

Pogo Mad Craft

The Joker's debuted as a "typical hoodlum" and yet, he has grown and changed over time, to become what is often called "The Clown Prince of Crime." This work takes a close look at the Joker and examines his place in our cultural landscape to better understand how it is that he fascinates us all.

Eleven talented authors challenged with just one condition-tell ten stories in exactly 434 words each. Flash fiction in a streamlined package. Quick hitting pieces across several different genres designed to highlight the craft and art of modern storytelling. Names you may be familiar with, like R. MonaLeza, Corey Michael Smithson, Paul Grimsley, and Jinxie G, combined with some of the most promising artists-Michael Lawrence, Amy Kay, Ben Umstead, John P. Marentay, Broadie Thornton, Rob CL, and Angel Ashton-makes this an anthology you won't want to miss.

The comic strip has been a staple of American newspapers for nearly a century. It is a creation unique to cultural life and, in addition to entertainment, has commented on the way we see and view ourselves. From its high culture influence on Pop Art to its low culture appeal to children of all ages, the comic strip has had a lasting hold on the imaginations of generations. Noted writer Donald Phelps provides essays on popular classics, such as Chester Gould's Dick Tracy, E.C. Segar's Thimble Theatre (which produced Popeye), and Frank King's Gasoline Alley. His keen eye discerns the sublime qualities of this most American art form with wit and refreshing candor. Reading the Funnies offers an elegant and eloquent look into this fascinating slice of American popular culture.

A Personal Statement

The Glass Castle

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man, sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had escaped. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, had a fiery determination to carve out a successful life. -- From publisher description.

General Adams reflects on his experiences in the cold war, during which he served in both manned bombers and missile silos. He tells stories of and not-so-famous cold warriors, including some from the US Navy. Some stories are humorous; some stories are tragic. Having traveled to Russia and some former Soviet Union states after retirement, General Adams tells us about his former adversaries, the Soviet cold war process, he leaves no doubt about his respect for all who served so valiantly in the "strategic triad"-- the strategic command, the ICBM, and the submarine Navy.

'This is what literature is meant to be' Anthony Burgess 'O what we ben! And what we come to...' Wandering a desolate post-apocalyptic landscape speaking a broken-down English lost after the end of civilization, Riddley Walker sets out to find out what brought humanity here. This is a 'Funny, terrible, haunting and unsettling, this book is a masterpiece' Observer 'A timeless portrayal of the human condition ... frighteningly uncanny' Will Self 'A book that I could read every day forever and still be finding things' Max Porter

Includes the booklet Narcissism "The Killer of Love" What could drive an individual who is emotionally strong and highly successful, with an appetite for life, to suddenly lose all desire to live? What could possibly strip a religious person of all belief in God with the blink of an eye? Questions are about to be answered. A Beautifully Disturbing Saga of Love and Survival. Within the throes of a madly passionate romance, a ghastly soul rape and mind crime conceivable. The Great American "Psychopathic" Love Story exists in a world where nothing is real as it is. Beneath the surface of what seems to be a fairy tale romance is the outline for what may very well be the perfect murder, and if you think it can't happen to you, you're wrong... dead wrong. Steven lives a life that most can only dream of. At a young age, he achieved fame in the music industry with the now iconic heavy metal band Slayer, and later as a world-renowned airbrush artist. He has everything that a man could want for what he desires most, which is, true love. A handsome, successful, charming man that lives and breathes romance, but has been unable to find one woman that can captivate his heart. One glorious afternoon, Ashley stumbles into his life, and she is everything that he's hoped for. Their story begins as a passionate, tender, and erotic tale of two people falling in love. Together they seem to have the love that dreamers in fairy tales are written about. But do they really? Sometimes when it seems too good to be true, the love of your life may not be the person you are. On the surface, Steven and Ashley are the quintessential portrait of an enchanted romance, but underneath an illusion of ideal love is a transparent layer of lies, manipulation, and deceit. Unknowingly, Steven has become trapped in the lethal world of a pathological narcissist. You are prepared to have every one of your emotions assaulted by this unique true story. You will laugh, feel the passion and intense love, you'll experience excruciating pain, and yes, there will be tears. Live the story as the author experienced it. A memoir that is insanity in the real world when you think it is all over, it begins again before leading to a shocking ending that will not soon be forgotten. Ghost of a Rose is the most beautiful and it's kind. Without any knowledge of its existence, the author documented from the beginning to end of his relationship with a pathological narcissist. The media has incorrectly portrayed Narcissistic Personality Disorder long enough. This is the true nature of the beast, and as melodramatic as it may seem at times, this is what a victim experiences when having the life sucked out of him or her by an emotional vampire. You'll witness the idealization "honeymoon" stage, the gaslighting phase, the abandonment, the torment, confusion, awakening, and healing as it all took place through the eyes of the author, you'll bear witness to a man systematically destroyed by a narcissist until his life is left in ruin. 'Dynamic personal writing. Brilliant! A death to birth with a delivery that is painful as bloody hell.' - Becky Joyce Reed "This book saved my life!" - Debbie P

