Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

This book, first published in 2000, is a full-length study of the representation of deceit and lies in classical Athens. Dr Hesk traces the ways in which Athenian drama, democratic oratory and elite prose-writing construct and theorize a relationship between dishonesty and civic identity. He focuses on the ideology of military trickery, notions of the 'noble lie' and the developing associations of rhetorical language

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

with deceptive communication. Deception and Democracy in Classical Athens combines close analysis of Athenian texts with lively critiques of modern theorists and classical scholars. Athenian democratic culture was crucially informed by a nuanced, anxious and dynamic discourse on the problems and opportunities which deception presented for its citizenry. Mobilizing comparisons with twentieth-century democracies, the author argues that Athenian literature made deception a fundamental concern for democratic citizenship. This ancient discourse on lying highlights the dangers of

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

modern resignation and postmodern complacency concerning the politics and morality of deception.

This book is an addition to the burgeoning secondary literature on ancient emotions. Its primary aim is to suggest possible ways in which recent approaches to emotions can help us understand significant aspects of persuasion in classical antiquity and, especially audiences' psychological manipulation in the civic procedures of classical Athens. Based on cognitive approaches to emotions, Skinner's theoretical work on the language of ideology, or

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

ancient theories about enargeia, the book examines pivotal aspects of psychological manipulation in ancient rhetorical theory and practice. At the same time, the book looks into possible ways in which the emotive potentialities of vision -both sights and mental images- are explained or deployed by orators. The book includes substantial discussion of Gorgias' approach to sights' emotional qualities and their implications for persuasion and deception and the importance of visuality for Thucydides' analysis of emotions' role in the polis' public communication. It also looks into the deployment

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

of enargeia in forensic narratives revolving around violence. The book also focuses on the ideological implications of envy for the political discourse of classical Athens and emphasizes the rhetorical strategies employed by self-praising speakers who want to preempt their listeners' loathing. The book is therefore a useful addition to the burgeoning secondary literature on ancient emotions. Despite the prominence of emotions in classicists' scholarly work, their implications for persuasion is undeservedly under-researched. By employing appraisal-oriented analysis of emotions this books suggests

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

new methodological approaches to ancient pathopoia. These approaches take into consideration the wider ideological or cultural contexts which determine individual speakers' rhetorical strategies. This book is the second volume of Ancient Emotions, edited by George Kazantzidis and Dimos Spatharas within the series Trends in Classics. Supplementary Volumes. This project investigates the history of emotions in classical antiquity, providing a home for interdisciplinary approaches to ancient emotions, and exploring the inter-faces between emotions and significant aspects of ancient

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

literature and culture

Athenians performed democracy daily in their law courts. Without lawyers or judges, private citizens, acting as accusers and defendants, argued their own cases directly to juries composed typically of 201 to 501 jurors, who voted on a verdict without deliberation. This legal system strengthened and perpetuated democracy as Athenians understood it, for it emphasized the ideological equality of all (male) citizens and the hierarchy that placed them above women, children, and slaves. This study uses Athenian court speeches to trace the

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

consequences for both disputants and society of individuals' decisions to turn their quarrels into legal cases. Steven Johnstone describes the rhetorical strategies that prosecutors and defendants used to persuade juries and shows how these strategies reveal both the problems and the possibilities of language in the Athenian courts. He argues that Athenian "law" had no objective existence outside the courts and was, therefore, itself inherently rhetorical. This daring new interpretation advances an understanding of Athenian democracy that is not narrowly political, but rather links power to the practices

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

of a particular institution.

Featuring roughly sixty specially commissioned essays by an international cast of leading rhetoric experts from North America, Europe, and Great Britain, the Handbook will offer readers a comprehensive topical and historical survey of the theory and practice of rhetoric from ancient Greece and Rome through the Middle Ages and Enlightenment up to the present day.

