

Like Dreaming Backwards Full Play

Algernon Henry Blackwood was an English novelist and short story writer, and among the most prolific ghost story writers in the history of the genre. The son of a preacher, Blackwood had a life-long interest in the supernatural, the occult, and spiritualism, and firmly believed that humans possess latent psychic powers. Lovecraft wrote about Blackwood: "He is the one absolute and unquestioned master of weird atmosphere." His powerful story "The Willows," which effectively describes another dimension impinging upon our own, was reckoned by Lovecraft to be not only "foremost of all" Blackwood's tales but the best "weird tale" of all time. The Wendigo The Willows John Silence The Wave The Man Whom The Trees Loved The Centaur Jimbo Julius LeVallon The Human Chord The Kit-Bag The Damned and Other Stories The Promise Of Air A Prisoner In Fairyland The Garden of Survival Extra Day The Bright Messenger The Empty House And Other Ghost Stories Four Weird Tales Day And Night Stories Incredible Adventures The Wolves Of God Karma

Rob Sheffield, the Rolling Stone columnist and bestselling author of *Love Is a Mix Tape* offers an entertaining, unconventional look at the most popular band in history, the Beatles, exploring what they mean today and why they still matter so intensely to a generation that has never known a world without them. *Dreaming the Beatles* is not another biography of the Beatles, or a song-by-song analysis of the best of John and Paul. It isn't another exposé about how they broke up. It isn't a history of their gigs or their gear. It is a collection of essays telling the story of what this ubiquitous band means to a generation who grew up with the Beatles music on their parents' stereos and their faces on T-shirts. What do the Beatles mean today? Why are they more famous and beloved now than ever? And why do they still matter so much to us, nearly fifty years after they broke up? As he did in his previous books, *Love Is a Mix Tape*, *Talking to Girls About Duran Duran*, and *Turn Around Bright Eyes*, Sheffield focuses on the emotional connections we make to music. This time, he focuses on the biggest pop culture phenomenon of all time—The Beatles. In his singular voice, he explores what the Beatles mean today, to fans who have learned to love them on their own terms and not just for the sake of nostalgia. *Dreaming the Beatles* tells the story of how four lads from Liverpool became the world's biggest pop group, then broke up—but then somehow just kept getting bigger. At this point, their music doesn't belong to the past—it belongs to right now. This book is a celebration of that music, showing why the Beatles remain the world's favorite thing—and how they invented the future we're all living in today.

Originally published in 1888, *Looking Backward* is Edward Bellamy's most famous work. The story revolves around Julian West, a man who falls asleep near the end of the 19th century and wakes up in the year 2000. During the time he slept, the United States became a socialist utopia. The majority of the book is a vehicle for Bellamy to expound upon his ideas about societal improvement. Americans in his year 2000 work fewer hours, retire early, and receive all they need from the government. Entertaining and oddly prophetic in some ways, Bellamy's vision of the future from the perspective of the late 19th century is highly engaging. American author EDWARD BELLAMY (1850-1898) also wrote *Dr. Heidenhoff's Process* (1880), *Equality* (1897), and *The Duke of Stockbridge* (1900).

"Nell, suffering from depressive psychosis, is encouraged by hallucinatory "messengers" to commit suicide. These messengers take the forms of a childhood friend, a former lover, and her dead father. The play also illustrates the grief experienced by those Nell leaves behind, including her best friend and her mother"--[Http://www.notmyshoes.net/likedreaming.html](http://www.notmyshoes.net/likedreaming.html).