Reading the Funnies

Learning from the Long War

A Novel

A Test Pilot's Odyssey

A Pancake Surprise!

From the bestselling author of *Fancy Nancy* comes a brand-new picture book character--and this time it's a boy! From the bestselling duo Jane O'Connor and Andrew Joyner comes a silly story about a little boy always eager to help in any way he can. George is a helpful boy. He feeds his dog, Pogo, and helps around the house. It's no surprise everyone's always saying, "Good job, George!" When his parents decide to paint a room in their house, he knows it is the perfect job for him. But the painting doesn't go as planned for George, when a very hungry Pogo has different plans. *Good Job, George* is perfect for little helpers; whether they're in the classroom or in the house, children and adults alike will find George endearing and relatable.

Srimad Bhagavadgita (A Vedanta Text) Upanisads are called Vedanta and the synthesis of its concepts is discussed in 'Brahma Sutra' by the great sage Vedvyas. The knowledge of the fundamental entities, as is propounded in the Upanisads, related to the Absolute (Brahma, Pure Self) is included in *Srimad Bhagavadgita (Gita)*, the dialogue between Lord Srikrnsna and the mighty-armed Arjuna. That is why the Gita Text is also called a Vedanta Text. Although from the beginning to the end in the text the Blessed Lord Srikrnsna has given the sermons of carrying out one's duty inspired by one's own inborn nature, but to understand the entire teachings of the Lord the study of the complete text is essential. This is a unique text of metaphysics (the science of reality) and ethics (the art of union with the reality) by which, following the scriptural method of listening, analytical reasoning and firm meditation, a person gets spiritual happiness. Many enlightened sages and learned authors have written commentaries on Gita which are very valuable from the point of view of Religion and Philosophy. In the present text, taking help of the few of these, effort is being made to present the subject matter in a different form. Based on personal experience the following five points are taken into consideration. First, a suitable title is given to each Sloka (verse) so that essentials of the subject matter are known in a short time from the contents of the text. Second, looking to the need of a large number of devotees who have no in-depth knowledge of Sanskrit and its pronunciation, each Sloka is also given in the roman script. Third, the meaning of each Sanskrit word is explained in Hindi in such a way that entire meaning of the Sloka is easily understood and remembered. Fourth, keeping in view the pattern of present education and interest of young students, the meaning of each Sloka is also given in English along with Hindi. Fifth and the last point is about the short explanation of each Sloka. The thoughts of any one tradition in vogue are not fully incorporated but partly taken into consideration, which are essential to understand the in-depth meaning of the teachings and the rest is left to learned reader for his/her interpretations. It is advised to study the known standard texts for detailed explanations.

Mike Hoffman's adventurous Black-and-White ink drawings from the first three "Mars" novels of Edgar Rice Burroughs are all collected here. Dozens of works from "A Princess of Mars", "Gods of Mars" and "Warlord of Mars".

This book encompasses knowledge by the professional glass artist Francis Elder II. Who has been doing stained glass and art glass work since 1988. In this book he explains in easy to understand terms the process of going from a part time hobbyist to a full time paid artisan. This how to book takes a detailed look at the steps involved to allow you to follow your dreams of becoming a paid art glass artist. He details areas such as; incorporating yourself into your art, designs and pattern making, efficiency, production, custom work, safety, how to price your work, installation and service calls, where and how to sell, insurance, commission sales, using social media, marketing as a whole and teaching.

