*NATIONAL BESTSELLER • A stunning
“portrait of the enduring grace of
friendship” (NPR) about the families we
are born into, and those that we make
for ourselves. A masterful depiction of
love in the twenty-first century. A
NATIONAL BOOK AWARD FINALIST • A MAN
BOOKER PRIZE FINALIST • WINNER OF THE
KIRKUS PRIZE A Little Life follows four
college classmates—broke, adrift, and
buoyed only by their friendship and
ambition—as they move to New York in
search of fame and fortune. While their
relationships, which are tinged by
addiction, success, and pride, deepen
over the decades, the men are held
together by their devotion to the
brilliant, enigmatic Jude, a man
scarred by an unspeakable childhood*

trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's new novel, *To Paradise*, coming in January 2022.

"She'd gone home once to her mama's house trying to get out of it, but her mama told her that 'a good woman don't go off on her husband'..." [pg. 4]

Annie Huckaby is almost resigned to life on the farm with Tom, who works at a coal mine during the week, leaving Annie to take care of the house and their infant son while an ex-convict named Jim takes care of the farm. Twila visits every day and helps Annie make a little money of her own selling eggs to the café. And there's church on Sunday. Annie is not always alone, but still, she's lonely...until one afternoon, a peddler named Jake Stern wanders onto the porch wearing a clean white shirt, selling notions and tenderness."This novel rings true on many levels and women will especially grasp its message" - Alan Caruba, Charter Member

*of The National Book Critics Circle
"Tom's Wife is a compelling read" - Dr.
Arthur Dechene, Austin City College*"A
*poignant story of a dirt poor family
during the Great Depression" - Kaye

Life Before Man

Me Before You

A Novel

Henry James OM (15 April 1843 - 28 February 1916)
was an American author, who became a British subject
in the last year of his life, regarded as a key transitional
figure between literary realism and literary modernism

and is considered by many to be among the greatest novelists in the English language. He was the son of Henry James Sr. and the brother of renowned philosopher and psychologist William James and diarist Alice James. He is best known for a number of novels dealing with the social and marital interplay between é migr é Americans, English people, and continental Europeans. Examples of such novels include *The Portrait of a Lady*, *The Ambassadors*, and *The Wings of the Dove*. His later works were increasingly experimental. In describing the internal states of mind and social dynamics of his characters, James often made use of a style in which ambiguous or contradictory motives and impressions were overlaid or juxtaposed in the discussion of a character's psyche. For their unique ambiguity, as well as for other aspects of their composition, his late works have been compared to impressionist painting. His novella *The Turn of the Screw* has garnered a reputation as the most analysed and ambiguous ghost story in the English language and remains his most widely adapted work in other media. He also wrote a number of other highly regarded ghost stories and is considered one of the greatest masters of the field. James published articles and books of criticism, travel, biography, autobiography, and plays. Born in the United States, James largely relocated to Europe as a young man and eventually settled in England, becoming a British citizen in 1915, one year before his death. James was nominated for the Nobel Prize in Literature in 1911, 1912 and 1916.

By the author of *The Handmaid's Tale* and *Alias Grace*

The sun brightens in the east, reddening the blue-grey haze that marks the distant ocean. The vultures roosting on the hydro poles fan out their wings to dry them. The air smells faintly of burning. The waterless flood - a man-made plague - has ended the world. But two young women have survived: Ren, a young dancer trapped where she worked, in an upmarket sex club (the cleanest dirty girls in town); and Toby, who watches and waits from her rooftop garden. Is anyone else out there?

* THE SUNDAY TIMES BESTSELLER * 'Very funny and very beautiful, packed with jokes and genuinely wise advice' - Chris Evans 'So good. I've loved every second' - James Corden 'Riveting' - Daily Mail 'Very, very funny - a great read' - Gary Davies, The Zoe Ball Breakfast Show 'An utterly sincere guide for people to achieve bigger things in life' - Guardian 'Stand-up comedy raised me. It taught me all the skills I need for life, except tax accounting' - Jimmy Carr Cheaper than Scientology, quicker than therapy and much less boring than church - this is the hugely funny and insightful book about happiness by top comedian Jimmy Carr, and anyone feeling stuck in a rut should devour it. In his mid-twenties, Jimmy was bored, boring, unfulfilled and underachieving. He wasn't exactly depressed, but he was very sad. Think of a baby owl whose mum has recently died in a windmill accident. He was that sad. This book tells the story of how Jimmy turned it around and got happy, through the redemptive power of dick jokes. Written to take advantage of the brief window between the end of lockdown and Jimmy getting cancelled for saying something unforgivable to Lorraine