Short Stories Collection:

The Canadian Forum

Complete Omnibus Edition

The Therapeutic Imagination

An unputdownable novel of hopes and dreams... and love

If you thought *Vampire Myths* were fully discussed, written and screen played in to movies, and there is nothing further to be said or discovered - you are very wrong. This fictional allegory will shake your understanding of how the world works, and teach you how immortal beings have raised, shaped and manipulated our existence. With an exciting introduction, we are teased with incredible possibilities and crazing theories, as the author has us standing on edge with each turn of the page, waiting for the action to unfold. Forget the average vampire book you find on every corner - this is not a book for teens. *Blooded (Anunnaki Rising)* based on years of research, is set in a modern world so terrifyingly real, the reader gets chills when considering the possibilities, which are reinforced with fact based addendums that are hard to deny, in this masterpiece filled with "in your face" Vampiric Fallen Angels - the first in the series. The writing is whimsical, the dialogues are refreshing - the reviews are astounding! You will experience terror at a completely new level. The combination between vampires and ancient mythology makes this novel much more seductive, and raises the bar for all that follow! The *Blooded Saga* deals with the awakening of an Anunnaki King - a nearly immortal Overlord - who thinks of himself as 'the God' of mankind, because he and his came to Earth eons ago and genetically engineered the indigenous life they found here. In a bid for power, he sets out to destroy humankind in an attempt to summon 'the One True God of ALL Creation' for a showdown. The 2nd novel in the saga is: *Blooded - Nomads* hurls Earth into chaos as the Vatican ushers in "their Alien Savior" (the Antichrist) and the onset of Biblical tribulation begins. The 3rd and final novel in the saga: *Blooded - Cinder*, finds tribulation over - it's Hell on Earth, as the showdown between the "pretender to the throne" (the Antichrist) and the God of All Creation (Jesus) Is On!

"Amongst the oil fumes and the briny dinge of the sea, greasy, tired, frustrated, I had a flash. Suddenly, I had it all figured out-the psychology of despots and CEOs. I figured that in order for civilization to exist, people have to stay in one place, and so it seems somehow natural that the evolution of society would be to create an illusion of motion where none exists. Faster cars. Faster editing. Increased sensory stimulation. But all the while we are actually sitting more and more still. The population is placated by the feeling of progress, when in reality they are imprisoned. Even if we feel or strive to be utterly irresponsible, we're still somehow doing our job." Carl Watson evokes his desolation angels with great empathy and care, but also with ruthless candor. He writes like someone who pushed himself to the wall, then pushed through it to the void and came back with stories to tell. Here he reclaims the Seventies, one of the more desolate of recent epochs, with the clarity of Proust, the balefulness of Bodenheim, and the raw honesty of an Iggy song. -John Strausbaugh, author of "Black Like You" and "Sissy Nation" "CW writes like he put his thumb in the air on some two-lane American highway that used to be an Indian Trail, where he got picked up by God. Like he has come back to the fire in the woods we have gathered around at the end of the world with our loved ones to tell us what he saw. -Andrew Huebner, author of "We Pierce," "American By Blood"and "East of Bowery" With prose unfurling like cigarette smoke bleeding into that cloud of

half-forgotten memories forever shadowing missed opportunities that hangs over a noonday dive somewhere during the twilight of the last blown century, heartbreak rock-n-roll on the radio crackling in exquisite precision between am stations and windswept interstates, Carl Watson daydreams before silent black-and-white televisions in SRO lobbies or as he drinks himself sober in crumbling Chicago tenements. "Backwards the Drowned Go Dreaming" explodes the bleary-eyed myth of the American road. -Donald Breckenridge, author of "This Young Girl Passing" Carl Watson's work is desolate poetry. He writes with sharp nostalgia for a past that really wasn't all that great. It feels like a stay in a down-and-out motel, but right on the other side of the paper-thin wall is transcendence. Watson never lets you forget that even in the most desperate situations, there is humor (even if it's mostly black) and greatness of the spirit. -Emily XYZ, "United States of Poetry" DREAMING OF A STRANGER by Sheila O'Flanagan - a bestselling novel about taking destiny into your own hands. If you enjoy the novels of Veronica Henry and Fern Britton, you'll love DREAMING OF A STRANGER. When Jane O'Sullivan meets blue-eyed Rory McLoughlin, she knows that he is who she's been waiting for. All she's ever dreamed of is falling in love and getting married, but until Rory no one has come close to the ideal man she imagined. And when Jane walks up the aisle to marry Rory, she believes all her dreams have come true. What Jane doesn't know is that she's not going to get the happy ending she expects. Dreams are not always what they seem... What readers are saying about Dreaming Of A Stranger: 'Wow! Feels like I have read a beautiful poem' Goodreads reviewer, 5 stars 'Great friendship, love, marriage, motherhood, betrayal, divorce and again finding true love... astonishingly well-written. An excellent read' Amazon reviewer, 5 stars 'Another gentle story from Sheila O'Flanagan, beautifully written. Wonderful!' Amazon reviewer, 5 stars 'Sheila O'Flanagan is an amazing author - I just cannot put her books down once I start' Amazon reviewer, 5 stars