The Sign of the Joker: The Clown Prince of Crime as a Sign

A Serious Guide to Drawing Funny Faces

Fans of Noelle Stevenson's beloved and bestselling *Nimona* won't want to miss her brand-new moving memoir-in-pictures, *The Fire Never Goes Out*, featuring short essays, mini-comics, and photographs that span eight eventful years in Noelle's young adult life. *Nimona* is the New York Times bestselling graphic novel sensation from Noelle Stevenson, based on her beloved and critically acclaimed web comic. Kirkus says, "If you're going to read one graphic novel this year, make it this one." Nemeses! Dragons! Science! Symbolism! All these and more await in this brilliantly subversive, sharply irreverent epic from Noelle Stevenson. Featuring an exclusive epilogue not seen in the web comic, along with bonus conceptual sketches and revised pages throughout, this gorgeous full-color graphic novel has been hailed by critics and fans alike as the arrival of a "superstar" talent (NPR.org). *Nimona* is an impulsive young shapeshifter with a knack for villainy. Lord Ballister Blackheart is a villain with a vendetta. As sidekick and supervillain, *Nimona* and Lord Blackheart are about to wreak some serious havoc. Their mission: prove to the kingdom that Sir Ambrosius Goldenloin and his buddies at the Institution of Law Enforcement and Heroics aren't the heroes everyone thinks they are.

*But as small acts of mischief escalate into a vicious battle, Lord Blackheart realizes that Nimona's powers are as murky and mysterious as her past. And her unpredictable wild side might be more dangerous than he is willing to admit. Indies Choice Book of the Year * National Book Award Finalist * New York Times Bestseller * New York Times Notable Book * Kirkus Best Book * School Library Journal Best Book * Publishers Weekly Best Book * NPR Best Book * New York Public Library Best Book * Chicago Public Library Best Book*
This volume represents an early attempt at assessing the Long War, now in its 14th year. Forged in the fires of the 9/11 attacks, the war includes campaigns against al Qaeda, major conflicts in Iraq and Afghanistan, and operations in the Horn of Africa, the Republic of the Philippines, and globally, in the air and on the sea. The authors herein treat only the campaigns in Afghanistan and Iraq, the largest U.S. efforts. It is intended for future senior officers, their advisors, and other national security decision makers. By derivation, it is also a book for students in joint professional military education courses, which will qualify them to work in the field of strategy. While the book tends to focus on strategic decisions and developments of land wars among the people, it acknowledges that the status of the United States as a great power and the strength of its ground forces depend in large measure on the dominance of the U.S. Navy and U.S. Air Force in their respective domains.

The biography of a mathematical genius. Paul Erdos was the most prolific pure mathematician in history and, arguably, the strangest too. 'A mathematical genius of the first order, Paul Erdos was totally obsessed with his subject -- he thought and wrote mathematics for nineteen hours a day until he died. He travelled constantly, living out of a plastic bag and had no interest in food, sex, companionship, art -- all that is usually indispensable to a human life. Paul Hoffman, in this marvellous biography, gives us a vivid and strangely moving portrait of this singular creature, one that brings out not only Erdos's genius and his oddness, but his warmth and sense of fun, the joyfulness of his strange life.' Oliver Sacks For six decades Erdos had no job, no hobbies, no wife, no home; he never learnt to cook, do laundry, drive a car and died a virgin. Instead he travelled the world with his mother in tow, arriving at the doorstep of esteemed mathematicians declaring 'My brain is open'. He travelled until his death at 83, racing across four continents to prove as many theorems as possible, fuelled by a diet of espresso and amphetamines. With more than 1,500 papers written or co-written, Reprint of the 1974 edition published by California Design Publications. Name index added. On the Arts and Crafts Movement. 'Endlessly witty, but the wit is underpinned by a tremendous, unembarrassed anger and moral lucidity. A superb guide which will turn any reader into an expert within the space of 200 pages' Jonathan Coe There's probably a word in German for that feeling you get when you can understand something while it's being explained to you, but lose hold of the explanation as soon as it stops. A lot of writing about the credit crunch has that effect: you can grasp it while it's going on, and then as soon as it's over, you can no longer remember the difference between a CDO, a CDS, an MBS, and a toasted cheese sandwich. Whoops! makes it possible for all of us to grasp how we found ourselves in this predicament. What went wrong? In 2000, the total GDP of Earth was \$36 trillion. At the start of 2007 it was \$70 trillion. Today that growth has gone suddenly and sharply into decline, with an effect roughly resembling that of putting a car into reverse while doing seventy down a motorway. John Lanchester is a journalist, novelist and winner of the Whitbread First Novel Award. He is a regular contributor to the London Review of Books and the New Yorker, with a monthly column in Esquire. John's piece on our love affair with the City, 'Cityphilia', generated much response on its publication in January 2008 and indeed predicted a worldwide crash based on the misuse of financial derivatives. In October 2008 he charted the crisis as it had developed over the year in 'Cityphobia', which also attracted much attention as a piece that explained not only what had happened, but how we felt about it. John was raised in South-East Asia and now lives in London John Lanchester travels with a cast of characters - including reckless banksters, snoozing regulators, complacent politicians, predatory lenders, credit-drunk spendthrifts, and innocent bystanders to understand deeply and genuinely what is

happening and why we feel the way we do.

