My Haunted Chicago book series turns 10 years old this year (Oct 2015) and as part of that celebration I'm releasing this fan requested special edition ahead of the regular release due out later this year. For years you people have asked for a family friendly entry into this series, so here it is... almost completely devoid of my whit, charming personality,

twisted sense of humor and wicked commentary... in short a Dead Lee book without Dead Lee. To achieve this, this book has been aggressively edited down to a rather anemic 88 locations and 317 pages. Outside of a few stray words here and there, this is as close to family friendly as I can get.

There was a time when every television station in Chicago produced or aired programming for children, and this book discusses the back stories and details of this special era from the people who created, lived, and enjoyed it, such as producers, on-air personalities, and fans. This compendium describes how from the late 1940s through the early 1970s,

local television stations created a golden age of children's television unique in American broadcasting and how the FCC changed the regulations governing the relationship between sponsors and local programming in 1972, effectively bringing the genre to a close since the programs operated under strict budgetary constraints. The story of this chapter in television history show the richness of imagination and inventiveness of children's programming and the devotion of the fans. Featured shows include Bozo's Circus; Garfield Goose; Kukla, Fran, & Ollie; The Mulqueen's Kiddie-A-Go-Go; Ray Rayner and Friends; and Super Circus. "Today, we can be nostalgic about the passing of great local children's fare such as Bozo's Circus . . . and Garfield Goose. However, I believe that today's children have more and better choices in programming What is missing is the localism, the heart and soul that emanated from these and other programs. Economics, regulation, and expectations for what a program should look like have altered children's television

forever. As you read this book, perhaps you will not only find memories or curiosities from a bygone era, but inspiration to create children's television for today's audiences. A pie in the face is still funny, kids still like to dance, and the last time I looked, you could still buy six buckets and nail them to a board and call it a Grand Prize Game."—from the foreword by Neal Sabin, WCIU-TV, Chicago Behind-the-Scenes Stories of the Golden Age of Chicago Children's Television as Told by the People Who Lived It At one time every station in Chicago—a maximum of five, until 1964—produced or aired some programming for children. From the late 1940s through the early 1970s, local television stations created a golden age of children's television unique in American broadcasting. Though the shows often operated under strict budgetary constraints, these programs were rich in imagination, inventiveness, and devoted fans. The mere mention of their names brings smiles to the faces of Midwestern Baby Boomers everywhere: Kukla, Fran, & Ollie, Super Circus, Garfield

Goose, Bozo's Circus, Mulqueens' Kiddie-A-Go-Go, BJ & Dirty Dragon, Ray Rayner and Friends, and a host of others. In 1972 the FCC changed the regulations governing the relationship between sponsors and local programming, effectively bringing to a close this chapter of television history. What Chicago kids' show had American Bandstand host Dick Clark dancing on T.V. for the first time ever? Why did one have to wait months and, more often, years to get tickets for Bozo's Circus? Which very popular and successful host never wanted to do a children's T.V. show? Who really made the puppet Garfield Goose (you may not have known it was a mystery)? Remember the talent that bit the head off a parakeet on live TV and the shocked emcee's reaction? What sent television executives into a quandary when Kiddie-A-Go-Go went on the air? Which show was almost forced off the air because a giant soft drink company opposed a so-called rival's use of the word sip? Now, discover the back stories and details of this special era from the people who created, lived, and enjoyed

it-producers, on-air personalities, and fans.

Lawrence Epstein's *The Haunted Smile* tackles a subject both poignant and delightful: the story of Jewish comedians in America. For the past century and more, American comedy has drawn its strength and soul from the comic genius of Jewish performers and writers. An incomplete listing of names makes the point: The Marx Brothers, Jack Benny, Fanny Brice, George Burns, Milton Berle, Jackie Mason, Joan Rivers, Rodney Dangerfield, Mel Brooks, Alan King, Mort Sahl, Buddy Hackett, Woody Allen, Lenny Bruce, Andy Kaufman, Richard Belzer, Jerry Seinfeld. These men and women, among others, form the canon of Jewish-American comedy. In the words of the *Detroit Jewish News*, *The Haunted Smile* "offers us a deep and subtle understanding of how Jewish culture and American openness gave birth to a new style of entertainment." Often the best way to illuminate a point is to recount some of these comedians' own brilliant routines, and Epstein uses the comedian's work to great effect, making for a book that is both a thoughtful work of history and a great deal of fun.