Use of the imagination is a key aspect of successful psychotherapeutic treatments. Psychotherapy helps clients get in touch with, awaken, and learn to trust their creative inner life, while therapists use their imaginations to mentalise the suffering other and to trace the unconscious stirrings evoked by the intimacy of the consulting room. Working from this premise, in *The Therapeutic Imagination* Jeremy Holmes argues unashamedly that literate therapists make better therapists. Drawing on psychoanalytic and literary traditions both classical and contemporary, Part I shows how poetry and novels help foster therapists' understanding of their own imagination-in-action, anatomised into five phases: attachment, reverie, logos, action and reflection. Part II uses the contrast between secure and insecure narrative styles in attachment theory and relates these to literary storytelling and the transformational aspects of therapy. Part III uses literary accounts to illuminate the psychiatric conditions of narcissism, anxiety, splitting and bereavement. Based on Forster's motto, 'Only Connect', Part IV argues, with the help of poetic examples, that a psychiatry shorn of psychodynamic creativity is impoverished and fails to serve its patients. Clearly and elegantly written, and drawing on the author's deep knowledge of psychoanalysis and attachment theory and a lifetime of clinical experience, Holmes convincingly links the literary and psychoanalytic canon. *The Therapeutic Imagination* is a compelling and insightful work that will strike chords for therapists, counsellors, psychoanalysts, psychiatrists and psychologists.

Book Two of Glass Thorns

A Prisoner in Fairyland

Psytopia 3: Holy Judgement

The Genesis of the Bible

Blooded

National Jewish Book Award Winner: A family saga set in WWII-era South Africa offering both "page-turning thrills [and] a painful meditation on destiny" (NPR, *All Things Considered*). Called "a latter-day Exodus" by Kirkus Reviews, *The Lion Seeker* is an epic historical novel centered on the life of Isaac Helger. The son of Lithuanian Jewish immigrants, he runs around the streets of Johannesburg as a young hooligan and dreams of getting rich. But his parents are still haunted by the memories of the anti-Semitic pogroms they escaped, even as Isaac secretly pursues a relationship with a gentile girl. As the Nazi threat rises, Isaac is caught between his mother's urgent ambition to bring her sisters to safety out of the old world, and his own desire to enjoy the freedoms of the new. But soon his mother's carefully guarded secret takes them to the diamond mines, where mysteries are unveiled in the desert rocks and Isaac begins to learn the bittersweet reality of success bought at any cost . . .

A Prisoner in Fairyland Algernon Blackwood - In the train, even before St. John's was passed, a touch of inevitable reaction had set in, and Rogers asked himself why he was going. For a sentimental journey was hardly in his line, it seemed. But no satisfactory answer was forthcoming -- none, at least, that a Board or a Shareholders' Meeting would have considered satisfactory. The old vicar spoke to him strangely. "We've not forgotten you as you've forgotten us," he said. "And the place, though empty now for years, has not forgotten you either, I'll be bound." Rogers brushed it off. Just silliness -- that was all it was. But after St. John's the conductor shouted, "Take your seats! Take your seats! The Starlight Express is off to Fairyland! Show your tickets! Show your tickets!" And then the forgotten mystery of his childhood came back to him.