"A masterfully written saga of family drama in the vein of Celeste Ng, Liane Moriarty, and Sally Hepworth" (Book Reporter) about a blended family in crisis after a drunk driving accident leaves one parent's daughter dead—and the other's son charged with manslaughter. Divorce lawyer Leigh Huyett knows all too well that most second marriages are doomed to fail. Yet five years in, she and Pete Conley couldn't be happier with their blended family. But one rainy Friday night, on the way back from celebrating their anniversary, Peter and Leigh receive horrific news. Peter's son Kip, a high school senior, has crashed his truck and been arrested for drunk driving. And Leigh's fourteen-year-old daughter, Chrissy, was with him. Twelve hours later, Chrissy is dead and Kip is charged with manslaughter. Reeling with grief, Leigh nonetheless does her best to rally behind Peter and Kip. That is, until Kip changes his story and claims that he wasn't driving after all—Chrissy was, and he swears there is a witness. As they hurtle toward Kip's trial date, husband and wife are torn between loyalty to their children and to each other, while the mystery of what really happened that night looms large.

Book I of the Broken World Series

Discover the sixth book in the ludicrously inaccurately named Hitchhiker's Guide to the Galaxy trilogy, as broadcast on BBC Radio 4 and featuring original cast members including Simon Jones, Geoff McGivern, Mark Wing-Davey and Sandra Dickinson. Arthur Dent led a perfectly ordinary, uneventful life until the Hitchhiker's Guide to the Galaxy hurled him deep into outer space. Now he's convinced a cruelly indifferent universe is out to get him. And who can blame him? His life is about to collide with a pantheon of unemployed gods, a lovestruck green alien, a very irritating computer and at least one very large slab of cheese. If, that is, everyone's favourite renegade Galactic President can get him off planet Earth before it is destroyed . . . again. 'A triumph, fabulous. Colfer has given us a delight' Observer 'I haven't read anything in a long time that made me laugh as much' The Times 'Chock-full of fanciful, inventive one-liners and asides, brimming with a burning sense of the ridiculousness of life' Independent on Sunday 'The best post-mortem impersonation I have ever read' Mark Lawson, Guardian

The international bestseller on the extent to which personal freedom has been eroded by government regulations and agencies while personal prosperity has been undermined by government spending and economic controls. New Foreword by the Authors; Index.

A 2015 Caldecott Honor Book A 2015 Michael L. Printz Honor Book Every summer, Rose goes with her mom and dad to a lake house in Awago Beach. It's their getaway, their refuge. Rosie's friend Windy is always there, too, like the little sister she never had. But this summer is different. Rose's mom and dad won't stop fighting, and when Rose and Windy seek a distraction from the drama, they find themselves with a whole new set of problems. One of the local teens - just a couple of years older than Rose and Windy - is caught up in something bad... Something life threatening. It's a summer of secrets, and sorrow, and growing up, and it's a good thing Rose and Windy have each other. This One Summer is a tremendously exciting new teen graphic novel from two creators with true literary clout. Cousins Mariko and Jillian Tamaki, the team behind Skim, have collaborated on this gorgeous, heartbreaking, and ultimately hopeful story about a girl on the cusp of childhood - a story of renewal and revelation. This title has Common Core connections.

The science fiction epic of our time has arrived. Three years ago, an object one hundred miles across was spotted on a trajectory for Earth's sun. Now, its journey is almost over. As it approaches, two competing manned vehicles race through almost half a million kilometers of space to reach it first. But when they both arrive on the entity, they learn that it has been sent toward Earth for a reason. An intelligent race is desperately attempting to communicate with our primitive species. And the message is: Help us.

The Origins and History of the Comics Code

When first published, Marshall McLuhan's Understanding Media made history with its radical view of the effects of electronic communications upon man and life in the twentieth century.

