"Why is bedtime the very best time for parents to spend time with their children? One of the best ways to end the day of your children so that they will feel special and loved is to spend your precious time with them. Just before they go to sleep, read them a bedtime story, say a prayer and kiss them good night.It was a good day to swim in the pond and all of the ducks with their little ducklings, frogs, dragonflies and other creatures decided it was a good day to relax in the warm water. Little ducklings enjoyed the swimming and they were diving, swimming and jumping around. Suddenly, this peace and quiet was interrupted by a loud, unknown noise coming from the above. Everyone ran and hid among the reed grass. Once the buzzing went away, the oldest duck told the story about the airplanes, how they fly, what they do and are they dangerous. After the story, everyone decided planes are not a trouble when everyone heard a different kind of noise: something sneaking from behind - and it was a predator! Will the plane see their trouble and return to the pond? Will they let him help them even though they don't know him?This children's book that is highly entertaining, there are a lot moral lessons that your child will learn from this book and is jam-packed with bedtime stories, jokes, games, and more! The story is about a boy named Lwando and his cute sister Oyiso, who sometimes becomes angry and furious when something upsets her. Fortunately for Oyiso, her brother understands her well and always tries to quell her anger. But despite that, there may be days when Oyiso reacts with her brother, and may even react with anger too! Can Lwando learn where the mistake is? The benefits of the story is that it emphasizes the treatment of the older brother with his younger siblings, feeling responsible towards them, and be a model for them. With the absence of a mother sometimes, the young child will find only one of his older brothers or sisters to console him, take care of him, and protect him. So, we need to give this story its due, and not to make it just papers with attractive drawings and bright colors. Our goal is to teach children virtues and warn them against every reprehensible behavior, so let us strive to achieve this goal. The book consists of colorful drawings expressing the life of Lwando, Oyisa, and other people during some days of the week, with clear and short sentences, to make it easier for the child to read and understand the meaning.

A delightful tale about an independent cat.

But though gnarbles never swim so high, this particular gnarble is determined to see the sunlit sky. Daniel Errico's charming nonsense rhymes and Tiffany Turrill's vivid, expressive iillustrations combine beautifully in this entertaining story of a little fish on a big mission. Kids will giggle aloud at crazy creatures with names like gishy-gosh and glimmy glins; parents will love snuggling up with their children to read about the little gnarble's escapades in this wacky world of silly sea creatures. One of the struggles of parenting can be bedtime. Children need a lot of sleep, but often resist going to bed. Bedtime can be a hectic time, especially when both parents work full time and kids are busy with after school activities like sports. After dinner, then homework, bedtime can just be a time of nagging. "Take a bath! Brush your teeth!"...every parent has experienced the hectic bedtime. We know our kids need a lot of sleep, but some evenings there just isn't enough time. Child development experts agree that consistent bedtime routines make this time easier. Bedtime stories are a wonderful addition to bedtime routines. Reading to young children stimulates their development and gives them a head start when they reach school, according to researchers who have reviewed studies on the effects of reading. Apart from helping their reading, sharing a bedtime story with a child promotes their motor skills, through learning to turn the pages, and their memory. It also improves their emotional and social development. This children's book that is highly entertaining, great for early readers, and is jam-packed with bedtime stories, jokes, games, and more! "Why is bedtime the very best time for parents to spend time with their children? One of the best ways to end the day of your children so that they will feel special and loved is to spend your precious time with them. Just before they go to sleep, read them a bedtime story, say a prayer and kiss them good night. Reading to a child, especially at bedtime, when the distractions are minimized, enhances children's language abilities. Children learn from hearing and repetition. They sometimes want to hear a story often and soon have memorized the story. They learn not only from hearing but from the modulation, the sense stress, and the emotions that a parent puts in the reading. As they hear and learn new words, they soon learn to use these words in their sentences and in their communicating. Reading bedtime stories helps children develop motor skills, both mental and physical.
