WARNING: This is not the actual book Orphan Train by Christina Baker Kline. Do not buy this Review if you are looking for a full copy of this great book. Check out this in-depth review for a detailed look at the Orphan Train, from the plot and characters to Christina Baker Kline’s writing style. A Goodreads Choice Nominee for Fiction, Orphan Train weaves together two narratives: that of 17-year-old Molly and that of 91-year-old Vivian Daly. As part of her community service, Molly must clear out a lifetime’s worth of junk from Vivian’s attic. However, what she finds as she slowly clears out the clutter is something she didn’t expect: a friend. Vivian and Molly, despite the generational differences, find in each other kindred spirits, both emotionally guarded as a result of loss, heartbreak, and isolation. As they spend time together and learn more about each other, the barriers they’ve built begin to crumble. The notion of portaging and the legacy of trauma play central roles in this touching novel. In this review, you’ll find critical opinions of Orphan Train and a look at where Kline really succeeds in the novel, as well as some of the book’s shortcomings. Kline alternates perspectives throughout the novel. Molly’s tale unfolds in the present, with a third-person limited perspective. Vivian’s story is told in past tense, but from first person. The dichotomy works for the characterization. Readers will sympathize with Molly and her feelings of isolation and experience the heartbreak of Vivian’s tale. Although the premise is a bit tenuous and the side characters lack dimension, the female leads are both compelling, likeable characters. Orphan Train is a touching novel with a resolution that will leave readers satisfied.

Her current foster parents are Dina and Ralph. Molly is sure she will soon be kicked out and sent to the juvenile detention center. She was caught stealing an old copy of Jane Eyre from the public library. She learns she can do community service instead of going to the detention center. Dina wants to kick Molly out, but Ralph talks her into letting Molly stay. Jack is Molly’s boyfriend. His mom, Terry, is a housekeeper for Vivian, the elderly woman who lives alone. Terry asks Vivian if Molly can help her clean her attic as part of a school project. She does not want Vivian to know that Molly actually needs community service hours. Chapter 2 During Molly’s interview, Vivian asks Molly about herself. Molly shares that she is a Penobscot Indian. Her father died, and her mother could not care of her, so she ended up in the foster care system. Vivian tells Molly that she became an orphan at almost the exact same age as Molly. She then asks Molly when she would like to begin working in the attic...

Struggling with her rebellious daughter and her conflicting feelings for a soul-seeking priest and a cynical man, cardiologist Madelaine learns to overcome past betrayals when a tragedy brings them all together.

This young readers’ edition of Christina Baker Kline’s #1 New York Times bestselling novel Orphan Train follows a twelve-year-old foster girl who forms an unlikely bond with a ninety-one-year-old woman. Adapted and condensed for a young audience, Orphan Train Girl includes an author’s note and archival photos from the orphan train era. This book is especially perfect for mother/daughter reading groups. Molly Ayer has been in foster care since she was eight years old. Most of the time, Molly knows it’s her attitude that’s the problem, but after being shipped from one family to another, she’s had her fair share of adults treating her like an inconvenience. So when Molly’s forced to help a wealthy elderly woman clean out her attic for community service, Molly is wary. But from the moment they meet, Molly realizes that Vivian isn’t like any of the adults she’s encountered before. Vivian asks Molly questions about her life and actually listens to the answers. Soon Molly sees they have more in common than she thought. Vivian was once an orphan, too—an Irish immigrant to New York City who was put on a so-called “orphan train” to the Midwest with hundreds of other children—and she can understand, better than anyone else, the emotional binds that have been making Molly’s life so hard. Together, they not only clear boxes of past mementos from Vivian’s attic, but forge a path of friendship, forgiveness, and new beginnings.

