

Sample Youth Revival Invitation Letter

The author introduces readers to the philosophical underpinnings of the "global community," while illuminating the international institutions that made such a community possible in the real world. (Politics & Government)

In the tiny town of Plainville, Jared Whitehead grew up in church and is now trying to live out his faith like a man. Influenced first by a fiery preacher who crashes in a moral scandal, then by a godly pastor who challenges his long-held convictions, Jared is forced to come to terms with what he really believes about God. But when tragedy strikes his family, his faith in his sovereign God faces the test of his lifetime.

The Sociology Student Writer's Manual 7/E is a practical guide to research, reading, and writing in sociology. The Sociology Student Writer's Manual and Reader's Guide, Seventh Edition, is a set of instructions and exercises that sequentially develop citizenship, academic, and professional skills while providing students with knowledge about a wide range of sociological concepts, phenomena, and information sources. Part 1 begins by teaching students to read newspapers and other sociological media sources critically and analytically. It focuses on the crafts of writing and scholarship by providing the basics of grammar, style, formats and source citation, and then introduces students to a variety of rich information resources including the sociological journals and the Library of Congress. Part 2 prepares students to research, read, write, review, and critique sociology scholarship. Finally, Part 3 provides advanced exercises in observing culture, socialization, inequality, and ethnicity and race.

"Experience the spectacle of Venice and its rich history as a glassmaking capital through Sargent, Whistler, and Venetian Glass: American Artists and the Magic of Murano. This exhibition catalogue is the first comprehensive examination of the American Grand Tour to Venice in the late nineteenth century, revealing the glass furnaces and their new creative boom as a vibrant facet of the

city's allure. This gorgeously illustrated catalogue features paintings and prints by John Singer Sargent, James McNeill Whistler, Frank Duveneck, Thomas Moran, William Merritt Chase, Maurice Prendergast, Maxfield Parrish, Louise Cox, and Ellen Day Hale alongside rarely seen Venetian glass mosaic portraits and glass cups, vases, and urns by the leading Murano glassmakers. Reuniting these exquisitely crafted objects with paintings, etchings, and drawings from the same milieu, this catalogue recovers and explains their past significance. Five new essays from experts in the history of American art and of Venetian glass provide the first combined survey of fine and decorative arts from the Venetian Grand Tour, offering a unique and valuable contribution to the fields of American Art and nineteenth-century cultural history. Ultimately, this project demonstrates the lasting impact of the nineteenth-century Venetian glass revival on American art, literature, and education, as well as period concepts of gender and social class."--

"Patiently Run the Race is a must read if you have ever wondered what life is like for a missionary family serving in a foreign country. Herb Barker tells his story with reverence and humor, which inspires, informs and holds your interest to the very end." - Dorothy C. Snyder, Writer-Speaker "A missionary's life becomes real as we see, hear, smell, taste and feel the Chinese culture on the island of Taiwan in reading this book. Herb Barker reveals his heart and life of ministering to the people he and his family come to love in the pages of this very appealing autobiography." - Sara Hatchett, Music Educator "This book will help missionaries, ministers and serious Christians realize again how life is lived out in lands of darkness where the Light of Jesus needs so desperately to be heard." - Faye Pearson, Missionary Executive and Seminary Teacher. Herbert Barker is a retired missionary to Taiwan. He is a native of Mountain Grove Missouri, where he graduated from high school in 1947. He attended Georgetown Baptist College, Georgetown, Kentucky, Southwest Missouri State College (now Missouri State University), Springfield, Missouri, and Hardin-Simmons University, Abilene, Texas, where he received the B.S. Degree in 1951. He married Emma Jean Archer in 1951. They have two children: James and Jeanette, and one grandson, Kelsey. After graduation from Southwestern Baptist Theological Seminary, Fort Worth, Texas, Herbert pastored churches in Texas until he and his wife were appointed as missionaries to Taiwan by the Foreign Mission Board of the Southern Baptist Convention in 1959. He has served as field evangelist, Director of Mass Communications, Director of TEE, and church planter. After retirement in 1993, the couple served among Chinese communities in Europe, American Samoa, and Asia. They now reside at Baptist Home, Ozark, Missouri.

