on crime, has subjected every theory – including those that have emerged in recent years – to the same deep scrutiny. He also examines the mythology surrounding the case and provides some fascinating insights into the portrayal of the Ripper on stage and screen and on the printed page. More seriously, he also examines the horrifying parallel crimes of the Düsseldorf Ripper and the Yorkshire Ripper in an attempt to throw further light on the atrocities of Victorian London.

Classroom Worksheets and Activities is a series of books designed to provide teachers ready to use activities with students. The focus of this book is to provide student focused material. Information evaluating, labeling and discussing the text will not be presented in this series. This includes several labeled graphic organizers and advice on how to use them in the classroom. Several of these organizers can be used for assessment.

This summary of **Just Mercy** captures the attention of its readers and holds it. It includes all important details of the main arc of the book. It also makes the problems with America's justice system absolutely clear. It pulls on our heartstrings by sharing the plight of several victims of the very system that is supposed to protect them. It opens our eyes and motivates us to do something to make things right for others. In sum, this summary is both inspirational and multidimensional.

SUMMARY: Just Mercy

A no-holds-barred, red-hot discussion of race in America today from some of the leading names in the field, including the bestselling author of **Just Mercy** This blisteringly candid discussion of the American dilemma in the age of Trump brings together the head of the NAACP Legal Defense Fund, the former attorney general of the United States, a bestselling author and death penalty lawyer, and a star professor for an honest conversation the country desperately needs to hear. Drawing on their collective decades of work on civil rights issues as well as personal histories of rising from poverty and oppression, these leading lights of the legal profession and the fight for racial justice talk about the importance of reclaiming the racial narrative and keeping our eyes on the horizon as we work for justice in an unjust time. Covering topics as varied as "the commonality of pain," "when lawyers are heroes," and the concept of an "equality dividend" that is due to people of color for helping America brand itself internationally as a country of diversity and acceptance, Ifill, Lynch, Stevenson, and Thompson also explore topics such as "when did 'public' become a dirty word" (hint, it has something to do with serving people of color), "you know what Jeff

Summary and Analysis of Just Mercy: A Story of Justice and Redemption

Just Mercy (Adapted for Young Adults)

Summary of Bryan Stevenson's Just Mercy - A Story of Justice and Redemption In an ideal world, justice should prevail and conquer all. It should be the first rule concerning all matters. However, the reality of our world is completely different. Injustice prevails in all corners of the world in different forms. It shows its face in different matters and decisions. America's judicial system has ironically led to a huge number of acts of injustice and punished lots of people unfairly. This book shares the example of Walter McMillian and several others like him, who became victims of the flaws of the judicial system of the United States. There was a relief for some but demise for others. This book focuses on unraveling the truth about severe punishment and mass incarceration in the United States. It documents the ease with which we choose doom for people and the injustice that stems from our angry, fearful, and detached approach toward the helpless. This summary of Just Mercy captures the attention of its readers and holds it. It includes all important details of the main arc of the book. It also makes the problems with America's justice system absolutely clear. It pulls on our heartstrings by sharing the plight of several victims of the very system that is supposed to protect them. It opens our eyes and motivates us to do something to make things right for others. In sum, this summary is both inspirational and multidimensional.

This handbook brings together the knowledge on juvenile imprisonment to develop a global, synthesized view of the impact of imprisonment on children and young people. There are a growing number of

scholars around the world who have conducted in-depth, qualitative research inside of youth prisons, and about young people incarcerated in adult prisons, and yet this research has never been synthesized or compiled. This book is organized around several core themes including: conditions of confinement, relationships in confinement, gender/sexuality and identity, perspectives on juvenile facility staff, reentry from youth prisons, young people's experiences in adult prisons, and new models and perspectives on juvenile imprisonment. This handbook seeks to educate students, scholars, and policymakers about the role of incarceration in young people's lives, from an empirically-informed, critical, and global perspective.