At the close of the nineteenth century, Chicago offered the world a glimpse of humanity's most breathtaking possibilities and its most jaw-dropping horrors. Even as the White City emerged from the ashes of the Great Fire, serial killers like H.H. Holmes stalked the sparkling new boulevards and tragic accidents plagued the factories, slums and railroads that powered the churn of industrial

innovation. Demons, mesmerists and birds of ill omen preyed on the unwary from the shadows. Ship captains spoke to the dead, while undertakers discovered reanimated corpses no longer requiring services. From posh mansions built on massacre grounds to the drowned quarries of a forest preserve, Ursula Bielski follows the dark undercurrents beneath the electric lights of the World's Fair.

Chicago newspaperman Rick Kogan plunks down at a barstool at the Billy Goat Tavern and tells the tales of the city landmark, which became a haven for newspaper reporters, policemen, politicians, and anyone else drawn to the hospitality and showmanship of hardworking William "Billy Goat" Sianis and his

often antic, uniquely comforting establishment. The story begins in the summer of 1934, when a baby goat fell off a truck and limped into a tavern owned by Greek immigrant William Sianis, and a Chicago icon was born. Later, when he and one of his goats were barred from entering Wrigley Field during the 1945 World Series, the Cubs' eventual loss to Detroit fueled a legend as enduring as their fans' "Wait 'til next year" mantra. Kogan writes about some of the regulars, visitors, employees, and luminaries found at the tavern, including columnist Mike Royko and the young stars who immortalized the tavern in the Saturday Night Live "Olympia Diner" skit—John Belushi, Bill Murray, and Don Novello—and discusses Sam Sianis, Billy's nephew and the current owner. Let the Goat In! In the summer of 1934, a baby goat fell off a truck, limped into a tavern owned by Greek immigrant William Sianis, and a Chicago icon was born. The Billy Goat Inn became a haven for newspaper reporters, policemen, politicians, and anyone else drawn to the hospitality and showmanship of hardworking "Billy Goat" Sianis and his often antic, uniquely comforting establishment. But did Billy jinx the Cubs? When he and one of his goats were barred from entering Wrigley Field during the 1945 World Series, the Cubs' eventual loss to Detroit fueled a legend as enduring as their fans' "Wait 'til next year" mantra. Today there are seven Billy Goat Taverns,

including one in Washington, D.C., and Billy's nephew, Sam Sianis--a celebrity in his own right--oversees what Illinois Senator Dick Durbin called "a national institution." Rick Kogan's affectionate tale plunks you down at a barstool next to some of the Billy Goat's regulars, visitors, employees, and such luminaries as columnist Mike Royko, and those young stars--John Belushi, Bill Murray, and Don Novello--who immortalized Sam and the tavern in the Saturday Night Live Olympia Diner ("Cheezborger, Cheezborger! No fries . . . chips!") skits. "I remember . . . I miss . . .," someone will say, and names and faces begin to float through the tavern air. . . In these echoes Kogan lets you see and hear why taverns remain essential social focal points and lets you understand what makes a Chicago original.

Watching Human Rights

Explores Chicago's role in the Union's struggle toward victory in the Civil War and in

Abraham Lincoln's bid for the Presidency and offers a guide to historic sites in the Chicago area.

Among this country's many treasures is the city of Chicago, an area filled with creativity and culture. Haunted Chicago, a collection of stories of ghosts, mysteries, and paranormal happenings in Chi-Town, will leave readers delightfully frightened.

“Delightful . . . an engrossing oral history . . . As an enthusiastic ode to colorful, seat-of-your-pants filmmaking, this one’s hard to beat.” —Booklist (starred review) “Fantastic—a treasure.” —Stephen King Crab Monsters, Teenage Cavemen, and Candy Stripe Nurses is an outrageously rollicking account of the life and career of Roger Corman—one of the most prolific and successful independent producers, directors, and writers of all time, and self-proclaimed king of the B movie. As told by Corman himself and graduates of “The Corman Film School,” including Peter Bogdanovich, James Cameron, Francis Ford Coppola, Robert De Niro, and Martin Scorsese, this comprehensive oral history takes readers behind the scenes of more than six decades of American cinema, as now-legendary directors and actors candidly unspool recollections of working with Corman, continually one-upping one another with tales of the years before their big breaks. Crab Monsters is supplemented with dozens of full-color reproductions of classic Corman movie posters; behind-the-scenes photographs and ephemera (many taken from Corman’s personal archive); and critical essays on Corman’s most daring films—including The Intruder, Little Shop of Horrors, and The Big Doll House—that make the case for Corman as an

artist like no other. “This new coffee table book, brimming with outrageous stills from many of Corman’s hundreds of films, looks at the wild career of the starmaker who was largely responsible for so much of the Hollywood we know today.” —New York Post “Vividly illustrated.” —People “It includes in-depth aesthetic appreciations of ten of Corman’s movies, which, taken together, make a compelling case for Corman as an artist.” —Hollywood.com “Outrageously entertaining.” —Parade “Endlessly fascinating.” —PopMatters

