With more deaths, an 'accident' at the bridge and an increasing stench of corruption over the financing of the bridge's repairs, he realises he owes more to his soon-to-be former colleagues than to his future life as a secular doctor. But will there be enough time for him to unveil the identities of those who seek to undermine both the town and the University, or will he prove powerless to protect those he loves from death or disgrace or worse?

From the author of *The Notebook*, this is the story of two brothers deeply bound by love and tragedy and an extraordinary chronicle of a life-affirming trip. In January 2003 Nicholas Sparks and his brother Micah set off on a three-week trip around the world. An adventure by any measure, this trip was especially meaningful as it marked another milestone in the life journey of two brothers who, by their early thirties, were the only surviving members of their family. As Nicholas and Micah travel the globe, from the Taj Mahal to Machu Picchu, the story of their family slowly unfolds. Just before Nicholas' marriage he and Micah lost their mother in a horseriding accident; a week short of Nicholas' triumphant debut as a novelist with *THE NOTEBOOK*, the brothers lost their father to a car crash, and just a few short years later they were forced to say goodbye to their sister who died of brain cancer at the young age of 36. Against the backdrop of the main wonders of the world the brothers come together to heal the wounds of this tragic legacy and maintain their determination to live life to its fullest. \*The breathtaking new love story from Nicholas Sparks, *Every Breath*, is available to pre-order now\*

Neste romance inspirado em Manuel Maria Barbosa du Bocage, Luis Rosa apresenta um homem tumultuado, onde coabitam o sublime e o prosaico, um espírito minado por inquietações vorazes que só na poesia e no amor se apazigua. E é essa duplicidade do poeta e da época em que lhe foi dado viver que o autor tão bem soube captar e deixar impressa nestas páginas que nos falam de um gênio irremediavelmente embriagado com a sensualidade, o amor e a vida. love of his life, and anticipating the birth of their daughter. But just as his life seems to be settling into a blissful pattern, an unsettling and mysterious message re-opens old wounds and sets off a chain of events that will forever change the course of this young couple's marriage. Dramatic, heartbreaking and surprising, this is a story about the love between a man and a woman and between a parent and a child. More than that, it is a story that beautifully portrays how the same emotion that can break your heart is also the one that will ultimately heal it. While the novel picks up the tale of Lexie Darnell and Jeremy Marsh that started in True Believer and will delight fans of that novel, it stands on its own as one of Nicholas Sparks's most deeply moving love stories.