Creating the Ancient Rhetorical Tradition

The role of athletics in ancient Greece extended well beyond the realms of kinesiology, competition, and entertainment. In teaching and philosophy, athletic practices overlapped with rhetorical ones and formed a shared mode of knowledge production. Bodily Arts examines this intriguing intersection, offering an important context for understanding the attitudes of ancient Greeks toward themselves and their environment. In classical society, rhetoric was an activity, one that was in essence

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

"performed." Detailing how athletics came to be rhetoric's "twin art" in the bodily aspects of learning and performance, Bodily Arts draws on diverse orators and philosophers such as Isocrates, Demosthenes, and Plato, as well as medical treatises and a wealth of artifacts from the time, including statues and vases. Debra Hawhee's insightful study spotlights the notion of a classical gymnasium as the location for a habitual "mingling" of athletic and rhetorical performances, and the use of ancient athletic instruction to create rhetorical training based on rhythm, repetition, and response. Presenting her data against the backdrop of a broad cultural perspective rather than a narrow disciplinary one,

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

Hawhee presents a pioneering interpretation of Greek civilization from the sixth, fifth, and fourth centuries BCE by observing its citizens in action.

Greek and Roman traditions dominate classical rhetoric. Conventional historical accounts characterize Roman rhetoric as an appropriation and modification of Greek rhetoric, particularly the rhetoric that flourished in fifth and fourth centuries BCE Athens. However, the origins, nature and endurance of this Greco-Roman relationship have not been thoroughly explained. Roman Rhetoric: Revolution and the Greek Influence reveals that while Romans did benefit from Athenian rhetoric, their own rhetoric was also influenced by later Greek and non-

The Handbook of Organizational Rhetoric and Communication

This book argues that narrations of rhetorical performances in late antique literature can be interpreted as a reflection of the ongoing debates of the time. Competition among cultural elites, strategies of self-presentation and the making of religious orthodoxy often took the shape of narrations of rhetorical performances in which comments on the display of oratorical skills also incorporated moral and ethical judgments about the performer. Using texts from late antique authors (in particular, Themistius, Synesius of Cyrene, and Libanius of Antioch), this book proposes that this type of narrative

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

should be understood as a valuable way to decipher the cultural and religious landscape of the fourth century AD. The volume pays particular attention to narrations of deficient rhetorical deliveries, arguing that the accounts of flaws and mistakes in oratorical displays and rhetorical performances reveal how late antique literature echoed the concerns of the time. Criticisms of deficient deliveries in different speaking occasions (declamations, public speeches, oratorical agones, school exercises, sermons) were often disguised as accusations of practising magic, heresy or cultural apostasy. A close reading of the sources shows that these oratorical deficiencies hid struggles over religious, cultural and political issues.

Demosthenes' speech *On the Crown* (330 B.C.E.), in which the master orator spectacularly defended his public career, has long been recognized as a masterpiece. The speech has been in continuous circulation from Demosthenes' lifetime to the present day, and multiple generations have acclaimed it as the greatest speech ever written. In addition to a clear and accessible translation, *Demosthenes' "On the Crown": Rhetorical Perspectives* includes eight essays that provide a thorough analysis--based on Aristotelian principles--of Demosthenes' superb rhetoric. By bringing together contextual material about Demosthenes and his speech with a translation and astute rhetorical analyses, *Demosthenes' "On the Crown": Rhetorical Perspectives*

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

highlights the oratorical artistry of Demosthenes and provides scholars and students with fresh insights into a landmark speech.

As a speechwriter, orator, and politician, Demosthenes captured, embodied, and shaped his time. He was a key player in Athens in the twilight of the city's independence, and is today a primary source for its history and society during that period. The Oxford Handbook of Demosthenes sets out to explore the many facets of his life, work, and time, giving particular weight to elucidating the settings and contexts of his activities, as well as some of the key themes dealt with in his speeches, and thereby illustrating the interplay and mutual influence between his rhetoric

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

and the environment from which it emerged. The volume's thirty-five chapters are authored by experts in the field and offer both comprehensive coverage and an up-to-date reference point for the issues and problems encountered when approaching the speeches in particular: they not only showcase how Demosthenes' rhetoric was profoundly influenced by Athenian reality, but also explore its reception from Demosthenes' own day right up until the present and how his presentation of his world has subsequently shaped our view of it. The wide range of expertise and the different scholarly traditions represented are a vivid demonstration of the richness and diversity of current Demosthenic studies and the contribution the

volume makes to enriching our knowledge of the life and work of one of the most prominent figures of ancient Greece will be of significance to a wide readership interested in Athenian history, society, rhetoric, politics, and law.

