Ojotisa is carving a place for himself in the literary fora, reminiscent of the second generation poets in Nigeria. The collection adopts the commoners' language but retains its mark in literary depth and deft. Here, the poet-persona is pre-occupied with the multifarious colours of death and incarnations, love and its ultimate fulfilment and, the spiritual cum physical struggles of the land and its peoples. This collection, assuredly, will leave readers filled with wonder and delight.

If any person can give a consistent and instructive interpretation of the text, otherwise than by assuming believers' immersion to be Christian baptism, I should like to see them do it. I myself am quite incapable of performing such a feat, or even of imagining how it can be done. I am content to take the view that baptism signifies the burial of believers
