Andrea Barber is known to millions worldwide as Kimmy Gibbler, star of the hit 90s sitcom Full House, and the Netflix sequel, Fuller House. In this funny, heartfelt book, Andrea takes readers behind the scenes of her odd Hollywood career and beyond. She shares how anxiety, particularly postpartum anxiety, derailed her life, and how she was able to take back control and serve as inspiration for others. Refreshingly honest and deeply personal, Andrea writes in a way that feels like catching up with an old friend. Get ready to laugh, reminisce, and finally get to know the woman behind the zany next door neighbor . . . When Kimmy Gibbler burst into the Tanners’ home on Full House in 1987, audiences immediately connected with the confident and quirky pre-teen character, played by ten-year-old actress Andrea Barber. During an eight-season run on one of the most popular series of the ‘80s and ‘90s, Andrea came of age in front of millions. But she was as far removed from her character as a girl can get. The introverted young star was plagued with self-doubt, insecurities, and debilitating anxieties that left her questioning her identity after the show’s cancellation. Andrea wouldn’t return to the public eye until 2016, for Fuller House. So what happened in those intervening decades that Andrea jokingly calls “the lost years”? For starters, Andrea never stopped working. But it was on a series of life-changing transitions: earning a college degree, then a Master’s, building a career in international education, getting married, and starting a family. She also faced some unforeseeable transitions: navigating a sudden divorce after nearly twelve years of marriage, and second-guessing her capabilities as a single mother. But it was her devastating bout with post-partum anxiety and depression that derailed Andrea’s life—and became a crucial turning point. Full Circle is a raw, refreshingly honest look into the life of a celebrity who has never been fully comfortable in the spotlight. Here Andrea shares her deeply personal struggles with mental health in a way she has never done before. She opens up about fighting her way back and finding solace—while finding herself—all before her life came full circle with her costars and lifelong friends on Fuller House. Sharing her journey from child star, to champion of mental health, and back to stardom, Andrea writes in a way that feels like catching up with an old friend. You’ll laugh, reminisce, and finally get to know the woman behind the zany next door neighbor.

From Plasley to Partition is an eminently readable account of the emergence of India as a nation. It covers about two hundred years of political and socio-economic turbulence. Of particular interest to the contemporary reader will be sections such as *Early Nationalism: Discontent and Dissension* , *Many Voices of a Nation and Freedom with Partition* . On the one hand, it converses with students of Indian history and on the other, it engages general and curious readers. Few books on this crucial period of history have captured the rhythms of India's polyphonic nationalism as *From Plasley to Partition*.

Set in Derry, Northern Ireland in the 1990s, Derry Girls is a candid, one-of-a-kind comedy about what it’s like to be a teenage girl living amongst conflict. It’s a time of armed police in armoured Land Rovers and British Army check points. But it’s also the time of Murder She Wrote, The Cranberries, Salt-N-Pepa, Doc Martens and The X Files. And while *The Troubles* may hang over her hometown, Erin has troubles of her own, like the fact that the boy she’s in love with (actually in LOVE with) doesn’t know she exists. Or that her Ma and Aunt Sarah make her include her weirdo cousin Orla in everything she does. Or that head teacher Sister Michael refuses to acknowledge Erin as a literary genius. Not to mention the fact that her second best friend has ALMOST had sex, whereas Erin’s never even kissed anyone yet. These are Erin’s Troubles. Described by the *Guardian* as ‘daft, profane and absolutely brilliant’, by the *New Statesman* as ‘pitch-perfect’ and by i-D as ‘the greatest show on British (and Irish) TV’, *Derry Girls* has dazzled audiences for two series, with Channel 4’s biggest UK comedy launch since 2004 and the biggest television series in Northern Ireland since modern records began. Now, this autumn, comes the first official tie-in. In the manner of the very best TV comedy books, *Erin’s Diary* is a hilarious ‘in world’ publication that extends the laugh-out-loud humour of *Derry Girls* onto the page. With Erin’s inner take on everything that has happened so far, this book will both dive deeper into the events we have seen unfold on the screen and unveil brand new stories and never-before-revealed details about characters. Complete with newspaper clippings, doodles, poetry, school reports, handwritten notes from her friends, and much much more, *Erin’s Diary* is as warm, funny and brilliantly observed as the TV; a must-have for fans this Christmas. ‘Erin is sixteen and wishes she had a boyfriend and a life. Nothing else really happens... It’s boring.’ Orla McCool

The Doubters' Club: Good-Faith Conversations with Skeptics, Atheists, and the Spiritually Wounded

Erin's Diary: An Official Derry Girls Book

Mildred Pierce

My Story of Juggling Priorities and Purpose

From Hollywood to Real Life and Back Again

The closer we get to the heart of God, the closer we should grow toward the doubter, the skeptic, the differing perspective, even the atheist. And that should make us wonder: Is it possible to grow in our Christian faith without engaging the doubter or the skeptic? And if growing in our faith means growing closer to the doubter, how do we do that without compromising what we believe to be true? The Doubters' Club is a guide for people who want to live in friendship with those who think differently than them. In The Doubters' Club, you'll learn how to: (1) rebuild the impression the other person has of us as Christians; (2) renovate the intention we have with the nonbeliever; (3) rely on an invitation into real life (not a church service); (4) reexamine our views through initiating conversations that matter; and (5) redefine progress as imitation, not just immersion. You'll get practical steps and tools to help you navigate relationships and conversations--but not foolproof methods (because there aren't any). Maybe you're ready to take a chance because it's your mom or dad who is the skeptic, a sibling, an old friend, a coworker, or a neighbor. Maybe you're just ready to embrace the adventure of your faith. If you are open to the mystery of doubt, The Doubters' Club invites you to bring your uncertainties as common ground for relationship with skeptics and see what God does.

Candace Cameron Bure has grown up before our eyes and we've watched as she's balanced life in Hollywood with her faith for many years. But that all reached new heights when she was given the opportunity to join the cast of Dancing With the Stars. Being on the show was one of her dreams come true; and with that dream came the opportunity to display her Christian faith in front of millions of people, through an intense season of stretching beyond her limits, and to run the race God gave her with joy and perseverance. Join Candace as she reflects on the self-discovery that came through leaping out of her comfort zone. Go behind the scenes and experience the highs and lows, the roadblocks, and the personal victories. Hear straight from her heart on tough lessons learned about grace, rejection, perfectionism, disappointment, accountability, dealing with criticism, and more. Through God ' s strength, and with the help of endless support from her family and friends, see how Candace stayed true to herself and publicly lived out her faith in Christ all the way to the finale. How do you stand with conviction in your world? Where does your courage come from when faced with challenges? How do you live out your faith on a daily basis despite opposition? Your stage probably isn't in Hollywood and the challenges you are facing may not be on live television, but they are no less real. Come along with Candace as she shares how she found the courage to stand with conviction on one of the largest platforms of her life.
