**A "beautiful and sensitive" tale of true love that transcends time, from the multi-million bestselling author of Many Lives, Many Masters (Gary Zukav, author of Seat of the Soul). Recommended by Kendall Jenner. In Many Lives, Many Masters, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful truth...**

**The noted past-life therapist and author of Many Lives, Many Masters discusses his work with future life progression, drawing on dozens of case histories to explain how the choices that are made in one's present life impact the quality of future lives and revealing the benefits of progression therapy as a healing tool for present-life conditions. 100,000 first printing.**

**Born into an artistic, cultured publishing family in New York, Helen came west to Oakland in 1905 with her new husband, a Dutch-American from an old Bay Area family. They raised seven children to adulthood on a ranch on the Sacramento Delta. Along the way, Helen found a talent for, and fascination with, automatic writing -- a gift and a calling that baffled and disquieted many around her. What makes a person begin to channel eloquent and opinionated spirits? How real were these voices she channeled? Helen's "Masters" helped her to heal from an incurable illness, and gave her startlingly accurate business advice. But they were also contradictory and relentlessly demanding. With vivid descriptions of turn-of-the-century Oakland, the Delta, and California's Sierra, this book also explores Helen's writing process and includes several passages that she channeled.**

*The Message of a Master is the story of a seemingly miraculous change that takes place in a man after he meets a true master of life. He learns, and shares with us, teachings that allow him to develop his powers so that he can accomplish anything he desires.*

*This intimate and insightful account of the life of Dr. Harry (Hari) Dickman, referred to by Swami Sivananda as "the yogi of the West," features more than fifty years of correspondence between Dickman and well-known yoga masters such as Swami Sivananda, Ramana Maharshi, Paramhansa Yogananda, and almost one hundred others. Marion (Mugs) McConnell, Dickman's student, has created a brilliant and loving tribute to her teacher, who founded the Latvian Yoga Society in the early 1930s and later spread his knowledge in the U.S. with the blessings of Paramhansa Yogananda, author of Autobiography of a Yogi. Offering a broad range of information on yoga history, theory, and techniques from a variety of different paths, Letters from the Yoga Masters contains a treasure trove of previously unavailable material and presents detailed teachings about pranayama, mudras, diet, and much more, all interwoven with stories and personal anecdotes. Taken together, the rare correspondence and personal chronicles provide an unparalleled glimpse into the life of a yogi, the development of yoga in the West, and the ways that spiritual wealth is disseminated across generations. From the Trade Paperback edition.*

*Book 1 from the Divine Wisdom Series - Life continually presents us with the need for answers, which is why people seek out psychics and mediums. But often this desire for guidance is immediate and getting through the day can be overwhelming, especially when experiencing loss and where healing is needed. Sitting alone with our thoughts can send us into a spiral of despair, particularly if we don't know where or how to find peace. In our search for hope we then overthink. We do our best to connect to Spirit, but our intuition falters and we can become lost. This is where Divine Wisdom can assist. After first re-centring the body by simply counting your breaths, I suggest you then open this book to a page that you are guided to and read the passage. Allow it to sink in, and then read it again. It is here, in the Masters' messages, that you will find the answers you need. You may wish to read a passage for daily inspiration or read Divine Wisdom in its entirety.*

*One of the fundamental theosophic beliefs is that there exists a collection of true knowledge that is the foundation of all world religions. In pursuit of this truth and the perfection of mankind, humans are constantly reborn, evolving toward their highest state. In this book, originally published in 1925, Charles Leadbeater discusses the existence of Masters, or men who have reached the highest state of human consciousness, and how they can be identified. He further explains to the reader how they may make their own way on the path toward perfection. Anyone interested in religious studies will be interested in this classic example of theosophical philosophy.English clergyman turned spiritualist CHARLES WEBSTER LEADBEATER (1854-1934) was ordained as an Anglican priest, but later joined the prominent Theosophical Society and traveled to India to study alternative spiritual and occult practices, eventually settling into his life as a clairvoyant and author. His other works include Man Visible and Invisible and The Science of the Sacrament.*

