Natural nail care has become a lost art. So many people run off to the nail salon in order to have artificial nails applied. Why do that when you can have your own natural nails and have the polish last 7 to 10 days. Artificial nails damage the natural nail and most look very artificial. So why do women put up with damaging artificial nails and technicians that harm the nails further? Now they don't have to. This tell-all book allows women to create the beautiful, well manicured nails that they all deserve. Learn how to give yourself a manicure and polish your nails to prevent peeling and chipping. In simple language, you will understand the science behind why your nails act and react the way they do. Discover what some nail techs can't or won't tell. Understand how to take care of your nails, to grow longer, healthier and more beautiful nails than ever before. Yes, you can have your polish last 7-10 days, without chipping or peeling? You can also prevent your nails from peeling and say goodbye to artificial nails forever.

Three Strikes But Not Out

General Order No. 5: The Redemption of a Muslim American Patriot, chronicles my true life story of a boy who grew up into manhood, and various levels of leadership with an ongoing desire to make an impact on world peace. Throughout my life's journey, while experiencing some of my own mistakes, crimes, and deception, I repeatedly sought redemption and the ultimate correction of past improper behaviour. During a carefully noted chain of events that began before my birth, in my quest to address the many ills plaguing America and the world, I would finally discover the true meaning of patriotism, and what must be done to improve the quality of life of the good people of America. The meaning of General Order No. 5 reflects my frame of mind, as I would approach and attempt to tackle one after the other, a task, project, or mission, and see it through to completion . . . or at least until I could be properly relieved.

Triple Jeopardy is a book about resilience written in a powerful, inspiring way. It's a wakeup call that iterates that you are in control of your own story, no matter the circumstances. ~ Mike Tyson, Former Undisputed Boxing Champion, Best Selling Author, Actor WOW! Triple Jeopardy is a remarkable story that reveals intimate details about the author and her family's encounter with the criminal justice system. It is emotionally moving, enlightening, thought-provoking, informative, even humorous at times and provides valuable life lessons. This book is a must-read from start to finish. ~ Flavor Flav, Hip-hop Rapper "When I first met Rita Ali, I had just begun working with Mike Tyson on his autobiography, Undisputed Truth. I was far away from my wife and dog back in New York, but Rita, Mike's mother-in-law, immediately adopted me and made me feel welcome and, ultimately, one of the family. Each day I had some time to kill waiting for Mike to finish up some other business or tend to his pigeons until we could resume our taped interviews, and Rita helped to fill the time by regaling me with stories of her life back in Philadelphia. She had willed herself into being one of the few females to penetrate the world of boxing, first as a reporter and later as a publicist. Her stories of her interactions with Muhammad Ali, Don King, Joe Frazier, were so compelling that I urged her to write her own book! And I suggested

it even more forcefully after she related to me the sordid details of her and her family's persecution by the federal government for crimes that they didn't commit. Rita went to work and now we have Triple Jeopardy. But rather than being a "woe-is-me" account, her memoir is an empowering document that proves the old adage that you can't keep a good woman down. You'll enjoy the anecdotes of the rich and famous celebrities that Rita has crossed paths with but you'll have to admire the strength, discipline and wisdom that Rita imparts when recounting an overzealous prosecution gone awry. Far from broken, Rita and her lovely family have risen from the ashes of defamation like Phoenixes. "Their story is a cautionary tale that shows that it CAN happen here. And does."

~ Larry "Ratso" Sloman, co-author with Mike Tyson of Undisputed Truth and Iron Ambition: My Life with Cus D'Amato

What is true feminine beauty? As the artist I fancy myself to be, I feel that I know it when I see it. Many women are blessed with natural beauty which has two components as far as I'm concerned: 1.) The face. 2.) The body. In the face, some women have striking looks but if they don't have beautiful souls it reverberates there. Your resting expression indicates the type of person you are. Over time, this expression becomes your permanent face which is why I can tell who looks happy in a relaxed way versus the girls with anger, sadness or a beef with the world written on their faces. They have scowls on them. Look at yourself in the mirror with no expression on your face. You can see how other people see you. See more at tonykel.com