Kelly, this book is as timely as it is unnecessary. Because you might be interested in Jimmy's life but he's damn sure you're a lot more interested in your own, *Before & Laughter* is about both of you. But mainly him. It tells the story of Jimmy's life - the transformation from white-collar corporate drone to fake-toothed donkey-laugh plastic-haired comedy mannequin - while also explaining how to turn your own life around and become the you you've always dreamt of being. At just £ 20, it's cheaper than Scientology, quicker than therapy, and significantly less boring than church. *Before & Laughter* contains the answers to all the big questions in life, questions like: · What's the secret to happiness? · Is Jimmy wearing a wig? · What happened with that tax thing? · What's the meaning of life? · Is Jimmy's laugh real? · Can those teeth bite through vibranium? And for readers in the West Country: yes, there are pictures (actually, sorry, there are no pictures, but there's a book about a hungry caterpillar you'll love). Because it's Jimmy Carr - recently scientifically proved to be the funniest comedian in the UK - there are jokes, jokes and more jokes throughout. If laughter really was the best medicine, the NHS would be handing out this book in Nightingale Hospitals. Fascinating, thoughtful and insightful - are all words that appear in the book. How much do we know ourselves is critically very important and perhaps very essential. Life we do face many curves up and down while in course of life. Marriage, becoming parent, life traumas and recoveries, retiring from jobs, empty nest, loss of relations, death of beloved. So yes various experiences... We get tired

sometimes and immediately ask a question "why me?," but do remember the universe is not short of any wakeup calls we are just very quick in reactions. The four elements of life Air, Water, Earth, Fire are the only truth which than render the whole meaning of being as a human. Are we authentic? Are we living in courage? Are we kind and in patience? Are we grateful? How we face life and respond to life is all that matters. Elements of Life explores the options and choices which will help you to live more in tune with what you want from life.

Motivational chapters simple questions based on elements of life - air, fire, water and earth providing simple strategies of life help you to live in harmony with yourself, others and the world, enhancing you to be true to your values and to interact with others while being In more patience. To do otherwise is to foster discontentment and unhappiness, but everyone wants to be in peace and lead a happy life in the end of the day. Living in moderation balancing all the elements of being authentic, being in peace, being grateful, being a little more compassionate can improve the very purpose of being in this awesome life.

Notes

From the #1 New York Times bestselling author of The Handmaid's Tale In each of these tales Margaret Atwood deftly illuminates the shape of a whole life: in a few brief pages we

watch as characters progress from the vulnerabilities of adolescence through the passions of youth into the precarious complexities of middle age. The past resurfaces in the present in ways both subtle and dramatic: the body of a lost Arctic explorer emerges from the ice, a 2,000-year-old bog man turns up in an archeological dig, a man with dark secrets marries his lover's sister, a girl who disappears on a canoe trip haunts her friend many decades later. The richly layered stories in *Wilderness Tips* map interior landscapes shaped by time, regret, and lost chances, endowing even the most unassuming of lives with a disquieting intensity.

Bound - A New Life Book 2 - Formerly Life of Doubt Raised by bikers and held by the FBI, Tori Farrell has literally walked over dead men to get to where she is today. When she broke the ties to her dark and twisted life with the Dragons, she thought it would give her a fresh start and a chance to live a normal life. However, she soon discovered the demons from her past have no desire to let her go. Bound to a halfway house under orders of the FBI, Tori takes things day by day, working to move forward and to face her own addictions. With her true identity a mystery and no family to turn to, she must learn to accept the love and support of those around her. When a mysterious and charismatic man walks into Tori's life, she believes she's finally found someone who wants her for who she is. But sometimes danger doesn't hide cloaked in darkness" it comes out into the light of day in the form of a smooth talking bad boy who appears to be everything you've been looking for, but is really the one thing you should be running from" **WARNING: GRAPHIC SCENES This book is intended for readers 18+ and contains scenes that may cause distress to some readers: Domestic Abuse, Kidnapping, Rape and Substance Abuse are described in detail. Scroll up and grab a copy today. This book provides a detailed reconstruction of the conditions on earth from its earliest beginnings more than 3,000 million**

years ago to the arrival of man and the introduction of settled farming

Explains what is known about life before man--including the decline of the dinosaurs and the evolution of the species--and how these things have been discovered.