Rhetoric thoroughly infused the world and literature of Graeco-Roman antiquity. This Companion provides a comprehensive overview of rhetorical theory and practice in that world, from Homer to early Christianity, accessible to students and non-specialists, whether within classics or from other periods and disciplines. Its basic premise is that rhetoric is less a discrete object to be grasped and mastered than a hotly contested set of practices that

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

include disputes over the very definition of rhetoric itself. Standard treatments of ancient oratory tend to take it too much in its own terms and to isolate it unduly from other social and cultural concerns. This volume provides an overview of the shape and scope of the problems while also identifying core themes and propositions: for example, persuasion, virtue, and public life are virtual constants. But they mix and mingle differently, and the contents designated by each of these terms can also shift.

In democratic Athens, mass citizen audiences - whether in the lawcourts, or in the political Assembly and Council, or when gathered for formal civic occasions - frequently heard politicians and litigants discussing the city's past, and manipulating it for persuasive ends. The Rhetoric of the Past in Demosthenes and Aeschines explores how these dynamics worked in practice, taking two prominent mid-fourth-century politicians (and bitter adversaries) as focal points. While most recent scholarly treatments of how the Athenians recalled their past concentrate on collective processes, this work looks

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

instead at the rhetorical strategies devised by individual orators, examining what it meant for Demosthenes or Aeschines to present particular 'historical' examples, arguments, and illustrations in particular contexts. It argues that discussing the Athenian past - and therefore discussing a core aspect of Athenian identity itself - offered Demosthenes and Aeschines, among others, an effective and versatile means both of building and highlighting their own credibility, authority, and commitment to the democracy and its values, and of competing with their rivals, whose own versions and

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

handling of the past they could challenge and undermine as a symbolic attack on those rivals' wider competence. Recourse to versions of the past also offered orators a way of reflecting on a troubled contemporary geopolitical landscape in which Athens first confronted the enterprising Philip II of Macedon and then coped with Macedonian hegemony. The work covers the full range of Demosthenes' and Aeschines' surviving public speeches, and the extended opening chapter includes synoptic surveys of key individual topics which feed into the main discussion.

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

"This book explores the history of rhetorical thought and examines the gradual association of different aspects of rhetorical theory with two outstanding fourth-century BCE writers: Lysias and Isocrates. It highlights the parallel development of the rhetorical tradition that became understood, on the one hand, as a domain of style and persuasive speech, associated with the figure of Lysias, and, on the other, as a kind of philosophical enterprise which makes significant demands on moral and political education in antiquity, epitomized in the work of Isocrates. There are two pivotal moments in which

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

the two rhetoricians were pitted against each other as representatives of different modes of cultural discourse: Athens in the fourth century BCE, as memorably portrayed in Plato's *Phaedrus*, and Rome in the first century BCE when Dionysius of Halicarnassus proposes to create from the united Lysianic and Isocratean rhetoric the foundation for the ancient rhetorical tradition"--

Greek rhetoric, in its diverse forms and impact on its contemporary context, is central to an understanding of ancient culture. The influence and exploitation of rhetoric in ancient times and modern reactions to it

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

are the focus of this book. In recent years there has been a renaissance in the study of Greek rhetoric and oratory, informed by modern political sociology and discourse analysis. This book, bringing together the work of leading scholars in the field, examines the relation of ancient oratory and rhetoric to a variety of historical contexts and literary genres at both the theoretical and practical levels, at the same time reflecting new trends and ideas now at work

between speech and wisdom across almost four centuries of evolving ancient Greek thought and teachings—from the mythopoetic tradition of Homer and Hesiod to Aristotle's treatises. Johnstone grounds his study in the cultural, conceptual, and linguistic milieu of archaic and classical Greece, which nurtured new ways of thinking about and investigating the world. He focuses on accounts of logos and wisdom in the surviving writings and teachings of Homer and Hesiod, the Presocratics, the Sophists and Socrates,

