But what she finds are a handsome mechanic, a little boy and family secrets that could change everything. Because the toddler Liam Wilson's raising is actually her cousin's child. Richard Larson has secretly loved Amanda for years, but it wasn't until she had nowhere else to turn that he had the courage to propose a marriage of convenience. Now as they make their way to Omaha, Nebraska for a new life, he wonders if she might ever come to return his feelings. When Amanda married Richard Larson, it wasn't for love. It was because he was rescuing her from a painful situation. When they married, they agreed to a marriage of convenience. She didn't realize he secretly loved her until after the vows were exchanged. Now she doesn't know how to act around him. And worse, a young man from her past is the one leading the wagon train to Omaha, and he has plans for them to run off to start a new life elsewhere.

Willow Knudson just inherited an English estate that she intends to sell. There are two problems. One, she's unable to sign the contract, and two, she can't even leave the property. She's not superstitious by nature, but common sense tells her something strange is going on. In 1817, Julian Azazel, the Earl of Blackwell, went to his country estate to tend to his father's funeral. That evening a missive came from a stranger warning him that when the clock struck midnight, he was going to be cursed to relive the same day. He laughed it off and threw the missive in the fire. Two centuries later, he's no longer laughing. The curse is real. From before they were born, Willow and Julian were destined to meet on June 17, 1817. Willow had assumed wealthy and titled gentlemen would be snobs, but Julian turns out to be the kindest person she's ever met. And even better, he's more attractive in person than he was in his portrait. It's enough of a temptation to convince her to stay in the past forever. At long last, the aching loneliness that has plagued Julian's life for centuries is at an end. Not only is there someone who understands what he has been going through, but she's far lovelier than he recalls any of the ladies in London being. But isn't it selfish to ask a lady from another time to give up everything to live under a curse with him? The path to happy endings can get complicated, especially when magic is involved. This fairytale romance features a dark villain, a curse, fairies, a hero who is an earl from the Regency era, and a heroine from modern times. People who enjoy Grimm's fairy tales and romance will enjoy this tale of true love conquering the darkest of curses. Please note: This is a standalone book. It is not part of a series.

In the course of rescuing Aoife and ensuring her safety, Ross finds himself captivated

by the fierce and beautiful maiden. How much will Ross surrender to guarantee Aoife's safety? And how much will Aoife offer to protect the man who has captured her heart? ***** I've written many series set in my fictional medieval Scottish world of Ravensmuir, Kinfairlie and Inverfyre. This is the order in which the stories take place, although you can start with any series. I recommend you read each series in order. There's a tab on my website for ALL books in this world: <http://delacroix.net/ravensmuir/>

I. The Rogues of Ravensmuir This is the first series to take place in this world. These three books are a bit more gothic in tone and less tightly linked to each other than the books in subsequent series.

1. The Rogue Merlyn and Ysabella's story is a second chance romance with a bit of intrigue and suspense. Their relationship is a class war - he's the laird and she's a village girl - but there's an immediate attraction between them. Can Merlyn trust in love at first sight? Can Ysabella trust her rogue of a husband when he returns five years after their parting to ask for her help? This is the first book featuring Ravensmuir and in it, we learn the story of its sister holding, Kinfairlie.

2. The Scoundrel Can a notorious bad boy like Merlyn's brother Gawain be redeemed by love? In this story, Gawain meets his match, the enticing Eglantine, who is not just as adept a thief as he is but is prepared to seduce him to regain the prize she desires. This is cat-and-mouse story of action, adventure and intrigue takes us from York to the highlands of Scotland, to Eglantine's home at Inverfyre.

3. The Warrior At the end of The Scoundrel, Inverfyre is lost to the notorious MacLaren clan, but years later, Eglantine and Gawain's son Michael - the Hawk of Inverfyre - returns to reclaim his legacy. He has need of an heir so he abducts Aileen to be his bride, never guessing that these two have shared a great passion in their past lives. At Inverfyre, Aileen is plagued by visions and fears she is going mad, while the Hawk is uncertain whether his beguiling new bride can be trusted—or whether she has let the MacLarens in the gate. This medieval Scottish romance has some fantasy elements as it's a reincarnation story.

II. The Jewels of Kinfairlie At the end of The Warrior, there is a family gathering at Inverfyre. We briefly meet Merlyn and Ysabella's son Roland, his wife Catherine, and their eight children. This series begins several years later, after Roland and Catherine's tragic death, when their oldest son Alexander suddenly becomes laird. The treasury is empty. The harvest will be poor. Alexander needs to see his sisters married as quickly as possible, but they wish to wed for love.

1. The Beauty Bride Alexander arranges an auction for the hand of his defiant sister, intending to manage the list of bidders - but a notorious mercenary, Rhys fitzHenry, pays the highest price. This arranged marriage doesn't begin well, as Madeline is a runaway bride, but Rhys pursues her, saves her, and tries to court her. I love that Rhys tells Madeline stories to win her heart, and that she quickly figures out that each choice of story reveals one of her husband's secrets.

2. The Rose Red Bride Alexander thinks he's learned his lesson and is thrilled when Vivienne's former suitor, Nicholas Sinclair, wants to claim her hand. It's a little uncommon that Nicholas wants to abduct his bride, but Alexander is sure that Vivienne will think that a romantic gesture, and when the wedding is held in the morning, all will be well. But the highlander seeking Alexander's agreement isn't Nicholas - it's his brother Erik in disguise, a man who needs a wife only because he needs a son to claim his legacy. He's not counting on Vivienne stealing his heart, too.