After Love Leaves

The Road to Shenzhen

Red Thunder

If Only I Could...

Love Mondays Now

Upton Sinclair, one of America's foremost and most prolific authors, addresses the cultivation of the mind and the body in this 1922 volume. Sinclair's goal was to attempt to tell the reader how to live, how to find health, happiness and success, and how to develop fully both the mind and the body. Part One: The Book of the Mind covers such subjects as faith, reason, morality, and the subconscious. Part Two: The Book of the Body develops such subjects as errors in diet, the fasting cure, food and poisons, work and play, and diseases and their cures .

Travis Maurice Walker or otherwise known as Travis Grizzly is an American ex-Green Beret sniper who fought in the Afghanistan war. The six-foot-five, three-hundred-pound soldier was trained exceptionally well in hand-to-hand combat. In all his years he has never experienced defeat, even in the most extreme circumstances. In short, Travis Walker was born to be the perfect soldier-the perfect killing machine.On his

final tour to Afghanistan, a week before coming home, Travis was struck in the head by an enemy's sniper bullet; it left him clinging to life. By miracle he survived, but would never be the same. Afterwards he moved to Lake City, Colorado along with his beautiful wife to not only continue the healing process, but to start a new life. With less than four hundred living souls in this historically rich city, it made for a perfect secluded area to keep a man that was programmed to kill safely within his isolated cage. No one knew they had a walking time bomb living next door until the day the cage was left open. A record-breaking winter storm takes the city hostage, isolating the residents from the rest of the world in a blizzard-like prison. A perfect mixture of adultery, mistrust, and murder will unleash a terrible evil upon the city, hell-bent on wiping out an entire family, along with anyone who dares get in the way. But another force, a seemingly darker one, will simply be-hell-bent.

Steeped in authentic cultural traditions and spiritual beliefs, this rich and wonderful historical novel follows the times and trials of a family band of the Schi'tsu'umsh Indians, now called the Coeur d'Alene Tribe in northern Idaho. Through a boy named Sun Bear and his sister, Rainbow Girl, the band's oral stories are told as it struggles to hold onto what is precious and sacred about life.

When Brad Sorenson crossed paths with Zoe O'Loughlin at a high school graduation party, the

connection was undeniable. He noticed her when no one else did; she inspired him to want more out of life. But it would be years before they'd meet again...and in the most unlikely of places. Brad was looking for a good time online, not love. But Zoe was so sweet, so kind. Everything about her was perfect-until she fell in love with him. Zoe doesn't know why Brad left her standing in an airport; he won't return her calls or texts. With her self-esteem and dreams shattered, she can't imagine ever loving anyone else. When a single phone call changes Brad's life forever he wants just one thing: to make amends with the only woman that's ever mattered. Will his first love give him a second chance or will Zoe turn her back on love for good?

Before & Laughter

The Five People You Meet In Heaven

Alone Among People

The funniest man in the UK's genuinely useful guide to life

It's Not Only about Me

Sixteen year old Regan Stone has her life all mapped out. Every choice, from her dual credit classes to the out-of-state university she's selected is deliberate. She even has a no-romance stipulation to avoid dangerous distractions. What Regan didn't anticipate was the sudden change in her best friend, Lane, leaving only a glimpse of the boy she grew up with. The bombshell Lane drops on her when before he leaves for college compels Reagan to come to terms with her own feelings. This summer may change everything.

Life Before Man explores the lives of three people imprisoned by

walls of their own construction and in thrall to the tragicomedy call love. Elizabeth, with her controlled sensuality and suppressed rage, has just lost her latest lover to suicide. Nate, her gentle, indecisive husband, is planning to leave her for Lesje, a perennial innocent who prefers dinosaurs to men. Hanging over them all is the ghost of Elizabeth's dead lover, and the dizzying threat of their lives careening inevitably towards the same climax.