**A leader in the New Age movement, Dr. Brian Weiss is famous for his work on past life regression. Now, after two decades of studying reincarnation, Weiss has discovered the ultimate healing energy -- love. Not love in a romantic sense, but love as the life force, an actual, physical energy that can be measured. In this important work, Weiss addresses such topics as what happens after we die, strategies for healing relationships, means of combating anxiety, and the role of God and self-determination. Drawing on the wisdom of the spirit guides known as the Masters introduced in Many Lives, Many Masters, Weiss presents exercises and meditations that demonstrate how the power of love can utterly transform lives. Both inspirational and practical, "Messages From The Masters" presents a vision of hope and healing that will drastically change the way readers think about themselves and the world.**

**In Many Lives, Many Masters, Brian Weiss opened an unexpected door into the astonishing realm of past-life regression. Now he reveals the miraculous potential of love. You'll hear the intimate and startling testimonies of real people who express a profound but simple truth-one that comes from the eternal souls around us. You'll discover what happens to us after we die, strategies for fighting anxiety and healing relationships, and the role of God and self-determination. Osho is one of the best-known spiritual teachers of our time. The Sunday Times named him one of the '1,000 makers of the twentieth century'; the novelist Tom Robbins has called him 'the most dangerous man since Jesus Christ'. Nearly two decades after his death in 1990, the influence of his teachings continues to grow, reaching seekers around the world. This inspiring compendium of spiritual wisdom and insight offers a way for everyone to access the enlightening message of the Buddha as Osho offers his unique take on his teachings, with a wisdom and wit that make it a wonderful read. When you engage with Osho's writing, you feel as if he is speaking to you. His conversational style is fluid and engaging, and while his acute perception often comes as a delight and a surprise, his shrewd insights will stay with you always. Whether he is discussing a complex philosophy, or the teachings of a great mystic, Osho always approaches the subject with his own distinctively irreverent, thought-provoking and inspiring perspectives. Covering subjects including Belief, Responsibility, Relationships, Doing Good and the Power of Consciousness, this is a book that offers real insight into leading a more spiritual life now.

Receive knowledge and wisdom that will lighten your load and encourage you to connect to your own inner wisdom. Brian L. Weiss, M.D., psychiatrist and New York Times best-selling author, offers soothing sanity in turbulent times. This short course in meditation gives readers the tools they need for physical, emotional, and spiritual healing, and includes an audio download of a guided meditation. This book was previously published by Hay House as Meditation: Achieving Inner Peace and Tranquility in Your Life. In Directing Our Inner Light, Brian L. Weiss, M.D., offers an audio download of a guided meditation and explains the techniques he has used to help thousands of patients around the world harness the healing powers of meditation. You'll learn how relaxation, visualization, and regression can be used to release fears in a holistic way, strengthen the immune system, and alleviate chronic pain and illness, among other benefits. The practice of meditation also helps rid the mind of stress, intrusive thoughts, and the pressures of the world, opening you up to what's truly important. The more you meditate, the further you move away from the level of everyday consciousness (encompassing frustration, anxiety, and worry), and the closer you draw to the higher perspective of enlightenment. As you progress along this path, it becomes easier to achieve increasingly higher levels of spirituality.

In August of 2012, during the period where planetary and human changes were taking place, author Sylvia Dokter received a special request from Sri Babaji Nagaraj, an ascended master. He asked her to work with her friend, mentor, and business partner, Ivonne Delaflor Alexander, to create a book that could be shared with humanity in order to facilitate a global awakening. Unplug Your Mind is the final product of the messages received by telepathic transmission and recorded by Delaflor Alexander from such masters as Jesus, Lord Maitreya, Hermes, Mary Magdalene, and many more ascended gestalts of consciousness. Dokter also provides commentary and explanations of her own experience of walking through the sacred messages. These messages—exposing secrets of hidden societies, governmental organizations, and those of the powerful elite—communicate clear recommendations and suggestions for how to unplug from this fifteen-dimensional time matrix system, where the mindset of humanity has been controlled for thousands of years through cultural and religious indoctrination.