Sixteen-year-old Noa has been cast out in disgrace after becoming pregnant by a Nazi soldier and being forced to give up her baby. She lives above a small rail station, which she cleans in order to earn her keep... When Noa discovers a boxcar containing dozens of Jewish infants bound for a concentration camp, she is reminded of the child that was taken from her. And in a moment that will change the course of her life, she snatches one of the babies and flees into the snowy night. Noa finds refuge with a German circus, but she must learn the flying trapeze act so she can blend in undetected, spurring the resentment of the lead aerialist, Astrid. At first rivals, Noa and Astrid soon forge a powerful bond. But as the facade that protects them proves increasingly tenuous, Noa and Astrid must decide whether their friendship is enough to save one another—or if the secrets that burn between them will destroy everything. From the #1 New York Times bestselling author of Orphan Train, and the critically acclaimed author of The Way Life Should Be, comes a novel about the choices we make, how they shape our lives, and how they can change them forever—including a special PS section featuring insights, interviews, and more. Four people, two marriages, one lifelong friendship: Everything is about to change. It was dark. It was raining. It was just an accident. On the drive home from a rare evening out, Alison collides with another car running a stop sign, and—just like that—her life turns upside down. When she calls her husband from the police station, his accusatory tone reveals cracks in their relationship she’d never noticed were there. Now she notices everything. And she begins to realize that the life she carefully constructed for herself is as tenuous as a house of cards. Exquisitely written, powerful, and thrilling, Bird in Hand is a novel about love and friendship and betrayal, and about the secrets we tell ourselves and each other.

One City. One Movement. A World of Stories. Stories From Suffragette City is a collection of short stories that all take place on a single day: October 23, 1915. It’s the day when tens of thousands of women marched up Fifth Avenue, demanding the right to vote in New York City. Thirteen of today’s bestselling authors have taken this moment as inspiration to raise the voices of history and breathe fresh life into their struggles and triumphs. The characters depicted here, some well-known, others unfamiliar, each inspire and reinvigorate the power of democracy. We follow a young woman who is swept up in the protests when all she expected was to come sell her apples in the city. We see Alva Vanderbilt as her white-gloved sensibility is transformed over the course of the single fateful day. Ida B. Wells battles for racial justice in the women’s suffrage movement so that every woman’s voice can be heard. Each story stands on its own, but together Stories From Suffragette City becomes a symphony, painting a portrait of a country looking for a fight and ever restless for progress and equality. From the #1 New York Times bestselling author of Orphan Train, and the critically acclaimed author of Bird in Hand, comes a novel of love, risk, and self-discovery—including a special PS section featuring insights, interviews, and more. Angela can feel the clock ticking. She is single in New York City, stuck in a job she doesn’t want and a life that seems to have, somehow, just happened. She inherited a flair for Italian cooking from her grandmother, but she never seems to have the time for it—these days, her oven holds only sweaters. Tacked to her office bulletin board is a photo from a magazine of a tidy cottage on the coast of Maine—a charming reminder of a life that could be hers, if she could only muster the courage to go after it. On a hope and a chance, Angela decides to pack it all up and move to Maine, finding the nudge she needs in the dating profile of a handsome sailor who loves dogs and Italian food. But her new home isn’t quite matching up with the fantasy. Far from everything familiar, Angela begins to rebuild her life from the ground up. Working at a local coffeehouse, she begins to discover the pleasures and secrets of her new small-town community and, in the process, realizes there’s really no such thing as the way life should be.

Stories from Suffragette City

Orphan Train Rider

Women of the Dawn tells the stories of four remarkable Wabanaki Indian women who lived in northeast America during the four centuries that devastated their traditional world. Their courageous responses to tragedies brought on by European contact make up the heart of the book. The narrative begins with Molly Mathilde (1665–1717), a mother, a peacemaker, and the daughter of a famous chief. Born in the mid-1600s, when Wabanakis first experienced the full effects of colonial warfare, disease, and displacement, she provided a vital link for her people through her marriage to the French baron of St. Castin. The sage continues with the shrewd and legendary healer Molly Ockett (1740–1816) and the reputed witchwoman Molly Molasses (1775–1867). The final chapter belongs to Molly Dellis Nelson (1903–1977) (known as Spotted Elk), a celebrated performer on European stages who lived to see the dawn of Wabanaki cultural renewal in the modern era.