"You couldn't make it through all 24 hours of my best day." There are a few different medical names for what he's got, but every doctor that has it knows it as the Suicide Disease. When I first met him, he was running out of reasons to call it anything else. For the next seven months, we talked, and wrote this. Rodney seemed to have everything: he had been a Navy SEAL; he had a six figure job as General Manager of a prestigious restaurant; and he had Jenn, his beautiful fiance. Little did he know that one fall, one simple fall, would change his entire life. Everything good was about to disappear. This is the real life story of a remarkable man who suffers daily with the unbearable pain of Complex Regional Pain Syndrome. Meet Rodney Mann."

"A farmer and entrepreneur, Chase is a man of many abilities. Now he is being asked to use those abilities, and his own particular skills with a sword and bow, to assist an alien planet. This means trading a valuable resource that the planet harbours to convince the Inter-galactic Federation to repair its failing sun" -- Back cover.

Views and Reviews

The Flying Man is a must read. (?) it touches on the evolution of the soul through the human mind and explores questions around existence, reality and immortality.' J.M. Edwards, The

Chronicles
Leon finds himself lying on the bathroom floor. To

understand why he is unable to move (is it the drugs, is he asleep and dreaming?), his thoughts need to progress through different times, places, and events in his life. On his journey, he meets a beggar who talks about humbleness and Beatrice, who reminds him of his wife and asks him if he thinks he exists. Only when the identity of The Flying Man is revealed, is Leon allowed to accept the impact that choice and doubt have made on his life. '... this an intriguing and thought-provoking novel, with different layers of meaning that give the story depth and richness. Ed Peters, T Reviewer'? It is a shining example of good craftsmanship...'

Writer's Choice '...The Flying Man is an extraordinary book that cannot fail to leave an impression in the mind of the reader (...)' is in a different league in terms of artistic merit, combining philosophy with an almost Milton-esque sense of falling from grace (...). The Flying Man is perfectly formed...' Michael Graze, The World Beyond

USA Today's top 100 books to read while stuck at home social distancing From the #1 New York Times bestselling author of The Giver of Stars, discover the love story that captured over 20 million hearts in Me Before You, After You, and Still Me. They had nothing in common until love gave them everything to lose . Louisa Clark is an ordinary girl living an exceedingly ordinary life—steady boyfriend, close family—who has barely been farther afield than their tiny village. She takes a badly needed job working for ex-Master of the Universe Will Traynor, who is wheelchair bound after an accident. Will has always lived a huge life—big deals, extreme sports, worldwide travel—and now he's pretty sure he cannot live the way he is. Will is acerbic, moody, bossy—but Lou refuses to treat him with kid gloves, and soon his happiness means more to her than she expected. When she learns that Will has shocking plans of his own, she sets out to show him that life is still worth living. A Love Story for this generation and perfect for fans of John Green's The Fault in Our Stars, Me Before You brings to life two people who couldn't have less in common—a

heartbreakingly romantic novel that asks, What do you do when making the person you love happy also means breaking your own heart?

THE AMERICAN EDITION Satan is being outsourced.

According to the Powers That Be, Hell isn't hellish enough, and Satan is given seven days to figure out how to bring back the fire and brimstone days of Hell's fury. The Devil takes on human form in a ramshackle, disease ridden body-and sets out on a road trip exploring new and novel miseries of the human condition to save his job. From L.A. to Miami, Satan, accompanied by Eustice Seene, the only man who managed to escape Hell twice (and lied to never shut up about it), some bent doctors, an average medical femme fatale with a Tarot tattoo, and an angelic escort service on the road. Satan manages to finagle his way into one mess of life affairs after another culminating in an explosive finale revealing who or what puts the lighting in our dreams, and begs the question of who would rid the world of the Devil they know? Years in Europe chasing the ultimate adrenaline rush in deep snow or pursuing women with equal fervor were history. Real life was bearing down from all directions. Failure, something never experienced before was ego crushing. Being a single parent at an age far older than most have to cope with brought about responsibility and rules. Both had been avoided at all costs up until now. Working because of necessity instead of fun increased anxiety on a daily basis. In a new country challenges were everywhere. Many might have given up but Jack pushed ahead using skills learned from his past to achieve limited success as he moved from one business opportunity to another. Personal life was an up and down affair with ladies in and out of his life like the change of seasons. He understood as the years passed that everyday normal life was NO FUN. More and more he reverted to doing things his way following a path that he hoped eventually would lead to the freedom he had once experienced. It was many years of a life in transition. It's Not Only About Me continues on

from It's All About Me and a few others in the tradition of honestly relating how Jack's views and style of living is far different than most. Thirty new photos document the journey.

