Eat, Pray, Love (from a man's perspective) meets Under the Tuscan Sun—a fresh, heartwarming story about a man who travels to Verona, where he answers letters addressed to Shakespeare's Juliet, all in an attempt to understand heartbreak, to heal and to find love again. In fair Verona where we lay our scene··· When Glenn Dixon is spurned by love, he does something unusual. He travels to Verona, Italy, to become a scribe of Juliet, Shakespeare's fictional character, all in an attempt to understand his heartbreak. Once there, he volunteers to answer the thousands of letters that arrive addressed to Juliet, letters sent from lovelorn people all over the world who long to understand the mysteries of the human heart. Glenn's journey takes him deep into the charming community of Verona, where he learns the traditions of the townspeople and becomes involved in unravelling the truth behind Romeo and Juliet—Did these star-crossed lovers actually exist? Did they live in Verona? Why have they remained at the forefront of hearts and minds for centuries? And what can they teach us about love? At the same time, we learn about Claire, Glenn's unrequited love, the source of his heartbreak. Was she truly his soul's match, or was she, like Rosalind in Shakespeare's classic play, a mere infatuation who pales in comparison the moment his real Juliet enters his life? When Glenn returns home to Canada and resumes his duties as a Grade 10 English teacher, he undertakes a lively reading of Romeo and Juliet with his students, engaging them in passions past and present. But in an intriguing reversal of fate and fortune, his students—along with an old friend—instruct the teacher on the true meaning of love, loss, and moving on. An enthralling tale of modern-day love steeped in the romantic traditions of eras past, this is a memoir that will warm your heart.

Through exciting and unconventional approaches, including critical/historical, printing/publishing and performance studies, this study mines Shakespeare's Romeo and Juliet to produce new insights into the early modern family, the individual, and society in the context of early modern capitalism. Inspired by recent work in cultural materialism and the material book, it also foregrounds the ways in which the contexts and the text itself become reader today. The opening material on critical/historical approaches focuses on the way that readers have frequently read and played the text to explore issues that cluster around the family, marriage, gender and sexuality. Chapter two, on the ways that actors today inhabit character and create behaviour, provides intertextual comment on acting in the early modern period, and the connections between acting and social behaviour that inform performance of identity both then and now. The third chapter on printing/publishing approaches to the text offers a detective story about the differences between Quarto One and Quarto Two, that focuses on the curious appearance in Quarto Two of material related to the law at word, phrase, line and scene level. The next three chapters integrate a close study of the language of the play to negotiate its potential significance for the present in Marriage, Gender and Sexuality; Identity, Individualism and Humanism; and the Law, Religion and Medicine. Among the startling aspects of this book are that it: - takes the part of Juliet far more seriously than other criticism has tended to do, attributing to her agency and aspects of character that develop the part suddenly from girl to woman; - recognizes the way the play explores early modern identity, becoming a handbook for individualis in the private domestic setting of early capitalism; and - brings to light the least recognized element in the play at the moment, its demonstration of the emerging structures of state power, governance by law, the introduction of surveillance, detection and witness, and the formation of what we now call the 'subject'. The volume includes on DVD a scholarly edition with commentary of the text of Romeo & Juliet, which re-instates many of the or versions of the play.

An Illustrated Approach
Shakespeare's intertwined love polygons begin to get complicated from the start—Demetrius and Lysander both want Hermia but she only has eyes for Lysander. Bad news is, Hermia's father wants Demetrius for a son-in-law. On the outside is Helena, whose unreturned love burns hot for Demetrius. Hermia and Lysander plan to flee from the city under cover of darkness but are pursued by an enraged Demetrius (who is himself pursued by an enraptured Helena). In the forest, unbeknownst to the mortals, Oberon and Titania (King and Queen of the faeries) are having a spat over a servant boy. The plot twists up when Oberon's head mischief-maker, Puck, runs loose with a flower which causes people to fall in love with the first thing they see upon waking. Throw in a group of labourers preparing a play for the Duke's wedding (one of whom is given a donkey's head and Titania for a lover by Puck) and the complications become fantastically funny.