A stunning account of life behind bars at the federal penitentiary in Leavenworth, Kansas, where the nation's hardest criminals do hard time. "A page-turner, as compelling and evocative as the finest novel. The best book on prison I've ever read."—Jonathan Kellerman The most dreaded facility in the prison system because of its fierce population, Leavenworth is governed by ruthless clans competing for dominance. Among the "star" players in these pages: Carl Cletus Bowles, the sexual predator with a talent for murder; Dallas Scott, a gang member who has spent almost thirty of his forty-two years behind bars; indomitable Warden Robert Matthews, who put his shoulder against his prison's grim reality; Thomas Silverstein, a sociopath confined in "no human contact" status since 1983; "tough cop" guard Eddie Geouge, the only officer in the penitentiary with the authority to sentence an inmate to "the Hole"; and William Post, a bank robber with a criminal record going back to when he was eight years old—and known as the "Catman" for his devoted care of the cats who live inside the prison walls. Pete Earley, celebrated reporter and author of *Family of Spies*, all but lived for nearly two years inside the primordial world of Leavenworth, where he conducted hundreds of interviews. Out of this unique, extraordinary access comes the riveting story of what life is actually like in the oldest maximum-security prison in the country. Praise for *The Hot House* "Reporting at its very finest."—Los Angeles Times "The book is a large act of courage, its subject an important one, and . . . Earley does it justice."—The Washington Post Book World "[A] riveting, fiercely unsentimental book . . . To [Earley's] credit, he does not romanticize the keepers or the criminals. His cool and concise prose style serves him well. . . . This is a gutsy book."—Chicago Tribune "Harrowing . . . an exceptional work of journalism."—Detroit Free Press "If you're going to read any book about prison, *The Hot House* is the one. . . . It is the most realistic, unbuffed account of prison anywhere in print."—Kansas City Star "A superb piece of reporting."—Tom

Clancy

Disclaimer: This is the summary of the original book. In a civilized and highly developed country, improbable things happen in prisons, and innocent people end up there. This should not be allowed anywhere in the world. Moreover, it should not be allowed in the United States. In his book "Just Mercy," the author shares how the penal and prison system in the United States has functioned since the 1980s, as it has developed today, what improvements and progress were made. He masterfully reveals how and why the prisoner numbers boomed since the 1980s, how the system treated the disadvantaged population, and why committing crimes as a child in the 1980s is something no one should have done.

Bryan Stevenson's Just Mercy was named as one of the Best Books of the Year by The Washington Post, The New York Times, The Seattle Times, Esquire, Time and The Boston Globe. Author Bryan Stevenson was then a young lawyer when he first founded the Equal Justice Initiative. This is a legal practice dedicated to defending those who are most desperate and are in need: the wrongly condemned, the poor, and women and children who are trapped in the farthest reaches of America's criminal justice system. One of the first cases he handled was that of Walter McMillian. McMillian was a young man who was wrongly sentenced to die for a notorious murder that he insisted he did not commit. This case drew Stevenson into a tangle of political machination, legal brinkmanship, and conspiracy. This transformed his understanding of justice and mercy forever. Just Mercy is an unforgettable account of the once idealistic and gifted young lawyer's coming of age. It is a moving window into the lives of the people he has defended, and the inspiring argument for true mercy and compassion in the pursuit of true justice. In this comprehensive look into Just Mercy: A Story of Justice and Redemption by Bryan Stevenson, you'll gain insight with this essential resource as a guide to aid your discussions. Be prepared to lead with the following: More than 60 "done-for-you" discussion prompts available Discussion aid which includes a wealth of information and prompts Overall brief plot synopsis and author biography as refreshers Thought-provoking questions made for deeper examinations Creative exercises to foster alternate "if this was you" discussions And more!

Examines myths and folk tales from around the world in an attempt to understand the symbolism of the hero as it appears in the mythologies and religions of mankind.

The young adult adaptation of the acclaimed, #1 New York Times bestseller Just Mercy--now a major motion picture starring Michael B. Jordan, Jaime Foxx, and Brie Larson and the subject of an HBO documentary feature! In this very personal work--adapted from the original #1 bestseller, which the New York Times calls "as compelling as To Kill a Mockingbird, and in some ways more so"--acclaimed lawyer and social justice advocate Bryan Stevenson offers a glimpse into the lives of the wrongfully imprisoned and his efforts to fight for their freedom. Stevenson's story is one of working to protect basic human rights for the most vulnerable people in American society--the poor, the wrongly convicted, and those whose lives have been marked by discrimination and marginalization. Through this adaptation, young people of today will find themselves called to action and compassion in the pursuit of justice. A portion of the proceeds of this book will go to charity to help in Stevenson's important work to benefit the voiceless and the vulnerable as they attempt to navigate the broken U.S. justice system. I Know This to be True: Bryan Stevenson