The benefits of regression therapy extend far beyond the clearing of symptoms. Often, the result is healing at all levels—physical, emotional, and spiritual. Mirrors of Time, by Brian Weiss, M.D., allows you to take regression therapy to the next level. Now you can go back through time by recalling past events that may have led to difficulties in the present. Through the process of remembering, symptoms diminish, and a strong sense of relaxation and well-being often emerges. Even past-life memories can be elicited by these exercises, and regular practice will enhance your physical and emotional health and open up spiritual vistas that can bring new meaning to your life. An audio download is included that goes beyond meditation and visualization exercises—it contains the actual regression techniques Dr. Weiss uses with his patients. By reading Mirrors of Time and practicing the exercises on the accompanying audio, you'll find that you'll be filled with more peace, joy, and love—and virtually all aspects of your everyday life will benefit!

This is the story of a young man who was contacted by discarnate spiritual beings who spoke to him through the medium of an ex-monk, some 36 years his senior. It concerns the spiritual training of the younger man given by these Masters, for that is what they were, and although the contact lasted for 21 years, from 1979-1999, the greater part of the book has to do with the first year when the process was at its most intense. Although originally intended for just one individual the training imparted is actually suitable for any spiritual seeker at any level, and there is discussion of many different aspects of the spiritual path as well as elucidation of occasionally controversial points such as the nature of the ego, the problem of evil, the place of sex in the spiritual life, the relevance of spiritual experiences and the function of teachers, all in a form that combines simplicity with depth.

***"A must-read for anyone interested in incorporating meditation into their lifestyle." --Sanjay Gupta, MD, chief medical correspondent for CNN Heartfulness is an ideal, a spiritual way of living by and from the heart that is inclusive of all ideologies, beliefs, and religions. In this heart-centered book, a student in conversation with his teacher, Kamlesh D. Patel—affectionately known as Daaji, the fourth and current spiritual guide of the century-old Heartfulness tradition—present a unique method of meditation with the power to facilitate an immediate, tangible spiritual experience, irrespective of a person's faith. Our modern, fast-paced world can be an overwhelming place. Every day, we're bombarded with messages telling us that in order to be happy, fulfilled, and worthy, we must be better, do more, and accumulate as much material wealth as possible. Most of us move through our busy lives with our minds full of these ideas, multitasking as we strive to navigate the responsibilities and expectations we must meet just to make it through the day. But what if there is another way? What if, rather than letting the busyness of life overtake our minds, we learn to be heartfelt instead? Based on Daaji's own combination of approaches and practices for the modern seeker—which draws from the teachings of Sahaj Marg, meaning "Natural Path"—Heartfulness is a contemporized version of the ancient Indian practice of Raja Yoga, a tradition that enables the practitioner to realize the higher Self within. While many books describe refined states of being, The Heartfulness Way goes further, providing a pragmatic course to experience those states for oneself, which, per the book's guiding principle, is "greater than knowledge." Heartfulness meditation consists of four elements—relaxation, meditation, cleaning, and prayer—and illuminates the ancient, defining feature of yogic transmission (or pranahuti), the utilization of divine energy for spiritual growth and transformation. Using the method, detailed practices, tips, and practical philosophy offered in this book, you'll reach new levels of attainment and learn to live a life more deeply connected to the values of the Heartfulness way—with acceptance, humility, compassion, empathy, and love.***

***Meditation is a technique that can be used to experience peace, tranquility and an inner beauty, leading us to rethink everything around us, even ourselves. It prompts us to trust in the ability we have to use and direct our energies to purify our bodies and minds... so that we can discover and develop our spirituality. Dr Brian Weiss, author of the million copy bestseller Many Lives, Many Masters, has written a very special book to help with the practice of meditation (an audio download is also included to help guide you through the process). Meditation: Achieving Inner Peace and Tranquility in Your Life includes the techniques Dr Weiss uses on his patients for past life regression, many of whom have conquered insomnia, anxiety, phobias, weight issues and disease. Meditation can also lower blood pressure, strengthen the immune system and reduce stress. As Dr Weiss says, 'It all starts by closing our eyes, relaxing our muscles, and slowing down our breathing. Little by little, we ask our minds to block out the clamouring voices that usually bombard it... this means living this moment intensely, letting go and surrendering.' This book is the first step on a more peaceful, relaxing journey through life.***

