

Rubber Pants For Bedwetters

Forrest Grant received a mysterious travel guide in the mail called The Bedwetters Travel Guide. It was a listing of all the world's destinations that have bedwetter-positive accommodation places. It lists private homes, B&Bs, hotels and more, all places where a wet bed is accepted and even promoted. A place where just because a bed is wet is not necessarily a reason to immediately launder it. Forrest takes us on his journey through the weird, the wonderful and the always-wet locations where his bedwetting is not a limitation. He wets the bed wherever he goes and finally, there is nothing to hide. Follow his journey around the world as he goes to six very different places where his wet bed is accepted and appreciated. An erotic story that will appeal to many. The Travel Guide for Global Bedwetters - where you can go and sleep diaperless and unconcerned!

In a generously illustrated study, a noted historian of fashion offers a history of erotic fashion, illuminating the appeal of such clothing, its emergence into the mainstream society, and its implications for human sexual behavior. UP.

Life can be very confusing for some children. While most know who they are and traverse the journey of pre-school, preteens, teens and finally arrive at adulthood, some get stuck along the way and years later, still feel the primal urge to be children or babies again. This book is a compendium of three true life stories of three Australian boys who in different eras and different cities, each grew up wanting to stay in nappies and to remain babies. But just as importantly, each wanted to be a girl to some degree as well. You will feel their pain, their joys and their frustrations as they navigate the early years of life... Growing up as a Sissy Baby This compendium contains three amazing true-life stories of boys growing up knowing they were also baby girls. Contains: Australian Baby: a life of nappies, bottles and struggles Me, Myself, Christine Living with Chrissie

A new Sissy Baby novel from Christine Kringle. Set on a college campus, a young man's grades are failing and he is given a tutor to help him improve. Unknown to anyone else, he has a huge romantic crush on her. But in a twist that stabs him in the heart, she declares that she is already in a relationship with another girl. But there is another path for him - or her - to follow. If the idea of being led unwittingly into becoming the baby girl you always wanted to be, then this is the story for you. Another classic sissy baby story from the wonderful pen of Christine Kringle.

The Bedwetter's Travel Guide - diaper version

Starved

Forrest Grant's epic first book - the Joy of Bedwetting - introduced us to Forrest's world. Now we learn a little bit more about the man and his bedwetting interests with his third fictional outing. Forrest Grant received a mysterious travel guide in the mail called The Bedwetters Travel Guide. It was a listing of all the world's destinations that have bedwetter-positive accommodation places. It lists private homes, B&Bs, hotels and more, all places where a wet bed is accepted and even promoted. A place where just because a bed is wet is not necessarily a reason to immediately launder it. Forrest takes us on his journey through the weird, the

wonderful and the always-wet locations where his bedwetting is not a limitation. He wets the bed wherever he goes and finally, there is nothing to hide. Follow his journey around the world as he goes to six very different places where his wet bed is accepted and appreciated. An erotic story that will appeal to many. The Bedwetter's Travel Guide - where you can go and sleep diaperless and unconcerned!

It is arguably the most common theme in ABDL fiction – becoming a baby again, perhaps forever and perhaps completely so. For many Adult Babies, the idea of being able to give into our wishes and desires completely and without restriction is a wonderful concept and one that grabs our attention. For the vast majority of adult babies, the expression of our inner infant is complicated by endless compromises and limits on what we can actually do. Our partners limit us. Our finances limit us. Social acceptance - and the lack thereof – limits us. Friends, employment, family and other issues limit us. But fiction can overcome all of these. In fiction, we can bend the rules of probability, break the bounds of social norms and erase the limits that otherwise keep us from expressing our inner infancy the way we wish. In these three books, you will read of adults that become complete babies once more. If they are not originally completely willing to become babies again, they quickly discover the joys, the peace and comfort of diapers, baby clothes, bottle feeds and baby toys. Infancy is entrancing to almost everyone, but for those special people – adult babies – infancy is only a diaper-change away and stories of grownups reverting to babyhood is less fiction than an innate desire that we express on the pages of a book. Enjoy your stay in the world of refreshing infancy.

Jamie was a teenage bedwetter and when you lived in an orphanage, prospective parents didn't choose bedwetters - at least not for long. Sick of wet sheets and nappies, Jamie was often returned back in disgrace and 'traded in' for a younger, dryer child. He was the only older teenager allowed to remain in the orphanage, a product of his very short stature and obvious immaturity - and occasional wet pants. But at the age of eighteen, Jamie had finally been told he was leaving. He had been.... CHOSEN. But by whom... and why? A story of being happily regressed back to infancy, with diapers, plastic pants, pacifiers and sleeping in a crib. A wonderful narrative of a terrible childhood being not just overcome, but replaced with a new one.