A True Story of the Fight for Justice

Summary and Analysis of Just Mercy by Bryan Stevenson

The I Know This to Be True series is a collection of extraordinary figures from diverse backgrounds answering the same questions, as well as sharing their compelling stories, guiding ideals, and insightful wisdom. Bryan Stevenson has committed his career to fighting wrongful convictions, systemic poverty, and mass incarceration--here, he shares the lessons he's learned

throughout his life. Stories include how his slave ancestry shaped his childhood, how a poignant conversation with a death row inmate impacted his work, and why he believes the worst thing that happens to a person shouldn't define their life. • Bryan Stevenson is one of today's most influential social justice attorneys and author of the bestselling book Just Mercy • This book is an encouraging road map for aspiring activists and anyone who believes in second chances • The landmark book series brims with messages of leadership, courage, compassion, and hope Inspired by Nelson Mandela's legacy and created in collaboration with the Nelson Mandela Foundation, I Know This to Be True is a global series of books created to spark a new generation of leaders. This series offers encouragement and guidance to graduates, future leaders, and anyone hoping to make a positive impact on the world. • Royalties from sales of the series support the free distribution of material from the series to the world's developing economy countries • Great for those who loved Letters of Note: An Eclectic Collection of Correspondence Deserving of a Wider Audience by Shaun Usher, Long Walk to Freedom: The Autobiography of Nelson Mandela by Nelson Mandela, and Just Mercy: A Story of Justice and Redemption by Bryan Stevenson Oprah's Book Club Summer 2018 Selection The Instant New York Times Bestseller A powerful, revealing story of hope, love, justice, and the power of reading by a man who spent thirty years on death row for a crime he didn't commit. "An amazing and heartwarming story, it restores our faith in the inherent goodness of humanity." –Archbishop Desmond Tutu In 1985, Anthony Ray Hinton was arrested and charged with two counts of capital murder in Alabama. Stunned, confused, and only twenty-nine years old, Hinton knew that it was a case of mistaken identity and believed that the truth would prove his innocence and ultimately set him free. But with no money and a different system of justice for a poor black man in the South, Hinton was sentenced to death by electrocution. He spent his first three years on Death Row at Holman State Prison in agonizing silence—full of despair and anger toward all those who had sent an innocent man to his death. But as Hinton realized and accepted his fate, he resolved not only to survive, but find a way to live on Death Row. For the next twenty-seven years he was a beacon—transforming not only his own spirit, but those of his fellow inmates, fifty-four of whom were executed mere feet from his cell. With the help of civil rights attorney and bestselling author of Just Mercy, Bryan Stevenson, Hinton won his release in 2015. With a foreword by Stevenson, The Sun Does Shine is an extraordinary testament to the power of hope sustained through the darkest times. Destined to be a classic memoir of wrongful imprisonment and freedom won, Hinton's memoir tells his dramatic

thirty-year journey and shows how you can take away a man's freedom, but you can't take away his imagination, humor, or joy.

A Perilous Path

Warning This is an independent addition to Just Mercy, meant to enhance your experience of the original book. If you have not yet bought the original copy, make sure to purchase it before buying this unofficial summary from aBookaDay. This review of Just Mercy: A Story of Justice and Redemption, by Bryan Stevenson, provides a chapter by chapter detailed summary followed by an analysis and critique of the strengths and weaknesses of the book. The main theme explored in the book is the injustice of our criminal justice system. The author uses the case of Walter McMillian's wrongful conviction of murder and imprisonment as an overarching example of how the U.S. justice system does not prosecute fairly. The author focuses on how race, socioeconomic status, and even age have an effect on how certain criminals are convicted. Stevenson uses his personal experience as a lawyer for the Equal Justice Initiative and more than 25 years fighting for the rights of people who could not afford legal counsel as a basis for this novel. Through his own experiences, the author makes the case that it is often the people on the fringe of society who need proper justice and mercy, and yet, they are the ones who are least likely to receive it. By sharing his own case work, the author demonstrates how unjust death penalty convictions have been over the past fifty years and how hard it is to truly make change in the system. The central thesis of the work is that we are more than the worst things we have done. Yet, we live in a country that will, on the basis of one poor choice or decision, condemn a person to life in prison, or worse, death. Even further, law enforcement often targets those who have neither the money nor education to fight back, and this has had a direct correlation to the rise in mass incarceration over the past century. The author's purpose is to shine a light on this and bring about the kind of change that uses mercy as its own form of justice. Bryan Stevenson is a lawyer, social justice activist, and the founder of the Equal Justice Initiative. He attended Eastern University and graduated in 1981. After that he attended Harvard Law School where he found his career calling by working for the Southern Center for Human Rights. He has since traveled the country, working for EJI, and speaking about the politics and social injustice of the prison system and death penalty. Available on PC, Mac, iphone, android, tablet or Kindle device. (c) 2016 All Rights Reserved