In order to be able to protect human rights, it is first necessary to see the denial of those rights. Aside from experiencing human rights violations directly, either as a victim or as an eyewitness, more than any other medium film is able to bring us closer to this aspect of the human experience. Yet, notwithstanding its importance to human rights, film has received virtually no scholarly attention and thus one of the primary goals of this book is to begin to fill this gap. From an historical perspective, human rights were not at all self-evident by reason alone, but had to gain standing through an appeal to human emotions found in novels as well as in works of moral philosophy and legal theory. Although literature continues to play an important role in the human rights project, film is able to take us that much further, by universalizing the particular experience of others different from ourselves, the viewers. Watching Human Rights analyzes more than 100 of the finest human rights films ever made—documentaries, feature films, faux documentaries, animations, and even cartoons. It will introduce the reader to a wealth of films that might

otherwise remain unknown, but it also shows the human rights themes in films that all of us are familiar with.

"Father Leo then paused with a deep breath before going on. 'There are many problems here, and some very strange things happen late at night that I just can't explain.' "Poverty. Crime. Politics. Scandal. Revenge. . . . And a Ghost. These are the untold stories of the last days of a forgotten Chicago parish by the last person able to tell them: Fresh out of the seminary in 1956, Father Rocco Facchini was appointed to his first assignment, the parish of Saint Charles Borromeo on the city's Near West Side. Adapting to rectory life with an unorthodox, dispirited pastor and attending to the needs of the rough, impoverished neighborhood were challenges in themselves. Little did Rocco know that the rectory was being haunted by a bishop's ghost! Muldoon: A True Chicago Ghost Story dives into Father Rocco's four-year saga at Saint Charles, where his spiritual undertaking becomes a worldly adventure. His supporting cast

includes a housekeeper inappropriately involved in her pastor's affairs, and a genius-priest who carries a gun, thwarts neighborhood crime, and teaches Rocco about "loving the poor." And there's the pastor himself. He padlocks the refrigerator, guides young priests only in the weekly ritual of Bingo, and entangles Rocco in the dirty work of a fraudulent shrine. As a backdrop to this chaos, the rectory experiences a host of supernatural manifestations, and Rocco discovers the legend of Bishop Peter J. Muldoon. Are there clues in this story of early stardom and great achievement, clerical competition and revenge, accusations and scandal, a missing ring, excommunication, and possibly murder that explain why the unexplainable is happening all around him? Upon delving into the church history, clerical politics, local folklore, neighborhood sociology, and paranormal activity of Muldoon, you, like Rocco, may be left wondering: Has he been kept alive to tell the story of Muldoon, clear the man's name, and memorialize the bishop's beloved and forgotten parish of St. Charles?

A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time

but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

From Chicago Public Library Foundation award-winner Ursula Bielski comes the first, shocking look at the ghosts of Old Joliet Prison. In the fall of 2018 Ursula gathered together a team of veteran paranormal researchers to host the first ever paranormal investigations and ghost tours at one of the world's most notorious penitentiaries: the Old Joliet Prison. Illinois' second state penitentiary, the prison was constructed in the mid 1850s, and hosted thousands of murderers, rapists, thieves and confidence men during its nearly 150 years of operation. In addition to the crimes these men--and women--perpetrated before their incarcerations, once inside the chaos continued. Countless numbers of stabbings, shootings, rapes and suicides occurred inside the prison walls, along with hundreds of deaths from disease and illness. Now, step inside the abandoned cell blocks and darkened prison yard, the old prison hospital and the lost convict cemetery on the hill. The ghosts of Old Joliet Prison will hold you captive indeed.

Let's set the scene: there's a regular on his barstool, beer in hand. He's watching a young couple execute a complicated series of moves on the dance floor, while at the table in the corner the DJ adjusts his headphones and slips a new beat into the mix. These are all experiences created by a given scene—one where we feel connected to other people, in places like a bar or a community center, a neighborhood parish or even a train station. Scenes enable experiences, but they also cultivate skills,

create ambiances, and nourish communities. In *Scenescapes*, Daniel Aaron Silver and Terry Nichols Clark examine the patterns and consequences of the amenities that define our streets and strips. They articulate the core dimensions of the theatricality, authenticity, and legitimacy of local scenes—cafes, churches, restaurants, parks, galleries, bowling alleys, and more. *Scenescapes* not only reimagines cities in cultural terms, it details how scenes shape economic development, residential patterns, and political attitudes and actions. In vivid detail and with wide-angle analyses—encompassing an analysis of 40,000 ZIP codes—Silver and Clark give readers tools for thinking about place; tools that can teach us where to live, work, or relax, and how to organize our communities.