A Prophet with Honor is the biography Billy Graham himself invited and appreciated for its sympathetic but frank approach. Carefully documented, eminently fair, and gracefully written, it raises and answers key questions about Graham's character, contributions, and influence on the world religious scene. In this engaging and comprehensive book, William Martin gives readers a better understanding of the most successful evangelist in modern history, and the movement he led for over fifty years. A Prophet with Honor makes a vital contribution to the Billy Graham legacy and allows us to understand why his words, actions, and personality endeared him to popes and preachers, kings and presidents, and millions of Christians in virtually every nation and culture around the world. Martin draws on extensive conversations with Graham himself nearly two hundred interviews previously untouched resources, including documents from six presidential libraries and the Billy Graham Evangelistic Association archives personal observation of Graham's crusades and conferences in the United States and Europe decades of research on evangelical Christianity Martin pays particular attention to Graham's controversial relationships with Presidents Lyndon Johnson and Richard

Nixon. He also describes how Graham's lifelong determination "to do something great for God" led him to organize international conferences that spearheaded the worldwide spread of the liberating message of Jesus, and prompted him to help strengthen religious freedom in the Soviet bloc and China. Tracing Graham's life and ministry from his rural and religious roots in North Carolina to his place as the elder statesman of American evangelicalism, examining both his triumphs and his tribulations, Martin shows the multidimensional character of the man who has become one of the most admired persons in the world.

Creating a Contagious Youth Ministry Through Viral Evangelism

The gospel is nothing without relationship. And no one gets it like the Google Generation. God came to earth to invite us, personally, into a relationship. And while Christians at times downplay relationships, the social-media generation is completely sold on the idea. In *Viral*, Leonard Sweet says Christians need to learn about connecting with others from the experts—those who can't seem to stop texting, IM-ing, tweeting, and updating their Facebook statuses. What would happen, he asks, if Christians devoted less attention to strategies and statistics and paid more attention to pursuing relationships? The current generation is driven by a God-given desire to know others and to be known by others. Most of them, in seeking to connect in meaningful ways, have found a place of belonging that is outside the organized church. Why not bring the two together? Those who are sold out to relationships can teach Christians how to be better friends to people who need God. At the same time, members of the social-media generation can learn how to follow their desire for belonging, straight into the arms of God. It's time for relationship to be restored to the heart of the gospel. And when that happens, can revival be far behind? End-of-Chapter Interactives Included

Christians and Christianity have been central to Hip Hop since its inception. This book explores the intersection of Christians and Hip Hop and the multiple outcomes of this intersection. It lays out the ways in which Christians and Hip Hop overlap and diverge. The intersection of Christians and Hip Hop brings together African diasporic cultures, lives, memories and worldviews. Moving beyond the focus on rappers and so-called "Christian Hip Hop," each chapter explores three major themes of the book: identifying Hip Hop, irreconcilable Christianity, and boundaries. There is a self-identified Christian Hip Hop (CHH) community that has received some scholarly attention. At the same time, scholars have analyzed Christianity and Hip Hop without focusing on the self-identified community. This book brings these various conversations together and show, through these three themes, the complexities of the intersection of Christians and Hip Hop. Hip Hop is more than rap music, it is an African diasporic phenomenon. These three themes

elucidate the many characteristics of the intersection between Christians and Hip Hop and our reasoning for going beyond "Christian Hip Hop." This collection is a multi-faceted view of how religious belief plays a role in Hip Hoppas' lives and community. It will, therefore, be of great interest to scholars of Religion and Hip Hop, Hip Hop, African Diasporas, Religion and the Arts, Religion and Race and Black Theology as well as Religious Studies more generally.

Are you willing to become a watchman for the Lord? In *Global Warning*, Bill Vincent urges us all to take a stand for America. In an effort to seek out and purge the wickedness that has seeped its way into the highest places in our society, Bill calls each of us to spend time in prayer and ready ourselves to deliver His warnings. Turn away from social media. Turn off your TVs. Look inward for the Word of God. His Word alone guides us to the truth, to the dangers of our society, and the call to action. When our Lord sounds the alarm, will you take up His call? Employ your faith, nourish your soul, and ready yourself for His Word. Grab your copy today.

Bookkeeping for churches can be quite different than for-profit businesses, and the other guides available cover either QuickBooks or church accounting, not both. Lisa London, *The Accountant Beside You*, walks you through QuickBooks for your church from start to finish, always with examples, terminology, and understanding of what a busy church administrator needs to know in a clear, concise style. With her friendly easy-to-understand style and illustrative screenshots, Lisa guides new QuickBooks users every step of the way, while her tips for how to make QuickBooks work better for churches provides new insight and procedures for even the experienced bookkeeper. Not only does she step you through how to set up QuickBooks and utilize it more efficiently for your house of worship, but she also discusses everything you need to know to implement controls and procedures to ensure that your church's money is always protected. QuickBooks for Churches covers PC versions of QuickBooks from 2012 forward and even includes what's new in the 2014 version. Lisa offers sound accounting procedures for both large and small houses of worship, for bookkeepers with years of experience as well as those

just starting out. Let The Accountant Beside You take one more worry off your crowded to-do list.