It's not just rap music. Hip-hop has transformed theater, dance, performance, poetry, literature, fashion, design, photography, painting, and film, to become one of the most far-reaching and transformative arts movements of the past two decades. American Book Award-winning journalist Jeff Chang, author of the acclaimed Can't Stop Won't Stop: A History of the Hip-Hop Generation, assembles some of the most innovative and provocative voices in hip-hop to assess the most important cultural movement of our time. It's an incisive look at hip-hop arts in the voices of the pioneers, innovators, and mavericks. With an introductory survey essay by Chang, the anthology includes: Greg Tate, Mark Anthony Neal, Brian "B+" Cross, and Vijay Prashad examining hip-hop aesthetics in the wake of multiculturalism. Joan Morgan and Mark Anthony Neal discussing gender relations in hip-hop. Hip-hop novelists Danyel Smith and Adam Mansbach on "street lit" and "lit hop". Actor, playwright, and performance artist Danny Hoch on how hip-hop defined the aesthetics of a generation. Rock Steady Crew b-boy-turned-celebrated visual artist DOZE on the uses and limits of a "hip-hop" identity. Award-winning writer Raquel Cepeda on West African cosmology and "the flash of the spirit" in hip-hop arts. Pioneer dancer POPMASTER FABEL's history of hip-hop dance, and acclaimed choreographer Rennie Harris on hip-

hop's transformation of global dance theatre. Bill Adler's history of hip-hop photography, including photos by Glen E. Friedman, Janette Beckman, and Joe Conzo. Poetry and prose from Watts Prophet Father Amde Hamilton and Def Poetry Jam veterans Staceyann Chin, Suheir Hammad, Marc Bamuthi Joseph and Kevin Coval. Roundtable discussions and essays presenting hip-hop in theatre, graphic design, documentary film and video, photography, and the visual arts. Total Chaos is Jeff Chang at his best: fierce and unwavering in his commitment to document the hip-hop explosion. In beginning to define a hip-hop aesthetic, this gathering of artists, pioneers, and thinkers illuminates the special truth that hip-hop speaks to youth around the globe. (Bakari Kitwana, author of *The Hip-Hop Generation*)

The Smell of Kerosene tells the dramatic story of a NASA research pilot who logged over 11,000 flight hours in more than 125 types of aircraft. Donald Mallick gives the reader fascinating firsthand descriptions of his early naval flight training, carrier operations, and his research flying career with NASA and its predecessor agency, the National Advisory Committee for Aeronautics (NACA).

When a young peasant girl is injured while hunting, she meets a strange, magical man who is a member of a despised race - Mujar. Truemen scorn the shape-shifting unmen for their odd, humble ways, and envy their power over the elements. Mujar do not use their powers for good or evil, they simply exist, immortal and apparently purposeless. Now a scourge is sweeping the land, armies of mounted warriors who cannot be defeated are wiping out Truemankind without mercy. They are known as the Black Riders, but no one knows where they come from or why they seem bent on exterminating every man, woman and child. Talsy traps the Mujar with gold, which has an odd effect on them, to make him help her, but her father intends to throw him in a Pit, from which he will be unable to escape. Talsy does not believe the Mujar deserves such a fate, so she frees him and begs him to take her with him on his journey. He agrees, and they set off across Shamarese, continuing his quest to find an old hermit's lost son. There is far more at stake than Talsy realises, however, and she has innocently stumbled upon the last free Mujar, who has the power to decide the fate of her race.

Modern Art Despite Modernism

"Harrell's work combines pop culture, innocence, friendship, and some of the seamier side of the circus background that only adults can appreciate." Come one! Come all . . . to the exciting world of Big Top! Rob Harrell's three-ring comic strip has already packed the house with fans eager for his hilarious take on the circus and those who bring it to life. The circus and its colorful cast—led by 10-year-old Pete and his happily reformed performing bear, Wink—are a perfect metaphor for life. It's not always what happens on the surface, Big Top reminds us, but what takes place backstage that delivers the lessons and the humor. Pete and Wink keep plenty of odd company, including Kingston, coolest king of the jungle; Stucco, a mute clown who still manages to make his point; Manfred, the bookish monkey; Dusty, the wisecracking tell-it-like-it-is trained poodle; Andrea, the new acrobat girl who's caught Pete's eye; and Hairy Mary the Bearded Lady, a mother figure to them all. Take this crew on the road and you get an endless array of situations and relationships, care and impatience, honesty and intolerance. It's like one big Big Top family . . . one that welcomes all readers for the mere price of a ticket.