In this book I have taken true life events that have actually occurred in my lifetime. My inspiration was about a real life game of Russian roulette. The last soul survivor of five young teenage boys was the one who told me his story. They did not all die from the actual playing of the game, but it did cause the boys a deep depression that took their lives, one by one. However, they did not all die the way my book describes. In fact, one of the boys death's was context I used from a real incident that took place when I was growing up. He was my friend. This boy was being bullied by six other teenage boys. After beating him up and ramming his head through a plate glass window of the local paramount theater, he decided to end it all and jump in front of a train. Bullying is a serious matter that can effect young minds in ways that are so horrible, you might not find out what is really going on with them, until it is too late. May Tommy rest in peace. But I could not end this book here. I believe that when something bad happens, there are always good things to fall in its place. So I threw a few twists into my writings. There is a forest on the outskirts of my home town that was declared the historical cottonwoods, in which I use as the setting for this book. Wandering through the forest one day, I discovered a rather large naturally hollowed out cottonwood tree. This is where one lucky boys adventures begin. The boys built a real working elevator inside the tree that would lead to the bottom of a two story tree house they also constructed. But it does not end there. A magical book of secrets reveals itself. In this book it tells the story about an underground city as it really happens. Inside the hollow of the tree and approximately ten feet below

the surface, an underground elevator is activated, once the owner of the book comes forward. This will lead to a hallway full of doors, each leading to mystical places beyond your wildest dreams. At the end of the first hallway is a rather large room where all hallways begin. A hidden ceiling door slides open with a thunderous ear deafening screech. It is the glass bottom of the Fraser river, in which you are able to view underwater creatures in their natural habitat. Down one of the hallways there is a door to an ancient library that tells the history of the underground. It is referred to as the spell room. There is also another door that leads to the four seasons. A big wooden door separates the hallways full of doors from an underground city called the Packs. Inside this city is a rather unique arena where there is a hockey game like you have never seen before. **Summary of Just Mercy by Bryan Stevenson | Includes Analysis Preview: Just Mercy: A Story of Justice and Redemption is a legal memoir by Bryan Stevenson. It is set in the 1980s and early 1990s and follows Stevenson's legal career as an advocate for Alabama prisoners who have been condemned to death, especially prisoners who have been wrongly condemned and unjustly treated by the legal system. Stevenson focuses on the case of Walter McMillian, a black man who was falsely convicted of the murder of Ronda Morrison and placed on death row. Through an investigation and painstaking appeals process, Stevenson ultimately succeeds in exposing the testimony against McMillian as false, wrongly obtained through police coercion and perjury. As a result, McMillan's sentence is overturned and he is cleared of all charges... PLEASE NOTE: This is key takeaways and analysis of the book and NOT the original book. The #1 bestselling inspirational classic from the internationally known spiritual leader; a source of solace and hope for over 4 million readers. Since its original publication in 1981, When Bad Things Happen to Good People has brought solace and hope to millions. In the preface to this edition, Rabbi Kushner relates the heartwarming responses he has received over the years from people who have found inspiration and comfort within these pages. When Harold Kushner's three-year-old son was diagnosed with a degenerative disease that meant the boy would only live until his early teens, he was faced with one of life's most difficult questions: Why, God? Years later, Rabbi Kushner wrote this straightforward, elegant contemplation of the doubts and fears that arise when tragedy strikes. In these pages, Kushner shares his wisdom as a rabbi, a parent, a reader, and a human being. Often imitated but never superseded, When Bad Things Happen to Good People is a classic that offers clear thinking and consolation in times of sorrow.