Wait! What Is True Love?

An Illustrated Weekly Paper for Young People and the Family

This book will give vision for turning every church--new or old--into a contagious church that is a powerful magnet for attracting and influencing unchurched people.

What was once taboo - faith at work - is increasingly accepted in corporate America. From secretaries to CEOs, growing numbers of businesspeople today want to bring their faith to work. Yet they wrestle with how to do this effectively and appropriately in a pluralistic corporate setting. For help they turn not to their clergy, but to their peers and to a burgeoning cottage industry on spirituality at work. They attend conferences and seminars, participate in Bible study and prayer groups, and read books, blogs, and eNewsletters. They see their faith as a resource for ethical guidance and to help find meaning and purpose in their work. In God at Work, David W. Miller looks at how this Faith at Work movement developed and considers its potential value for business and society. Done well, the integration of faith and work has positive implications at the personal level, as well as for corporate ethics and the broader economic sphere. At the same time, increasing expressions of religion and spiritual practices at work also present the threat of divisiveness and discrimination. Drawing on the insights of theological ethics as well as the sociology of religion, Miller analyzes the history of the modern day Faith at Work movement from its roots in the late 19th century to its modern formulation and trajectory. He examines the diversity of its members and modes of expression, and constructs a new framework for understanding, interpreting, and critiquing the movement and its future. Miller concludes that workers and professionals have a deep and lasting desire to live a holistic life, to integrate the claims of their faith with the demands of their work. He documents the surprising abdication of this field by church and theological academy and its embrace, ironically, by the management academy. Offering compelling new evidence of the depth

and breadth of spirituality at work, Miller concludes that faith at work is a bona fide social movement and here to stay. He establishes the importance of this movement, identifies the possibilities and problems, and points toward future research questions. *God at Work* is essential reading for business scholars and leaders, theologians and clergy, and anyone interested in the integration of faith and work.

The book is about the revival of China in the 20th century and the first decade of the 21st century. It has eight parts: (1) The civil revolution in China, (2) The countryside bases, (3) The Long March of the Red Army, (4) The Anti Japanese War, (5) Decisive civil battles before the establishment of the People's Republic of China, (6) The Mao Era before the Great Cultural Revolution, (7) The Great Cultural Revolution, and (8) The Reform and opening up. This version of the book is with pictures.

New in paperback and now revised and updated, *Outbreak*, by gifted youth leader, Greg Stier, draws on the example of "viral marketing" in secular marketing to illustrate the idea of "viral evangelism". He believes if we equip teens to be contagious, unstoppable Christians like those in the book of Acts, a major revival is sure to follow. This new edition contains practical strategies and links to free resources and forums.

Over the centuries God has touched the earth with revival, lifting men and women into his presence in extraordinary ways. And in some epochs the divine hand seems to have rested on us longer and to have caused more profound changes in the church and the culture.

Authors Towns and Porter have studied revival eras throughout history in order to identify the ten which seem to have been the greatest of all time. If you want to understand revival and if you long to see revival in our day, this book will speak to both your mind and your heart.

*Historians have sometimes argued, and popular discourse certainly assumes, that evangelicalism and fundamentalism are identical. In the twenty-first century, when Islamic fundamentalism is at the centre of the world's attention, whether or not evangelicalism should be seen as the Christian version of fundamentalism is an important matter for public understanding. The essays that make up this book analyse this central question. Drawing on empirical evidence from many parts of the United Kingdom and from across the course of the twentieth century, the essays show that fundamentalism certainly existed in Britain, that evangelicals did sometimes show tendencies in a fundamentalist direction, but that evangelicalism in Britain cannot simply be equated with fundamentalism. The evangelical movement within Protestantism that arose in the wake of the eighteenth-century revival exerted an immense influence on British society over the two subsequent centuries. Christian fundamentalism, by contrast, had its origins in the United States following the publication of *The Fundamentals*, a series of pamphlets issued to ministers between 1910 and 1915 that was funded by California oilmen. While there was considerable British participation in writing the series, the term 'fundamentalist' was invented in an exclusively American context when, in 1920, it was coined to describe the conservative critics of theological liberalism. The fundamentalists in Britain formed only a small section of evangelical opinion that declined over time.*