This is a collection of works of such great authors as, Arthur Conan Doyle, James Matthew Barrie, Joseph Conrad, Daniel Defoe and etc. More than 1.500.000 words, gold words. This collection is intended to simplify our task. No longer need to look for books on different sites, all of them are already collected in one book. In this volume: -Louisa May Alcott -Thomas Bailey Aldrich -T.S. Arthur -Honore De Balzac -Robert Barr -James Matthew Barrie -Frank Baum -Ambrose Bierce -Algernon Blackwood -Serafin Estebanez Calderon -Anton Chekhov -Joseph Conrad -Daniel Defoe -Charles Dickens -Sir Arthur Conan Doyle

"My American Harp" presents 1,169 poems written 2010-2014 by Surazeus that explore what it means to be an American in the modern world of an interconnected global civilization.

Your Adventures At Cern: Play The Hero Among Particles And A Particular Dinosaur!

The Challenge

The Poetry of Eli Mandel

Valya is a hero. Her people need a healer. Love the Kushiel series or The Priory of the Orange Tree? Try this sweeping epic starring a bisexual warrior princess with a taste for dominance! This omnibus edition contains the complete trilogy in one volume. Nine years ago, Valya left Krasnograd in disgrace. Now the Tsarina has called her back. Troublesome rumors are afoot, and someone must investigate them. Who better than the Tsarina's hotheaded, rebellious heir? Valya would like to leave her scandal-ridden past behind her. That might not be an option, though. As part of her plan to heal the rifts within her court, the Tsarina has ordered Valya to make a marriage alliance—with the son of the woman she hates most in the world. To do her duty, Valya may have to swallow her scruples and take up the mantle of dangerous seductress once again. And then there are bigger problems. Valya has uncovered an underground slave trading business, operating right in the heart of Zem', but her sister princesses refuse to believe her. To cleanse her beloved land of the corruption threatening it, Valya must go on a dangerous journey—one that will reveal not only the truth of the slave trade, but that of the magic Valya carries within her. Valya must heal her family, her land, and her people. She may destroy herself in the attempt. The final installment in the Zemnian Series, this subversive fantasy trilogy returns to the land of Zem', where trees walk, animals talk, and women rule. With discussion questions at the end.

Theater, magic, art, and politics all blend in Elsewhens, the second installment of the amazing high-fantasy series, Glass Thorns, from the imagination of Melanie Rawn. Touchstone, the magical theater troupe, continues to build audiences. But Cayden is increasingly troubled by his "elsewhens," the uncontrolled moments when he is plunged into visions of the possible futures. He fears that his Fae gift will forever taint his friendships; his friends fear that his increasing distance will destroy him. But worldly success follows them—an apparent loss in the Trials leads to Touchstone being selected to travel to the Continent with a Royal Embassy to collect Prince Ashgar's new bride. They are the first theater artists to appear outside Albeyn for at least seventy years—for magic is suspect and forbidden elsewhere, and the Kingdom's easy race mixing and magic use horrifies the people they are to travel among. The Glass Thorns Series #1 Touchstone #2 Elsewhens #3 Thornlost #4 Window Wall #5 Playing to the Gods (forthcoming) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Five leading scientists present papers on the latest findings in sleep and dream research.

A Matter Of Opinion

Scientific Advances and Reconsiderations

The Dreaming Land I

Elsewhens

As soon as you open this book, YOU become the protagonist! You will be catapulted to CERN, one of the most famous laboratories in the world — a real scientific wonderland of underground tunnels, massive experiments and technological marvels. You can choose to play the role of a researcher, a student or a tourist, but keep your eyes open for a threatening dinosaur... Is it coming from the nearby Jura Mountains, the same place that gave Jurassic its name? Prepare yourself for a rather bizarre adventure filled with loads of brain-tickling facts about particles and science wonders. Unfold the story, explore the unsolved mysteries of the Universe, and most importantly, have fun with the games and quizzes! Are you ready to face the huge prehistoric beast and discover the secrets of tiny particles?

