Pride and Solidarity

Suggesting that some individuals are better human beings than others, the author describes the key qualities of proud people and encourages everyone to explore their own unique gifts and become proud

Working Lives details a cross section of Rhode Island's labor history from 1890 to the present. Unusual insight is provided through a collection of oral interviews of individuals who actually make up this history. The quality of work, life and social attitudes of the times are revealed through their eyes and in their own words. The book probes the lives of the interviewees and places their activities in the context of the wide social changes that have occurred in Rhode Island.

Injured Pride

'It's fascinating and moving to discover and identify those LGBT people in less happy times, who fought for the freedoms LGBT people now enjoy in the UK. This book will make you look back with gratitude and astonishment for what has been achieved.' Sir Ian McKellen LGBT activist and civil rights history from the 1960s to the 2000s has had a huge impact on our social and political landscape in the UK, yet much of this history remains hidden. Prejudice and Pride: LGBT Activist Stories from Manchester and Beyond explores aspects of LGBT activist history. It covers educational activism, youth work activism and the history of the LGBT Centre in Manchester. Through personal stories of activists, heard and recorded by young people from LGBT Youth North West, the book explores the 'wibbly wobbly' nature of people's histories. It reveals how they interlink in surprising and creative ways to form the current landscape of both prejudice and pride. Also contains exercises for interpreting and ideas for collecting activist histories within youth work.

Newark's Cathedral Basilica of the Sacred Heart is one of the United States' greatest cathedrals and most exceptional Gothic Revival buildings. Gothic Pride sets Sacred Heart in the context of American cathedral building and, blending diverse fields, accounts for the complex circumstances that produced it.

This study attempts to analyze the multi-faceted and complicated relationship between the Central European, Germanic-Austrian cultural milieu and the Jewish national literature and culture which evolved within it at the turn of the last century. Issues regarding the construction and differentiation of a modern Jewish national identity and culture as an aspect of Cultural Zionism are central to this project, as are the problematical literary and cultural partnerships forged in an age of rising racist thought, growing feminist consciousness, and increasing secularism.

Joe Glass's *The Pride* in a full omnibus trade paperback, collecting volumes 1 and 2 as well as the collection of self-contained stories, *The Pride Adventures!* In *The Pride*, FabMan is sick of being seen as a joke. Tired of the LGBTQ+ community being seen as inferior to straight heroes, he thinks it's about damn time he did something about it. Bringing together some of the world's greatest LGBTQ+ superheroes, the *Pride* is born to protect the world and fight prejudice, misrepresentation and injustice--not to mention a pesky supervillain or two. *The Pride*

Adventures brings a whole host of extra, self-contained stories and adventures starring the heroes of the Pride! See the team members face down crazed shooters, invasions, and even a sixty-foot-tall drag queen! Featuring a slew of incredible artistic talent, plus stories from writers Mike Garley, Sina Grace and PJ Montgomery too! Follow the LGBTQ+ heroes into whole new stories and meet even more characters in the world of The Pride! Join the Pride as they work to change the world and show just what they can do! Collects the original digital series The Pride and The Pride Adventures in print for the first time. "[F]or readers hungry for queer superheroes. Joe Glass' The Pride introduces a superhero universe built on LGBTQ+ inclusion, following a team that is explicitly created to show the range of the queer experience. The Pride features superheroes who are gay, lesbian, bi, trans, non-binary, and children of gay parents. Glass blends modern queer issues with classic superhero storytelling to tell narratives that classic superhero comics haven't touched. . . . The Pride excels at using queer struggle and joy to show a different side of the superhero genre."--AV Club "I highly recommend this smart, charming, wonderful book to anyone who likes good comics. It's absolutely a pleasure to read and a clear labor of love."--Gail Simone, Batgirl, Leaving Megalopolis, Clean Room "Old-school and progressive at the same time. Classic, high-energy superhero action that gives the queer community the heroes they've always deserved."--Steve Orlando, Midnighter, Virgil "The Pride is the modern, inclusive, and compelling superhero epic the world needs today."--Alex Segura, co-writer of The Black Ghost and author of the acclaimed Pete Fernandez Miami Mystery novel series.

LGBT Activist Stories from Manchester and Beyond

These findings present a breakthrough in urban studies and school desegregation research. The author establishes that the history of school desegregation began much earlier than commonly thought, with almost a decade of planning, redevelopment, and urban renewal initiatives, and that school boards and administrators were only minor actors in a cast that included mayors, city councils, and state legislators. Two events make the history of Norfolk in the 1950s remarkable: the voracity of its attack upon urban blight and the ferocity of its resistance to school desegregation. One of the first cities in the nation to initiate large-scale redevelopment efforts, Norfolk was the chief battleground to court-ordered school desegregation.

Pride and Prejudice gets remixed in this smart, funny, gorgeous retelling of the classic, starring all characters of color, from Ibi Zoboi, National Book Award finalist and author of American Street. Zuri Benitez has pride. Brooklyn pride, family pride, and pride in her Afro-Latino roots. But pride might not be enough to save her rapidly gentrifying neighborhood from becoming unrecognizable. When the wealthy Darcy family moves in across the street, Zuri wants nothing to do with their two teenage sons, even as her older sister, Janae, starts to fall for the charming Ainsley. She especially can't stand the judgmental and arrogant Darius. Yet as Zuri and Darius are forced to find common ground, their initial dislike shifts into an unexpected understanding. But with four wild sisters pulling her in different directions, cute boy Warren vying for her attention, and college applications hovering on the horizon, Zuri fights to find her place in Bushwick's changing landscape, or lose it all. In a timely update of Jane Austen's Pride and Prejudice, critically acclaimed author Ibi Zoboi skillfully balances cultural identity, class, and gentrification against the heady magic of first love in her vibrant reimagining of this beloved classic.

Pride's Way

A Student Casebook to Issues, Sources, and Historical Documents

Aware of Mr. Doby's neglect by biographers, Mr. Moore, who has been a fan of his subject ever since he heard the Doby legend, seeks to give him recognition. . . . Mr. Moore effectively uses records, interviews, and a clear narrative style to make his points (what is more persuasive in sports than an athlete's record! what is more animated than public statements and their refutations!), and gives voice to some of Mr. Doby's severest critics.... Pride Against Prejudice is a tribute to both its author and Larry Doby New York Times Book Review This is an excellent biography of Larry Doby, the first black player in the American League and one of the first black managers in the major leagues. . . . Moore has done a superb job of researching Doby's life and writing about it. The book is highly recommended. The Sporting News As the second black major league baseball player, following Jackie Robinson, Larry Doby has never received the acclaim accorded to Robinson; yet his experiences of segregation and racial invective, and his courage and ability to excel in the face of almost overwhelming circumstances, were equivalent. This fascinating biography brings to light many interesting and little-known facts concerning Doby's life and baseball career, and his contribution as a civil rights pioneer in the American League. His story is perceived as the story of the many black men who followed him into major league baseball, and who shared importantly in pioneering the integration of the sport.

Pride and Promises

A Day Book

Pride of the Inland Seas tells the tale of Duluth-Superior's development during three centuries of political, economic, technological, and social changes. Along the way, it paints a vivid canvas of the port's history against a backdrop of key industries that helped build a young United States: forest products, iron and steel, grain, and coal. It also captures intriguing stories of entrepreneurs who built, loaded, and sailed the ships that have made the Twin Ports synonymous with Great Lakes maritime commerce.

Young boy trains two runty hound pups to track down the wild boar that killed his father. A tale of the Great Smoky Mountains.
