## **Ogura Nazorae Hyakunin Isshu Japanese Edition**

This collection of Japanese fairy tales is the outcome of a suggestion made to me indirectly through a friend by Mr. Andrew Lang. They have been translated from the modern version written by Sadanami Sanjin. These stories are not literal translations, and though the Japanese story and all quaint Japanese expressions have been faithfully preserved, they have been told more with the view to interest young readers of the West

## Access Free Ogura Nazorae Hyakunin Isshu Japanese Edition

than the technical student of folk-lore....  
In telling these stories in English I have followed my fancy in adding such touches of local color or description as they seemed to need or as pleased me, and in one or two instances I have gathered in an incident from another version. At all times, among my friends, both young and old, English or American, I have always found eager listeners to the beautiful legends and fairy tales of Japan, and in telling them I have also found that they were still unknown to the vast majority...

The Hyaku-nin-issui, or 'Single Verses by a Hundred People', were collected together in A.D. 1235. They are placed in approximate chronological order, and range from about the year AD 670. Perhaps what strikes one most in connection with the Hyaku-nin-issui is the date when the verses were written; most of them were produced before the time of the Norman Conquest (AD 1066), and one cannot but be struck with the advanced state of art and culture in Japan at a time when Europe was still in a very elementary stage of civilization. The Collection consists almost entirely of love-poems and what the editor

## Access Free Ogura Nazorae Hyakunin Isshu Japanese Edition

calls picture-poems, intended to bring before the mind's eye some well-known scene in nature; and it is marvellous what effect little thumbnail sketches are compressed within thirty-one syllables. Some show the cherry blossoms which are doomed to fall, the dewdrops scattered by the wind, the mournful cry of the wild deer on the mountains, the dying crimson of the fallen maple leaves, the weird sadness of the cuckoo singing in the moonlight, and the loneliness of the recluse in the mountain wilds; while those verses which appear to be of a more cheerful type are rather of the nature of the 'Japanese

smile', described by Lafcadio Hearn as a mask to hide the real feelings. Japanese poetry differs very largely from anything we are used to in the West. It has no rhyme or alliteration, and little, if any, rhythm, as we understand it. The verses in this Collection are all what are called Tanka which has five lines and thirty-one syllables, arranged thus: 5-7-5-7-7 which is an unusual metre for Western ears. For this translation the editor has adopted a five-lined verse of 8-6-8-6-6 metre, with the second, fourth, and fifth lines rhyming, in the hope of retaining at least some

The first study and collection of Japanese supernatural art, this illustrated volume shows how Japan's long tradition of brilliant artists attempted to understand the mysteries of the world

"Heroes of the kabuki stage" is written for kabuki lovers and collectors of kabuki woodblock prints, eager to know more about the interesting images on their prints. This lavishly illustrated book has no precedent in a Western language outside Japan. The introduction to this form of theatrical art is placed in the historical and social context of Tokugawa and Meiji Japan between 1603 and 1912. Many of the conventions in the theatre are explained and practically all aspects of kabuki are investigated. The

evolution of the playhouse itself, the fascinating interaction between actors and audiences, as well as the development of plays are discussed. There is no other theatre tradition with such elaborate costumes, make-up and variety of acting styles, and these aspects are explained in detail. A brief historical outline of actor prints and their designers, from both Edo (present-day Tokyo) and Osaka, is also included. A large section of the book is dedicated to retelling the 36 popular kabuki plays that are still performed today. Many theatre pieces have their origin in the Nô and puppet theatre traditions: all sources are mentioned in the short introduction to each retelling, which also include{s} detailed notes and references

## Access Free Ogura Nazorae Hyakunin Isshu Japanese Edition

as well as gossip and anecdotes from the world of the theatre. The main scenes of each play and the actors in their leading roles are illustrated by woodblock prints, produced over a period of more than a century. The bibliography provides an up-to-date list of books and articles in Western languages about kabuki. Heroes of the kabuki stage is unique for its extensive index on roles, actors, playwrights, subjects and attributes, which will enable the reader and print collector to find his way in the spectacular world of kabuki.