All's fair in war. But what about love? If you liked the Kushiel series or The Priory of the Orange Tree, check out this sweeping epic starring a bisexual warrior princess with a taste for dominance! Valya is a warrior. It is her strong will that holds the steppe, the freest, wildest, most war-like of the provinces of Zem', and it is her strong sword that defends it from raiders. But now, as a growing demand for Zemnian slaves threatens her people, a call from the Empress in Krasnograd requires Valya to leave her native land behind and take up her other duty, as unpopular heir to the Wooden Throne. In order to save her beloved Zem' from the enemies both outside and inside its borders, Valya must find out what secrets her sister princesses are keeping, face up to her scandal-ridden past, and woo the son of the woman she hates most in the world. Valya believes that all is fair in war, but in love she's not so sure. With the fate of her family and her country riding on her shoulders, though, there may not be time for scruples. A continuation of the story begun in the award-winning novels The Midnight Land and The Breathing Sea, The Dreaming Land I: The Challenge is the first installment of the concluding trilogy of this epic saga about the matrilineal world of Zem', where trees walk, animals talk, and women rule. This subversive blend of high fantasy and literary fiction will appeal to fans of classical Russian literature and contemporary fantasy alike. With discussion questions at end. Reading order of the Zemnian Series: The Zemnian Series: Slava's Story The Midnight Land I: The Flight The Midnight Land II: The Gift The Zemnian Series: Dasha's Story The Breathing Sea I:

Burning The Breathing Sea II: Drowning The Zemnian Series: Valya's Story The Dreaming Land I: The Challenge The Dreaming Land II: The Journey The Dreaming Land III: The Sacrifice
NATIONAL BESTSELLER • From the Pulitzer Prize–winner and bestselling author, "a grand memoir.... Bragg tells about the South with such power and bone-naked love ... he will make you cry" (Atlanta Journal-Constitution). This haunting, harrowing, gloriously moving recollection of a life on the American margin is the story of Rick Bragg, who grew up dirt-poor in northeastern Alabama, seemingly destined for either the cotton mills or the penitentiary, and instead became a Pulitzer Prize–winning reporter for The New York Times. It is also the story of Bragg's father, a hard-drinking man with a murderous temper and the habit of running out on the people who needed him most. But at the center of this soaring memoir is Bragg's mother, who went eighteen years without a new dress so that her sons could have school clothes and picked other people's cotton so that her children wouldn't have to live on welfare alone. Evoking these lives—and the country that shaped and nourished them—with artistry, honesty, and compassion, Rick Bragg brings home the love and suffering that lie at the heart of every family. The result is unforgettable.

Takomiad of Surazeus - Goddess of Takoma presents 125,667 lines of verse in 2,590 poems, lyrics, ballads, sonnets, dramatic monologues, eulogies, hymns, and epigrams written by Surazeus 1984 to 1992.

Learn how to wake up in your dreams for creative insights and beautiful spiritual adventures The Art of Lucid Dreaming is a quick and easy guide to help you get lucid fast. Dr. Clare Johnson, world-leading expert on lucid dreaming, shares her best practical tips and a unique Lucidity Quiz that identifies your personal sleeper-dreamer type so you can fast-track to the techniques that work best for you. When you are lucid in a dream, you can choose to ask your unconscious mind for guidance, perform healing magic, seek creative solutions to problems, and explore the dream realm more profoundly than ever before. With over sixty practices and fifteen tailor-made lucidity programs to get you started, this hands-on guide helps you set up your own custom program for achieving lucidity as quickly as possible. Focusing on how to get lucid, stay lucid, and guide your dreams, this book shows how to transform your nightly slumber into an exciting spiritual adventure that fills your life with meaning.