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

Isocrates and Plato, and Aristotle. Specifically Johnstone highlights the importance of language arts in both speculative inquiry and practical judgment, a nexus that presages connections between philosophy and rhetoric that persist still. His study investigates concepts and concerns key to the speaker's art from the outset: wisdom, truth, knowledge, belief, prudence, justice, and reason. From these investigations certain points of coherence emerge about the nature of wisdom—that

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

wisdom includes knowledge of eternal principles, both divine and natural; that it embraces practical, moral knowledge; that it centers on apprehending and applying a cosmic principle of proportion and balance; that it allows its possessor to forecast the future; and that the oral use of language figures centrally in obtaining and practicing it. Johnstone's interdisciplinary account ably demonstrates that in the ancient world it was both the content and form of speech that most directly inspired, awakened, and

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

deepened the insights comprehended under the notion of wisdom.

Fifty Years of Rhetoric Society Quarterly: Selected Readings, 1968–2018 celebrates the semicentennial of Rhetoric Society Quarterly, bringing together the most influential essays included in the journal over the past fifty years. Poet and Orator

The interaction between orator and audience, the passions and distrust held by many concerning the predominance of one individual, but also the

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

individual's struggle as an advisor and political leader, these are the quintessential elements of 4th century rhetoric. As an individual personality, the orator draws strength from his audience, while the rhetorical texts mirror his own thoughts and those of his audience as part of a two-way relationship, in which individuality meets, opposes, and identifies with the masses. For the first time, this volume systematically compares minor orators with the major figures of rhetoric, Demosthenes and Isocrates, taking into account other findings as well, such as extracts of Hyperides from the Archimedes Palimpsest. Moreover, this book

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

provides insight into the controversy surrounding the art of discourse in the rhetorical texts of Anaximenes, Aristotle, and especially of Isocrates who took up a clear stance against the philosophy of the 4th century. The goal of this book is to formulate a modern theoretical approach for rhetorical studies in a variety of disciplines in the humanities, media research, and other cultural studies. The discipline of rhetoric originally concerned itself with linguistic forms of communication, and its basic theory was developed with such cases in mind. With respect to this ancient tradition, there are numerous books that provide a

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

historical overview of the field. There is also a wide array of introductory works and research contributions that deal with the practice of political rhetoric. On the other hand, only a few 20th century academics have attempted to theoretically rehabilitate rhetoric (after its decline as an academic discipline in Europe in the 18th and 19th centuries) and to give rhetorical theory a modern, new, and further reaching perspective. Two notable examples have been Kenneth Burke and Brian Vickers. The book begins with the assumption that rhetoric is not merely limited to linguistic action, but rather is present everywhere in the communicative

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

world. Against this background, this work develops a modern theory of rhetoric, and demonstrates in twelve chapters how methodical rhetorical analysis can be done in selected practical fields of application (Literature, Music, Images, and Film).

Short enough to be synoptic, yet long enough to be usefully detailed, *A Short History of Writing Instruction* is the ideal text for undergraduate courses and graduate seminars in rhetoric and composition. It preserves the legacy of writing instruction from antiquity to contemporary times with a unique focus on the material, educational, and institutional context of

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

the Western rhetorical tradition. Its longitudinal approach enables students to track the recurrence over time of not only specific teaching methods, but also major issues such as social purpose, writing as power, the effect of technologies, the rise of vernaculars, and writing as a force for democratization. The collection is rich in scholarship and critical perspectives, which is made accessible through the robust list of pedagogical tools included, such as the Key Concepts listed at the beginning of each chapter, and the Glossary of Key Terms and Bibliography for Further Study provided at the end of

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

the text. Further additions include increased attention to orthography, or the physical aspects of the writing process, new material on high school instruction, sections on writing in the electronic age, and increased coverage of women rhetoricians and writing instruction of women. A new chapter on writing instruction in Late Medieval Europe was also added to augment coverage of the Middle Ages, fill the gap in students' knowledge of the period, and present instructional methods that can be easily reproduced in the modern classroom.

