The Landlord's Complete Guide from A to Z by Bob & Linda Monahan After being successful landlords for over 30 years, the authors have put together a collection of some of their most valuable advice to assist other landlords and those aspiring to be landlords. When researching the industry for a guidebook for owners of long term apartments, none could be found except those written by lawyers from a legal perspective. Bob and Linda decided to write their book when a fellow landlord called them regarding a non-paying tenant issue. Bob and Linda skillfully navigated him through the eviction process, but their friend witnessed someone else's failure on the court docket due to a technicality that Bob and Linda had wisely warned him about. The authors hope that readers will use this book as a guide and learn from it while enjoying the experiences discussed in each chapter. There are great advantages to holding onto apartment buildings for the long run, perhaps the greatest being the extra revenue. This extra income can change your life and allow you to live your dreams and adventures.