This popular book guides clinicians and students in assessing and treating common childhood problems. Written in a highly accessible style, the volume presents an overview of healthy development, examines risk and protective factors for psychopathology, and spells out a behaviorally oriented model of assessment and treatment planning for children aged 2-12. Each problem-focused chapter reviews the literature on the topic at hand and provides step-by-step guidelines for practice, illustrated with helpful case examples. Featuring appendices that describe widely used assessment instruments, the book also contains more than 20 reproducible measures, clinical forms, and parent handouts, ready to photocopy and use.

The Babies And Bedwetters Of Baker St

The illustrated medical and health adviser for children.

The Babies and Bedwetters of Baker St is the second book in the trilogy, following on from - Overlapping Stains: A Bedwetting Novel. The story continues with a new bedwetter moving into the house. Bronwyn is more than simply a chronic edge-to-edge bedwetter. She also wears diapers and uses a baby's dummy. A new larger house at Baker St means more voyages of discovery into why both boarders are such bad bedwetters and why they are showing infantile traits. Alice's backstory comes to bear as the three meet a group of Adult Babies and their lives are turned upside down. A wonderful story of discovery, nappies, love and bedwetting. And in the end, it is about overcoming the past and embracing the future, diapered and safe. Tess Newhart knows her ex-boyfriend Nick Jamieson isn't the right guy for her. He's caviar and champagne; she's take-out Chinese pot stickers. He's an uptight Republican lawyer; she was raised in a commune. He wants to get ahead in business; she just wants...him. But there's no way Tess will play second fiddle to his job. Yet somehow she finds herself agreeing to play his fiancée on a weekend business trip that could make or break Nick's career. And while he's trying to convince Tess that he needs her in his respectable world, Tess is doing her best to keep her opinions to herself and her hands off Nick.

"The Language of Sadomasochism" contains vocabulary and defines activities that many will find offensive. It has been published to aid linguists, folklorists, sociologists, psychologists, and other adult researchers develop a better understanding of this subculture. "The Language of Sadomasochism" represents the first systematic, comprehensive account ever attempted of the specialized terminology used by sadomasochists. The work is divided into three distinct sections. Part one provides a thorough introduction to the subculture of sadomasochism, its history in the Western world, and its place in American culture, in literature, and in the work of non-linguist social scientists. Part two is a comprehensive glossary of more than 800 terms currently in use among sadomasochists. For each term the authors provide part-of-speech labels, etymologies, definitions, citations illustrating actual usage, related forms of the word, cross references to semantically and conceptually related terms, and special notes on usage. Part three contains a linguistic analysis of the terminology and illustrates how the language of sadomasochism is related both to the English language as a whole and to the sadomasochists who use the specialized language. The book concludes with a complete bibliography of all references cited, a list of difficult-to-find sadomasochism-related periodicals, and an index providing easy access to groups of semantically and conceptually related terms.

Chosen

The Jasper Love Trilogy

We all have a tale to tell about how we started wearing nappies (or diapers!) and each tale is different. There are varying themes, but there is the one consistent one that nappies 'called to us' when we were young and that attraction grew to become a 'siren call'. We were helpless in the embrace of that cloth nappy or plastic disposable that for reasons we didn't understand - and maybe never

did - drew us to wear and wet them. For some, it was part of wanting to be a baby again and for others, a response to extended bedwetting. For others still, it was just the nappy; just the feel of its comfort and security. As children, these feelings are tough to handle, never-mind understand. Adults don't understand and most react badly... or worse. This 60,000 word, illustrated book is the story of one UK boy growing up in the 70s and 80s as a late bedwetter whose attraction to nappies has remained to him up until this day.

Forrest Grant - author of The Joy of Bedwetting - brings us his trilogy: The Bedwetter's Trilogy: The Unnapped (or Undiapered) Bedwetter This remarkable trilogy is the story of a long-term adult bedwetter, Richard, who rents a room from Alice. But Alice is not anti-bedwetting at all! In fact, for reasons yet to be discovered, she encourages his bedwetting and has a seemingly inexhaustible tolerance for wet sheets and clothing. Richard's terrible childhood full of wet beds, spanking and panties is the source of much of his trouble, but also leads to more panties and bras, more spanking and the hint of nappies and adult baby behaviour to come. And when Bronwyn moves in at the end of the first book, what will happen? She is a bedwetter too with her own history. And she wears diapers. What is Alice's back story? How is she so tolerant of wet beds, panty wearing and more? And then finally, we meet The Secret Society of Sissy Babies and their rituals. All will be revealed... An astonishing ABDL erotic series.