Connecting deeply with our kids can be difficult in our busy, technology-driven lives. Reading aloud offers us a chance to be fully present with our children. It also increases our kids' academic success, inspires compassion, and fortifies them with the inner strength they need to face life's challenges. As Sarah Mackenzie has found with her own six children, reading aloud

long after kids are able to read to themselves can deepen relationships in a powerful way. Founder of the immensely popular Read-Aloud Revival podcast, Sarah knows first-hand how reading can change a child's life. In *The Read-Aloud Family*, she offers the inspiration and age-appropriate book lists you need to start a read-aloud movement in your own home. From a toddler's wonder to a teenager's resistance, Sarah details practical strategies to make reading aloud a meaningful family ritual. Reading aloud not only has the power to change a family—it has the power to change the world.

In a world where we use the word love every day, why is it that so many don't have a clear understanding of what it really is? What is it all about, and how do we find a love that will last a lifetime? True love is more so much more than any book can capture, but there is at least one person who has lived it. In *True Love*, author Priscilla Alan shares her story of one young girl's struggle to be loved and how she found the true love that changed her life forever. Searching for this love at even a young age, Priscilla would sadly find only abuse and neglect with the various relationships in her life. But through it all, she knew true love was out there, and she shares her story in the hopes that it will help others who may be in search of this same true love that she has found—the love of Jesus Christ. Priscilla never dreamed her search for true love would take her where it has. Throughout her life, love meant many different things, both good and bad, but in the end she discovered what true love is all about—a love that she never thought was possible, but that is available for all of us if we believe.

The congregation is a distinctly American religious structure, and is often overlooked in traditional studies of religion. But one cannot understand American religion without understanding the congregation. *Volume 1: Portraits of Twelve Religious Communities* chronicles the founding, growth, and development of congregations that represent the diverse and complex reality of American local religious cultures. The contributors explore multiple issues, from the fate of American Protestantism to the rise of charismatic revivalism. *Volume 2: New Perspectives in the Study of Congregations* builds upon those historical studies, and addresses three crucial questions: Where is the congregation located on the broader map of American cultural and religious life? What are congregations' distinctive qualities, tasks, and roles in American culture? And, what patterns of leadership characterize congregations in America?

To learn more about YOUCAT at the special website for it - [click here](#) YOUCAT is short for Youth Catechism of the Catholic Church, which was launched on World Youth Day, 2011. Developed with the help of young Catholics and written for high-school age people and young adults, YOUCAT is an accessible, contemporary expression of the Catholic Faith. The appealing graphic format includes Questions-and-Answers, highly-readable commentary, summary definitions of key terms, Bible citations and inspiring and thought-provoking quotes from Saints and others in the margins. What's more, YOUCAT is keyed to the Catechism of the Catholic Church, so people can go deeper. It explains: What Catholics believe and why (doctrine)How Catholics celebrate the mysteries of the faith (sacraments)How Catholics are to live (moral life)How they should pray (prayer and spirituality) The questions are direct and honest, even at times tough; the answers straightforward, relevant, and compelling. YOUCAT will likely become the "go-to" place for young people to learn the truth about the Catholic faith. Illustrated.

During the 1940s, in the wake of the Depression and in the midst of WWII, a small group of students at Baylor University began to pray for spiritual revival. They were not evangelists with a program, but ordinary students with a heartfelt concern for renewal in America. Beginning with a single miraculous revival in Waco, Texas, a movement began among students from other campuses and in other cities -- Houston, Fort Worth, Dallas, Memphis, Birmingham, Atlanta, even Honolulu. Riding The Wind Of God tells the remarkable story of the Youth Revival Movement. These stories, written for the first time, reflect God's power at work in surprising places in an extraordinary time.

From décor to community outreach, one thousand creative methods and suggestions to inspire how a church does church.

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, *Christus Vivit*, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover

who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."

Letters to the Church reminds readers how powerful the Church can be and calls this generation to passionately pursue God's vision for His beloved Bride.

Featuring over 140 Chinese and non-Chinese contributors, this landmark volume, edited by David Der-wei Wang, explores unconventional forms as well as traditional genres, emphasizes Chinese authors' influence on foreign writers as well as China's receptivity to outside literary influences, and offers vibrant contrasting voices and points of view.
