Deeper Still is the next stage of an ongoing process and a consequence of further inquiry into the yoga experience from author John Stirk. Following on from The Original Body this book invites an even deeper immersion into the reality of practice and the totality of personal experience in accessing the power of our inner teacher. As the theme of this book unfolds the reader is invited towards a sensory understanding leading to profound insight. Teachers using this book will be able to share with their students the clarity, mental space and basic wisdom that emerges as a result of their awakening physiology. We may frequently acknowledge that we are therewith the group. Experience may tell us that 'there-ness' is not fixed, that it is based on an unknown element upon which all creativity is founded. Deeper Still goes beyond current experience and invites teachers to write their own story, develop their own script, ride the uncatchable wave that might be called yoga, and open up creativity to the next level. Deeper Still enables teachers to take their students to a deeper dimension.
