Poor Tom: the young college boy with a secret male foot fetish. One he writes about to himself and himself alone, detailing his numerous fantasies and frat-boy crushes ... until one of them steals it, soon leaving it so that in order to prevent his naughty thoughts from being leaked campus-wide, young Tom must sign a deviously-devised contract, one which will ensure that he will remain loyal and serving the needs (and feet) of his too-horny frat-captors on a constant, merciless basis ... From James T. Medak, author of HOW TO BE A TICKLE SLAVE and GETTING OFF ON THE WRONG FOOT, comes his first ever full-length novel, a single unyielding story of lust, humiliation, friendship, and, of course, feet. It's a fetish journey unlike any other, and one that will not be soon forgotten ...

Are you missing out on one of the most transforming means to a deeper and more vibrant faith? In Soul Friends, Dr. Leslie Parrott explores the intimate stages of a woman's spiritual journey while showing

you how soul friendships can deepen and enlarge your faith. God brings us soul-friends to help in our spiritual journey, sometimes in predictable places: small groups, friendships, and mentors. But they're sometimes found in places we don't expect—these "hidden guides" are people, past or present, whose role in our life may even be hidden from them, but nevertheless, have a deep impact on our growth and vitality. Whether it's a hidden guide, a member of a small group, or a friend we've had for years, these soul-friends all hold the potential to embody grace that enables us to take a next step in the unfolding journey of our faith. Leslie reveals how every woman traverses four stages of spiritual growth—quest, calling, crisis, and communion - again and again. And whatever stage you find yourself traveling right now, you need soul friends to help you move forward. When we seize the initiative to connect, together we will form a part of the deep communion that is the sisterhood of the traveling saints, journeying together in our desire to know God, serve him, and love him more deeply. Through story, poem, and reflection, Leslie Parrott reminds each of us of the incredibly intimate, intricate, faith-forming work God does in us through the gift of the women he places in our lives.

Helen has recently begun to teach at a school outside of Durban when a new colleague, Mandy, joins the staff. Helen observes that Mandy must have really ticklish feet, so she follows her and discovers a guilty secret with which she can blackmail her into allowing herself to be tickled. This first incident, however, is the start of a long investigation into the machinations and criminal involvement of Andrei and Helen sets out to follow a trail that uncovers him as a pimp, gunrunner, sex trafficker and statutory rapist. Always on the lookout for women that she can coerce into allowing her to tickle their feet, Helen uses her charm and obvious concern for their situation so tactfully that they hardly notice the pressure. We follow Helen through her various tickling escapades with several women that range from mutual enjoyment through tickle torture to erotic tickling encounters in the bedroom. Most of the tickling is girl on girl, with two female on male encounters.

You're about to submit to deepest, most secret fantasies you've ever, ever had ...

start Harkness College as a varsity ice hockey player. But a serious accident means that Corey Callahan will start school in a wheelchair instead. Across the hall, in the other handicapped-accessible dorm room, lives the too-delicious-to-be real Adam Hartley, another would-be hockey star with his leg broken in two places. He 's way out of Corey 's league. Also, he 's taken. Nevertheless, an unlikely alliance blooms between Corey and Hartley in the "gimp ghetto" of McHerrin Hall. Over tequila, perilously balanced dining hall trays, and video games, the two cope with disappointments that nobody else understands. They 're just friends, of course, until one night when things fall apart. Or fall together. All Corey knows is that she 's falling. Hard. But will Hartley set aside his trophy girl to love someone as broken as Corey? If he won 't, she will need to find the courage to make a life for herself at Harkness — one which does not revolve around the sport she can no longer play, or the brown-eyed boy who 's afraid to love her back. . In 1915, Armenian Christians in Turkey were forced to convert to Islam, barred from speaking their language, and often driven out of their homes as the Turkish army embarked on a widespread campaign of intimidation and murder. In this riveting book, Margaret Ajemian Ahnert relates her mother Ester's terrifying experiences as a young woman during this period of hatred and brutality. At age 15, Ester was separated from her family during a forced march away from her birth town of Amasia. Though she faced unspeakable horrors at the hands of many she met, and was forced into an abusive marriage against her will, she never lost her faith, quick wit, or ability to see the good in people. Eventually she escaped and emigrated to America. Ahnert's compelling account of her mother's suffering is framed by an intimate portrait of her relationship with her 98-year-old mother. Ester's inspiring stories, told lovingly by her daughter, will give you a window into the harrowing struggle of Armenians during a terrible period in human history.
