Now and Then

From bestselling author Brenda Rothert comes a standalone romantic suspense about two people who find love in a most unlikely place. Do you believe in fate? I didn't. I'd worked since childhood to

cagey bitch, threw me a curveball I never saw coming. I ended up trapped in a doomsday bunker with four strangers, my chances at that record slipping away as days turned into months. I never would've given Erin a second look. She was gorgeous, sure, but not my type. I

together by grief
and bound to one
another by love.
Now married,
they're confronting
their fears together.