Jordan Airesdale has been given twelve months home detention for breaking and entering. His angry - and concerned - mother and sister have bought a new bigger home in the country where her wayward child would rediscover discipline and parenting in a new way - wearing diapers. Desperate times require desperate measures. Did the book "Saving My Son" hold the clues and guidelines for taking her broken son and fixing him again? His mother is about to test out these new theories on rescuing wayward teenagers with baby treatment. She has the diapers and plastic pants and she has the will to enforce them. But will her son respond and more importantly, will he become happy and safe once again like he was as a young child? A second childhood is on offer as an alternative to continuing the trajectory to jail. Will he take the offer? But a surprise awaits them all. Jordan is not all they thought he was. He was something - someone - quite different.

This is the story of one man's triumph over Cult Religion. As a preacher's son, Jasper Love struggled to comply with the dogma and bigotry of the unpredictably changeable Doctrine of Good Enough dictated by Cult Religion. He and four sisters labored to comply with cult demands consistent with their mother's mantra: "People expect preacher's kids to be perfect." The Voice of Truth (bestowed on Jasper as a child in a genuine salvation encounter with Jesus Christ) conflicts with voices of deception from pulpits and pews, triggering crippling anxiety, depression, and suicidal ideation. Further compounding his confusion is a terrifying awareness of the cult's distortion of scripture concerning his innate identity. When a Connecticut preacher detects his private struggle, the Bible scholar promises: "If you marry a good Pentecostal girl, this thing will just fade away." Jasper foolishly accepts the challenge, believing that the pastor's counsel is based on Truth. A 32-year battle ensues, during which a Pentecostal preacher's daughter who, aware of his struggle and trained in Exploitation of Advantage, manipulates and controls the miserable husband who strives to suppress and conceal an innate identity which "simply won't leave me alone." Cultists despise his genuine relationship with God when the Holy Spirit weakens the tenacious grasp of the antiChrist's claim on his soul, rescuing him from abominable doctrines through Spiritual Enlightenment to Truth Absolute. Spiritual Warfare ensues, during which he is molested by authority figures, betrayed by cult dishonesty, falls into sin, is attacked by demons, and is delivered by the Holy Ghost through

visions of spiritual combat between the demons of Cult Religion and the Angels of Truth. In the end, his foolish attempt to conform with the Doctrine of Good Enough predictably results in the destruction of everything he wasted a lifetime building: marriage, family, home, career, material wealth, and reputation. Yet, in losing all, he is delivered from the Darkness of cult idolatry, whereupon he is finally free to immerse himself in genuine Truth, Light, and Love, breaking the tyrannical chains of Cult Religion. Released by the Holy Spirit from cult bondage, he is at last unleashed to fulfill his destiny: To teach the Truth about Jasper Love (that boundless, unconditional love known only to those who genuinely experience Spiritual Enlightenment) to a people deceived by the hateful harlots of idolatry who are nothing more than power-crazed, authoritarian, self-aggrandizing, despotic antiChrist heretics who worship only one god - CONTROL.

Including a Daytime Program for Nighttime Dryness

John Marshall was born in 1961 in Australia. This 40,000 word book is the story of his early life through to university, as he struggled as a life-long bedwetter and his desire to become a baby girl. Through nappies, baby dummies and feeding bottles, John's struggle will resonate with many whose infantile desires began early and never ceased. Finding himself in a world that expected men to be men and boys to be boys, John Marshall fought to be the baby girl he felt inwardly, while still having a rewarding school life and finally, professional career. John is an adult baby - a sissy baby, but before that, he was a five-year-old boy wearing nappies and going to school, trying to find who he - or she - was. Long term bedwetters, ABDLs and those who simply feel unsure of their identity will relate to this story of growing up babyish, girlish and bedwetting.

Every now and then there is a book that is so different, so remarkable that it stands out from the crowd. This is such a book. The Joy of Bedwetting is a loving and irreverent trip into the world of the bedwetter and those who do so by choice and for pleasure. Not the guilt-trip and depths of shame for these bedwetters! These are those who relish the pleasure, the sight and smells of the soaked bed and mattress and who are proud of it. Touching on topics such as real statistics of the incredible frequency of bedwetting in teens and adults, it also offers helpful hints and suggestions on reverting back to that most childish state of night-time experience: uncontrolled bedwetting. Be Proud. Be Wet.