***The book that sheds new light on reincarnation and the extraordinary healing potential of past life and hypnotic regression therapy, from the New York Times bestselling author of Many Lives, Many Masters. Brian Weiss made headlines with his groundbreaking research on past life therapy in Many Lives, Many Masters. Now, based on his extensive clinical experience, he builds on time-tested techniques of psychotherapy, revealing how regression to past lifetimes provides the necessary breakthrough to healing mind, body, and soul. Using vivid past life case studies, Dr. Weiss shows how regression therapy can heal grief, create more loving relationships, uncover hidden talents, and ultimately shows how near death and out of body experiences help confirm the existence of past lives. Dr. Weiss includes his own professional hypnosis, dream recall, meditation, and journaling techniques for safe past life recall at home. Compelling and provocative, Through Time Into Healing shows us how to help ourselves lead healthy, productive lives, secure in the knowledge that death is not the final word and that the doorways to healing and wholeness are inside us.***

It eats away at you, affecting your level of happiness, as well as your stomach lining. It raises your blood pressure and directly harms your cardiovascular system. It depresses your immune system and allows chronic illnesses to overwhelm you—causing pain, disability, and even death.***

***Basically, stress prevents you from experiencing life's many pleasures. Stress is a mental state that can cause severe negative emotional and physical consequences. It can be entirely eliminated, or at least greatly lessened, by adjusting our understanding and attitudes, and by learning simple, yet very effective, relaxation techniques. This book, with its accompanying stress-reduction audio download, will help you deeply relax. It will enable you to release the acute and chronic tension you constantly carry in your body and mind. It can also help you remove the blocks and obstacles to your inner peace and contentment, and prevent stress-related illness and disease. You'll find that regular practice with the audio will produce profound, long-lasting results.***

***In his revolutionary book Miracles Happen, Brian Weiss M.D., the New York Times bestselling author of Many Lives, Many Masters, examines the physical, emotional, and spiritual healing that is possible when you freely accept and embrace the reality of reincarnation. Trained as a traditional psychotherapist, Dr. Weiss began to explore how reincarnation and past life regression can lead us to our higher selves after a startling encounter with a patient. Now a leading proponent of past-life therapy, Dr. Weiss shows us that, indeed, Miracles Happen, with seemingly incredible but true stories that demonstrate how, by getting in touch with and understanding our past lives, we can dramatically improve the present.***

***Eliot Lamb has dreaded this moment for the past three years of his life: the final night of university. Gathered with his mates in the King's Arms, he begins the ultimate descent - Pub, Bar, Club. Staring into the foam of his first pint, he knows that before the night reaches its climactic conclusion on the sweaty dance-floor of Filth, he must solve the dilemma of his knotty love-life, risk his closest friendship, face up to a tragic secret, and deal with the fact that he hasn't a clue what to do with the rest of his life. And with the entire literary canon running wild in his imagination and a series of ominous text messages lighting up his mobile phone, things aren't going to be easy. Noughties is an inventive and lyrical comic novel about the highs and lows of modern university life. Eliot may know a lot about Renaissance poetry, the post-modern novel, French literary theory, and how to get hammered at a highly competitive rate, but he is fast realising that adulthood beckons, and it's going to be asking a lot more of him than that.***

***While in a state of despair after the death of his brother, the author is visited by Acharya, an Indian mystic. Using astral projection, Acharya takes him out of the physical world onto the astral planes of the 'afterlife'. Each astral plane teaches something new about life and death, karma and the ego. Through a series of meetings with the 'dead' - including his brother - the author comes to realise how irrational it is to fear death. Through his teaching, Acharya opens up a whole vision of life in the world that follows this, a world where anything is possible. Based on notes taken immediately following out-body experiences, this book is both enlightening and absorbing. It gives the reader a direct insight into the unknown mysteries of life and death.***