Ancient Non-Greek Rhetorics contributes to the

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

recovery and understanding of ancient rhetorics in non-Western cultures and other cultures that developed independently of classical Greco-Roman models. Contributors analyze facets of the rhetorics as embedded within the particular cultures of ancient China, Egypt, Mesopotamia, the ancient Near East more generally, Israel, Japan, India, and ancient Ireland.

While the study of the history of rhetoric has expanded to include an ever-growing range of rhetorical traditions, lesser-known figures, and under- and un-studied texts, it has continued to exist in the hermetically sealed binary of West and Rest. Rhetorical scholars have begun uncovering the many marginalized rhetorical traditions silenced by the homogenous nature of our histories themselves, reading and writing new histories of the rhetorical tradition through frames from gender to geography. Despite these substantial challenges to the traditionally received history of rhetoric,

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

many voices are still silenced and many spaces are still excluded—voices speaking within the spaces of the less-than-monolithic West itself. This silencing and excluding continues, perhaps, because of assumptions that no texts exist from these marginalized voices or that substantial rhetorical activity was not conducted in these marginalized spaces—regardless of already extant evidence of rhetorical activity as diverse as rural civic ethos in Classical Greece and Etruscan influences on Roman rhetoric or long-standing passive knowledge of scholarly activity in Medieval Andalusia and Ireland. Rhetoric in the Rest of the West attempts to expand the conversation in those gaps in the history of rhetoric by examining the traditions that lost the

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

cultural competition and have been shrouded in the shadow of the rhetorical tradition.

Introduces new scholars to interdisciplinary research by utilizing bibliographical surveys of both primary and secondary works that address the history of rhetoric, from the Classical period to the 21st century.

Examines the rhetoric in and around the New York State Asylum for Idiots in Syracuse from 1854 to 1884. In the nineteenth century, language, rather than biology, created what we think of as disability. Much of the rhetorical nature of “idiocy,” and even intelligence itself, can be traced to the period when the New York State Asylum for Idiots in Syracuse first opened in 1854—memorialized today as the

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

first public school for people considered “feeble-minded” or “idiotic.” The asylum-school pupil is a monumental example of how education attempts to mold and rehabilitate one’s being. Zosha Stuckey demonstrates how all education is in some way complicit in the urge to normalize. The broad, unstable, and cross-cultural category of “people with disabilities” endures an interesting relationship with rhetoric, education, speaking, and writing. Stuckey demystifies some of that relationship which requires new modes of inquiry and new ways of thinking, and she calls into question many of the assumptions about embodied differences as they relate to pedagogy, history, and public participation. “There is no other single work quite like this

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

Roman Rhetoric

The Attic orators, whose works are an invaluable source on the social and political history of Classical Athens, often filled their speeches with charges of conspiracy involving almost every facet of Athenian life. There are allegations of plots against men's lives, property, careers, and reputations as well as charges of conspiracy against the public interest, the government, the management of foreign affairs, and more. Until now, however, this obsession with conspiracy has received little scholarly

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

attention. In order to develop the first full picture of this important feature of Athenian discourse, Joseph Roisman examines the range and nature of the conspiracy charges. He asks why they were so popular, and considers their rhetorical, cultural, and psychological significance. He also investigates the historical likelihood of the scenarios advanced for these plots, and asks what their prevalence suggests about the Athenians and their worldview. He concludes by comparing ancient and modern conspiracy theories. In addition to shedding new light on Athenian history and culture, his study provides an

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

invaluable perspective on the use of conspiracy as a rhetorical ploy.

Examines the concept of the enthymeme in ancient Greek rhetoric, arguing that it is a technique of storytelling aimed at eliciting from the audience an inference about a narrative.

Rhetoric in the Flesh is the first book-length ethnographic study of the gross anatomy lab to explain how rhetorical discourses, multimodal displays, and embodied practices facilitate learning and technical expertise and how they shape participants' perceptions of the human body. By

Roisman situates the evidence for ideas about manhood found in the Attic orators in historical, ideological, and theoretical contexts to explore various manifestations of Athenian masculinity as well as the rhetoric that both articulated and questioned it."

