

L Ami Ostendais De Marvin Gaye

Corruption, murder, beauty and innocence . . . ‘Great crime fiction started with Hammett’ James Ellroy ‘Not just the first of the tough school of crime-writing but the best’ THE TIMES Ned Beaumont is a tall, thin, moustache-wearing, TB-ridden, drinking, gambling, hanger-on to the political boss of a corrupt Eastern city. Nevertheless, like every Hammett hero (and like Hammett himself), he has an unbreakable, if idiosyncratic, moral code. Ned’s boss wants to better himself with a thoroughbred senator’s daughter; but does he want it badly enough to commit murder? If he’s innocent, who wants him in the frame? Beaumont must find out.

A riveting cautionary tale about the ecstasy and dangers of loving Marvin Gaye, a performer passionately pursued by all—and a searing memoir of drugs, sex, and old school R&B from the wife of legendary soul icon Marvin Gaye. After her seventeenth birthday in 1973, Janis Hunter met Marvin Gaye—the soulful prince of Motown with the seductive liquid voice whose chart-topping, socially conscious album What’s Going On made him a superstar two years earlier. Despite a seventeen-year-age difference and Marvin’s marriage to the sister of Berry Gordy, Motown’s founder, the enchanted teenager and the emotionally volatile singer began a scorching relationship. One moment Jan was a high school student; the next she was accompanying Marvin to parties, navigating the intriguing world of 1970s-’80s celebrity, hanging with Don Cornelius on the set of Soul Train, and helping to discover new talent like Frankie Beverly. But the burdens of fame, the chaos of dysfunctional families, and the irresistible temptations of drugs complicated their love. Primarily silent since Marvin’s tragic death in 1984, Jan at last opens up, sharing the moving, feverently charged story of one of music history’s most fabled marriages. Unsparing in its honesty and insight, illustrated with sixteen pages of black-and-white photos, *After the Dance* reveals what it’s like to be in love with a creative genius who transformed popular culture and whose artistry continues to be celebrated today.

Marvin Gaye, My Brother

David Ritz presents his uniquely candid and and intimate account of the tumultuous life of the Prince of Soul music, Marvin Gaye. Author Ritz has assembled years of conversations and interviews from his life as a close friend and lyricist to the gifted Soul sensation, and tells the Marvin Gaye story with fly-on-the-wall accuracy and detail. From his early years as an abused child in the slums of Washington DC,

through his rise to the very peaks of the Motown phenomenon, his fall from grace and subsequent comeback, to his untimely death at the hands of his father, Marvin’s story is the stuff of legends. The cast of characters includes the Jacksons, Smokey Robinson, Diana Ross and countless other icons of the world of soul music.The definitive biography of an enormously gifted and sensitive musician.

Au début des années 80, Marvin Gaye, star américaine de soul music, fuit les États-Unis pour l'Europe, tentant d'échapper à son ex-femme et à ses créanciers. Réfugié en Angleterre, Freddy, fan belge de ce chanteur, lui vient en aide.

Hitherto unavailable in English, *Spells*, by the Belgian dramatist Michel de Ghelderode, ranks among the 20th century’s most noteworthy collections of fantastic tales. Like Ghelderode’s plays, the stories are marked by a powerful imagination and a keen sense of the grotesque, but in these the author speaks to us still more directly. Written at a time of illness and isolation, and conceived as a fresh start, *Spells*was Ghelderode’s last major creative work, and he claimed it as his most personal and deeply felt one: a set of written spells through which his fears, paranoia and nostalgia found concrete form. By turns mystical, macabre and whimsically humorous, and set in the unsettled atmosphere of Brussels, Ostend, Bruges and London, *Spells*conjures up an uncanny realm of angels, demons, masks, effigies and apparitions, a twilight, oppressed world of diseased gardens, dusty wax mannequins and sinister relics. Combining the full contents of both the 1941 and 1947 editions, this translation of *Spells*is the most comprehensive edition yet published. Michel de Ghelderodewas born in Brussels in 1898. After nearly a decade of penning fiction, drama, literary journalism and puppet plays, in 1926 he began to write almost entirely for the theater and the following ten years saw the creation of most of his major plays. After 1936 he suffered from poor health and his involvement with the theater diminished. In the later 1940s, performances of his plays in Paris sparked a major awakening of interest in his work. Ghelderode died in 1962; the interior of his apartment, packed with books, pictures, puppets and masks, has been reassembled in Brussels as the Musée-Bibliothèque Michel de Ghelderode.

Observations of a Creative Process

MARVIN GAYE MY BROTHER BIO

Review: "Over 10 years in the making, American National Biography is a fascinating study of the people who have shaped the United States. Why replace the Dictionary of American Biography instead of merely updating it through supplements? Because the editors include new scholarship and people who were missed in the original, especially women and ethnic minorities. Numbering 24 volumes and containing 17,500 entries, the work offers readable, informative, and critical biographies for each subject, the location of their papers (if they exist), and selective bibliographies. Excellent indexes--subject, contributor, place of birth, and occupation--enhance use. This is an outstanding set that will be heavily consulted for many years to come."
--"Outstanding reference sources 2000", American Libraries, May 2000. Comp. by the Reference Sources Committee, RUSA, ALA

The Glass Key

Spin Alternative Record Guide

Historians, classicists, and archeologists will welcome Professor Turner’s lucid introduction to the field of Greek papyrology. The relatively recent rediscovery of Greek (and Latin) texts on papyrus has made possible greatly improved editions of classic works and has provided a deeper understanding of life in classical times. Professor Turner considers papyrus as a writing material, goes on to the problems of excavating for papyri, editing a papyrus text, determining its author and o papyri to Greek literature as well as to various types of non-literary documents, and he assesses various contributions papyri have made to ancient history. A list of the principal editions of papyri is included. Originally published in 1968. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important paperback and hardcover editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

Honor de Balzac, the renowned French novelist and playwright, and one of the pioneers of literary realism, makes a short fantasy diversion to the mystical island of Java, where he, or rather the narrateur, encounters a deadly poison-breathing tree, civilised monkeys, love-sick sparrows and that epitome of Oriental desirability of his day ? the women of Java.

Red Harvest

An Introduction

The Bible and the Historian

'An acknowledged literary landmark' [Robert Graves] from 'The dean of the school of hard-boiled fiction' [New York Times] The Continental Op first heard Personville called Poisonville by Hickey Dewey. But since Dewey also called a shirt a shoit, he didn't think anything of it. Until he went there and his client, the only honest man in Poisonville, was murdered. Then the Op decided to stay to punish the guilty. And that meant taking on the entire town...

The Big Sleep and (1939 and) is a hardboiled crime novel by Raymond Chandler, the first to feature the detective Philip Marlowe. It has been adapted for film twice, in 1946 and again in 1978. The story is set in Los Angeles. The story is noted for its complexity, with characters double-crossing one another and secrets being exposed throughout the narrative. The title is a euphemism for death; the final pages of the book refer to a rumination about "sleeping the big sleep". In 1999, the book was voted 96th of Le Monde and 's "100 Books of the Century". In 2005, it was included in Time magazine and 's "List of the 100 Best Novels".
