The groundbreaking bestseller that redefines intelligence and success Does IQ define our destiny? Daniel Goleman argues that our view of human intelligence is far too narrow, and that our emotions play major role in thought, decision making and individual success. Self-awareness, impulse control, persistence, motivation, empathy and social deftness are all qualities that mark people who excel: whose relationships flourish, who are stars in the workplace. With new insights into the brain architecture underlying emotion and rationality, Goleman shows precisely how emotional intelligence can be nurtured and strengthened in all of us.

Celebrate the thirtieth anniversary of the Newbery Honor-winning survival novel Hatchet with a pocket-sized edition perfect for travelers to take along on their own adventures. This special anniversary edition includes a new introduction and commentary by author Gary Paulsen, pen-and-ink illustrations by Drew Willis, and a water resistant cover. Thirteen-year-old Brian Robeson, haunted by his secret knowledge of his mother's infidelity, is traveling by single-engine plane to visit his father for the first time since the divorce. When the plane crashes, killing the pilot, the sole survivor is Brian. He is alone in the Canadian wilderness with nothing but his clothing, a tattered windbreaker, and the hatchet his mother had given him as a present. At first consumed by despair and self-pity, Brian slowly learns survival skills—how to make a shelter for himself, how to hunt and fish and forage for food, how to make a fire—and even finds the courage to start over from scratch when a tornado ravages his campsite. When Brian is finally rescued after fifty-four days in the wild, he emerges from his ordeal with new patience and maturity, and a greater understanding of himself and his parents.

Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world’s wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed “Insider-only” tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

*Una abogada un poco descuidada, muy conformista y sin grandes aspiraciones en su trabajo, se ve sorprendida cuando le asignan un caso cuyo juicio se celebraría en menos de cuarenta y ocho horas, y el cual todos dan por perdido. Un reto de su jefe y sus ganas de demostrar que es una competente profesional complicarán su tranquila existencia, y un trágico suceso que desencadena una serie de situaciones que pondrán más cuesta arriba su éxito y su vida patas arriba. Un hombre exitoso y poderoso, el mejor abogado de todos, apodado "El tiburón de California". Acostumbrado a siempre salirse con la suya, nunca ha perdido un caso, con su sola presencia intimida a sus contrincantes. Las mujeres acuden a él sin ningún esfuerzo de su parte y totalmente dispuestas a complacerle sin ninguna objeción. Su existencia encierra un gran misterio que incluso para sí mismo es desconocido. Su vida es un remanso de paz y diversión, hasta que aparece esa loca acusándolo de cosas que no hizo o tal vez no recuerda y amenaza con poner su mundo de cabeza, pero él está dispuesto a todo para hacerla callar pues no permitirá que dañe su reputación.*

The 5 AM Club

When Albert's sister brings home the new Captain Slime book, Albert wants to read it first and offers a trade, adding more items to sweeten the deal.

One of five beloved Christmas classics Written in 1816 by one of the leaders of German Romanticism for his children, nephews, and nieces, The Nutcracker captures better than any other story a child's wonder at Christmas. The gift of a handsomely decorated nutcracker from a mysterious uncle sets the stage for a Christmas Eve like no other for the little girl Marie. That night, Marie's extraordinary present comes to life, defends her from the taunting Mouse King, and whisks her off to the Kingdom of Dolls. The inspiration for the classic ballet, E. T. A. Hoffmann's irresistible tale of magic and childhood adventure continues to captivate readers of all ages. Today, many of the most enchanting symbols of Christmas, from nutcrackers to sugar plums to mistletoe, are still imbued with the power of this story. Penguin Christmas Classics Give the gift of literature this Christmas. Penguin Christmas Classics honor the power of literature to keep on giving through the ages. The five volumes in the series are not only our most beloved Christmas tales, they also have given us much of what we love about the holiday itself. A Christmas Carol revived in Victorian England such Christmas hallmarks as the Christmas tree, holiday cards, and caroling. The Yuletide yarns of Anthony Trollope popularized throughout the British Empire and around the world the trappings of Christmas in London. The holiday tales of Louisa May Alcott shaped the ideal of an American Christmas. The Night Before Christmas brought forth some of our earliest Christmas traditions as passed down through folk tales. And The Nutcracker inspired the most famous ballet in history, one seen by millions in the twilight of every year. Collect all five Penguin Christmas Classics: A Christmas Carol by Charles Dickens Christmas at Thompson Hall: And Other Christmas Stories by Anthony Trollope A Merry Christmas: And Other Christmas Stories by Louisa May Alcott The Night Before Christmas by Nikolai Gogol The Nutcracker by E. *Primera parte de la esperada conclusión del impresionante tour de force que ha sido Ilión. Una novela*

*absorbente fruto de la maestría del autor. La Iliada de Homero reconstruida en un lejano futuro con elementos de ciencia ficción: los dioses son post-humanos que disponen de una «divina» tecnología cuántica, el monte Olimpo está en Marte y los nuevos robots «moravecs» de más allá del cinturón de asteroides se interesan por la inusitada actividad que se observa en el planeta rojo. Los elementos para la más inteligente revisión de la más clásica aventura épica humana están servidos de la mano del autor de la inolvidable serie iniciada con Hyperion. En esta edición de bolsillo especial se recuerda el diseño clásico de la antigua colección Nova serie blanca, la más emblemática de la historia de la Nova. No other description available.*