Prints" is the first monograph in English on the Meiji print artist Y?sh? Chikanobu (1838-1912), well known for his depictions of women and scenes of Japanese history and legends. Author Bruce A. Coats presents a detailed overview of Chikanobu's life and works, placed within the historical and artistic context of Meiji Japan, when its rapid modernization and westernization created an interest for 'old' Japan among the Japanese and when the arts underwent significant changes as well. Essays by Bruce A. Coats, Allen Hockley, Kyoko Kurita and Joshua Mostow draw upon various topics related to

## Access Free Ogura Nazorae Hyakunin Isshu Japanese Edition

Chikanobu's work, such as Meiji literature and the heroic ethos in the late Meiji period. Works donated to the Scripps College collection form the core of the illustrative material. The images are accompanied by elaborate descriptions and in a number of cases compared with similar designs from other artists. Two of Chikanobu's well known series of 50 prints each, "Snow, Moon, Flowers" ("Setsugekka") and "Eastern Brocades: Day and Night Compared" ("Azuma nishiki ch?ya kurabe") are illustrated in their entirety. And with over 270 full color illustrations, "Chikanobu. Modernity and Nostalgia in Japanese

**The Hyakunin Isshu, or One Hundred Poets, One Poem Each collection, is a sequence of one hundred Japanese poems in the tanka form, selected by the famous poet and scholar Fujiwara no Teika (1162-1241) and arranged, in part, to represent the history of Japanese poetry from the seventh century down to Teika's own day. The anthology is, without doubt, the most popular and widely known collection of poetry in Japan - a distinction it has maintained for hundreds of years. In this study, Joshua Mostow challenges the idea of a final or**

Kuniyoshi The Faithful Samurai is a pioneering publication which deals with the most famous Japanese print series of the forty-seven masterless samurai (ronin) by artist Utagawa Kuniyoshi (1797-1861): the Seichu gishi den (1847-48) and its sequel the Seichu gishin den (1848). The true 18th-century tale of revenge by forty-seven ronin for the death of their lord was enormously popular in Japan. Dr. Weinberg's book includes translations

## Access Free Ogura Nazorae Hyakunin Isshu Japanese Edition

of the texts which appear on the prints and which recount each hero's exploits. The Ogura Hyakunin Isshu is one of Japan's most quoted and illustrated works, as influential to the development of Japanese literary traditions as The Tale of Genji and The Tales of Ise. The text is an anthology of one hundred waka poems, each written by a different poet from the seventh to the middle of the thirteenth century, which is when Fujiwara no Teika, a

## Access Free Ogura Nazorae Hyakunin Isshu Japanese Edition

renowned poet and scholar, assembled the collection. The book features poems by high-ranking court officials and members of the imperial family, and despite their similarity in composition, they involve a wide range of emotions, imagery, and themes, from frost settling on a bridge of magpie wings to the continuity of the imperial line. Peter McMillan's poetic translation captures the original emotions of these poems. They are

### *Japanese Literary Studies*

Japanese woodblock prints, or ukiyo-e, are the most recognizable Japanese art form. Their massive popularity has spread from Japan to be embraced by a worldwide audience. Covering the period from the beginning of the Japanese woodblock print in the 1680s until the year 1900, Japanese Woodblock Prints provides a detailed survey of all the famous ukiyo-e artists, along with over 500 full-color prints. Unlike previous examinations of this art form, Japanese Woodblock Prints includes detailed histories of the publishers of woodblock prints—who were often the

## Access Free Ogura Nazorae Hyakunin Isshu Japanese Edition

driving force determining which prints, and therefore which artists, would make it into mass circulation for a chance at critical and popular success. Invaluable as a guide for ukiyo-e enthusiasts looking for detailed information about their favorite Japanese woodblock print artists and prints, it is also an ideal introduction for newcomers to the world of the woodblock print. This lavishly illustrated book will be a valued addition to the libraries of scholars, as well as the general art enthusiast.
