Custom Guide to Writing

The bestselling first historical love story set in Venice, from Marina Fiorato. For fans of Philippa Gregory, Sarah Dunant and Alison Weir. 1681.

Glassblowing is the lifeblood of the Republic and Venetian mirrors are more precious than gold. Jealously guarded by the murderous Council of Ten, the glassblowers of Murano are virtually imprisoned on their island in the lagoon. But the greatest artist of their number, Corradino Manin, sells his methods and his soul to the Sun King, Louise XIV of France, to

protect his secret daughter . . . Centuries later his descendant, Nora Manin, escapes an unhappy life in London, determined to apprentice as a glassblower in the city of her ancestors. Passionate and gifted, her famous family name places her in danger within the ancient foundries when timeles rivalries rise to the surface. As she finds new life and love in Venice, Nora's fate becomes inextricably linked with that of Corradino as the treacherous secrets of his life come to light. Although not the first V-8 engine ever produced, Henry Ford's side-valve V-8, launched in 1932, certainly qualified as the first

mass-produced V-8 sold to the public. Because of Henry Ford's stubbornness, the first versions were less than ideal. The technology was in its infancy and cost-cutting measures limited the output and reliability of the early models. Over time, however, the "Flattie" became the go-to powerplant for a whole generation of new hobbyists who were called "hot rodders." The engine maintained its position in the hobby well into the 1950s, even when more modern overhead-valve designs started coming out of Detroit. It's hard to overstate the impact that this simple little engine had on a whole generation of enthusiasts.

Even today, people choose a flathead for period-correct builds over far more powerful options. The style and sound of a modified flathead is an iconic part of American history. In *Ford Flathead Engines: How to Rebuild & Modify*, veteran author Tony Thacker and flathead guru of H&H Flatheads, Mike Herman, take you step-by-step through rebuilding a vintage flathead. One of the most important steps is to actually find a good, usable core; many have been sitting for a very long time and the engine design is prone to cracking. Running changes are also an important consideration when selecting a core, and include

cooling system, ignition, and transmission mount. After you have selected a core, Thacker and Herman take you through the entire process of a rebuild, including teardown, parts inspection, machine shop processes, replacement part selection, re-assembly, start up, and break-in. Also covered is a unique performance build completed at the H&H shop for legendary race car team manager and all-around enthusiast Ray Evernham. It all adds up to more than 500 color photos and insider tips on building what could be called the most iconic engine ever built, the Ford flathead V-8.

Most people don't start thinking about retirement until they hit 40, 50 or beyond. But what if making some simple changes in the way we live today gave us the opportunity to retire earlier and more fearlessly than we expect? Even better, what if a way existed to start enjoying life with more peace of mind, happiness and freedom right now? If you're

worried about your future and are tired of the rat race that seems to lead nowhere, then rightsizing might be the best way for you to reimagine your life-starting today! What is rightsizing? Rightsizing is the conscious choice to reinvent a lifestyle that more closely fits you and your family in the best possible manner at every stage of life. Rightsizing provides the freedom to let go of the daily grind of just getting by day-in and day-out. So instead of constantly striving toward more and more stuff and trying to keep up with the neighbors, rightsizing avoids unsustainable debt, stress, addiction and competition and allows us to recreate life with

meaning and purpose. Rightsizing helps us each design a life that lets us spend our time and resources on whatever is most important to us. And best of all, rightsizing is about discovering what gives our life meaning, makes us smile, and allows us to sleep well and deeply every single night. If you don't have that now, maybe it's time to rightsize your life. Rightsizing-A SMART Living 365 Guide to Reinventing Retirement is a collection of blog posts written by Kathy Gottberg on her blog SMART Living 365.com.