This book is about Christianity, Islam, Judaism, and how the Arabs and Europeans took these Afrikan Religious Belief Systems from ancient Egypt, North Afrika and used them during The Trans-Sahara Afrikan Slave Trade by the Arabs in the name of Allah, and followed by The Transatlantic Afrikan Slave Trade by the Europeans in the name of Jesus, to enslave the bodies, minds, and souls of the Afrikan Race. This book is about the "Jesus' Deception" that has been passed on down through history by European historians, that is still being taught around the world today. This book takes a provocative intellectual, scholastic, historical, cultural, and sociological look at the Bible. This book identifies the names of the translators of the King James Bible of 1611 A. D., and when the chapters and verses in the Bible were created and who created them. The purpose of this book is to expose the historical, cultural, sociological, religious and theological lies of the Europeans and the Arabs. This book reveals the truth of the origination of The Bible, as "There Is No Religion Higher Than The Truth". Join me in an intellectual odyssey through time. Here, I feel like a Lone Warrior standing before a mighty army. Come with me on this perilous pilgrimage as we travel through a parallel universe. I dedicate this book to my mother and father who gave me life. To the rest of my Native Afrikan family for supporting me and encouraging me on this publishing venture. To the Heavenly Father, without whom none of this would be possible. There are others I would also like to thank for being a part of helping me through this journey called Life, such as my professors at the Alabama State University where many a great scholars paths I have crossed. To my American family and friends in Mobile, Alabama who nurtured and taught me from childhood to adulthood. The many friends and colleagues I met in my travels all across America in my intellectual journey, and last but certainly not least, to my publisher for granting me the opportunity to speak to many all around the world in this forum. I am eternally indebted to you all-Thank you.

Football is a game of opinions. Alan Hansen knows this only too well. In his long, distinguished career with Liverpool he faced some fierce public criticism from the media. Now the boot is on the other foot and Hansen himself earns a living as one of football's most outspoken and popular pundits. Hansen's autobiography is as uncompromising as the man himself. Looking back at fourteen victorious years at Anfield, he focuses on the highlights and the inspirational characters - Paisley, Fagan, Dalglish, Rush - who were so instrumental in building the club's international success. Then there were the disappointments, and the darker days at Heysel and Hillsborough. Hansen reflects on the impact both incidents had on his life, and on the future for spectators of British football. In 1991 Hansen retired from football. He explains his reasons for not wanting to stay in the game, revealing a surprising lack of self-confidence. If he were starting his playing career now, who are the teams he would want to play for - and those he wouldn't? Which managers and players does he respect? Why does he admire Wimbledon above all other home teams? Hansen addresses these questions and, now that clubs are becoming multi-faceted business empires, looks at the future for the game in the UK. Until a knee injury ended his playing career, Hansen was one of the most successful British soccer players of all time. He captained Liverpool to an historic double in 1986, and is the only person to have won all of the honours available at club level at least twice. A keen tactical understanding of the game has made him a favourite on BBC TV Match of the Day, Grandstand and Sportsnight. Before embarking on his professional playing career, Hansen was awarded a place at Aberdeen University to read history. He lives with his family in Merseyside.

From Room to Room: The Poetry of Eli Mandel presents thirty-five of Mandel's best poems written over four decades, from the 1950s to the 1980s. The selection covers the most prominent themes in Mandel's work, including his Russian-Jewish heritage, his Saskatchewan upbringing, his interest in classical and biblical archetypes, and his concern for the political and social issues of his time. The book also highlights the way in which Mandel's work bridged the gap between modern poetry and contemporary, sometimes experimental,

poetics. --

Jimbo

Timing Grace

With the Corrections and Illustrations of Various Commentators; to which are Added Notes by Sam Johnson

Backwards the Drowned Go Dreaming

Jimbo Algernon Blackwood - A seven-year-old boy suffers a near-fatal injury, after which he lingers for days between life and death. In this liminal period, the young protagonist undergoes a bizarre experience wherein he feels as if he has become untethered from his physical body. Filled with both hopeful wonderment and bursts of sheer, unadulterated terror, Jimbo is a strange and satisfying read that will stick with you long after you've finished it.

