

## Progeny Press Great Gatsby

The 40th anniversary edition of the classic Newbery Medal-winning title by beloved author Katherine Paterson, with brand-new bonus materials including an author’s note by Katherine herself and a foreword by New York Times bestselling author Kate DiCamillo. Jess Aarons has been practicing all summer so he can be the fastest runner in the fifth grade. And he almost is, until the new girl in school, Leslie Burke, outpaces him. The two become fast friends and spend most days in the woods behind Leslie’s house, where they invent an enchanted land called Terabithia. One morning, Leslie goes to Terabithia without Jess and a tragedy occurs. It will take the love of his family and the strength that Leslie has given him for Jess to be able to deal with his grief. Bridge to Terabithia was also named an ALA Notable Children ’ s Book and has become a touchstone of children ’ s literature, as have many of Katherine Paterson ’ s other novels, including The Great Gilly Hopkins and Jacob Have I Loved. Imagine your misfortune if, like Stanley Yelnats, you found yourself the victim of a miscarriage of justice and interned in Camp Green Lake Correctional Institute. How would you survive? Thoughtfully Louis Sachar has leant his knowledge and expertise to the subject and created this wonderful, quirky, and utterly essential guide to toughing it out in the Texan desert. Spiced with lots of information about the characters in HOLES, as well as lots of do’s and don’ts for survival, this is an essential book for all those hundreds of thousands of HOLES’ fans.

Narrative as Rhetoric

*Philip Roth – one of the most renowned writers of his generation – hardly needs introduction. From his debut, Goodbye, Columbus, which won the National Book Award, to his Pulitzer Prize-winning American Pastoral, to his eternally inventive later works such as Exit Ghost and Nemesis, Roth has produced some of the greatest literature of the past hundred years. And yet there has been no major critical work about him, until now. Here, at last, is the story of Roth’s creative life. Claudia Roth Pierpont tells an engaging story even as she delves into the many complexities of Roth’s work and the controversies it has raised. This is not a biography – though it contains many biographical details – but something more rewarding: an attempt to understand a great writer through his art. Pierpont, who has known Roth for several years, peppers her gracefully written and carefully researched account with conversational details, providing insights and anecdotes previously accessible only to a very few, touching on Roth’s family, his inspirations, his critics, the full range of his fiction, and his literary friendships with such figures as Saul Bellow and John Updike. Roth Unbound is a major achievement, a fascinating and highly readable work that will set the standard for Roth scholarship for years to come.*

*"In Narrative as Rhetoric, James Phelan explores the consequences for narrative theory of two significant principles: (1) narrative is rhetoric because narrative occurs when someone tells a particular story for a particular audience in a particular situation for some particular purpose(s); (2) the reading of narrative is a multidimensional activity, simultaneously engaging our intellects, emotions, ideologies, and ethics." "The rhetorical theory of narrative that emerges from these investigations emphasizes the recursive relationships between authorial agency, textual phenomena, and reader response, even as it remains open to insights from a range of critical approaches – including feminism, psychoanalysis, Bakhtinian linguistics, and cultural studies. The rhetorical criticism Phelan advocates and employs seeks, above all, to attend carefully to the multiple demands of reading sophisticated narrative; for that reason, his rhetorical theory moves less toward predictions about the relationships between techniques, ethics, and ideologies and more toward developing some principles and concepts that allow us to recognize the complex diversity of narrative art." "Written with clarity and flair and experimenting at times with the conventions of critical writing, this collection, which includes some of Phelan's best work, is itself audience oriented. The book includes an appendix that is in part an experiment with voice, and it ends with a helpful glossary of the technical vocabulary of narrative theory."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. *Shortlisted for the Financial Times and McKinsey Best Book of the Year Award in 2011 “A masterpiece.” –Steven D. Levitt, coauthor of Freakonomics “Bursting with insights.” –The New York Times Book Review A pioneering urban economist presents a myth-shattering look at the majesty and greatness of cities America is an urban nation, yet cities get a bad rap: they're dirty, poor, unhealthy, environmentally unfriendly . . . or are they? In this revelatory book, Edward Glaeser, a leading urban economist, declares that cities are actually the healthiest, greenest, and richest (in both cultural and economic terms) places to live. He travels through history and around the globe to reveal the hidden workings of cities and how they bring out the best in humankind. Using intrepid reportage, keen analysis, and cogent argument, Glaeser makes an urgent, eloquent case for the city's importance and splendor, offering inspiring proof that the city is humanity's greatest creation and our best hope for the future.*

