*Affaibli par le poids des années, FitzChevalerie cherche un moyen de secourir la dernière personne qui semble avoir encore besoin de lui en ce monde. Malgré l’envie du Fou d’aider son vieil ami à poursuivre les ravisseurs d’Abeille, son état de santé lui interdit tout nouveau danger. Et aujourd’hui connu de tous à la cour, le noble lignage de Fitz ne lui permet plus la liberté dont il jouissait autrefois. En dépit de ces difficultés, il lui faudra se conformer aux ordres du roi ou subir les conséquences de ses actes pour mener à bien sa mission, qui sera peut-être la dernière… Partagé entre tristesse, haine et faiblesse, Fitz doit à nouveau emprunter les piliers d’Art et rattraper coûte que coûte Dwalia et ses sbires. Aura-t-il la force de recouvrer ses anciens talents d’assassin, d’accomplir sa quête, pour son vieil ami et sa fille ?*

*Nevare Burvelle is the second son of a second son, destined from birth to carry a sword. The wealthy young noble will follow his father—newly made a lord by the King of Gernia—into the cavalry, training in the military arts at the elite King's Cavella Academy in the capital city of Old Thares. Bright and well-educated, an excellent horseman with an advantageous engagement, Nevare's future appears golden. But as his Academy instruction progresses, Nevare begins to realize that the road before him is far from straight. The old aristocracy looks down on him as the son of a "new noble" and, unprepared for the political and social maneuvering of the deeply competitive school and city, the young man finds himself entangled in a web of injustice, discrimination, and foul play. In addition, he is disquieted by his unconventional girl-cousin Epiny—who challenges his heretofore unwavering world view—and by the bizarre dreams that haunt his nights. For twenty years the King's cavalry has pushed across the grasslands, subduing and settling its nomads and claiming the territory in Gernia's name. Now they have driven as far as the Barrier Mountains, home to the Speck people, a quiet, forest-dwelling folk who retain the last vestiges of magic in a world that is rapidly becoming modernized. From childhood Nevare has been taught that the Specks are a primitive people to be pitied for their backward ways—and feared for their indigenous diseases, including the deadly Speck plague, which has ravaged the frontier towns and military outposts. The Dark Evening brings the carnival to Old Thares, and with it an unknown magic, and the first Specks Nevare has ever seen . . .*

**“Robin Hobb is one of our very best fantasy writers.”** New York Times bestselling author Kevin J. Anderson With **Dragon Keeper**, Robin Hobb, critically acclaimed, New York Times bestselling “master fantasist” (Baltimore Sun), begins a breathtaking new series about the resurgence of dragons in a world that both needs and fears them—the world Hobb’s readers most recently visited in her immensely popular “Tawny Man” trilogy. Volume One of the Rain Wilds Chronicles, **Dragon Keeper** is yet another magnificent adventure from the author of **The Soldier** and **Farseer** Trilogies, confirming the Contra Costa Times of California’s assessment of Hobb as “one of the most important writers in 21st century fantasy.”

Lorsque les Quatre et leurs Serviteurs s'attaquent à Flétribois et enlèvent la fille de Fitz, ils mettent en branle des forces impossibles à arrêter. L'ancien assassin royal, croyant Abeille disparue à jamais, se lance à l'assaut de leur citadelle, accompagné du Fou. De Kelsingra au fleuve du désert des Pluies en passant par les îles Pirates, le Prophète blanc et son Catalyseur sont prêts à tous les sacrifices pour mener à bien leur vengeance. Abeille, quant à elle, est en vie et refuse le sort que ses ravisseurs lui réservent. Si elle a espéré leur échapper et retrouver les siens, elle décide finalement de les anéantir, quitte à les accompagner dans leur ruine. Les Blancs ont accès à des rêves prémonitoires, certes, mais rien ne les avait préparés aux Loinvoyant. Car l'instinct de survie sans faille de cette famille n'a d'égal que sa capacité de destruction dans le détail.

A reissue of classic backlist titles from the author of the best selling Farseer Trilogy and The Liveship Traders books. LUCK OF THE WHEELS is the fourth and final book in THE WINDSINGERS series, which introduced her popular gypsy characters, Ki and Vandien.

Abeille, la fille de Fitz, a été enlevée par les Serviteurs. Les membres de cette société secrète utilisent leurs rêves pour mettre en œuvre des prophéties qui les rendront plus riches et plus puissants. Mais Abeille est-elle aussi cruciale à leur destin qu'ils le pensent ? Si ses ravisseurs imaginaient leur mission facilement accomplie, c'était sans compter la rage déployée par la digne fille du seigneur de Flétribois pour leur échapper. Fitz et le Fou, qui la croient perdue à jamais, décident de se lancer dans une mission de vengeance qui doit les emmener dans l'île lointaine où vivent les Serviteurs – lieu que le Fou a d'abord appelé foyer avant d'y subir les pires sévices. Il a pourtant juré de ne jamais revenir à cet enfer duquel il s'est échappé. Mais malgré toutes ses blessures, il n'est pas sans défense. Et si Fitz n'est plus l'assassin sans faille de sa jeunesse, il vaut mieux ne pas le trouver en travers de son chemin. Leur but est simple : tout faire pour que plus un seul Serviteur ne survive.

