

King Of Kings Majesty

50th Anniversary of His Imperial Majesty Haile Selassie I: First Visit to the United States (1954 - 2004) is the only book that documents the historic first visit of an African Emperor to America. The book features a day-to-day, city-by-city chronology of the Emperor's visit that includes toasts and speeches given by the Emperor, as well as by President Eisenhower, UN Secretary General Dag Hammarskjöld, various city Mayors, University Presidents, and military and church officials. The book includes more than one hundred photographs from the Institute of Ethiopian Studies in Addis Ababa, Ethiopia, as well as forty clippings from American newspapers. The book also contains an analysis of the Emperor's influence on the Brown vs. Board of Education decision that was passed just eight days before His Imperial Majesty's arrival in America, as well as the significance of the Emperor's visit in American and African American History.

-- All-new, expanded version of the classic book that set the tone for the contemporary worship movement -- The signature book from worship pioneer Jack Hayford, founding pastor of one of the best-known churches in America, The Church On The Way -- Integrity Music will be co-promoting this product along with their music CD of the same title from Jack Hayford.

The Father certainly doesn't need our praise, yet He prescribes worship as a daily activity. Why? Because, as pastor Jack Hayford clearly shows us, God graces His people with worship as a gift, not a demand. Worship liberates all of God's people to discover genuine wholeness, but only as they recognize and acknowledge the holiness of God. Hayford examines the lives of more than a dozen biblical figures to illuminate the fulfilling effects of worship -- including seven truths Jesus revealed about the blessings of praise. God's grace fills everything He gives -- and everything He calls us to do. And this same grace overflows in a special and unique way on all of us who humbly and wholeheartedly worship God.

A Declaration by the Kings Majesty

Majesty in Misery, or, an Imploration to the King of Kings. Written by his late Majesty King Charles the first, dureing his captivity at Carisbrook Castle, Anno Dom. 1648

Have we replaced the glory of God with our church programs. If so, is there anything we can do to get the glory of God back into our gatherings and individual lives? While we have good music, well-written songs and history to learn from, we can still miss having the presence of God in our meetings the way it was in Bible times. In this challenging and often provocative book, Jarrod Cooper deals with these important questions. Providing plenty of biblical illustrations to support his concerns, Jarrod shakes up more of our conventional thinking on the subject or worship. Can we for example only worship in the presence of the microphone, worship leader and powerpoint. What if all these were stripped away and it was just God and us? What would our worship be like then?