*One of the earliest road-trip novels, Free Air tells the story of Claire Boltwood, who travels from New York City to the Pacific Northwest by automobile. She leaves her rich, snobbish family behind and falls in love with a good, down-to-earth man.*

*The Chronicles of Narnia Vol III: The Voyage of the Dawn Treader*

*Decorating a Room of One's Own*

*Absalom, Absalom!*

*Triumph of the City*

*Adaptation and ElastEXTity*

A single mistake can change a life forever. Lero once had everything a man could want. The son of Poseidon, he was a gift from the gods to the queen of Corinth. But in one moment of foolish pride he lost everything—his family, his home, and the city he’d grown up expecting to rule. Banished, Lero flees to Ethra, his betrothed, but the plans they’d made for a life together lay in ruins. With the coffers of Corinth no longer at his disposal, Lero now needs enough wealth to provide a home—and to hire warriors to defend it. His only option is to use his skills in the bloody art of war, selling his sword for the hope of a future. King Proteus of Tiryns offers Lero that chance, but it doesn’t come free. Proteus maintains power with fear, and the intrigue in his court soon has Lero firmly in his grasp. Lero spends his days killing men he doesn’t hate for a king he can’t respect. And if he doesn’t find a way to escape soon, it’s likely the next life Proteus claims will be Lero’s own. But trying to fight his way free may cost Lero everything he’s been fighting for...

“Compelling, essential reading for understanding the underpinnings of psychopathy.” — M. E. Thomas, author of Confessions of a Sociopath For his first fifty-eight years, James Fallon was by all appearances a normal guy. A successful neuroscientist and professor, he’d been raised in a loving family, married his high school sweetheart, and had three kids and lots of friends. Then he learned a shocking truth that would not only disrupt his personal and professional life, but would lead him to question the very nature of his own identity. While researching serial killers, he uncovered a pattern in their brain scans that helped explain their cold and violent behavior. Astonishingly, his own scan matched that pattern. And a few months later he learned that he was descended from a long line of murderers. Fallon set out to reconcile the truth about his own brain with everything he knew as a scientist about the mind, behavior, and personality.

After the Great War, Nick Carraway finds himself living among the idle rich. As he surveys their reckless lives and relationships, he is repeatedly drawn to one man who still believes in the American Dream: Jay Gatsby. As Nick and Gatsby are carried along by forces that neither of them fully control or understand, they get a thorough education on the consequences of materialism, deceit, and petty self-interest. Setting: New England, 1920s

“Read, read, read. Read everything—trash, classics, good and bad, and see how they do it. Just like a carpenter who works as an apprentice and studies the master. Read! You’ll absorb it. Then write. If it is good, you’ll find out. If it’s not, throw it out the window.” —William Faulkner Absalom, Absalom! is Faulkner’s epic tale of Thomas Sutpen, an enigmatic stranger who comes to Jefferson, Mississippi, in the early 1830s to wrest his mansion out of the muddy bottoms of the north Mississippi wilderness. He was a man, Faulkner said, “who wanted sons and the sons destroyed him.”

This book posits adaptations as 'hideous progeny,' Mary Shelley's term for her novel, Frankenstein . Like Shelley's novel and her fictional Creature, adaptations that may first be seen as monstrous in fact compel us to shift our perspective on known literary or film works and the cultures that gave rise to them.

Great Expectations is the thirteenth novel by Charles Dickens and his penultimate completed novel. It depicts the education of an orphan nicknamed Pip. It is Dickens's second novel, after David Copperfield, to be fully narrated in the first person.

Records the courage and self-reliance of an Indian girl who lived alone for eighteen years on an isolated island off the California coast when her tribe emigrated and she was left behind.

The upmarket and salubrious area of Long Island is the stamping ground for a dying breed of America's super-rich. It is also the residence of John Sutter, lawyer - very top-drawer, old money, right clubs - and his sensual wife, Susan. Their lives are about to be turned dramatically upside down by their new 'next-door' neighbour - a certain Mr Frank Bellarosa, top Mafia don and master manipulator. It is he who will impress upon them a rule much older than the archaic etiquette of the old-money set: a favour accepted is a favour owed. Twenty-five years after it was first published, Nelson DeMille's Gold Coast stands as a modern thriller classic, a stylish, compelling and provocative novel will grip readers from beginning to end.