Tree of Life

The Story of Rodney Mann

Love Is the Nature of Existence

Young Man from the Provinces

Tom's Wife

Jeremy Ruhl, the Life and Times Of

It is the early 1990s and Zhou Haonan, an innocent young man from a rural family in China's West Canton Province, travels to the `golden city' of Shenzhen to seek his fortune. Kind and caring but highly ambitious, he works as an international businessman, becomes a Sanda boxing champion and even sells his blood as he spends the next 20 years striving desperately to achieve his dream of a Shenzhen permanent residence permit and a home of his own. Despite a string of humiliating failures and disasters and cruel treatment by the women who enter his life, he somehow manages to get back on his feet and carry on through all the setbacks which life throws at him. The Road to Shenzhen is one of very few novels ever to be written in English by a Chinese author who has lived all his life in China.

Life Before Man vividly portrays three people in thrall to the tragicomedy some call love.

Imprisoned by walls of their own construction, they are forced to make drastic choices - after the rules have changed and the boundaries have

become faded. There is Elizabeth, with her controlled sensuality, who seeks solutions in the wrong men; Nate, wry and gentle husband of Elizabeth, racked by an inability to decide; and Lesje, quiet and inexperienced, who prefers dinosaurs to most men. Hanging over all of them is the ghost of Elizabeth's dead lover...and the threat of three lives careering inevitably toward potential catastrophe.

Little Boys have secrets, Most secrets don't hurt, Men in high places want this secret - They will Kill for it - The First Book of the Jeremy Ruhl saga! The son of the English explorer Lord Baron Ruhl, Jeremy Ruhl, is lost in America. In the late 1800's The civil war is over, balloons dot the skies of Europe, and a boy begins an adventure! The original masterpiece of Action and adventure as Jeremy Ruhl, raised as a prince, and his friends want to find adventure, their adventure turns into a nightmare because of a secret Jeremy does not even know about, and people will kill for for that secret. 412 Pages of pure action and adventure. Rated YA 10 and up, some mild violence.

A man named Jesus, whom is considered the Christ by countless people around the world to this day, lost his life at the hands of barbarians while residing in Canaan, where he devoted his life to making those around him aware they had the potential to become gods. Despite the accumulation of so many technological

innovations over the past two millennium that were supposed to ease the daily hardship of people everywhere, so more time could be devoted to pursuits that cultivate the mind, evidence indicates that the size of the Homo-sapien brain, male and female alike, has persistently decreased over this passage of time. The pain, and suffering, endured by Jesus was supposed to serve as a wake up call to the savages in his midst, and the generations to follow, that they had much to learn about what he means to be civilized, as we see amply evidence of to this very day.

Summer's End

Elements of Life

The Edible Woman

A Little Life

The Book of Life

Life with the Suicide Disease

At just twenty-two years of age, Briana Mills finds herself at a desperate crossroads. Once a promising student at the University of Oregon, she now finds herself alone on the streets of Portland with only the clothes on her back, memories of a happier time, and the stray dog that's adopted her. And she's got the drug that helps her forget. Briana's mistakes haunt her, lashing her with severe consequence, forcing her to make a decision few would ever make. Still, in a final attempt to make her young life count for something, Briana begins writing it all down—everything—so that others walking the crumbling precipice of rebellion might leap to safety before it's too late. She writes about her present struggles and the past. She writes about Michael, the boy she loved and left behind when she went off to college. She writes about the violent activism

