another book on  
innovation?

Because it is not  
one more book on  
the subject! It is a  
book that does not  
talk about  
innovation, but

about people. Is  
there anything as  
important as people  
when innovating?

This book describes  
how to create a true  
culture of  
innovation, a culture  
where innovation is  
not an objective, but  
a consequence.