3. The Snow White Bride It's Christmas at Kinfairlie and a mysterious noblewoman seeks refuge in the chapel. When the sisters learn that she's a widow in need of protection, they decide to play a trick on Alexander and arrange his marriage. Eleanor thinks husbands are all the same, so is agreeable, although she isn't counting on Alexander's youth, charm, and desire to claim her heart. When her past catches up to her and Kinfairlie is at risk, how much will Eleanor sacrifice to see her new husband safe? What price will Alexander pay to defend his bride?

4. The Ballad of Rosamunde Rosamunde, the pirate queen and aunt of the siblings at Kinfairlie, was adopted by Gawain in The Scoundrel and trapped in the realm of the Fae in The Rose Red Bride. In this short story, a friends-to-lovers story, Padraig rescues Rosamunde, his valor making her realize that she loves him, too.

III. The True Love Brides At the end of The Snow White Bride, Alexander decrees that his remaining sisters will marry for love. The portal to the realm of the Fae has been opened, though, and the Fae king Finvarra desires Elizabeth. Finvarra agrees that he will abandon his suit if four of the siblings marry their true loves, although Elizabeth knows that the portal to the Fae realm has to be closed as well.

1. The Renegade's Heart Isabella is smitten with a rogue knight, come to Kinfairlie to demand the return of his family's stolen treasure. She takes Murdoch's cause against that of her brother, then learns that Murdoch has been claimed by the Fae queen - who holds his heart still. Can a mortal maiden defeat an immortal queen by

winning Murdoch's love for her own? 2. **The Highlander's Curse** Garrett is cursed to hear the thoughts of others as clearly as his own, a spell intended to make him an outcast so his legacy could be stolen. He finds solace in the company and the touch of gentle Annelise. Can Annelise's love heal him so he can recover his stolen legacy and give her the home - and the husband - she deserves? 3. **The Frost Maiden's Kiss** Malcolm returns to Ravensmuir after years as a mercenary with a hoard large enough to finance the rebuilding of his legacy and his soul due to the Fae. When pregnant Catriona arrives at Ravensmuir, Malcolm knows he can give her a future with a marriage of convenience that makes her child heir to Ravensmuir. Catriona expects nothing of men, but Malcolm's kindness and strength earns her love - and makes her determined to save his soul, regardless of the price. 4. **The Warrior's Prize** The mercenary Rafael thinks his companion's sister, Elizabeth, could be an angel come to earth, and one who will hold him accountable for his sins. Challenged by her and enticed by her, Rafael offers himself instead of his comrade Malcolm and begins to change his life with his choices. Can he save Elizabeth from Finvarra? He's determined to try, no matter what the risk to himself - and Elizabeth cannot resist a man who chooses nobly, just for her. IV. **The Brides of Inverfyre** There is one sibling left unmarried (Ross) and we follow him to Inverfyre, where the children of the Hawk and Aileen also need to be married. 1. **The Mercenary's Bride** This Scottish medieval romance is a Christmas novella, the story of a knight returning to Inverfyre to keep his promise to the laird's daughter. Having been attacked and left for dead, Quentin is no longer the man he was and he blames the Hawk for the change in his fortunes. But his bitterness melts before the admiration of Mhairi, for the maiden he admired has become a beauty he would die to serve. 2. **The Runaway Bride** Even though Aiofe is a beauty and an heiress, she wants to marry for love. Her marriage is arranged to the oldest son of the Hawk of Inverfyre, but she chooses to flee instead, hoping that his cousin, Ross, will be sent after her. Aiofe intends to claim Ross's heart, no matter the price, for she knows with one glimpse that he's the man for her. Ross is caught between his duty and his heart - and the wicked MacLarens who would use Aiofe as a pawn in their own plan to possess Inverfyre. There will be more stories in this series, too. Marrying a man she'd known for only three days in the Elvis Luvs U Wedding Chapel definitely rated up there with one of Izzy's wilder and crazier moments. But now her "impulse" groom needed her back at his side. Except the longer she stayed with her too-arousing temporary husband, the more permanent she wanted the arrangement to be.

A widowed father of two bound to a wheelchair and a barren widow looking for a place to stay might discover that despite one's imperfections, love is possible. ***** When her husband died, Deanne Grayson didn't shed a tear. She did, however, worry that his death meant she'd have to return to her hometown in Kentucky. Fortunately, she stumbles upon an ad in the paper from a man in Lincoln, Nebraska who is interviewing for a wife. Widower Bill Harvey is in need of a wife to help him run his general store. Plus, it would be nice to have help raising his two young children. But being confined to a wheelchair doesn't exactly make him confident when it comes to a more intimate union with a woman. So when Deanne comes in for an interview, he makes a stipulation. He'll marry her, but they won't be consummating the marriage. So the marriage will be more of a partnership than a romance. A

marriage of convenience suits Deanne just fine. She's not looking for love. As long as she doesn't have to return to her hometown, she'll be happy. It's not long before Bill starts to have desires he put behind him after the accident that confined him to a wheelchair. Yes, it was his decision to treat their marriage like a partnership, but after he gets to know her, he starts to want more. Exactly how can he, someone who is only half a man, expect a woman to want a real marriage with him?