FitzChevalerie Loinvoyant, bâtard de la famille régnante des Six-Duchés et assassin royal à la retraite, coule des jours paisibles dans sa propriété de Flétrybois avec son épouse Molly et ceux de leurs enfants qui ne sont pas encore partis de la maison. Mais, lors d’une fête de l’Hiver, trois inconnus se présentent en se disant ménestrels puis s’enfuient dans une tempête de neige, tandis que, la même nuit, une messagère envoyée à Fitz disparaît dans d’inquiétantes circonstances sans avoir eu le temps de lui remettre son message. Fitz voit sa vie se défaire, ses enfants s'en aller, sa femme vieillir et sombrer dans la démence, se découvrant enceinte à plus de cinquante ans, alors que lui garde toute sa jeunesse et son ardeur grâce à l’Art. Et il se désole de n’avoir plus reçu de nouvelles du Fou depuis quinze ans… Mais, pendant un voyage au royaume des Montagnes où il se rend avec Kettricken, le roi Devoir et la reine Elliania, il retrouve la maison qu’occupait jadis son ami avec Jofron, fabricante de marionnettes. Cette dernière lui révèle que le Fou lui a écrit à plusieurs reprises, alors qu’il n’a jamais rien reçu. Une question le taraude alors : et si c’était lui qui avait envoyé en ultime recours la messagère assassinée ? Renouant avec les personnages de sa série L’Assassin royal (La Citadelle des Ombres) qui lui ont assuré une célébrité mondiale et que l’on considère comme son chef-d’oeuvre, Robin Hobb ouvre ici un nouveau cycle pour notre plus grand bonheur.

Is he a half-mad court jester or a brilliant spy for the king? Lady Julianna knows this much for certain: He is no fool when it comes to the art of seduction. Nicholas Strange fellow is a scoundrel prized by King Henry himself—a court jester. Now sent to the wedding of the Earl of Fordham to entertain, but secretly under orders from the King to bring back a legendary chalice, Nicholas is a man on a mission that could easily be bollixed. Suddenly the chances of bollixing increase merrily when he meets irresistible Julianna, the widowed daughter of the bride-to-be. After a loveless arranged marriage, Julianna plans to join a convent. Yet she finds herself in wickedly provocative conversation with, of all men, the king’s mocking, ribald "wedding present" to the Earl. Nicholas--the jester, the fool, and a mere commoner, who immediately decides to seduce her while procuring the chalice for King Henry. What follows is a rollicking comedy, an intrigue spiced with villains and danger, but most of all, a tender and sexy romance. Nicholas is hardly the husband a noblewoman should choose, and when he's faced with a choice between desire and betrayal, or loyalty to King and a comfortable life, he'll have to confront the shocking truth. That he's become a fool for love.

Loin de la cour des Six-Duchés et de ses intrigues, FitzChevalerie Loinvoyant espérait profiter d’une vie calme et heureuse avec ses proches. Lorsqu’une nouvelle menace plane sur Flétribois, l’ancien assassin doit cependant reprendre les armes. Abeille, sa fille, est enlevée alors que Fitz vient de retrouver le Fou, gravement mutilé. Et il ne s’agit pas là d’une coïncidence : les tortionnaires du Fou cherchaient des informations en lien avec Abeille. Si Fitz n’a pas usé de son Art et de ses armes depuis longtemps, ses talents n’ont pour autant pas disparu. Avec l’aide de son plus fidèle ami, le Fou, le bâtard de sang royal n’a d’autre choix que se lancer à la poursuite de ceux qui lui ont pris ce qu’il avait de plus cher. Et il compte bien prouver à ses ennemis qu’un assassin professionnel reste toujours le plus grand des dangers.

*NEW YORK TIMES BESTSELLER • The stunning conclusion to Robin Hobb’s Fitz and the Fool trilogy, which began with Fool’s Assassin and Fool’s Quest “Every new Robin Hobb novel is a cause for celebration. Along with millions of her other fans, I delight in every visit to the Six Duchies, the Rain Wilds, and the Out Islands, and can’t wait to see where she’ll take me next.”—George R. R. Martin*
More than twenty years ago, the first epic fantasy novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Now New York Times bestselling author Robin Hobb brings to a momentous close the third trilogy featuring these beloved characters in a novel of unsurpassed artistry that is sure to endure as one of the great masterworks of the genre. Fitz’s young daughter, Bee, has been kidnapped by the Servants, a secret society whose members not only dream of possible futures but use their prophecies to add to their wealth and influence. Bee plays a crucial part in these dreams—but just what part remains uncertain. As Bee is dragged by her sadistic captors across half the world, Fitz and the Fool, believing her dead, embark on a mission of revenge that will take them to the distant island where the Servants reside—a place the Fool once called home and later called prison. It was a hell the Fool escaped, maimed and blinded, swearing never to return. For all his injuries, however, the Fool is not as helpless as he seems. He is a dreamer too, able to shape the future. And though Fitz is no longer the peerless assassin of his youth, he remains a man to be reckoned with—deadly with blades and poison, and adept in Farseer magic. And their goal is simple: to make sure not a single Servant survives their scourge.