An unforgettable book from Portugal' bestselling author that promises to change how we write and read about love The restaurant is crowded and noisy. The man sits by the window, watching the grey sky, bored, as he is every Monday morning. Suddenly he turns and she's there, standing in front of him. Years have passed since he last saw her, since the day he left, without an explanation, without a reason. Only now does he realize he never stopped loving her, even for a second. When she tries to run away from him, too shocked by the sudden onslaught of emotions, he stops her. And as they embrace, surrounded by passersby, they promise to hold on, to make mistakes again. To love each other. Deeply and forever. With his intimate, almost whispered style, Pedro Chagas Freitas takes the reader on a journey to discover the truth about love; the kind of love that touches, envelops and thrills you, that conceals and reveals, that wounds and heals, that seizes you and sets you free.

In this companion volume to A Space for Grace, Johan Cilliers delves into some of the most profound theological underpinnings of preaching. Drawing on his extraordinary depth and breadth of scholarship, Cilliers examines the aesthetic, qualitative, and relational dimensions of sermonic time. Faithful preaching, he argues, is an art of speaking the now of grace, which is inextricably linked to past and future, but is simultaneously a dynamic event filled with the revelatory presence of God. Along with helpful reflections on pieces of visual art, Cilliers provides numerous sample sermons, as well as several detailed sermon analyses. The Beatles as Musicians is a comprehensive, chronologically ordered study of every aspect of the group's musical life--composition, performance, recording and reception histories--in its transcendent late period, from 1966 to 1970. Richly authoritative interpretations are interwoven through a documentary study of many thousands of audio and other sources.

CONTAINING, The TEMPEST. A MIDSUMMER-NIGHT'S DREAM, The TWO GENTLEMEN OF VERONA. VOLUME the FIRST

The Plays of William Shakespeare, in Eight Volumes, with the Corrections and Illustrations of Various Commentators; to which are Added Notes by Sam Johnson

Sleep and Dreaming

Dreaming the Beatles

Dreaming of a Stranger

The Beatles as Musicians

Attempts to understand the human condition through dreaming reaches back to antiquity, especially in such classical Indian philosophical texts as the Rg Veda and the Upanisads. In a more contemporary vein, Dream Life, Wake Life continues this investigation, as it views the dream as an open window on the waking human condition. The book discusses the major twentieth century contributions to dream theory, beginning with Freud's 1900 psychoanalytical theory of dreaming and continuing through Jung's transpersonal and Boss' existential approaches. Recent phenomenological, cognitive, and biological developments are also considered. Dream Life, Wake Life addresses human creativity as illuminated by dreaming. While Freud held a "transformative" view of dreaming in which dream life is second-hand, formed by combining memory traces of diverse past waking experiences into novel compositions; Gordon Globus sees the process as creative, the fundamental creative action inherent in the human condition.

SOON TO BE A MAJOR MOTION PICTURE INSTANT #1 INTERNATIONAL BESTSELLER USA Today bestseller Edgar + ITW Thriller Award nominee for Best First Novel

"Think: Dexter but sexier."—theSkimm "A dark and irresistible debut."—People "Will shock even the savviest suspense readers."—Real Simple Dexter meets Mr. and Mrs. Smith in this wildly compulsive debut thriller about a couple whose fifteen-year marriage has finally gotten too interesting... Our love story is simple. I met a gorgeous woman. We fell in love. We had kids. We moved to the suburbs. We told each other our biggest dreams, and our darkest secrets. And then we got bored. We look like a normal couple. We're your neighbors, the parents of your kid's friend, the acquaintances you keep meaning to get dinner with. We all have our secrets to keeping a marriage alive. Ours just happens to be getting away with murder.

****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly The Silent Patient is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....