#1 NEW YORK TIMES BESTSELLER • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BOOKPAGE • *The must-read thriller of the year, for readers of dark psychological suspense and modern classics of mystery and adventure This ebook edition contains a special preview of Dean Koontz's *The Silent Corner*. The girl who said no to death. Bibi Blair is a fierce, funny, dauntless young woman—whose doctor says she has one year to live. She replies, "We'll see." Her sudden recovery astonishes medical science. An enigmatic woman convinces Bibi that she escaped death so that she can save someone else. Someone named Ashley Bell. But save her from what, from whom? And who is Ashley Bell? Where is she? Bibi's obsession with finding Ashley sends her on the run from threats both mystical and worldly, including a rich and charismatic cult leader with terrifying ambitions. Here is an eloquent, riveting, brilliantly paced story with an exhilarating heroine and a twisting, ingenious plot filled with staggering surprises. Ashley Bell is a new milestone in literary suspense from the long-acclaimed master. Praise for Ashley Bell "A mind-bender filled with satisfying surprises."—People (book of the week) "[With] lyrical writing and compelling characters . . . Koontz stands alone, and this novel is a prime example of literary suspense. . . . One of his best."—Associated Press "Grabs you on page one and keeps you enthralled with ever widening loops of intrigue, spine-tingling plot twists, absorbing characters and emotional involvement . . . extraordinary."—Bookreporter "Heart-pounding and mind boggling . . . a rarity of a thriller—one that asks big questions about life and destiny while succeeding in creating [an] eerie sense of reality."—Shelf Awareness "Strap in and hold on. . . . When a writer has managed to catch this kind of lightning in a bottle, every reader should experience the full jolt."—BookPage*

Shares secrets to creating effective caricatures, focusing on what features to emphasize in a face, and includes

information on basic theories and professional tips and tricks.

From Artist and Illustrator, Lacey Swan, comes a fun, creative and inspiring coloring book for young girls. "The Color Tribe" is a Coloring Series about four girls and their creative adventures which will be a fabulous gift for your little lovelies. A surefire way to spark their imagination and bring out their own little style that they can do by themselves or even at a overnight slumber party! A whimsical coloring story about the character Brooke on adventures with her best friends and documenting it all with her camera. Perfect gift the "tween girl" in your life. This book is filled with 55+ pages from super fun cut-outs such as bookmarks to banners to other DIY's to keep the girls on their creative toes. It's great for coloring pencils, crayons, gel pens or markers! Pages are 8.5" x 11" premium white paper and are one-sided to prevent bleeding through the pages.

In 1962, boxing writers and fans considered Cassius Clay an obnoxious self-promoter, and few believed that he would become the heavyweight champion of the world. But Malcolm X, the most famous minister in the Nation of Islam—a sect many white Americans deemed a hate cult—saw the potential in Clay, not just for boxing greatness, but as a means of spreading the Nation's message. The two became fast friends, keeping their interactions secret from the press for fear of jeopardizing Clay's career. Clay began living a double life—a patriotic "good Negro" in public, and a radical reformer behind the scenes. Soon, however, their friendship would sour, with disastrous and far-reaching consequences. Based on previously untapped sources, from Malcolm's personal papers to FBI records, *Blood Brothers* is the first book to offer an in-depth portrait of this complex bond. Acclaimed historians Randy Roberts and Johnny Smith reconstruct the worlds that shaped Malcolm and Clay, from the boxing arenas and mosques, to postwar New York and civil rights-era Miami. In an impressively detailed account, they reveal how Malcolm molded Cassius Clay into Muhammad Ali, helping him become an international symbol of black pride and black independence. Yet when Malcolm was barred from the Nation for criticizing the philandering of its leader, Elijah Muhammad, Ali turned his back on Malcolm—a choice that tragically contributed to the latter's assassination in February 1965. Malcolm's death marked the end of a critical phase of the civil rights movement, but the legacy of his friendship with Ali has endured. We inhabit a new era where the roles of entertainer and activist, of sports and politics, are more entwined than ever before. *Blood Brothers* is the story of how Ali redefined what it means to be a black athlete in America—after Malcolm first enlightened him. An extraordinary narrative of love and deep affection, as well as deceit, betrayal, and violence, this story is a window into the public and private lives of two of our greatest national icons, and the tumultuous period in American history that they helped to shape.