Christina Baker Kline wanted to do something she’d never done before: write a work of fiction based on historically accurate information. And if that’s not difficult enough, she faced incredible heartache in the midst of writing the book. But, Kline never gave up on her writing, pushing through the pain until Orphan Train was published. Her novel has enjoyed great success—in part because it discusses feelings many can relate to: neglect, rejection, hope, redemption. It isn’t a fairytale; rather, Kline created a work of authenticity—a work about struggle and hope and new beginnings. Orphan Train is also a fictional account of a real time in US history in which orphans were relocated to various homesteads in the Midwest. The journeys these children had to make involved much more than a train ride and Kline does a brilliant job illustrating what they went through. Orphan Train is a masterpiece in every way and a creative account of a very real time in US history. Experience: The Behind the Story Effect After reading a BTS... Discusses the placement of over 200,000 orphaned or abandoned children in homes throughout the Midwest from 1854 to 1929 by recounting the story of one boy and his brothers.

The #1 New York Times Bestseller Now featuring a sneak peek at Christina’s forthcoming novel The Exiles, coming August 2020. “A lovely novel about the search for family that also happens to illuminate a fascinating and forgotten chapter of America’s history. Beautiful.”—Ann Packer Between 1854 and 1929, so-called orphan trains ran regularly from the cities of the East Coast to the farmlands of the Midwest, carrying thousands of abandoned children whose fates would be determined by pure luck. Would they be adopted by a kind and loving family, or would they face a childhood and adolescence of hard labor and servitude? As a young Irish immigrant, Vivian Daly was one such child, sent by rail from New York City to an uncertain future a world away. Returning east later in life, Vivian leads a quiet, peaceful existence on the coast of Maine, the memories of her upbringing rendered a hazy blur. But in her attic, hidden in trunks, are vestiges of a turbulent past. Seventeen-year-old Molly Ayer knows that a community service position helping an elderly woman clean out her home is the only thing keeping her out of juvenile hall. But as Molly helps Vivian sort through her keepsakes and possessions, she discovers that she and Vivian aren’t as different as they appear. A Penobscot Indian who has spent her youth in and out of foster homes, Molly is also an outsider being raised by strangers, and she, too, has unanswered questions about the past. Moving between contemporary Maine and Depression-era Minnesota, Orphan Train is a powerful novel of upheaval and resilience, of second chances, and unexpected friendship.

From the #1 New York Times bestselling author of Orphan Train, and the critically acclaimed author of Bird in Hand and The Way Life Should Be, comes a novel about friendship and the memories that haunt us—including a special PS section featuring insights, interviews, and more. On the night of her high school graduation, Kathryn Campbell sits around a bonfire with her four closest friends, including the beautiful but erratic Jennifer. “I’ll be fine,” Jennifer says, as she walks away from the dying embers and towards the darkness of the woods. She never came back. Ten years later, Kathryn has tried to build a life for herself, with a marriage and a career as a journalist, but she still feels the conspicuous void of Jennifer’s disappearance. When her divorce sends her reeling back to the Maine town where she grew up, she finds herself plunged into a sea of memories. With nothing left to lose, she is determined to answer one simple question: What ever happened to Jennifer Pelletier?

“Rostad’s bighearted debut is full of surprises, and warm with wisdom about what it means to be family.”—Meg Walton Clayton, New York Times bestselling author of The Last Train to London In this brilliant debut reminiscent of Kristina McMorris’s This Tender Land, three orphans journey westward from New York City to the Big Sky Country of Montana, hoping for a better life where beautiful wild horses roam free. Montana 1925: An Irish boy orphaned by Spanish flu, a boy who won’t speak, and a volatile young man who lies about his age to escape Hell’s Kitchen, are paraded on train platforms across the Midwest to work-worn folks. They journey countless miles, racing the sun westward. Before they reach the last junction and stop, the oldest, Charles, comes up with a daring plan, and alone, they set off toward the Yellowstone River and grassy mountains where the wild horses roam. Fate guides them toward the ranch of a family stricken by loss. Nara, the daughter of a successful bus driver into a brusque spinster who refuses the kids on sight. She’s worked hard to gain her father’s respect and hopes to run their operation, but as if the kids stay, she’ll be stuck in the kitchen. Nara works them without mercy, hoping they’ll run off, but they buck up and show spirit, and though Nara will never be motherly, she begins to take to them. So, when Charles is jailed for freeing wild horses that were rounded up for slaughter, and an abusive mother from New York shows up to take the youngest, Nara does the unthinkable, risking everything she holds dear to change their lives forever.

