attention—and we have only begun to prepare for the challenge of caring for them. In *Labors of Love*, Jason Rodriquez examines the world of the fast-growing elder care industry, providing a nuanced and balanced portrait of the day-to-day lives of the people and organizations that devote their time to

supporting America's
aging population.

Through extensive ethnographic research, interviews with staff and management, and analysis of internal documents, Rodriquez explores the inner workings of two different nursing homes—one for-profit and one non-profit—to understand the