An AB Discovery 'After Dark' Book. Forrest Grant delivers the final stunning conclusion to the bedwetting trilogy - The Diapered Secret Society of Sissy Babies. This third book follows the widening of the household's babying and bedwetting and introduces a number of new intriguing characters. Baby Rebecca and Baby Bronwyn both become 'complete' while Alice and her therapist go on a journey that takes them to places they never expected. Bedwetting becomes normal and accepted in the household. Nappies and babying become common and what is to be expected. And finally, we meet more of the Secret Society of Sissy Babies and learn the stories of its multi-generational adherents. The three residents of 84 Baker St find themselves discovering

Offering parents accessible guidance on how to recognize, assess, and cope with a wide variety of childhood health problems, a helpful resource explains what can be done at home, when to call a doctor, and what treatment involves. Original.

Andrew Stephens takes us on the journey of his life, from confused childhood to traumatic teens and on to the years of adulthood - all of them while wanting to wear diapers and to be a baby girl. We join with him as he discovers his inner infant, his inner girl and his inner identity, as he struggles to make life work for him, while the turmoil within causes tension and frustration. We meet Emily, the sissy baby just like him as they share part of the journey together. It is the story of many of us who have lived this unusual desire and need on the journey towards happiness and satisfaction - a journey of many ups and downs and more than a few mistakes. Andrew's wonderful take on the ABDL Journey of Life will resonate with many.

Jamie was a nightly bedwetter and when you lived in an orphanage, prospective parents didn't choose bedwetters - at least not for long. Sick of wet sheets and nappies, Jamie was often returned back in disgrace and 'traded in' for a younger, dryer child. It was humiliating and devastating to his self-esteem. He was the only older child allowed to remain in the orphanage, a product of his very short stature and obvious immaturity - and occasional wet pants. But at the age of eighteen, Jamie had finally been told he was leaving. He had been.... CHOSEN. But by whom... and why? What would be his fate in the new extensive manor house. And he was after all, still a bedwetter!

The story continues with a new bedwetter moving into the house. Bronwyn is more than simply a chronic edge-to-edge bedwetter. She also wears diapers and uses a baby's dummy. A new larger house at Baker St means more voyages of discovery into why both boarders are such bad bedwetters and why they are showing infantile traits. Alice's backstory comes to bear as the three meet a group of Adult Babies and their lives are turned upside down. A wonderful story of discovery, nappies, love and bedwetting. And in the end, it is about overcoming the past and embracing the future, diapered and safe.

Diapered at Home: The making of a baby

Being an Adult Baby

Being an adult baby can be confusing and difficult at times. This book of thirty essays and articles addresses some of the issues, needs and problems of the ABDL community and is part of the AB Discovery group.

They are a wonderful resource and helpful for understanding ABDL life and feelings. Updated July 2020

“ I never really realised what the fuss was about bedwetting. It never bothered me, be it a small puddle or soaked from end to end. ” These three books explain about how bedwetting can be viewed as a positive and enjoyable experience. The first book is a ‘ how-to ’ guide about how to enjoy and accept bedwetting as a viable lifestyle. The second two novels are fiction, but with an element of truth, as we see two adult bedwetters come to board at the same house. The landlady not only accepts them, but encourages them, and helps them find who they really are. There are no more powerful pro-bedwetting books and novels on the market.

Freddy is the blissfully-unaware husband of Mary who has just helped their neighbor transform into a lifestyle sissy baby. Is it Freddy's time to discover diapers, baby dresses and a life in frills? And is he the only man who has a woman looking to transform him into a delightful and happy sissy baby? Freddy is just the first to enjoy the tender machinations and care of four women who crave the rare delights of a sissy baby of their own. But how do they each obtain that rare and remarkable man - the sissy baby girl? Plans are made for a new AB clothing company and as part of that... they discover how to turn any man into a baby girl. A wonderful tale that continues on from where the very popular book - Belle Means Beautiful leaves off.

Being an Adult Baby can be both a wonderful experience and deeply frustrating one. We want what we cannot have and we often find controlling this drive a difficulty. This book is a collection of 31 essays, articles and stories from a handful of ABDL authors whose knowledge and experience helps us all. If you wear nappies/diapers a little, a lot or constantly, this book can be a guide. If you want to be a baby a little, a lot or constantly, it can help you understand more about it. And for all of us, this book offers not just understanding, but some practical tips and helps on living life as an Adult Baby. We all know it can be a hard deal at times, but at others, we are blessed we reliving infancy while the rest of the world is blissfully ignorant of the wonders of babyhood. We are very special and we are very different and so, we need our own guide books to help us on the way. This is one such book.

