***African Roar is a fiction anthology initially drawn from the very best stories published from 2007-2009, in the StoryTime weekly literary ezine dedicated to publishing African writers. Between these covers you will find eleven stories that stand as a testament to the upsurge of talented African writers boldly utilising the cutting edge of technology and the writing craft to be read globally. Spanning Africa and the African Diaspora in past, present and future, each story has a fresh and diverse vision that opens up new vistas of experience. From the lucid terrors of domestic violence through the eyes of a child, and the anguish of those left behind by a fleeing Diaspora, to a full circle, when the prey becomes the hunter and has the opportunity for revenge, and a dryly humorous look at what it's like to lose a quarter of your brain, to name just a few of the treasures that lie within. Edited by Emmanuel Sigauke & Ivor W. Hartmann.***

In this monumental book, Chris Harman achieves the impossible—a gripping history of the planet from the perspective of the struggling people throughout the ages. From earliest human society to the Holy Roman Empire, from the Middle Ages to the Enlightenment, from the Industrial Revolution to the end of the millennium, Chris Harman provides a brilliant and comprehensive history of the planet. Eschewing the standard histories of ‘Great Men,’ of dates and kings, Harman offers a groundbreaking counter-history, a breathtaking sweep across the centuries in the tradition of ‘history from below.’ In a fiery narrative, he shows how ordinary men and women were involved in creating and changing society and how conflict between classes was often at the core of these changes. While many pundits see the victory of capitalism as now safely secured, Harman explains the rise and fall of societies and civilizations throughout the ages and demonstrates that history never ends. This magisterial study is essential reading for anyone interested in how society has changed and developed and the possibilities for further radical change. From the author of ‘Seven Things The Holy Spirit Will Do For You’ comes yet another inspirational book about the Holy Spirit and His ministry in the life of the believer. In Seven Things The Holy Spirit Will Do In You, Pastor Chris introduces the Holy Spirit and shows you

building success in every area of living. In the book of Romans, the apostle Paul encourages believers to be transformed by renewing their mind. The Greek word for transformed is "metamorphosis"; or "to change." Dr. Winston reveals that believers must believe what God says about them and their situations, more than what their circumstances say. They must build a new way of thinking. Dr. Winston encourages that God's Word takes a higher place than their current situations. God promises an abundant life, not a barely-get-through-it life, but that is where many believers have been living. Readers will begin to discover God's promises and find ways to renew their minds through study and meditation, giving them the inner strength to overcome adversity and find success in every area.

This book investigates the substantial and growing contribution which African Independent and Pentecostal Churches are making to sustainable development in all its manifold forms.

Moreover, this volume seeks to elucidate how these churches reshape the very notion of sustainable development and contribute to the decolonisation of development. Fostering both overarching and comparative perspectives, the book includes chapters on West Africa (Nigeria, Ghana, and Burkina Faso) and Southern Africa (Zimbabwe and South Africa). It aims to open up a subfield focused on African Initiated Christianity within the religion and development discourse, substantially broadening the scope of the existing literature. Written predominantly by scholars from the African continent, the chapters in this volume illuminate potentials and perspectives of African Initiated Christianity, combining theoretical contributions, essays by renowned church leaders, and case studies focusing on particular churches or regional contexts.

While the contributions in this book focus on the African continent, the notion of development underlying the concept of the volume is deliberately wide and multidimensional, covering economic, social, ecological, political, and cultural dimensions. Therefore, the book will be useful for the community of scholars interested in religion and development as well as researchers within African studies, anthropology, development studies, political science, religious studies, sociology of religion, and theology. It will also be a key resource for development policymakers and practitioners.

***your own miracle. As you go through the pages of this book, open your heart and let faith rise in you. As the Lord Jesus did for those in this book and many others around the world who believe in Him for a miracle, He would do for you because He is the same yesterday, today and forever!***

***"God wants to answer ALL your prayers! "If He had planned it any other way, He would never have required you to pray. But He'll hear and answer only when you're 'PRAYING THE RIGHT WAY.' Discover the secrets and principles of effective prayer in this concise, yet comprehensive book by Chris Oyakhilome and rid yourself of any wrong mindsets, doctrines, perceptions, practices and prayers that may have clogged the wheels of your prayer life.***

***God has more for us than what we are experiencing. We have all limited God in our lives at some point in one way or another. Fear of success, fear of persecution and imaginations are all ways that we limit God. We often see ourselves in a certain way but we have to change that image if we want to experience the abundant life that God has for us. To be able to see big things happen like healing, prosperity in finances and restoration of marriages, you have to let the Word of God paint a picture on the inside of you. Often, if you meditate on that and let the Word of God work, the limits are taken off and what you are praying to happen, will come to pass. In this book, author Andrew Wommack helps you to recognize the areas that you are limiting God so that you can move forward and fulfill His will for your life. Once you take the limits off God, watch what He will do in you and through you!***
