Of all the teams in the annals of baseball, only a select few can lay claim to historic significance. One of those teams is the 1947 Brooklyn Dodgers, the first racially integrated Major League team of the twentieth century. The addition of Jackie Robinson to its roster changed not only baseball but also the nation. Yet Robinson was just one member of that memorable club, which included Carl Furillo, Gil Hodges, Pee Wee Reese, Pete Reiser, Duke Snider, Eddie Stanky, Arky Vaughan, and Dixie Walker. Also present was a quartet of baseball's most unforgettable characters: co-owners Branch Rickey and Walter O'Malley, suspended manager Leo Durocher, and radio announcer Red Barber. This book is the first to offer biographies of everyone on that incomparable team as well as accounts of the moments and events that marked the Dodgers' 1947 season: Commissioner Happy Chandler suspending Durocher, Rickey luring his old friend Burt Shotton out of retirement to replace Durocher, and brilliant outfielder Reiser being sidelined after running into a fence. In spite of all this, the Dodgers went on to win the National League pennant over the heavily favored St. Louis Cardinals. And of course, there is the biggest story of the season, where history and biography coalesce: Jackie Robinson, who overcame widespread hostility to become Rookie of the Year—and to help the Dodgers set single-game attendance records in cities around the National League.

The 1960 Pittsburgh Pirates

Sweet '60: The 1960 Pittsburgh Pirates is the joint product of 44 authors and editors from the Society for American Baseball Research (SABR) who have pooled their efforts to create a portrait of the 1960 team which pulled off one of the biggest upsets of the last 60 years. Game Seven of the 1960 World Series between the Pirates and the Yankees swung back and forth. Heading into the bottom of the eighth inning at Forbes Field, the Yankees had outscored the Pirates, 53-21, and held a 7-4 lead in the deciding game. The Pirates hadn't won a World Championship since 1925, while the Yanks had won 17 of them in the same stretch of time, seven of the preceding 11 years. The Pirates scored five times in the bottom of the eighth and took the lead, only to cough it up in the top of the ninth. The game was tied 9-9 in the bottom of the ninth. At 3:36, Bill Mazeroski swung at Ralph Terry's slider. As Curt Smith writes in these pages: "There goes a long drive hit deep to left field!" said Gunner. "Going back is Yogi Berra! Going back! You can kiss it good-bye!" No smooch was ever lovelier. "How did we do it, Possum? How did we do it?" Prince said finally, din all around. Woods didn't know—only that, "I'm looking at the wildest thing since I was on Hollywood Boulevard the night World War II ended." David had toppled Goliath. It was a blow that awakened a generation, one that millions of people saw on television, one of TV's first iconic World Series moments.

In 1887, Tip O' Neill, left fielder for the St. Louis Browns, won the American Association batting championship with a .492 average—the highest ever for a single season in the Major Leagues. Yet his record was set during a season when a base on balls counted as a hit and a time at bat. Over the next 130 years, the debate about O' Neill's "correct" average diverted attention from the other batting feats of his record-breaking season, including numerous multi-hit games, streaks and long hits, as well as two cycles and the triple crown. The Browns entered 1887 as the champions of St. Louis, the American Association and the world. Following the lead set by their manager, Charles Comiskey, the Browns did "anything to win," combining skill with an aggressive style of play that included noisy coaching, incessant kicking, trickery and rough play. O' Neill did "everything to win" at the plate, leaving the no-holds-barred tactics to his rowdier teammates.

Children often have trouble telling their father how much they love him. Fortunately, this book expresses those emotions for them. This endearing collection of stories about the everyday heroics of the contributors' fathers, and father figures, will show Dad how much he means to his children. From the story of a fly fishing trip that bonded father and daughter to the one that saw a friend's imposing father turn into the contributor's own loving father-figure, this wonderful book brings together tales of heroic dads from all walks of life, and is a great way for his kids to show him how much they care. And it lets dads everywhere know that they don't need to be daring to be heroic—that it can be the little things that mean the most to his kids.

An inside look at the faith that guides the all-stars. The St. Louis Cardinals have long been one of the most successful franchises in the major leagues. They have won 11 World Series titles and some of the most famous players in the history of the game have worn the storied "Birds on the Bat" uniform. While that on-field success has been well documented, Intentional Walk is the first book which goes beyond the story of what happens on the field to take an in-depth look at the men inside the Cardinal uniforms, and examine how their strong Christian faith is one of the driving forces behind their success.

Intentional Walk features the stories of Adam Wainwright, David Freese, Lance Berkman, Matt Holliday, Carlos Beltran, Jason Motte and other members of the 2012 Cardinals, written as those players and the rest of the team tried to repeat the 2011 world championship. The book talks about how they became Christians and offers their testimony about what it means for them to have God play such a prominent role in their lives. Playing for first-year manager

Mike Matheny, a strong Christian as well, these men talk about their success and failure, about the challenges that come from playing baseball at the highest level, and how thankful and blessed they are to have that God-given ability. In the end, however, what is far more important to them is their life-long relationship they have established with Jesus Christ.

The 1947 Brooklyn Dodgers

The 1934 St. Louis Cardinals were one of the most colorful crews ever to play the National Pastime. Sportswriters delighted in assigning nicknames to the players, based on their real or imagined qualities. What a cast of characters it was! None was more picturesque than Pepper Martin, the "Wild Horse of the Osage," who ran the bases with reckless abandon, led his teammates in off thefield hijinks, and organized a hillbilly band called the Mississippi Mudcats. He was quite a baseball player, the star of the 1931 World Series and a significant contributor to the 1934 championship. The harmonica player for the Mudcats was the irrepressible Dizzy Dean. Full of braggadocio, Dean delivered on his boasts by winning 30 games in 1934, the last National League hurler to achieve that feat. Dizzy and his brother Paul accounted for all of the Cardinal victories in the 1934 World Series. Some writers tried to pin the moniker Daffy on Paul, but that name didn't fit the younger and much quieter brother. The club's hitters were led by the New Jersey strong boy, Joe "Ducky" Medwick, who hated the nickname, preferring to be called "Muscles." Presiding over this aggregation was the "Fordham Flash," Frankie Frisch. Rounding out the club were worthies bearing such nicknames as Ripper, "Leo the Lip," Spud, Kiddo, Pop, Dazzy, Ol' Stubblebeard, Wild Bill, Buster, Chick, Red, and Tex. Some of these were aging stars, past their prime, and others were youngsters, on their way up. Together they comprised a championship ball club. "The Gas House Gang was the greatest baseball club I ever saw. They thought they could beat any ballclub and they just about could too. When they got on that ballfield, they played baseball, and they played it to the hilt too. When they slid, they slid hard. There was no good fellowship between them and the opposition. They were just good, tough ballplayers." – Cardinals infielder Burgess Whitehead on "When It Was A Game," HBO Sports, 1991