Jordan Airesdale has been given twelve months home detention for breaking and entering. His angry - and concerned - mother and sister have bought a new bigger home in the country where her wayward child would rediscover discipline and parenting in a new way - wearing nappies.

Desperate times require desperate measures. Did the revolutionary book "Saving My Son" hold the clues and guidelines for taking her broken son and fixing him again? And the old nursery in the new house? Was that just incidental or a harbinger of things to come? Read on and see...

In a city somewhere exists a gated community for the very unique - a place where 'special' babies live, breathe, go to school, learn and escape the pressures of their unique identity. A community for those whose baby needs will not be hidden nor dismissed. Adults, teenagers and children - all babies on the inside - have special needs and are not accepted by the community at large. Learning to be a baby in an adult world is hard and for many, impossible. Some don't make it through, but there is a place for the few where the baby inside can also be the baby outside and the adult life that must invariably be ultimately traversed, becomes easier after time spent... Where Big Babies Live Sanctuary for the babies in so many of us is here. Now. Come and read about four young people and their parents and how they came to a place of safety and adventure... in nappies and rubber pants.

Finding herself to be on the wrong side of fifty for a female film star, Laura Scott's career is on the slide. She has an opportunity to reverse this downward spiral when she is offered the starring role in a one-woman play about the life and loves of Hollywood silent screen actress turned pioneering pilot, Georgie Hepburn. Laura jumps at the chance for Georgie is someone she has admired for her courage and integrity ever since she was a child. But as Laura discovers more about Georgie, she realises there is always a price to pay for integrity - in her own life as well as Georgie's. Acclaimed author J David Simons' fifth novel, this is a subtle and complex exploration of a creative life and the challenges faced when a person's desire to be authentic comes under pressure.

An AB Discovery 'After Dark' Book Chris is an 18yo chronic bedwetter who doesn't care much about the nightly soaking sheets. Nor does Jessica, another girl he met at Bedwetter Camp. But their parents DO care and they end up at the secretive Institute For Enuresis Treatment. The Institute only takes the worst of the worst - teenagers and young adults who flood their beds every night and their treatment system is 99% effective. Their secret is... Electrified nappies and rubber

pants. Not the commercial devices with very light shocks that are barely felt. These nappies deliver punishment shocks and they are stunningly effective on even the most recalcitrant bedwetter. Definitely ABDL 'out on the edge' NOTES: contains extreme use of electrified nappies, wet beds, humiliation, sex and intercourse plus heavy discipline.

Mummy... I Want to Be A Baby Again (Vol 3) Rubber Pants Version

The Language of Sadoomasochism

A Woman of Integrity

Growing Up In England In Nappies

"Failure to thrive" is not a phrase in this doctor's vocabulary. At the age of four, Anne McTiernan is left by her mother at a boarding school. Overcome by sadness from the neglect she experiences there, Anne emotionally and physically starves. A doctor, appalled by her excessive weight loss, forces Anne's

Read Book Rubber Pants For Bedwetters

mother to bring her home, but she is still not safe. Set in working-class, Irish-American Boston of the 1950s–1960s, Anne transitions from a malnourished state to obesity to obsessive dieting. Without love and support from her family, Anne decides she must take full responsibility for her own life during her last eighteen months as a minor. Today as a doctor and researcher, Anne has helped thousands of women improve their relationship with food—but this is not their story. Starved is the gripping tale of how Anne used hard work, undaunted intelligence, and persistence to turn the adversity she encountered as a child into a strength and set of skills that would later help her meet the demands of her career. ANNE McTIERNAN, MD, PhD, conducts research on the effects of diet, exercise, and weight loss on cancer and health. Currently, she is a professor at the Fred Hutchinson Cancer Research Center and the University of Washington Schools of Public Health and Medicine in Seattle, Washington.

Benjamin often rode past the house and saw nappies and plastic rubber pants hung up on the clothesline out back. They called to him and he dreamed about them. Finally, he had to touch them and then, to take some. He was a teenager now and surely should know better, but the deep desires of his heart and loins called to the rubber pants and so he stole one. But he was caught... Now he had to spill the deep secret of his heart. He wanted to be a baby again. How would Miss Goodwin - his former teacher - react to that embarrassing admission?

Bedwetting is something that we all go through as children, but for many, it does not end there. For most, it is an embarrassing and difficult experience, but for others it can be quite the opposite. This book seeks to allow other people to accept that their bedwetting may be enjoyable and desirable. It then discusses ways to enjoy and expand bedwetting. Containing statistics about bedwetting throughout life, it also details several programs for those who wish to commence wetting their beds or who seek to increase it. Definitely a unique book filled with fabulous information and ideas for a unusual way of life.
