Rebellion consumes the province of Averland and civil war looms, while orcs threaten to sweep out of the mountains and devastate the land. Suspecting the taint of Chaos behind the uprising, the Emperor Karl Franz sends two of his greatest champions to defeat the greenskins, thwart the Dark Gods and restore Imperial rule to Averland.

The Redemption Corps, a regiment of ultra-tough storm troopers, are tested to their limit when they garner the attention of the Battle Sisters, a group of deadly female warriors bent on the destruction of the Redemption Corps and their leader--the fearsome Captain Mortensen. Original.

A stunning artefact book for fans of the Horus Heresy From the ashes of the Great Crusade, treachery was born. Always first among the superhuman primarchs, the newly dubbed Warmaster Horus turned his back upon the Emperor and embraced the dark powers of Chaos. With fully half the military might of the fledgling Imperium at his command, he set his sights upon the throne of Holy Terra and waged a war which would divide the galaxy forever... Visions of war, visions of darkness, of treachery and death – all of this and more is contained within this heretical volume. Iconic depictions of the Space Marine Legions and the heroes that commanded them are presented alongside artwork from renowned artists Neil Robert, as well as brand new historical notes on the Warhammer 40,000 universe by Alan Merrett. Witness the end of an era and the beginning of something far darker, as the Heresy continues to unfold.

Intrigue and horror abound in a tale of dark cults and the corrupting power of false faith. The galaxy is vast, and worship of the God-Emperor by His faithful takes many forms. The Spiral Dawn is one of the countless sanctioned sects of the Imperial cult. When a gathering of Spiralytes makes their holy pilgrimage to the sect's home world, Redemption, instead of the haven of enlightenment they are expecting, they find a soot-choked hellhole where their order's founders and an unorthodox regiment of Astra Militarum maintain an uneasy coexistence. As tensions between the pilgrims and the superstitious Guardsmen mount, the new arrivals begin to unravel the dark secrets concealed at the heart of their faith... This paperback edition contains a bonus short story, 'Cast a Hungry Shadow', available in print for the first time.

Here, an uprising of barons had upset the delicate balance of power. But, as Yarrick was soon forced to learn, Mistral and Imperial politics are often murky, the truth seldom clear cut. As war engulfs the world, a plot unravels that pits old friends against one another and fashions unusual alliances.