Molly Ayer is getting close to being too old for the foster care system. Amidst all the uncertainties in her life, she found a community service position to assist an elderly woman, Vivian, clean out her home. The only thing keeping her out from juvie, sorting through Vivian’s belongings and memories brought a sudden realization in Molly’s mind: that she and Vivian are similar in so many ways. Being a Penobscot Indian herself, Molly sees her journey and struggle in Vivian’s earlier age where she was put on a train filled with hundreds of children to the Midwest, full of uncertainties and luck for her future. p.p1 (margin: 0.0px 0.0px 10.0px 0.0px; text-align: justify; font: 11.0px ‘Trebuchet MS’; color: #000000; -webkit-text-stroke: #000000) span.s1 (font-kerning: none) “Orphan Train” seeks to entice the readers in feeling Molly’s life struggles where she kept her grace and strength despite everything. Candid, reflective, and intimate essays that capture the essence of parenting. Harnessing the writing skill of a score of top contemporary writers, Christina Baker Kline has crafted an outstanding collection that touches the core of modern parenthood. The writers share their experiences as parents of children between the ages of two and ten—the period when our children are young and wholly dependent, before they have established separate identities. Each of these entertaining and evocative essays focuses on one central issue about raising young children: the complexities of being a stay-at-home dad the urge to avoid making the same mistakes our parents did birth order and sibling rivalry giving our children a sense of racial identity. Room to Grow is a kaleidoscope of the early years of childhood, revealing new patterns and yielding insights at each turn. A remarkable exploration of the parenting experience, Room to Grow eloquently discloses those priceless moments of joy and heartache, closeness and separation, wonder and exasperation, amazement and exhaustion that parents encounter every day with their young children.

Robert Grainier is a day labourer in the American West at the start of the twentieth century - an ordinary man in extraordinary times. Buffetted by the loss of his family, Grainier struggles to make sense of this strange new world. As his story unfolds, we witness both his shocking personal defeats and the radical changes that transform America in his lifetime. Suffused with the history and landscapes of the American West - its otherworldly flora and fauna, its rugged loggers and bridge-builders - Train Dreams captures the disappearance of a distinctly American way of life.

Christina Baker Kline's #1 New York Times bestselling novel entitled Orphan Train is set between the years 1854 and 1929. During this time, the so-called orphan trains regularly ran from the cities along the East Coast going to the farmlands of the Midwest. These trains carried thousands of abandoned children. Their fates would then be determined by pure luck. Vivian Daly was such a child. She was a young Irish immigrant who was sent by rail from New York City to an uncertain future one train ride away. When she returned east later in her life, Vivian led a quiet and peaceful existence in her residence on the coast of Maine. The memories of her childhood were only a hazy blur but hidden in the trunks in her attic were memories of her turbulent past. Orphan Train is a powerful novel that reveals the story of upheaval and resilience. Vivan's story moves between Minnesota during the Depression-era and contemporary Maine. This is a novel of second chances and unexpected friendship. Seduced by her employer's son, Evangeline, a naive young governess in early nineteenth-century London, is discharged when her pregnancy is discovered and sent to the notorious Newgate Prison. After months in the fetid, overcrowded jail, she learns she is sentenced to "the land beyond the sea," a remote and inhospitable island home to Aboriginal people for more than 50,000 years, the British government in the 1840s considers its fledgling colony uninhabited and unsettled, and views the natives as an unpleasant nuisance. By the time the Medea arrives, many of them have been forcibly relocated, their land seized by white colonists. One of these relocated people is Mathinna, the orphaned daughter of the Chief of the Lowreenne tribe, who has been adopted by the new governor of Van Diemen's Land. In