This book asks an important question often ignored by

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

ancient historians and political scientists alike: Why did Athenian democracy work as well and for as long as it did? Josiah Ober seeks the answer by analyzing the sociology of Athenian politics and the nature of communication between elite and nonelite citizens. After a preliminary survey of the development of the Athenian "constitution," he focuses on the role of political and legal rhetoric. As jurymen and Assemblymen, the citizen masses of Athens retained important powers, and elite Athenian politicians and litigants needed to address these large bodies of ordinary citizens in terms understandable and acceptable to the audience. This book probes the social strategies behind the rhetorical

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

tactics employed by elite speakers. A close reading of the speeches exposes both egalitarian and elitist elements in Athenian popular ideology. Ober demonstrates that the vocabulary of public speech constituted a democratic discourse that allowed the Athenians to resolve contradictions between the ideal of political equality and the reality of social inequality. His radical reevaluation of leadership and political power in classical Athens restores key elements of the social and ideological context of the first western democracy. A one-stop source for scholars and advanced students who want to get the latest and best overview and discussion of how organizations use rhetoric While the

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

disciplinary study of rhetoric is alive and well, there has been curiously little specific interest in the rhetoric of organizations. This book seeks to remedy that omission. It presents a research collection created by the insights of leading scholars on rhetoric and organizations while discussing state-of-the-art insights from disciplines that have and will continue to use rhetoric. Beginning with an introduction to the topic, *The Handbook of Organizational Rhetoric and Communication* offers coverage of the foundations and macro-contexts of rhetoric—as well as its use in organizational communication, public relations, marketing, management and organization theory. It then looks at intellectual and moral foundations without which

Download Free Rhetorical Action In Ancient Athens Persuasive Artistry From Solon Dem

rhetoric could not have occurred, discussing key concepts in rhetorical theory. The book then goes on to analyze the processes of rhetoric and the challenges and strategies involved. A section is also devoted to discussing rhetorical areas or genres—namely contextual application of rhetoric and the challenges that arise, such as strategic issues for management and corporate social responsibility. The final part seeks to answer questions about the book's contribution to the understanding of organizational rhetoric. It also examines what perspectives are lacking, and what the future might hold for the study of organizational rhetoric. Examines the advantages and perils of organizations

Handbook of Organizational Rhetoric and Communication will be an ideal resource for advanced undergraduate students, graduate students, and scholars studying organizational communications, public relations, management, and rhetoric.

Continuing its tradition of providing students with a thorough review of ancient Greek and Roman rhetorical theory and practices, *A Synoptic History of Classical Rhetoric* is the premier text for undergraduate courses and graduate seminars in the history of rhetoric. Offering vivid examples of each classical rhetor, rhetorical period, and source text, students are led to understand rhetoric's role in the exchange of knowledge and ideas.

Athens

Historians of rhetoric have long worked to recover women's education in reading and writing, but have only recently begun to explore women's speaking practices, from the parlor to the platform to the varied types of institutions where women learned elocutionary and oratorical skills in preparation for professional and public life. This book fills an important gap in the history of rhetoric and suggests new paths for the way histories may be told in the future, tracing the shifting arc of women's oratorical training as it develops from forms of eighteenth-century rhetoric into institutional and extrainstitutional settings at the end of the nineteenth century and diverges into several distinct streams of community-

embodied theory and practice in the twentieth. Treating key rhetors, genres, settings, and movements from the early republic to the present, these essays collectively challenge and complicate many previous claims made about the stability and development of gendered public and private spheres, the decline of oratorical culture and the limits of women's oratorical forms such as elocution and parlor rhetorics, and women's responses to rhetorical constraints on their public speaking. Enriching our understanding of women's oratorical education and practice, this cutting-edge work makes an important contribution to scholarship in rhetoric and communication.

The oath was an institution of fundamental importance across

a wide range of social interactions throughout the ancient Greek world, making a crucial contribution to social stability and harmony; yet there has been no comprehensive, dedicated scholarly study of the subject for over a century. This volume of a two-volume study explores how oaths functioned in the working of the Greek city-state (polis) and in relations between different states as well as between Greeks and non-Greeks.

Twenty-eight illustrations are included."--Jacket.