**Literature, Film, and Their Hideous Progeny**

'A tour de force of imagery and emotion.' - Clio Gray, author of 'The Anatomist's Dream' In the aftermath of a devastating earthquake Sarah travels back to her home town with her young son. Delays and diversions take Sarah on an emotional journey as she forced to return to well-known places echoing with painful memories from her youth. Set in the wild, beautiful and unreliable landscape of southern New Zealand, Emma Timpany’s novella is an evocative story of a woman coming to terms with her past and forging a brighter future.

Depicts the inner-workings of the Hollywood movie industry and its impact on the fabric of American life.

This Side of Paradise is the debut novel by F. Scott Fitzgerald, published in 1920. The book examines the lives and morality of post-World War I youth. Its protagonist Amory Blaine is an attractive student at Princeton University who dabbles in literature. The novel explores the theme of love warped by greed and status seeking, and takes its title from a line of Rupert Brooke's poem Tiare Tahiti. The novel famously helped F. Scott Fitzgerald gain Zelda Sayre's hand in marriage: its publication was her condition of acceptance.

A beloved classic that captures the powerful bond between man and man’s best friend. Billy has long dreamt of owning not one, but two, dogs. So when he’s finally able to save up enough money for two pups to call his own—Old Dan and Little Ann—he’s ecstatic. It doesn’t matter that times are tough; together they’ll roam the hills of the Ozarks. Soon Billy and his hounds become the finest hunting team in the valley. Stories of their great achievements spread throughout the region, and the combination of Old Dan’s brawn, Little Ann’s brains, and Billy’s sheer will seems unbeatable. But tragedy awaits these determined hunters—now friends—and Billy learns that hope can grow out of despair, and that the seeds of the future can come from the scars of the past. Praise for Where the Red Fern Grows A Top 100 Children’s Novel, School Library Journal’s A Fuse #8 Production A Must-Read for Kids 9 to 14, NPR Winner of Multiple State Awards Over 7 million copies in print! “Very touching.” —The New York Times Book Review “One of the great classics of children’s literature . . . Any child who doesn’t get to read this beloved and powerfully emotional book has missed out on an important piece of childhood for the last 40-plus years.” —Common Sense Media “An exciting tale of love and adventure you’ll never forget.” —School Library Journal “A book of unadorned naturalness.” —Kirkus Reviews “Written with so much feeling and sentiment that adults as well as children are drawn [in] with a passion.” —Arizona Daily Star “It’s a story about a young boy and his two hunting dogs and . . . I can’t even go on without getting a little misty.” —The Huffington Post “We tear up just thinking about it.” —Time on the film adaptation Since 2001 William Germano's Getting It Published has helped thousands of scholars develop a compelling book proposal, find the right academic publisher, evaluate a contract, handle the review process, and, finally, emerge as published authors. But a lot has changed in the past seven years. With the publishing world both more competitive and mor...

The Voyage of the Dawn Treader sees Edmund and Lucy, along with their priggish cousin Eustace Scrubb, return to Narnia. Once there, they join Caspian’s voyage on the ship to find the seven lords who were banished when Miraz took over the throne. As they sail toward Aslan’s country at the edge of the world, they come face to face with many dangers and wonders, including the place where dreams come true. They discover that their quest is more than they imagined and that the world’s end is only the beginning...

A Neuroscientist's Personal Journey into the Dark Side of the Brain

Great Gatsby Study Guide

The Love of the Last Tycoon

Regarded as a masterpiece of American literature, this timeless story of growing up in the South became an instant bestseller when first published in 1960 and later was made into a classic film.

What would Little Women be without the charms of the March family’s cozy New England home? Or Wuthering Heights without the ghost-infested Wuthering Heights? Getting lost in the setting of a good book can be half the pleasure of reading, and Decorating a Room of One’s Own brings literary backdrops to the foreground in this wryly affectionate satire of interior design reporting. English professor and humorist Susan Harlan spoofs decorating culture by reimagining its subject as famous fictional homes and “interviews” the residents who reveal their true tastes: Lady Macbeth’s favorite room in the castle, or the design inspiration behind Jay Gatsby’s McMansion of unfulfilled dreams. Featuring 30 entries of notable dwellings, sidebars such as “Setting Up an Ideal Governess’s Room,” and four-color spot illustrations throughout, Decorating a Room of One’s Own is the ideal book for readers who appreciate fine literature and a good end table.