*From George R. R. Martin’s Introduction to Warriors: "People have been telling stories about warriors for as long as they have been telling stories. Since Homer first sang the wrath of Achilles and the ancient Sumerians set down their tales of Gilgamesh, warriors, soldiers, and fighters have fascinated us; they are a part of every culture, every literary tradition, every genre. All Quiet on the Western Front, From Here to Eternity, and The Red Badge of Courage have become part of our literary canon, taught in classrooms all around the country and the world. Our contributors make up an all-star lineup of award-winning and bestselling writers, representing a dozen different publishers and as many genres. We asked each of them for the same thing—a story about a warrior. Some chose to write in the genre they’re best known for. Some decided to try something different. You will find warriors of every shape, size, and color in these pages, warriors from every epoch of human history, from yesterday and today and tomorrow, and from worlds that never were. Some of the stories will make you sad, some will make you laugh, and many will keep you on the edge of your seat." *A reissue of classic backlist titles from the author of the best selling Farseer Trilogy and The Liveship Traders books. HARPY'S FLIGHT was Lindholm's first novel, and the first in the WINDSINGERS series, which introduced her popular gypsy characters, Ki and Vandien. NEW YORK TIMES BESTSELLER Nearly twenty years ago, Robin Hobb burst upon the fantasy scene with the first of her acclaimed Farseer novels, Assassin's Apprentice, which introduced the characters of FitzChivalry Farseer and his uncanny friend the Fool. A watershed moment in modern fantasy, this novel—and those that followed—broke exciting new ground in a beloved genre. Together with George R. R. Martin, Robin Hobb helped pave the way for such talented new voices as Scott Lynch, Brandon Sanderson, and Naomi Novik. Over the years, Hobb's imagination has soared throughout the mythic lands of the Six Duchies in such bestselling series as the Liveship Traders Trilogy and the Rain Wilds Chronicles. But no matter how far she roamed, her heart always remained with Fitz. And now, at last, she has come home, with an astonishing new novel that opens a dark and gripping chapter in the Farseer saga. FitzChivalry—royal bastard and former king's assassin—has left his life of intrigue behind. As far as the rest of the world knows, FitzChivalry Farseer is dead and buried. Masquerading as Tom Badgerlock, Fitz is now married to his childhood sweetheart, Molly, and leading the quiet life of a country squire. Though Fitz is haunted by the disappearance of the Fool, who did so much to shape Fitz into the man he has become, such private hurts are put aside in the business of daily life, at least until the appearance of menacing, pale-skinned strangers casts a sinister shadow over Fitz's past . . . and his future. Now, to protect his new life, the former assassin must once again take up his old one. . . . Praise for Fool's Assassin “Hobb knows the complicated workings of the wayward human heart, and she takes time to depict them in her tale, to tell her story sweetly, insistently, compellingly. . . . A book meant to be inhabited rather than run through.”—The Seattle Times “[FitzChivalry Farseer is] one of the best characters in fantasy literature.”—Fantasy Book Review “[Hobb's] prose sparkles, her characters leap off the page.”—Tordotcom “Modern fantasy at its irresistible best.”—The Guardian “Fantastic . . . emotionally rich storytelling.”—Library Journal (starred review)*

*A gorgeously illustrated anniversary edition of the book that launched the epic Farseer Trilogy, praised by George R. R. Martin as “fantasy as it ought to be written” and Lin-Manuel Miranda as “an incredible series,” featuring a new foreword by Robin Hobb and ten illustrations. Twenty-five years ago, Robin Hobb's first novel featuring FitzChivalry Farseer and his mysterious, often maddening friend the Fool struck like a bolt of brilliant lightning. Thus began a beloved saga spanning multiple series, full of adventure, magic, and sinister plots. To celebrate a quarter-century of wonder, this special edition of Assassin's Apprentice presents a modern classic as it's never been seen before: in hardcover, with ten beautiful illustrations by Magali Villeneuve. Young Fitz is the bastard son of the noble Prince Chivalry, raised in the shadow of the royal court by his father's gruff stableman. He is treated as an outcast by all the royalty except the devious King Shrewd, who has him secretly tutored in the arts of the assassin. For in Fitz's blood runs the magic Skill—and the darker knowledge of a child raised with the stable hounds and rejected by his family. As barbarous raiders ravage the coasts, Fitz is growing to manhood. Soon he will face his first dangerous, soul-shattering mission. And though some regard him as a threat to the throne, he may just be the key to the survival of the kingdom. Praise for Robin Hobb and Assassin's Apprentice “Fantasy as it ought to be written . . . Robin Hobb's books are diamonds in a sea of zircons.”—George R. R. Martin “A gleaming debut in the crowded field of epic fantasies . . . a delightful take on the powers and politics behind the throne.”—Publishers Weekly “This is the kind of book you fall into, and start reading slower as you get to the end, because you don't want it to be over.”—Steven Brust*