and drug that derailed her life. She writes about the demands placed on her by a socially conscious mother, and the adoration shown by a proud father. And Briana talks about Brody—the young activist leader who captured her heart, took it to the altar, and then crushed it. What develops is an engrossing record of a young and troubled life, one both beautiful and ugly, innocent and corrupt, lost and then found. And wrapped in its literary sinew is a cast of characters as diverse and engaging as the stars, and an impassioned love story sure to transcend time. What readers are saying: “ Timeless...provocative. ” “ Characters so real you'd swear this was a true account. ” “ A brilliant read! ” Alone Among People is D. M. Anthony's first novel. He lives in California where he's at work on his next book. This review is from: Alone Among People (Paperback) A Compelling and Heart Warming Story, September 25, 2012 "Alone Among People is at once an engaging, moving story and a provocative statement about the thin line between thriving and sinking into an abyss as inescapable as quicksand. Its timeless and uplifting messages of hope conquering despair, healing borne of love and care, and peace at discovering one's identity are an inspiration. The author's empathy for the characters and their plight betrays knowledge of what he writes, and offers the reader a unique glimpse into a vulnerable and intimate place... his heart. I recommend this book to anyone who has traveled through the anguish of darkness and longed for the light; it may just guide your way."

THE INSPIRATIONAL CLASSIC FROM THE MASTER STORYTELLER WHOSE BOOKS HAVE TOUCHED THE HEARTS OF OVER 40 MILLION READERS 'Mitch Albom sees the magical in the ordinary' Cecilia Ahern _____ To his mind, Eddie has lived an uninspiring life. Now an old man, his job is to fix rides at a seaside amusement park. On his eighty-third birthday, Eddie's time on earth comes to an end. When a cart falls from the fairground, he rushes to save a little girl's life and tragically dies in the attempt. When Eddie awakens, he learns that the afterlife

is not a destination, but a place where your existence is explained to you by five people - some of whom you knew, others who were ostensibly strangers. One by one, from childhood to soldier to old age, five individuals revisit their connections to Eddie on earth, illuminating the mysteries of his 'meaningless' life and revealing the haunting secret behind the eternal question: 'Why was I here?'

_____ WHAT READERS SAY ABOUT THE FIVE PEOPLE YOU MEET IN HEAVEN 'Breathtakingly beautiful. A story that will stay with you forever' 'A beautiful and flawlessly choreographed book . . . A Gay Life Before Stonewall

Ken

That College Book

The World Before Man

A Good Man's Life

The Flying Man

Marian has a problem. A willing member of the consumer society in which she lives, she suddenly finds herself identifying with the things being consumed. She can cope with her tidy-minded fiancé, Peter, who likes shooting rabbits. She can cope with her job in market research, and the antics of her roommate. She can even cope with Duncan, a graduate student who seems to prefer laundromats to women. But not being able to eat is a different matter. Steak was the first to go. Then lamb, pork, and the rest. Next came her incapacity to face an egg. Vegetables were the final straw. But Marian has her reasons, and what happens next provides an unusual solution. Witty, subversive, hilarious, *The Edible Woman* is dazzling and utterly original. It is Margaret Atwood's brilliant first novel, and the book that introduced her as a consummate observer of the ironies and absurdities of modern

life.

From the author of the New York Times bestselling novels *The Handmaid's Tale*—now an Emmy Award-winning Hulu original series—and *Alias Grace*, now a Netflix original series.

Imprisoned by walls of their own construction, here are three people, each in midlife, in midcrisis, forced to make choices--after the rules have changed.

Elizabeth, with her controlled sensuality, her suppressed rage, is married to the wrong man. She has just lost her latest lover to suicide. Nate, her gentle, indecisive husband, is planning to leave her for Lesje, a perennial innocent who prefers dinosaurs to men. Hanging over them all is the ghost of Elizabeth's dead lover...and the dizzying threat of three lives careening inevitably toward the same climax.

What if you had just learned that your days are about to come to an end? Would you quietly accept your destiny, or would you fight this one final battle? And what if the demons of your past disturb the delicate reconciliation you thought you had found? These are the questions facing John Kadel in "If only I could...," a simple story about love. This is not a romance. It is a tale of the true and lasting love each of us dreams about, the undeniable love only some of us find in a lifetime of searching. John Kadel is a stubborn, single old man with a colorful past and questions for which he has no answers. Not long after his doctor hands him

a death sentence, John runs into someone from his past.

Imprisoned by walls of their own construction, here are three people, each in midlife, in midcrisis, forced to make choices--after the rules have changed.

The Story of a Woman's Courage: Easyread

Large Edition

Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth.

Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that

developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan.

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that

no one ever gave us.
